Ordinance for First Reading

TOWN OF MIAMI LAKES COUNCIL MEMORANDUM

To: Honorable Mayor and Town Council

From: Alex Rey, Town Manager *AV. for A.R.*

Subject: First Reading of Allowable Encroachments for Single Family and Two Family Residences
Articles 5.1 through 5.6 of the Land Development Code

Date: July 2, 2004

Recommendation

It is recommended that the Town Council approve on first reading Divisions 5.1 through 5.6 of Article 5, Allowable Encroachments into the Required Yards and Exceptions to the Maximum Permitted Heights, of the Town's new Land Development Code.

Background

Article 5 of the new Code will clearly describe what structures and items will be permitted within the required yards (the setback areas) of all the zoning districts within the Town. Guided by the input from the ongoing series of workshops with the Council, staff has prepared the first six divisions for adoption. The remaining divisions will follow once workshops have been completed. These divisions describing the allowable encroachments into the setback areas only apply to single family and two family residences and will be listed alphabetically to allow for ease of use. The multi-family, commercial and industrial allowable encroachments will follow once the council has had workshops concerning those sections.

Division 5.1 simply states that all required setback areas shall remain open and free of all buildings, structures and paving except and as authorized by the code in this article. Then the divisions will following in alphabetical order describing structures and items that are permitted in the required yards (setback areas).

The following divisions have been prepared for consideration on first reading: 5.2 Accessory Buildings; 5.3 Accessory Structures; 5.4 Air Conditioning or other Mechanical Equipment; 5.5 Awnings and 5.6 Canopies.

ORDINANCE NO. 04-___

AN ORDINANCE OF THE TOWN OF MIAMI LAKES, FLORIDA, PERTAINING TO THE LAND DEVELOPMENT CODE; PROVIDING FOR ADOPTION OF PROVISIONS FOR SINGLE FAMILY AND TWO FAMILY RESIDENTIAL ZONING DISTRICT REGULATIONS RELATED TO ALLOWABLE ENCROACHMENTS INTO REQUIRED YARDS AND EXCEPTIONS TO THE MAXIMUM PERMITTED HEIGHTS, ALL AS INCLUDED IN EXHIBIT "A" HEREIN; PROVIDING FOR REPEAL OF CONFLICTING PROVISIONS; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE TOWN CODE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Town of Miami Lakes (the "Town") upon incorporation adopted Chapter 33 "Zoning" of the Code of Miami-Dade County to serve as the Town's Land Development Code; and

WHEREAS, the Town desires to update and streamline the existing Town Land Development Code and to tailor it to the Town's particular needs and community vision; and

WHEREAS, the Town has undertaken a comprehensive rewriting of the Land Development Code, after having conducted workshops and public hearings regarding the Code, and having adopting its Comprehensive Plan pursuant to state statutes; and

WHEREAS, as part of the ongoing work to revise the Town Land Development Code, regulations have been drafted regarding allowable encroachments into required yards and exceptions to the maximum permitted heights for single and two family residential areas, all as included in Exhibit "A" hereto; and

WHEREAS, after conducting a properly noticed public hearing the Town Local Planning Agency has recommended that the referenced regulations are consistent with the Town Comprehensive Plan; and

WHEREAS, after conducting a properly noticed hearing and considering the recommendations of the public, the Local Planning Agency and the Town staff, the Town Council wishes to adopt the regulations for including in the Land Development Code as attached hereto as Exhibit "A."

NOW THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF MIAMI LAKES, FLORIDA, AS FOLLOWS:

702003\Ordinances\Single and two family encroachments into yards and exceptions to heights

EXHIBIT "A"

ARTICLE 5 ALLOWABLE ENCROACHMENTS INTO THE REQUIRED YARDS AND EXCEPTIONS TO THE MAXIMUM PERMITTED HEIGHTS

Division 5.1 Generally

In all single family and two family districts, every part of a required yard shall be landscaped and remain open to the sky and free of all structures and paving except as authorized by these land development regulations. The following items are permitted to be constructed, placed or encroach into the required yards or to exceed the height requirements of a district.

Division 5.2 Accessory Buildings

- A. One story accessory buildings shall be permitted within the required rear yard of single family or duplex residences if they comply with the following:
1. Each accessory building shall not exceed 150 sq. ft. (75 sq. ft. in the zero lot line developments) RU1-Z) of roofed area (including roof overhangs) and enclosed storage areas in each individual accessory building shall not exceed 60 sq. ft (30 sq. ft. in the zero lot line developments).
 2. The total lot coverage of all accessory buildings in the required rear yard shall not exceed more than 20% of the area of the required rear yard.
 3. Accessory buildings shall be setback a minimum of five (5) feet from a rear or interior side property line or shall comply with the side street setbacks for the main structure. Roof overhangs shall be permitted to project a maximum of twelve (12) inches into the required 5' side and rear setbacks.
 4. Accessory buildings shall be detached a minimum of 10' from the residence and a minimum of 6' from roof overhangs (detached 5' from the main residence and 3' from any roof overhangs in the zero lot line developments). Accessory buildings shall be spaced apart from each other the same distance requirements as from the main residence.
 5. Accessory buildings shall be limited to one story with a maximum height of 15'.
 6. Allowable accessory buildings, with the exception of chickee huts as defined in this code, shall be constructed and finished to match the existing residence (including roofing material) or designed in an architectural style complimentary to the existing residence.
 7. Accessory buildings shall be limited to uses that are accessory to the main use, including but not limited to garages, carports, pergolas, cabanas, gazebos etc. Sleeping or guest rooms shall not be permitted in detached accessory buildings.

8. Accessory buildings may contain heating and air conditioning, washers and dryers, toilets, bar sinks and showers. An outdoor built-in barbecue grill or similar cooking equipment shall be allowed as an accessory structure.
9. No permit shall be issued for an accessory building for any use unless the principal building exists on the lot, or unless a permit is obtained simultaneously for both buildings and construction progresses concurrently.

Division 5.3 Accessory Structures

- A. Accessory structures associated with single family and two family residences shall comply with the following:
 1. Accessory structures such as barbecue grills, play equipment, tents, detached canopies, trellises, etc. whether or not permanently attached to the ground, shall only be permitted in the rear or side yards and must comply with the same height and setback regulations from adjoining properties as accessory buildings. Above ground swimming pools and hot tubs shall comply with the same setbacks as swimming pools in Section 5.x. Accessory structures not permanently attached to the ground, including temporary play equipment, 5' high or less may be located 2' from a rear or interior side property line and shall comply with the side street setbacks for the main structure.
 2. Accessory storage sheds which are no larger than 30 sq. ft. and 5' high or less and not visible from the street or adjoining properties, may be located 2' from a rear or interior side property line and comply with the side street setbacks for the main structure and are not required to match the architectural style and construction materials of the main residence. Storage sheds larger than 30 sq. ft. and or higher than 5' are not permitted.

Division 5.4 Air Conditioning or other Mechanical Equipment

- A. Single Family and Two Family Residences:

Central Air-Conditioning or mechanical equipment shall not be located along the front façade of any single family or two family residence and shall be located at least 3' from an interior side or rear side property line and 10' from a side facing a street. Legally existing central air-conditioning or mechanical equipment that does not meet the above setbacks may be replaced in the existing locations provided that the setback is not reduced. The equipment shall be substantially screened, by landscaping, wall or similar device from view at eye level (5' – 6" above grade) from the front of the property or side facing a street.

Wall or window air conditioning units shall not be visible from a front or side street.

Central air-conditioning or mechanical equipment located on the roof shall also be substantially screened from view at eye level (5' – 6" above grade) from adjoining properties. Roof mounted solar powered water heaters if possible shall be installed so that they are not visible at eye level from the front or side streets.

Division 5.5 Awnings

A. Single Family and Two Family Residences:

Awnings may only be installed over doors, windows or other openings and shall be permitted to project into any required setback as follows:

Maximum projection into front setback: 5'

Maximum projection into interior or street side setback: 3'

Maximum projection into rear setback: 7'

In no instance shall an awning project any closer than 3' to a property line.

An awning projecting into the rear setback of single family and two family residences may be installed along the rear façade regardless of whether there are doors, windows or other openings, however; the awning shall not cover more than 70% of the width of the rear façade of the residence.

All awnings affixed to a particular residence shall be of the same color.

The area covered by awnings shall not be included in the lot coverage calculations.

Division 5.6 Canopies

A. Single Family and Two Family Residences:

Required Front and Side Yard:

Detached or attached canopies are not permitted within the required front and side yards.

Required Rear Yard:

Canopies attached to the main residence and open on two sides shall not be included in the lot coverage calculations but must comply with the required rear and side setbacks for the main residence.

Detached Canopies in the rear yards shall comply with the setback and lot coverage restrictions for accessory buildings and with the exception of chickee huts as defined in this code may only be constructed of canvas and pipe or CBS construction to match the residence.

Ordinance for Second Reading - Public Hearing

TOWN OF MIAMI LAKES COUNCIL MEMORANDUM

To: Honorable Mayor and Town Council
From: Alex Rey, Town Manager *AV. for A.R.*
Subject: Second Reading of Single Family Regulations
Articles 4.1 and 4.2 of the Land Development Code
Date: July 2, 2004

Recommendation

It is recommended that the Town Council approve on second reading Divisions 4.1 and 4.2 of Article 4 - Zoning District Regulations of the Town's new Land Development Code.

Background

These sections of the code were approved June 17, 2004 on first reading. The only change from the first reading was the increase in the number of permitted garage sales from two (2) days to four (4) days per calendar year.

Article 4 of the new Code will eventually contain the basic development regulations for all of the zoning districts within the Town. This Article will consolidate most development regulations for each zoning district in one part of the code in a clear and concise format that will be easy for residents and developers to understand. Guided by the input from the ongoing series of workshops with the Council, staff has prepared Divisions 4.1 and 4.2 for adoption. For consistency purposes the same format for will be used for the remainder of the residential districts in the Town.

Division 4.1 simply states the purpose of the article, which is to describe the purpose and intent of each zoning district; identify permitted, conditional, and prohibited uses by zoning district; and present densities and development regulations for each zoning district.

Division 4.2 outlines the development regulations of the existing single family (RU-1, RU-1M(a), RU-1M(b) and RU-1Z) and two family (RU-2) districts within the Town. The RU-1M(a) district will be renamed RU-1A and the RU-1M(b) district will be renamed RU-1B. The remaining districts, RU-1, RU-1Z and RU-2 will retain the original County designations.

Division 4.2 is divided into the following sections:

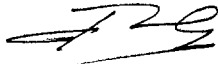

- A. Main Permitted Uses
- B. Conditional Uses
- C. Prohibited Uses
- D. Accessory Uses
- E. Development Regulations for Single Family and Two Family Districts
- F. Density
- G. Additional Development Regulations for the RU-1Z - Zero Lot Line Districts
- H. Subdivision of RU-2 lots

Sections A through F will be used for all residential districts and additional sections will be added as needed for each zoning district.

1. Maximum Lot Coverage

Lot coverage is defined as the percentage of the total area of a lot that, when viewed directly from above, would be covered by the principal residence. The lot coverage shall not include accessory structures in the required rear yard, roof overhangs, projecting unenclosed balconies, awnings, at grade walkways and decks, swimming pools, and canopies or porches open on at least two sides and not covered by an enclosed floor above.

2. Lot coverage requirements shall in no way affect existing setback or spacing requirements, or the requirements that residential uses must conform to residential setbacks when established in business or industrial districts.
3. For waterfront lots the lot area used for lot coverage calculations shall include all of the land up to the water's edge.
4. Lot width is measured at the required front yard setback and parallel to the front property line abutting the street. However, in the residential districts the lot width shall be the average of the front and rear lot widths if a lot meets the following criteria:
 - a. The side lot lines are not parallel.
 - b. The lots front a curvilinear street.
 - c. The width of the front lot line facing the street is at least:
 - 50' for RU-1 and RU-2
 - 40' for RU-1M(b)
 - 33' for RU-1M(a)
 - 31' for RU-1Z
5. For corner lots, the front shall be the narrowest portion facing a street unless otherwise determined by the Town.

Where a lot extends through from one (1) street to another, the rear yard shall be as determined by the original plat. For the purposes of locating accessory structures, the administrative official shall determine the rear yard from the development pattern of the adjoining lots. No accessory structure shall be placed on through lots if said structures would conflict with other building values or uses on the same streets.

6. The height of a building shall be measured from the crown of the road in front of the property to the highest ridge of a pitched roof or the highest point of a flat roof, not including the parapet. Exceptions to the height regulations are listed in Division 5.x.
7. For waterfront lots, the rear setback shall be measured from the water's edge. However, no structures are permitted past the top of the slope or tie line other than those permitted by Division 6.x entitled "Waterfront Lots".

F. Density

The Single Family and Two Family districts shall permit the following maximum densities:

RU-1	1 residence per 7,500 sq. ft. / 5.8 units per net acre
RU-1B	1 residence per 6,000 sq. ft. / 7.26 units per net acre
RU-1A	1 residence per 5,000 sq. ft. / 8.7 units per net acre
RU-1Z	1 residence per 4,500 sq. ft. / 9.68 units per net acre
RU-2	1 duplex structure per 7,500 sq. ft. / 11.6 units per net acre

G. Additional Development Regulations for the RU-1Z - Zero Lot Line Districts

1. Openings prohibited on the zero lot line side. The wall of the dwelling unit located on the lot line shall have no windows, doors, air-conditioning units, or any other type of openings except for the following:
 - a. Atriums or courts shall be permitted on the zero lot line side when the court or atrium is enclosed by three (3) walls of the dwelling unit, and a solid wall of at least eight (8) feet in height is provided on the zero lot line. Said wall shall be constructed of the same material as exterior walls of the unit.
 - b. Windows shall be permitted on the zero lot line side provided said windows are placed at a minimum height of six (6) feet above the finished floor level of any floor adjacent to the wall below the window.
 - c. Windows shall be permitted on a building wall which is located perpendicular to the zero lot line property line or where said windows are located at least ten (10) feet from the property line.

2. Maintenance and drainage easements. A perpetual four-foot wall-maintenance easement shall be provided on the lot adjacent to the zero lot line property line, which, with the exception of walls and/or fences, shall be kept clear of structures, decks and paving. This easement shall be shown on the plat and incorporated into each deed transferring title to the property. The wall shall be maintained in its original color and treatment unless otherwise agreed to in writing by the two (2) affected lot owners. Roof overhangs may penetrate the easement on the adjacent lot a maximum of twenty-four (24) inches but the roof shall be so designed that water runoff from the dwelling placed on the lot line is limited to the easement area. Building footings may penetrate the easement on the adjacent lot a maximum of eight (8) inches.

H. Subdivision of RU-2 Lots.

Duplex uses which comply with the minimum standards for such uses in the RU-2 District and other districts where duplex uses are permitted may be subdivided so as to create one (1) lot for each dwelling unit, provided that the following conditions are met:

1. Each individual lot must be subdivided in accordance with the Platting regulations of this Code.
2. Lot frontage. Each individual lot shall have a minimum frontage of thirty-seven and five-tenths (37.5) feet at the front property line and at the required twenty-five-foot front setback line.
3. Lot area. Each individual lot shall have a minimum area of three thousand seven hundred fifty (3,750) square feet.
4. Lot coverage. For each individual lot, the percentage of lot covered by structures shall not exceed thirty five (35) percent.
5. Parking. For each individual lot, a minimum of two (2) parking spaces per lot shall be provided.
6. Height. The maximum height shall be thirty-five (35) feet and two (2) stories.
7. Setbacks. 0' between units, all other setbacks shall comply with the minimum setbacks in this section.
8. Utilities and services. Each individual unit shall be independently served by separate heating, air conditioning, sewer, water, electric power, gas, and other facility and utility services, wherever such utilities and services are provided, and no individual unit shall be in any way dependent upon such services or utility lines located within another unit.
9. Walls. The individual units in a fee-simple duplex arrangement shall be separated by a party wall meeting all requirements of the Florida Building Code. Where units are offset from one (1) another and a common party wall is used, the wall may be placed equidistant on each side of the lot line not exceeding the length of the offset.
