MIAMI LAKES TOWN COUNCIL Staff Report

Date Prepared: April 17, 2003
Meeting Date: April 22, 2003

Local Planning Agency/ First Reading Application for Reformation of Ordinance 02-26 Dunnwoody Lakes

EXECUTIVE SUMMARY

Applicants' Request:

To change the overall legal description on Exhibit C of Ordinance 02-26 to correct a technical error pursuant to Section 33-315.1 of the Town Code.

Petition Facts:

➤ Ordinance 02-26, adopted October 9, 2002, granted a request for rezoning and site plan approvals of property known as Dunnwoody Lakes for residential and commercial development. Attached to the original ordinance is Exhibit C containing an overall legal description with a technical error.

➤ Applicants Lowell S. Dunn and Betty L. Dunn, through their attorney Stanley B. Price, applied on November 7, 2002 to correct the legal description. Application materials are attached as Composite Exhibit A.

➤ The requested reformation ordinance is consistent with the Comprehensive Development Master Plan for the Town.

➤ The Town Code, Section 33-315.1(c), contains the following standards for a reformation to correct technical errors, each one of which has been met:

- (1) The current applicant either did not know of the technical error or knew of the error and made it known to the adopting board;
- (2) The reformation of the previous resolution is essential to insure that the resolution expresses the intent of the adopting board;
- (3) The intent of the board was evident at the time of the adoption of the previous resolution, and there was no intent to deceive the public of the board on the part of the current applicant at any time;
- (4) Failure to approve the technical correction would lead to an unjust result; and

- (5) The error in the prior process or resolution did not mislead anyone in a way that would cause them to be prejudiced by reformation of the resolution.

Staff Recommendation:

Approval of the application for reformation of Ordinance 02-26 by the attached ordinance.
