**October 19, 2007
Miami Lakes, Florida-**

During the week of October 22-27, 2007, The Town of Miami Lakes will join other cities across Florida in celebrating “Florida City Government Week”. Part of an ongoing effort sponsored by the Florida League of Cities, this week was created to heighten the public’s awareness of municipal government and the important role it plays in enhancing the quality of life of all residents.

In commemoration of “Florida City Government Week”, the “Project Citizen” class at Miami Lakes Middle School will be conducting a special “Mock Town Council Meeting”.

The “Project Citizen Class”, under the instruction of Mrs. Liza Deyarza, is comprised of 7th and 8th graders who were the recipients of a special interactive lesson on local government given by members of the Town of Miami Lakes Council on Wednesday, October 19th 2007. The students will now have the opportunity to conduct their own mock council meeting and put into practice what they learned about the local legislative process.
