Dear Robert:

On behalf of our company, I am pleased to announce that The Keyes Company will endow the "Key to the Town of Miami Lakes Scholarship Award." Our company will provide to two graduating high school seniors a \$500.00 scholarship award per graduate totaling \$1000.00 per year for three years.

Since the recipients must reside in the Town of Miami Lakes, we would like the Town Council to select one male and one female student to receive the award. In addition, we would like to present the award checks directly to the recipients during one of the Town Council's monthly meetings. It is our intent that the scholarship be awarded in the springtime prior to the students' high school graduation. We would like to award the first scholarships to the 2002 graduates.

We look forward to working with the Town to recognize deserving students. Please call me if you have any questions.

Sincerely,

Mike Pappas
