**FILING INSTRUCTIONS:**

**WHAT TO FILE:**

After completing all parts of this form, **including signing and dating it**, send back only the first sheet (pages 1 and 2) for filing.

If you have nothing to report in a particular section, you must write "none" or "n/a" in that section(s).

**NOTE:**

**MULTIPLE FILING UNNECESSARY:**

Generally, a person who has filed Form 1 for a calendar or fiscal year is not required to file a second Form 1 for the same year. However, a candidate who previously filed Form 1 because of another public position must at least file a copy of his or her original Form 1 when qualifying.

**WHERE TO FILE:**

If you were mailed the form by the Commission on Ethics or a County Supervisor of Elections for your annual disclosure filing, return the form to that location.

**Local officers/employees** file with the Supervisor of Elections of the county in which they permanently reside. (If you do not permanently reside in Florida, file with the Supervisor of the county where your agency has its headquarters.)

**State officers or specified state employees** file with the Commission on Ethics, P.O. Drawer 15709, Tallahassee, FL 32317-5709; physical address: 3600 Maclay Boulevard, South, Suite 201, Tallahassee, FL 32312.

**Candidates** file this form together with their qualifying papers.

To determine what category your position falls under, see the "Who Must File" Instructions on page 3.

**Facsimiles will not be accepted.**

**WHEN TO FILE:**

**Initially**, each local officer/employee, state officer, and specified state employee must file **within 30 days** of the date of his or her appointment or of the beginning of employment. Appointees who must be confirmed by the Senate must file prior to confirmation, even if that is less than 30 days from the date of their appointment.

**Candidates** for publicly-elected local office must file at the same time they file their qualifying papers.

**Thereafter**, local officers/employees, state officers, and specified state employees are required to file by July 1st following each calendar year in which they hold their positions.

**Finally**, at the end of office or employment, each local officer/employee, state officer, and specified state employee is required to file a final disclosure form (Form 1F) within 60 days of leaving office or employment. However, filing a CE Form 1F (Final Statement of Financial Interests) does not relieve the filer of filing a CE Form 1 if he or she was in their position on December 31, 2011.

## INSTRUCTIONS FOR COMPLETING FORM 1:

### **INTRODUCTORY INFORMATION** (At Top of Form):

If your name, mailing address, public agency, and position are already printed on the form, you do not need to provide this information unless it should be changed. To change any of this information, write the correct information on the form, then contact your agency's financial disclosure coordinator. Your coordinator is identified in the financial disclosure portal on the Commission on Ethics website: [www.ethics.state.fl.us](http://www.ethics.state.fl.us).

**NAME OF AGENCY:** This should be the name of the governmental unit which you serve or served, by which you are or were employed, or for which you are a candidate. For example, "City of Tallahassee," "Leon County," or "Department of Transportation."

**OFFICE OR POSITION HELD OR SOUGHT:** Use the title of the office or position you hold, are seeking, or held during the disclosure period (in some cases you may not hold that position now, but you still would be required to file to disclose your interests during the last year you held that position). For example, "City Council Member," "County Administrator," "Purchasing Agent," or "Bureau Chief." If you are a candidate for office or are a new employee or appointee, check the appropriate box.

**MAILING ADDRESS:** If your home address appears on the form but you prefer another address be shown, change the address as described above. If you are an active or former officer or employee listed in Section

119.071(4)(d), F.S., whose home address is exempt from disclosure, the Commission is required to maintain the confidentiality of your home address **if you submit a written request for confidentiality**. Persons listed in Section 119.071(4)(d), F.S., are encouraged to provide an address other than their home address.

**DISCLOSURE PERIOD:** The tax year for most individuals is the calendar year (January 1 through December 31). If that is the case for you, then your financial interests should be reported for the calendar year 2011; just check the box and you do not need to add any information in this part of the form. However, if you file your IRS tax return based on a tax year that is not the calendar year, you should specify the dates of your tax year in this portion of the form and check the appropriate box. This is the time frame or "disclosure period" for your report.

**MANNER OF CALCULATING REPORTABLE INTERESTS:** As noted in this portion of the form, the Legislature has given filers the option of reporting based on either thresholds that are comparative (usually, based on percentage values) or thresholds that are based on absolute dollar values. The instructions on the following pages specifically describe the different thresholds. Simply check the box that reflects the choice you have made. You must use the type of threshold you have chosen for each part of the form. In other words, if you choose to report based on absolute dollar value thresholds, you cannot use a percentage threshold on any part of the form.

(CONTINUED on page 4) 

## PART A — PRIMARY SOURCES OF INCOME

[Required by Sec. 112.3145(3)(a)1 or (b)1, Fla. Stat.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose the amount of income received. The sources should be listed in descending order, with the largest source first. Please list in this part of the form the name, address, and principal business activity of each source of your income which (depending on whether you have chosen to report based on percentage thresholds or on dollar value thresholds) either:

exceeded five percent (5%) of the gross income received by you in your own name or by any other person for your benefit or use during the disclosure period, **or**

exceeded \$2,500.00 (of gross income received during the disclosure period by you in your own name or by any other person for your use or benefit).

You need not list your public salary received from serving in the position(s) which requires you to file this form, but this amount should be included when calculating your gross income for the disclosure period. The income of your spouse need not be disclosed. However, if there is joint income to you and your spouse from property held by the entireties (such as interest or dividends from a bank account or stocks held by the entireties), you should include all of that income when calculating your gross income and disclose the source of that income if it exceeded the threshold.

"Gross income" means the same as it does for income tax purposes, including all income from whatever source derived, such as compensation for services, gross income from business, gains from property dealings, interest, rents, dividends, pensions, social security, distributive share of partnership gross income, and alimony, but not child support.

Examples:

— If you were employed by a company that manufactures computers and received more than 5% of your gross income (salary, commissions, etc.) from the company (or, alternatively, \$2,500), then you should list the name of the company, its address, and its principal business activity (computer manufacturing).

— If you were a partner in a law firm and your distributive share of partnership gross income exceeded 5% of your gross income (or, alternatively, \$2,500), then you should list the name of the firm, its address, and its principal business activity (practice of law).

— If you were the sole proprietor of a retail gift business and your gross income from the business exceeded 5% of your total gross income (or, alternatively, \$2,500), then you should list the name of the business, its address, and its principal business activity (retail gift sales).

— If you received income from investments in stocks and bonds, you are required to list only each individual company from which you derived more than 5% of your gross income (or, alternatively, \$2,500), rather than aggregating all of your investment income.

— If more than 5% of your gross income (or, alternatively, \$2,500) was gain from the sale of property (not just the selling price), then you should list as a source of income the name of the purchaser, the purchaser's address, and the purchaser's principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed simply as "sale of (name of company) stock," for example.

— If more than 5% of your gross income (or, alternatively, \$2,500) was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

## PART B — SECONDARY SOURCES OF INCOME

[Required by Sec. 112.3145(3)(a)2 or (b)2, Fla. Stat.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. You will **not** have anything to report **unless**:

(a) If you are reporting based on percentage thresholds:

(1) You owned (either directly or indirectly in the form of an equitable or beneficial interest) during the disclosure period more than five percent (5%) of the total assets or capital stock of a business entity (a corporation, partnership, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); **and**

(2) You received more than ten percent (10%) of your gross income during the disclosure period from that business entity; **and**

(3) You received more than \$1,500 in gross income from that business entity during the period.

(b) If you are reporting based on dollar value thresholds:

(1) You owned (either directly or indirectly in the form of an equitable or beneficial interest) during the disclosure period more than five percent (5%) of the total assets or capital stock of a business entity (a corporation, partnership, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); **and**

(2) You received more than \$5,000 of your gross income during the disclosure period from that business entity.

If your interests and gross income exceeded the appropriate thresholds listed above, then for that business entity you must list every source of income to the business entity which exceeded ten percent (10%) of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

— You are the sole proprietor of a dry cleaning business, from which you received more than 10% of your gross income (an amount that was more than \$1,500) (or, alternatively, more than \$5,000, if you are using dollar value thresholds). If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).

— You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the thresholds listed above. You should list each tenant of the mall that provided more than 10% of the partnership's gross income, the tenant's address and principal business activity.

— You own an orange grove and sell all your oranges to one marketing cooperative. You should list the cooperative, its address, and its principal business activity if your income met the thresholds.

## PART C — REAL PROPERTY

[Required by Sec. 112.3145(3)(a)3 or (b)3, Fla. Stat.]

In this part, please list the location or description of all real property (land and buildings) in Florida in which you owned directly or indirectly at any time during the previous tax year in excess of five percent (5%) of the property's value. This threshold is the same, whether you are using percentage thresholds or dollar thresholds. You are not required to list your residences and vacation homes; nor are you required to state the value of the property on the form.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you are more than a 5% partner in a partnership or stockholder in a corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more current appraisal.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. Although a legal description of the property will do, such a lengthy description is not required. Using simpler descriptions, such as "duplex, 115 Terrace Avenue, Tallahassee" or "40 acres located at the intersection of Hwy. 60 and I-95, Lake County" is sufficient. In some cases, the property tax identification number of the property will help in identifying it: "120 acre ranch on Hwy. 902, Hendry County, Tax ID # 131-45863."

(CONTINUED on page 5) 

Examples:

— You own 1/3 of a partnership or small corporation that owns both a vacant lot and a 12% interest in an office building. You should disclose the lot, but are not required to disclose the office building (because your 1/3 of the 12% interest—which equals 4%—does not exceed the 5% threshold).

— If you are a beneficiary of a trust that owns real property and your interest depends on the duration of an individual's life, the value of your interest should be determined by applying the appropriate actuarial table to the value of the property itself, regardless of the actual yield of the property.

## PART D — INTANGIBLE PERSONAL PROPERTY

[Required by Sec. 112.3145(3)(a)3 or (b)3, Fla. Stat.]

Provide a general description of any intangible personal property that, at any time during the disclosure period, was worth more than:

(1) ten percent (10%) of your total assets (if you are using percentage thresholds), or

(2) \$10,000 (if you are using dollar value thresholds),

and state the business entity to which the property related. Intangible personal property includes such things as money, stocks, bonds, certificates of deposit, interests in partnerships, beneficial interests in a trust, promissory notes owed to you, accounts receivable by you, assets held in IRA's, and bank accounts. Such things as automobiles, houses, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity should be aggregated; for example, two certificates of deposit and a savings account with the same bank. Where property is owned by husband and wife as tenants by the entirety (which usually will be the case), the property should be valued at 100%.

Calculations: In order to decide whether the intangible property exceeds 10% of your total assets, you will need to total the value of all of your assets (including real property, intangible property, and tangible personal property such as automobiles, jewelry, furniture, etc.). When making this calculation, do not subtract any liabilities (debts) that may relate to the property—add only the fair market value of the property. Multiply the total figure by 10% to arrive at the disclosure threshold. List only the intangibles that exceed this threshold amount. Jointly owned property should be valued according to the percentage of your joint ownership, with the exception of property owned by husband and wife as tenants by the entirety, which should be valued at 100%. None of your calculations or the value of the property have to be disclosed on the form. If you are using dollar value thresholds, you do not need to make any of these calculations.

Examples for persons using comparative (percentage) thresholds:

— You own 50% of the stock of a small corporation that is worth \$100,000, according to generally accepted methods of valuing small businesses. The estimated fair market value of your home and other property (bank accounts, automobile, furniture, etc.) is \$200,000. As your total assets are worth \$250,000, you must disclose intangibles worth over \$25,000. Since the value of the stock exceeds this threshold, you should list "stock" and the name of the corporation. If your accounts with a particular bank exceed \$25,000, you should list "bank accounts" and bank's name.

— When you retired, your professional firm bought out your partnership interest by giving you a promissory note, the present value of which is \$100,000. You also have a certificate of deposit from a bank worth \$75,000 and an investment portfolio worth \$300,000, consisting of \$100,000 of IBM bonds and a variety of other investments worth between \$5,000 and \$50,000 each. The fair market value of your remaining assets (condominium, automobile, and other personal property) is \$225,000. Since your total assets are worth \$700,000, you must list each intangible worth more than \$70,000. Therefore, you would list "promissory note" and the name of your former partnership, "certificate of deposit" and the name of the bank, "bonds" and "IBM," but none of the rest of your investments.

## PART E — LIABILITIES

[Required by Sec. 112.3145(3)(a)4 or (b)4, Fla. Stat.]

In this part of the form, list the name and address of each private or governmental creditor to whom you were indebted for a liability in any amount that, at any time during the disclosure period, exceeded:

(1) your net worth (if you are using percentage thresholds), or

(2) \$10,000 (if you are using dollar value thresholds).

You are not required to list the amount of any indebtedness or your net worth. You do not have to disclose any of the following: credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, contingent liabilities, and accrued income taxes on net unrealized appreciation (an accounting concept). A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and have signed as being jointly liable or jointly and severally liable, then this is not a contingent liability; if you are using the \$10,000 threshold and the total amount of the debt (not just the percentage of your liability) exceeds \$10,000, such debts should be reported.

Calculations for persons using comparative (percentage) thresholds: In order to decide whether the debt exceeds your net worth, you will need to total all of your liabilities (including promissory notes, mortgages, credit card debts, lines of credit, judgments against you, etc.). Subtract this amount from the value of all your assets as calculated above for Part D. This is your "net worth." You must list on the form each creditor to whom your debt exceeded this amount unless it is one of the types of indebtedness listed in the paragraph above (credit card and retail installment accounts, etc.). Joint liabilities with others for which you are "jointly and severally liable," meaning that you may be liable for either your part or the whole of the obligation, should be included in your calculations based upon your percentage of liability, with the following exception: joint and several liability with your spouse for a debt which relates to property owned by both of you as "tenants by the entirety" (usually the case) should be included in your calculations by valuing the asset at 100% of its value and the liability at 100% of the amount owed.

Examples for persons using comparative (percentage) thresholds:

— You owe \$15,000 to a bank for student loans, \$5,000 for credit card debts, and \$60,000 (with your spouse) to a savings and loan for a home mortgage. Your home (owned by you and your spouse) is worth \$80,000 and your other property is worth \$20,000. Since your net worth is \$20,000 (\$100,000 minus \$80,000), you must report only the name and address of the savings and loan.

— You and your 50% business partner have a \$100,000 business loan from a bank, for which you both are jointly and severally liable. The value of the business, taking into account the loan as a liability of the business, is \$50,000. Your other assets are worth \$25,000, and you owe \$5,000 on a credit card. Your total assets will be \$50,000 (half of a business worth \$50,000 plus \$25,000 of other assets). Your liabilities, for purposes of calculating your net worth, will be only \$5,000, because the full amount of the business loan already was included in valuing the business. Therefore, your net worth is \$45,000. Since your 50% share of the \$100,000 business loan exceeds this net worth figure, you must list the bank.

## PART F — INTERESTS IN SPECIFIED BUSINESSES

[Required by Sec. 112.3145(5), Fla. Stat.]

The types of businesses covered in this disclosure are **only**: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies (including insurance agencies); mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

(CONTINUED on page 6) 

You are required to disclose in this part of the form the fact that you owned during the disclosure period an interest in, or held any of certain positions with, particular types of businesses listed above. You are required to make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than five percent (5%) of the total assets or capital stock of one of the types of business entities granted a privilege to operate in Florida that are listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the

disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list (vertically for each business): the name of the business, its address and principal business activity, and the position held with the business (if any). Also, if you own(ed) more than a 5% interest in the business, as described above, you must indicate that fact and describe the nature of your interest.

(End of Instructions.)

## PENALTIES

*A failure to make any required disclosure constitutes grounds for and may be punished by one or more of the following: disqualification from being on the ballot, impeachment, removal or suspension from office or employment, demotion, reduction in salary, reprimand, or a civil penalty not exceeding \$10,000. [Sec. 112.317, Florida Statutes]*

**ORDINANCE NO. - 02-28**

**AN ORDINANCE OF THE TOWN OF MIAMI LAKES, FLORIDA, CONCERNING ELECTION CAMPAIGN FINANCE; PROVIDING FOR RESTRICTIONS ON POLITICAL CONTRIBUTIONS BY VENDORS, CORPORATIONS, ASSOCIATIONS AND INDIVIDUALS TO CANDIDATES SEEKING ELECTION TO THE MIAMI LAKES TOWN COUNCIL; PROVIDING FOR FINES; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.**

**WHEREAS**, the Town Council of the Town of Miami Lakes recognizes that political speech and political association are fundamental rights protected by the First Amendment of the United States Constitution; and

**WHEREAS**, the Town Council of the Town of Miami Lakes further recognizes that persons have an absolute right to support political ideas and that the right to support political candidates is subject to the qualified power of the Town Council to adopt and enforce requirements that are narrowly tailored to accomplish a legitimate, compelling government interest; and

**WHEREAS**, the Town Council desires to protect the integrity of the electoral process for candidates for elective municipal office in which candidates who lack substantial personal or family wealth must depend on the financial contributions of supporters to provide the funds necessary to conduct a successful campaign; and

**WHEREAS**, the Town has a compelling governmental interest in maintaining public confidence in its elected officials and in avoiding public corruption and improper influence by vendors, corporations, and individuals; and

**WHEREAS**, the Town Council believes that the provisions of this ordinance will alleviate these factors, and encourage qualified persons to seek elective office who would not, or could not, otherwise do so; and

**WHEREAS**, the Town Council finds that the making of campaign contributions by vendors of the Town to candidates for Mayor and Town Council carries a suggestion that the candidate, if elected, might give *quid pro quo* favors to the vendors; and

**WHEREAS**, the Town Council finds that the granting of *quid pro quo* favors to vendors is improper and corrupt, and the mere appearance of granting such favors undermines the confidence of the public in our municipal system of representative democracy; and

**WHEREAS**, the Town Council finds that campaign contributions generated by corporations and incorporated associations have a disproportionate impact *vis-à-vis* contributions from individuals. This creates an environment in which (1) public officials may be influenced by special interests to the detriment of the public interest, and (2) the public has the perception that elected officials are being influenced by special interests to the detriment of the public interest; and

**WHEREAS**, Section 106.08, Florida Statutes limits individual campaign contributions to \$500.00 per person to any candidate for elected office and the Town Council finds that it is appropriate to further limit campaign contributions to \$250.00 per person for any candidate for an elected Town office; and

**WHEREAS**, the Town Council intends that the provisions of this ordinance will prevent the abuses associated with campaign contributions and expenditures.

**NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF MIAMI LAKES, FLORIDA AS FOLLOWS:**

**Section 1.** **Title.** This ordinance shall be known as the “Miami Lakes Campaign Finance Ordinance”.

**Section 2.** **Applicability.** The provisions of this ordinance shall be applicable to all campaigns for election to the office of Mayor or Councilmember of the Town Council of the Town of Miami Lakes taking place after the effective date of this Ordinance.

**Section 3.** **Definitions.** For the purposes of this Chapter, the following words and phrases shall be defined as follows:

1. “Business Entity” means any corporation, firm, partnership, joint venture, joint stock company, estate, trust, business trust or syndicate.
2. “Candidate” means a candidate for the office of Mayor or Councilmember.
3. “Contribution” means:
  - (a) A gift, subscription, conveyance, deposit, loan, payment, or distribution of money or anything of value, including contributions in kind having an attributable monetary value in any form, made for the purpose of influencing the results of an election.
  - (b) A transfer of funds between political committees, between committees of continuous existence, or

between a political committee and a committee of continuous existence.

- (c) The payment, by any person other than a candidate or political committee, of compensation for the personal services of another person which are rendered to a candidate or political committee without charge to the candidate or committee for such services.
- (d) The transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit, and the term includes any interest earned on such account or certificate.

Notwithstanding the foregoing meanings of "contribution," the word shall not be construed to include services, including, but not limited to, legal and accounting services, provided without compensation by individuals volunteering a portion or all of their time on behalf of a candidate or political committee. This definition shall not be construed to include editorial endorsements.

Organizations which are certified by the Florida Department of State as committees of continuous existence pursuant to Section 106.04, Florida Statutes, national political parties, and the state and county executive committees of political parties

regulated by Chapter 103, Florida Statutes, shall not be considered political committees for the purposes of this ordinance. Corporations regulated by Chapter 607 or Chapter 617 of the Florida Statutes, or other business entities formed for purposes other than to support or oppose issues or candidates are not political committees if their political activities are limited to contributions to candidates, political parties, or political committees or expenditures in support of or opposition to an issue from corporate or business funds and if no contributions are received by such corporations or business entities.

7. "Unincorporated association" means a partnership or any other legal entity other than a natural person or corporation.

8. "Vendor" is a person who is currently transacting business with the Town, or has been approved by the Town Council to transact business with the Town, or is listed on the Town Council's approved vendor list for particular goods or services.

2.. It is unlawful for any candidate or political committee of a candidate to solicit or to knowingly accept or receive any campaign contribution

directly or indirectly from a person or business entity who is a vendor or through a political committee or any other person on behalf of the vendor.

3. A vendor who directly, indirectly, through a political committee, or through any other person or business entity makes a contribution to a candidate shall be disqualified for a period of six (6) months from transacting business with the Town. This prohibition on transacting business with the Town may be waived by a vote of a majority of the Town Council.

**Section 5. Prohibited Campaign Contributions and Expenditures by National or State Banks, Corporations, Unincorporated Associations or Business Entities.**

1. It is unlawful for any national or state bank, corporation incorporated under the laws of the State of Florida or any other state or any foreign country, any unincorporated association, or other business entity to make a contribution or expenditure in connection with the election of any candidate for election to the office of Mayor or Councilmember. It is unlawful for any candidate, political committee of a candidate, or other person to knowingly accept or receive any contribution prohibited by this section. It is unlawful for any officer or any director of any corporation, bank, or unincorporated association, or other business entity to consent to any contributions or expenditures by a corporation, bank, unincorporated association or other business entity prohibited by this section.

2. No provision of this ordinance shall be deemed to prohibit a loan of money by a national or state bank made in accordance with the applicable

banking laws and regulations in the ordinary course of business; however, any such loan shall be included in the reports filed by the candidates and political committees. No provision of this ordinance shall be deemed to prohibit the receipt of interest or dividends on investments where the interest or dividends are received in accordance with the applicable banking laws and in the ordinary course of business. Any such interest and dividends shall be included in the financial records maintained by the candidate and political committees and reports where appropriate.

3. No provisions of this ordinance shall be deemed to prohibit direct private communications by a corporation to its stockholders and their families or by an unincorporated association to its members and their families on any subject; nonpartisan registration and get-out-vote campaigns by a corporation aimed at stockholders and their families or by an unincorporated association aimed at its members and their families; and the establishment, and administration by a corporation or an incorporated association of a separate segregated fund which fund is to be created by voluntary individual contributions, including those solicited by the corporation or unincorporated association and to be utilized for political purposes, provided that any such separate segregated fund shall be deemed to be a political committee for purposes of this ordinance and must comply with the requirements of Chapter 106, Florida Statutes, regardless of the level of expenditures or contributions.

**Section 6. Limitations on Contributions and Expenditures.**

1. It is unlawful for any person to make a contribution or expenditure in excess of two hundred and fifty dollars (\$250.00) either directly, indirectly, or through a political committee to any candidate during one election.

2. It is unlawful for any candidate, political committee, business entity or person to knowingly accept or receive any campaign contribution or expenditure prohibited by this ordinance. The contribution and expenditure limits of this ordinance apply to each election. The primary and run-off elections are separate elections so long as the candidate is not an unopposed candidate as defined in Section 106.011(15), Florida Statutes.

**Section 7. Penalties.**

1. In addition to any other penalties that may be applicable, each violation of the provisions this ordinance shall be punishable as a non-criminal infraction by a fine of \$500.

2. Each act of soliciting, giving or receiving a contribution in violation of this ordinance shall constitute a separate violation.

3. All fines received by the Town resulting from a violation of this Ordinance shall be deposited into the Town's general revenue fund.

4. The provisions of this Ordinance shall be administered by the Town Clerk.

**Section 7. Severability.** The provisions of this ordinance are declared to be severable and if any section, sentence, clause or phrase of this ordinance shall for any reason

be held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining sections, sentences, clauses, and phrases of this ordinance but they shall remain in effect, it being the legislative intent that this ordinance shall stand notwithstanding the invalidity of any part.

**AN ORDINANCE OF THE TOWN OF MIAMI LAKES, FLORIDA, CONCERNING ELECTION CAMPAIGN FINANCE; PROVIDING FOR RESTRICTIONS ON FUNDRAISING AND REPORTING DATES FOR CANDIDATES SEEKING ELECTION TO THE MIAMI LAKES TOWN COUNCIL; PROVIDING FOR A TITLE; PROVIDING FOR FINDINGS; PROVIDING FOR APPLICABILITY; PROVIDING FOR DATES FOR CAMPAIGN FUNDRAISING; PROVIDING FOR TOWN CAMPAIGN REPORTS; PROVIDING FOR PENALTIES; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; AND PROVIDING FOR AN EFFECTIVE DATE.**

**WHEREAS**, the Town Council recognizes that political speech and political association are fundamental rights protected by the First Amendment of the United States Constitution; and

**WHEREAS**, the Town Council further recognizes that persons have an absolute right to support political ideas and that the right to support political candidates is subject to the qualified power of the Town Council to adopt and enforce requirements that are narrowly tailored to accomplish a legitimate, compelling government interest; and

**WHEREAS**, the Town has a compelling governmental interest in maintaining public confidence in its elected officials and in avoiding public corruption and improper influence in Town elections; and

**WHEREAS**, the Town Council adopted Ordinance No 02-28 on December 16, 2002 to limit campaign contributions for Town elections to \$250.00 per person and to prohibit corporations, banks and other business entities from contributing to campaigns for Town elections; and

**WHEREAS**, the Town Council finds that the Florida Election Code dates for fundraising and filing reports does not allow sufficient time for voters to examine the campaign finance practices of candidates for election, prior to casting a vote; and

**WHEREAS**, the Town Council intends that the provisions of this ordinance will prevent the possible abuses associated with campaign contributions and expenditures and promote timely disclosure of campaign contributions in Town elections.

**NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF MIAMI LAKES, FLORIDA AS FOLLOWS:**

**Section 1.** The Town Code of the Town of Miami Lakes is amended to create the following Chapter:

**Sec. 1. Title.** This ordinance shall be known as the “Miami Lakes Campaign Fundraising and Reporting Ordinance.”

**Sec. 2. Findings.** The Town Council of the Town of Miami Lakes finds that:

1. Political speech and political association are fundamental rights protected by the First Amendment of the United States Constitution.
2. Persons have an absolute right to support political ideas and that the right to support political candidates is subject to the qualified power of the Town Council to adopt and enforce requirements that are narrowly tailored to accomplish a legitimate, compelling government interest.
3. The Town has a compelling governmental interest in maintaining public confidence in its elected officials and in avoiding public corruption and improper influence in Town elections.
4. The ability of Town residents to examine the amounts and sources of campaign contributions made pursuant to Town elections, prior to voting in those elections provides an important government interest.

5. Requirements that fundraising for Town elections be concluded at an earlier date, and requirements that campaign reports be filed with sufficient time to allow for resident's examination of those reports prior to the date of the election provides for a means closely drawn to achieve an important government interest.

6. Requiring all campaign fundraising to be concluded on the 7<sup>th</sup> day preceding an election, instead of the 5<sup>th</sup> day as required by Florida law, provides for the least restrictive means of achieving this goal.

7. Requiring that all candidates file a campaign report with the Town on the date following the last day of fundraising further achieves this goal.

Sec. 3. Applicability. The provisions of this ordinance shall be applicable to all campaigns for election to the office of Mayor or Councilmember of the Town Council of the Town of Miami Lakes taking place after the effective date of this Ordinance.

Sec. 4. Dates for Campaign Fundraising.

Notwithstanding the provisions of Section 106.08, Florida Statutes, all campaign contributions must be received by the candidate or the campaign treasurer no later than seven (7) days prior to the date of the election.

Sec. 5. Town Campaign Reports.

1. All candidates for Town elections shall file a Town Campaign Report, which shall be in the same format as the campaign report described in Section 106.07, Florida Statutes.

2. Town Campaign Reports shall only be filed once and shall include all contributions and expenditures up to midnight of the 7<sup>th</sup> day preceding the election.

3. A Town Campaign Report shall be due on the 6<sup>th</sup> day preceding the date of the corresponding Town election.

4. A Town Campaign Report shall be deemed timely if hand delivered to the Town Clerk no later than 5:00 p.m., or if postmarked by midnight, on the 6<sup>th</sup> day preceding the corresponding election date. If filing by the United States Postal Service or an established courier company, the filing shall be by priority overnight mail, so that the Town would receive the report by the 5<sup>th</sup> day preceding the election.

Sec. 6. Penalties.

1. Each violation of Section 4 of this ordinance shall be punishable pursuant to Sections 106.08(7) and 106.08(8), Florida Statutes.

2. Failure to file a timely Town Campaign Report shall be punishable by a fine of \$500.00 and \$100.00 for each additional day late, and such fine shall be enforced pursuant to the procedures of Chapter 8CC of the Town Code.

3. Each act of soliciting, giving or receiving a contribution in violation of this Chapter shall constitute a separate violation.

4. All fines received by the Town resulting from a violation of this Chapter shall be deposited into the Town's general revenue fund.

5. The provisions of this Chapter shall be administered by the Town Clerk.

**Section 2. Severability.** The provisions of this ordinance are declared to be severable and if any section, sentence, clause or phrase of this ordinance shall for any reason be held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining sections, sentences, clauses, and phrases of this ordinance but they shall remain in effect, it being the legislative intent that this ordinance shall stand notwithstanding the invalidity of any part.

**Section 3. Inclusion in the Code.** It is the intention of the Town Council that the provisions of this ordinance shall become and be made a part of the Code of Miami Lakes, Florida. The sections of this ordinance may be renumbered or relettered to accomplish such intention, and the word “ordinance” may be changed to “section,” “article,” or other appropriate word.

**WHEREAS**, the Town of Miami Lakes (the "Town"), upon incorporation, adopted Chapter 33 "Zoning" of the Code of Miami-Dade County to serve as the Town's Land Development Code; and

**WHEREAS**, the Town desires to update and streamline the existing Town Land Development Code and to tailor it to the Town's particular needs and community visions; and

**WHEREAS**, the Town has undertaken a comprehensive rewriting of the Land Development Code and, after having conducted workshops and public hearings regarding the Code, is replacing §33-82 through §33-121 of the Miami-Dade County Code in its entirety with the Sign Code, attached as Exhibit "A"; and

**WHEREAS**, after conducting a properly noticed public hearing, the Town Local Planning Agency has recommended that the referenced regulations are consistent with the Town Comprehensive Plan; and

**WHEREAS**, after conducting a properly noticed hearing and considering the recommendations of the public, the Local Planning Agency and the Town staff, the Town Council wishes to adopt the regulations for including in the Land Development Code; and

**WHEREAS**, the Town has determined that there is a need to amend its sign regulations to address recent federal cases addressing sign regulation in the Eleventh Circuit Court of Appeals; and

**WHEREAS**, the Town Council finds and determines that the Town's sign regulations were always intended to maintain and improve the aesthetics, quality of life, and safety of the Town and its residents, while meeting the need for signage that clearly identifies locations, advertises businesses, and otherwise communicates commercial and noncommercial messages; and

**WHEREAS**, sign regulation to advance the governmental purpose of aesthetics has long been upheld by the state and federal courts; and

**WHEREAS**, as long ago as 1954, the U.S. Supreme Court recognized that "the concept of the public welfare is broad and inclusive," that the values it represents are "spiritual as well as physical, aesthetic as well as monetary," and that it is within the power of the Town Council to determine that the community should be beautiful as well as healthy, spacious as well as clean, well-balanced as well as carefully patrolled," in *Berman v. Parker*, 348 U.S. 26, 33 (1954), which was followed by *State v. Miami Beach Redevelopment Agency*, 392 So. 2d 875 (Fla. 1980); and

**WHEREAS**, sign regulations have been held to advance these aesthetic purposes and advance the public welfare in *City of Lake Wales v. Lamar Advertising Ass'n of Lakeland, Florida*, 414 So. 2d 1030 (Fla. 1982); and

**WHEREAS**, the Town Council finds and determines that the Town's land development regulations are required to regulate signs as provided by Section 163.3202(2)(f), Florida Statutes; and

**WHEREAS**, the Town Council finds and determines that this Ordinance is consistent with all applicable policies of the Town's adopted Comprehensive Plan; and

**WHEREAS**, the Town Council finds and determines that the Town has consistently adopted severability provisions in connection with its Code of Ordinances

and Land Development Code, and that the Town wishes to assure that its severability provisions will be applied to its Land Development Code; and

**WHEREAS**, in several recent judicial decisions, the courts have failed to give full effect to severability provisions applicable to sign regulations, and expressed uncertainty over whether Town Council's intended that severability would apply to certain factual situations despite the plain and ordinary meaning of the severability clauses; and

**WHEREAS**, the Town Council is aware that the failure of some courts to apply severability clauses has led to an increase in litigation by billboard developers and other applicants seeking to strike down sign regulations in their entirety so that they may argue that their applications to erect billboards or other signs must be granted; and

**WHEREAS**, the Town Council desires that there be an ample and unequivocal record of its intention that the severability clauses it has adopted related to its sign regulations shall be applied to the maximum extent possible, even if less speech would result from a determination that any exceptions, limitations, variances, or other sign provisions are invalid or unconstitutional for any reason whatsoever; and

**WHEREAS**, the Town Council desires that its prohibition of billboards be given full effect, regardless of the invalidity or unconstitutionality of any or all of the Town's sign regulations, land development regulations, or other regulations; and

**WHEREAS**, the Town Council further finds and determines that the Town has long allowed non-commercial speech to appear wherever commercial speech appears and that it has codified that practice through the adoption of a substitution clause that expressly allows non-commercial messages to be substituted for commercial messages; and

**WHEREAS**, the Town Council specifically intends that this substitution clause and past practice be applied so that its sign regulations can never be construed to

impermissibly favor commercial messages over noncommercial messages, and desires to amplify this substitution clause in this Ordinance to bolster its effectiveness; and

**WHEREAS**, the Town further provides for the political expression of its residents, as required by *City of Ladue v. Gilleo*, 512 U.S. 43 (1994), by allowing a permanent non-commercial sign to be posted in any residential zoning district;

**WHEREAS**, the Planning and Zoning Board, sitting as the Local Planning Agency, has reviewed this Ordinance at a duly noticed hearing on April 24, 2007, and recommended its adoption; and

**WHEREAS**, the Town Council has reviewed this Ordinance at a duly noticed hearing and determined that it is consistent with the Town's comprehensive plan; and

**WHEREAS**, the Town Council hereby finds and declares that adoption of this Ordinance is necessary, appropriate, and advances the public interest.

NOW THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF MIAMI LAKES, FLORIDA, AS FOLLOWS:

**Section 1. Recitals.** Each of the above stated recitals are true and correct and are incorporated herein by this reference.

**Section 2. Adoption of the Sign Code.** The Town Council hereby adopts revised the Sign Code, attached as Exhibit "A" hereto and incorporated herein.

**Section 3. Repeal of Conflicting Provisions.** All provisions of the Code of the Town of Miami Lakes that are in conflict with this Ordinance are hereby repealed.

**Section 4. Severability.** The provisions of this Ordinance are declared to be severable and if any section, sentence, clause or phrase of this Ordinance shall for any reason be held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining sections, sentences, clauses and phrases of this Ordinance but they shall remain in effect, it being the legislative intent that this Ordinance shall stand notwithstanding the invalidity of any part.

## TOWN OF MIAMI LAKES LAND DEVELOPMENT CODE

### ARTICLE 9.0 SIGNS

#### DIVISION 9.1 SCOPE, PURPOSE, SUBSTITUTION AND SEVERABILITY

- A. Scope: The provisions of this Article shall govern the number, size, location, and character of all signs which may be permitted either as a main or accessory use under the terms of this Article. No signs shall be permitted on a plot or parcel either as a main or accessory use except in accordance with the provisions of this Article.
- B. Purpose: This article shall be known as the "Town of Miami Lakes Sign Code". The purpose of this Article is to regulate and restrict signs and other advertising devices within the Town in order to protect and enhance the scenic, historic and aesthetic qualities of the Town and the safety, convenience and general welfare of its inhabitants. This article is implemented so as to support and complement land use objectives as set forth in the Comprehensive Development Master Plan.
- C. Substitution of noncommercial speech for commercial speech: Notwithstanding any provisions of this Article to the contrary, to the extent that this Article permits a sign containing commercial copy, it shall permit a noncommercial sign to the same extent. The noncommercial message may occupy the entire sign area or any portion thereof, and may substitute for or be combined with the commercial message. The sign message may be changed from commercial to noncommercial, or from one noncommercial message to another, as frequently as desired by the sign's owner, provided that the sign is not prohibited and the sign continues to comply with all requirements of this Article.
- D. Severability:
  - 1. Generally: If any part, section, subsection, paragraph, subparagraph, sentence, phrase, clause, term, or word of this Article is declared unconstitutional by the final and valid judgment or decree of any court of competent jurisdiction, this declaration of unconstitutionality or invalidity shall not affect any other part, section, subsection, paragraph, subparagraph, sentence, phrase, clause, term, or word of this Article.
  - 2. Severability where less speech results: This division shall not be interpreted to limit the effect of division (1) above, or any other applicable severability provisions on the code of ordinances or any

adopting ordinance. The Town Council specifically intends that severability shall be applied to these sign regulations even if the result would be to allow less speech in the Town, whether by subjecting currently exempt signs to permitting or by some other means.

3. Severability of provisions pertaining to prohibited signs: This division shall not be interpreted to limit the effect of division (1) above, or any other applicable severability provisions in the code of ordinances or any adopting ordinance. The Town Council specifically intends that severability shall be applied to 9.3.L "Prohibited Signs," so that each of the prohibited sign types listed in that section shall continue to be prohibited irrespective of whether another sign prohibition is declared unconstitutional or invalid.
4. Severability of prohibition on off premises signs: This division shall not be interpreted to limit the effect of division (1) above, or any other applicable severability provisions in the code of ordinances or any adopting ordinance. If any or all of this Article 9.0 "Sign Code," or any other provision of the Town's code of ordinances is declared unconstitutional or invalid by the final and valid judgment of any court of competent jurisdiction, the Town Council specifically intends that the declaration shall not affect the prohibition on off-premises signs in 9.3.L.5.

**DIVISION 9.5      PRE-EXISTING, NON-CONFORMING SIGNS and  
ADMINISTRATION**

**A. PREEXISTING, NON-CONFORMING SIGNS:**

Preexisting, Non-Conforming Signs shall meet the following provisions:

1. Signs or sign structures made nonconforming upon passage of this Article, or on passage of any amendment thereto, shall be governed by the following regulations:
  - (a). A sign existing within the Town, or an area subsequently annexed to the Town, upon the passage of this Article or any amendment hereof which, because of its height, square foot area, location, or other characteristic, does not conform to this Article is hereby declared to be a nonconforming sign.
  - (b). A sign prohibited under this Article and not attached to a structure must be removed within sixty (60) days from the effective date of the ordinance creating the prohibition.

- (c). A Non-Conforming sign pursuant to this Article must be removed within five years from the effective date of the ordinance creating the non-conformity.
- (d). Failure to so remove a non-conforming or prohibited sign under this subsection within the time set forth above shall cause the sign to be declared an illegal sign.
- (e). The status afforded signs under this subsection shall not be applicable to any sign for which no permit or sign permit was ever issued; such signs are deemed non-complying signs and are subject to the provisions of this Article governing non-complying signs.
- (f). If any non-conforming sign is damaged by any cause and the cost of repairing the sign equals 50% or more of the original invoiced costs of the sign, then its classification as a non-conforming sign under this subsection shall be automatically revoked and repairs shall be made so that the sign shall meet the requirements of this Article.
- (g). A non-conforming sign shall immediately lose its non-conforming status and shall be immediately brought into compliance (with a new permit) or removed if the sign is altered in any way in structure or copy (except for changeable copy signs and normal maintenance) that tends to or makes the sign less in compliance with the requirements of this Article than it was before the alteration; including updating the technology used in the sign; or if the sign is relocated to a position making it less in compliance with the requirements of this Article; or if the sign is replaced or abandoned.

2. Non-Conforming Sign maintenance and Repair: Nothing in this section shall relieve the owner or user of a non-conforming sign or the owner of the property on which the non-conforming sign is located, from the provisions of this Article, regarding safety, maintenance or repair of the sign. However, any repainting, cleaning and other normal maintenance or repair of the sign, sign structure, or copy that in any way makes it more nonconforming, shall cause the sign to lose its legal non-conforming status.

B. ADMINISTRATION

1. ENFORCEMENT: This Article shall be enforced in accordance with § 8CC-10 of the Town Code.
2. PERMIT: Except for signs allowed pursuant to compliance with Section 9.3.K., no sign shall be erected, altered or enlarged until a permit has been issued by the Town Building Official. Such permit shall be issued only if the sign complies or will comply with all applicable provisions of this Article and any other applicable rules and regulations. A schedule of fees for permits may be determined from time to time by the Town Council. The provisions of this section shall not apply to signs permitted in a residential area or temporary signs to be placed in a window.
3. NON-COMPLYING: Any sign installed or placed on public property, except in conformance with the provisions of this Article, shall be prohibited and subject to removal by the Town. In addition to other remedies, the Town shall have the right to recover from the owner or person responsible for the placement of the sign the full costs of its removal and disposal.

# TOWN OF MIAMI LAKES

## MUNICIPAL CHARTER

**Charter Commission Note** - The following is the Charter of the Town, as adopted by referendum on December 5, 2000, and effective on December 5, 2000.

On September 7, 2000, the Miami-Dade County Board of County Commissioners appointed the following residents as members of the Miami Lakes Charter Commission: Manny Figueroa, Chairman; Angela Garrison, Vice-Chairman; Maggie Clavelo, Dorothy G. Cook, and Edward Pidermann. Albert A. del Castillo served as an alternate. Beatris M. Arguelles served as Clerk for the Charter Commission and Richard Jay Weiss, Nina L. Boniske and Alison S. Bieler served as Attorneys. The Charter Commission met during the month of September, 2000 to draft the Charter for the Town.

### **PREAMBLE**

We, the people of the Town of Miami Lakes, in order to secure for ourselves the benefits and responsibilities of home rule, and in order to provide a municipal government to serve our present and future needs, do hereby adopt this Charter. This government has been created to protect the governed, not the governing. We recognize that the orderly, efficient and fair operation of the government requires the intelligent and informed participation of individual citizens. Towards this end, all persons are entitled to receive fair, equitable and prompt treatment, full and accurate information, and convenient access to public records and government officials.

### **Citizen's Bill of Rights**

- (A) This government has been created to protect the governed, not the governing. In order to provide the public with full and accurate information, to promote efficient administration management, to make government more accountable, and to insure to all persons fair and equitable treatment, the following rights are guaranteed:
1. **Convenient Access.** Every person has the right to transact Town business with a minimum of personal inconvenience. It shall be the duty of the Town Manager and the Council to provide, within the Town's budget limitations, reasonably convenient times and places for registration and voting, for required inspections, and for transacting business with the Town.
  2. **Truth in Government.** No Town official or employee shall knowingly furnish false information on any public matter, nor knowingly omit significant facts when giving requested information to members of the public.

3. **Public Records.** All audits, reports, minutes, documents and other public records of the Town and its boards, agencies, departments, and authorities shall be open for inspection at reasonable times and places convenient to the public.
4. **Minutes and Ordinance Register.** The Town Clerk shall maintain and make available for public inspection an ordinance register separate from minutes showing the votes of each member on all ordinances and resolutions listed by descriptive title. Written minutes of all meetings and the ordinance register shall be available for public inspection not later than thirty (30) days after the conclusion of the meeting.
5. **Right to be Heard.** So far as the orderly conduct of public business permits, any interested person has the right to appear before the Town Council any Town agency, board, or department for the presentation, adjustment or determination of an issue, request or controversy within the jurisdiction of the Town. Matters shall be scheduled for the convenience of the public. The Town Council shall adopt agenda procedure and schedule hearings in a manner that will enhance the opportunity for public participation. Nothing herein shall prohibit any Town entity or agency from imposing reasonable time limits and procedures for the presentation of a matter.
6. **Right to Notice.** Persons entitled to notice of a Town hearing shall be timely informed as to the time, place and nature of the hearing and the legal authority pursuant to which the hearing is to be held. Failure by an individual to receive such notice shall not constitute mandatory grounds for canceling the hearing or rendering invalid any determination made at such hearing. Copies of proposed ordinances or resolutions shall be made available at a reasonable time prior to the hearing, unless the matter involves an emergency ordinance or resolution.
7. **No Unreasonable Postponements.** No matter, once having been placed on a formal agenda by the Town, shall be postponed to another day except for good cause shown in the opinion of the Mayor, Town Council, board or agency conducting such meeting, and then only on condition that the affected person shall, upon written request, receive mailed notice of the new date of any postponed meeting. Failure by an individual to receive such notice shall not constitute mandatory grounds for canceling the hearing or rendering invalid any determination made at such hearing.
8. **Right to Public Hearing.** Upon a timely written request from any interested party, and after presentation of the facts to and approved by the Council, a public hearing shall be held by any Town agency, board, department or authority upon any significant policy decision to be issued by it which is not subject to subsequent administrative or legislative review and hearing. This provision shall not apply to the law department of the Town, nor to any body whose duties and responsibilities are solely advisory.

At any zoning or other hearing in which review is exclusively by certiorari, a party or his or her counsel shall be entitled to present his or her case or defense by oral or documentary evidence, to submit rebuttal evidence, and to conduct such cross-examination as may be required for a full and true disclosure of the facts. The decision of any such agency, board, department or authority must be based upon the facts in the record. Procedural rules establishing reasonable time and other limitations may be promulgated and amended from time to time.

9. **Notice of Action and Reasons.** Prompt notice shall be given of the denial in whole or in part of a request of an interested person made in connection with any Town administrative decision or proceeding when the decision is reserved at the conclusion of the hearing. The notice shall be accompanied by a statement of the grounds for denial.
  10. **Managers' and Attorneys' Reports.** The Town Manager and Town attorney shall periodically make public status reports on all major matters pending or concluded within their respective areas of concern.
  11. **Budgeting.** In addition to any budget required by state statute, the Town Manager, at the direction of the Mayor, shall prepare a budget showing the cost of each department for each budget year. Prior to the Town Council's first public hearing on the proposed budget required by state law, the Town Manager shall make public a budget summary setting forth the proposed cost of each individual department and reflecting the personnel for each department, the purposes therefore, the estimated millage cost of each department and the amount of any contingency and carryover funds for each department.
  12. **Quarterly Budget Comparisons.** The Town Manager shall make public a quarterly report showing the actual expenditures during the quarter just ended against one quarter of the proposed annual expenditures set forth in the budget. Such report shall also reflect the same cumulative information for whatever portion of the fiscal year that has elapsed.
  13. **Representation of Public.** The Mayor shall endeavor, when deemed appropriate, to designate one or more individuals to represent the Town at all proceedings before County, State and Federal regulatory bodies, significantly affecting the Town and its residents.
- (B) The foregoing enumeration of citizens' rights vests large and pervasive powers in the citizenry of the Town of Miami Lakes. Such power necessarily carries with it responsibility of equal magnitude for the successful operation of government in the Town. The orderly, efficient and fair operation of government requires the intelligent participation of individual citizens exercising their rights with dignity and restraint so as to avoid any sweeping acceleration in the cost of government because of the exercise of individual prerogatives, and for individual citizens to grant respect for the dignity of public office.

- (C) *Remedies for violations.* In any suit by a citizen alleging a violation of this article filed in the Miami-Dade County Circuit Court pursuant to its general equity jurisdiction, the plaintiff, if successful, shall be entitled to recover costs as fixed by the Court. Any public official or employee who is found by the Court to have willfully violated this Article shall forthwith forfeit his or her office or employment.
- (D) *Construction.* All provisions of this Bill of Rights shall be construed to be supplementary to and not in conflict with the general laws of Florida. If any part of this Bill of Rights shall be declared invalid, it shall not affect the validity of the remaining provisions.

**ARTICLE I. CORPORATE EXISTENCE, FORM OF GOVERNMENT, BOUNDARY AND POWERS**

**Section 1.1 Corporate Existence.**

Petitions shall contain or have attached throughout their circulation the full text of the ordinance proposed or sought to be reconsidered.
  - iii) *Affidavit of Circulator.* Each page of a Petition shall have attached to it when filed an affidavit executed by the circulator stating that s/he personally circulated the page, the number of signatures contained, that all the signatures were affixed in his/her presence that s/he believes them to be the genuine signatures of the persons whose names they purport to be and that each signer had an opportunity before signing to read the full text of the ordinance proposed or sought to be reconsidered.
  - iv) *Filing Deadline.* All Petitions must be filed within 60 calendar days of the date a proper Affidavit is filed pursuant to subsection (b) of this section.
- (d) *Procedure for Filing.*
- i) *Certificate of Clerk; Amendment.* Within 20 calendar days after an initiative Petition is filed or within five business days after a referendum Petition is filed, the Town Clerk shall complete a certificate as to its sufficiency ("the Certificate"). If insufficient the Certificate shall specify the particulars of the deficiency. A copy of the Certificate shall be promptly sent to the Committee by registered mail. Grounds for insufficiency are only those specified in subsection (c) of this Section. A Petition certified insufficient for lack of the required number of valid signatures may be amended once if the Committee files a notice of intention to amend it with the Town Clerk within two calendar days after receiving the copy of the Certificate and files a Supplementary Petition ("Supplementary Petition") with the Town Clerk with additional valid signatures within ten calendar days after receiving the copy of such Certificate. Such Supplementary Petition shall comply with the requirements of subsection (c) of this Section. Within five business days after a Supplementary Petition is filed the Town Clerk shall complete a Certificate as to the sufficiency of the Petition as amended ("Amended Petition") and promptly send a copy of such Certificate to the Committee by registered mail. If a Petition or Amended Petition is certified sufficient, or if a Petition or Amended Petition is certified insufficient and the Committee does not elect to amend or request Council review under paragraph (ii) of this subsection within the time required, the Town Clerk shall promptly present his/her certificate to the Council and such Certificate shall then be a final determination as to the sufficiency of the petition.
  - ii) *Council Review.* If a Petition has been certified insufficient and the Committee does not file notice of intention to amend it or if an Amended Petition has been certified insufficient, the Committee may, within two calendar days after receiving the copy of such Certificate, file a request with the Town Clerk that it be

reviewed by the Council. The Council shall review the Certificate at its next regularly scheduled meeting following the filing of such request and approve or disapprove it. The Council's determination shall then be a final determination as to the sufficiency of the Petition.

(e) *Action on Petitions.*

- i) *Action by Council.* When an initiative or referendum Petition has been finally determined sufficient, the Council shall promptly consider the proposed initiative ordinance or reconsider the referred ordinance by voting its repeal. If the Council fails to adopt a proposed initiative ordinance without any change in substance within 45 calendar days or fails to repeal the referred ordinance within 30 calendar days, it shall submit the proposed or referred ordinance to the electors of the Town. If the Council fails to act on a proposed initiative ordinance or a referred ordinance within the time period contained in this paragraph, the Council shall be deemed to have failed to adopt the proposed initiative ordinance or failed to repeal the referred ordinance on the last day that the Council was authorized to act on such matter.
- ii) *Submission to Electors.* The vote of the Town on a proposed or referred ordinance shall be held not less than 30 calendar days or more than 60 calendar days from the date the Council acted or was deemed to have acted pursuant to paragraph (i) of this subsection. If no regular election is to be held within the period described in this paragraph, the Council shall provide for a special election, except that the Council may, in its discretion, provide for a special election at an earlier date within the described period. Copies of the proposed or referred ordinance shall be made available at the polls.
- iii) *Withdrawal of Petitions.* An initiative or referendum Petition may be withdrawn at any time prior to the 15th calendar day preceding the day scheduled for a vote by the Town by filing with the Town Clerk a request for withdrawal signed by at least eight/tenths of the Committee. Upon the filing of such a request, the Petition shall have no further force or effect and all proceedings shall be terminated.

(f) *Results of Election.*

- i) *Initiative.* If a majority of the qualified electors voting on a proposed initiative ordinance vote in its favor, it shall be considered adopted upon certification of the election results. If conflicting ordinances are approved at the same election, the one receiving the greatest number of affirmative votes shall prevail to the extent of such conflict. If the proposed initiative ordinance fails, it or any ordinance that is substantially similar, may not be submitted in accordance with this Article for at least one year from the date of the election.

- ii) *Referendum.* If a majority of the qualified electors voting on a referred ordinance vote for repeal, the repealed ordinance shall be considered repealed upon certification of the election results.

## **ARTICLE VII. GENERAL PROVISIONS**

If any article, section or part of a section of this Charter shall be held invalid by a court of competent jurisdiction, such holding shall not affect the remainder of this Charter or the context in which such article, section or part of section so held invalid may appear, except to the extent that an entire article, section or part of section may be inseparably connected in meaning and effect with the section or part of section to which such holding shall directly apply.

### **Section 7.2 Conflicts of Interest; Ethical Standards.**

All Councilmembers, officials and employees of the Town shall be subject to the standards of conduct for public officers and employees set by law. The Council may, by ordinance, adopt additional standards of conduct and Code of ethics, but in no case inconsistent with law.

Without in any way limiting the generality of the foregoing, no Councilmember shall have a financial interest, direct or indirect, or by reason of ownership of stock or other equity ownership in any corporation or entity, in any contract or in the sale to the Town or to a contractor supplying the Town of any land or rights or interests in any land, materials, supplies, or services unless, after full disclosure to the Council of the nature and extent of such interest, the same is authorized by the Council before the event or accepted and ratified by the Council after the event. No member of the Council who possesses such a financial interest shall vote on, or participate in the Council deliberations concerning, any such contract or sale. Any violation of this Section with the knowledge of the person or entity contracting with the Town shall render the contract voidable by the Council.

### **Section 7.3 Town Personnel System.**

All new employment, appointments and promotions of Town employees shall be made pursuant to personnel procedures to be established by the Manager from time to time.

#### **Section 7.4 Charter Revision.**

- (b) The Charter Commission shall consist of seven persons including one from each of the four Residential Areas. One appointment shall be made by each Councilmember. In addition, the Mayor shall appoint one person to the Charter Commission who is a member of the Council serving a second consecutive term as Councilmember who shall serve as a nonvoting Charter Commission member. In the event a second term Councilmember is not serving, the Mayor may appoint a sitting Councilmember. The Mayor shall not be eligible for appointment to the Charter Commission. The Charter Commission shall commence its proceedings within 45 calendar days after appointment by the Council.
- (c) If the Charter Commission determines that an amendment or revision is needed, it shall submit the same to the Council no later than October 1<sup>st</sup> of the year following its appointment. Alternative proposals may be submitted. The Council shall submit suggested amendments and revisions to the electors of the Town in accordance with the provisions of Section 6.1.

#### **Section 7.5 Variation of Pronouns.**

All pronouns and any variation thereof used in this Charter shall be deemed to refer to masculine, feminine, neutral, singular or plural as the identity of the person or persons shall require and are not intended to describe, interpret, define or limit the scope, extent, or intent of this Charter.

The Town shall not adopt any ordinance or policy that discriminates against any person due to race, religion, color, national origin, physical or mental disability, creed, age, sexual preference or sex.

#### **Section 7.7 Precedence over Related Laws.**

In case of a conflict between the provisions of this Charter and the provisions of the Code to be adopted pursuant thereto, the Charter terms shall control. Moreover, nothing in this Charter shall be construed to alter, abolish, affect or amend the general laws of this State, now in force, or which hereinafter may be enacted relative to or affecting this Town, except where such laws are in direct conflict in which case the provisions of this Charter or Code adopted pursuant thereto shall supersede and be in full force and effect.

## **ARTICLE VIII. TRANSITION PROVISIONS**

### **Section 8.1 Temporary Nature of Article.**

The following sections of this Article are inserted solely for the purpose of effecting the incorporation of the Town and the transition to a new municipal government. Each section of this Article shall automatically, and without further vote or act of the electors of the Town, become ineffective and no longer a part of this Charter at such time as the implementation of such section has been accomplished. In cases of a conflict between this Article and the remainder of the Charter the provisions of this Article shall govern.

### **Section 8.2 Interim Governing Body.**

After adoption of this Charter but prior to the election and acceptance of office of the first elected Town Council, the governing body for the Town shall be the Miami-Dade County Board of County Commissioners (the "County Commission"). In acting as the governing body for the Town during this interim period, the County Commission shall provide all municipal services to the Town but shall not make decisions which could reasonably be postponed until the election of the Town Council or which would materially alter or affect the status quo within the Town boundaries.

### **Section 8.3 Interim Adoption of Codes and Ordinances.**

Until otherwise modified or replaced by this Charter or the Town Council, all Codes, ordinances and resolutions in effect on the date of adoption of this Charter shall, to the extent applicable to the Town, remain in full force and effect as municipal Codes, ordinances and resolutions of the Town. Until otherwise determined by the Town Council, said codes, ordinances and resolutions shall be applied, interpreted and implemented by the Town in a manner consistent with established policies of Miami-Dade County on the date of this Charter.

Re: Electioneering

Dear Candidate:

Attached please find a list of Miami Lakes polling places that will be used for the November 6, 2012 Election, but are subject to change by the Election Department. With no exceptions, all electioneering must take place **beyond** 100 feet of the entrance to the building.

Electioneering is defined to include (1) approaching voters, (2) holding of signs or wandering around in campaign t-shirts, (3) handing out campaign literature, (4) parking cars with signs on them and (5) leaning posters and signs. The Clerk of the polling place will be strictly enforcing the rule and the County has assigned a troubleshooter to assist. Your cooperation is important to protect the voting process. You are responsible for passing this information on to ALL of your campaign workers.

Also, please be reminded that there is no campaigning in the parks and you cannot block the sidewalks.

Please ask all campaign workers to park in some area other than where the voters will be parking. We all want to encourage people to come to the polls, keeping the parking open for them will help to do that.

If you have any questions, please feel free to contact me.

Very truly yours,

A handwritten signature in cursive script that reads "M. Tejada-Castillo".

Marjorie Tejada-Castillo, CMC  
Town Clerk

## Becoming a Candidate

---

A candidate is any person who:

1. Seeks to qualify for nomination or election by means of the petition process;
2. Seeks to qualify for election as a write-in candidate;
3. Receives contributions or makes expenditures, or consents for any other person to receive contributions or make expenditures, with a view to bring about his or her nomination or election to, or retention in, public office;
4. Appoints a treasurer and designates a primary depository; or
5. Files qualification papers and subscribes to a candidate's oath as required by law.
6. However, this definition does not include any candidate for a political party executive committee.

*(Section 106.011(16), F.S.)*

### What to File

**Form DS-DE 9, Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates** is the first document that must be filed with the filing officer to become a candidate. At the same time, the candidate must designate the office for which he or she is running. A candidate can appoint a campaign treasurer and designate a campaign depository at any time, but **no later** than the date the candidate qualifies for office. Nothing prohibits a person from announcing their intention to become a candidate prior to filing Form DS-DE 9, **as long as no contributions are received, no expenditures are made, and no signatures are obtained on a candidate petition.**

Form DS-DE 9:

1. Shall be filed with the filing officer **prior** to opening the campaign account.  
**Note: The campaign depository should not be opened until after the DS-DE 9 is on file with the filing officer.**
2. Is not effective until the campaign treasurer signs it and it is filed with the filing officer.
3. Is considered "filed" only when the filing officer receives the form, not upon mailing.
4. Shall be on file with the filing officer **prior** to the candidate accepting any contributions or making any expenditures, or authorizing another to accept contributions or make expenditures on the person's behalf.
5. Shall be on file with the filing officer **prior** to obtaining signatures on a DS-DE 104, Candidate Petition.

**Form DS-DE 84, Statement of Candidate**, must be filed with the filing officer within 10 days after filing Form DS-DE 9. This form states that the candidate has been provided access to read and understand the requirements of Chapter 106, F.S. The execution and filing of the statement of candidate does not in and of itself create a presumption that any violation of Chapter 106, F.S., or Chapter 104, F.S., is a willful violation as defined in Section 106.37, F.S.

**Form DS-DE 83, Statement of Candidate for Judicial Office**, must be filed by each candidate for judicial office, including an incumbent judge, within 10 days after filing Form DS-DE 9. This form states that the judicial candidate has received, read, and understands the requirements of the Florida Code of Judicial Conduct.

*(Sections 105.031, 106.021 and 106.023, F.S.)*

## Filing Officer

The filing officer is the person before whom a candidate qualifies:

Division of Elections ..... State, multicounty, district, and judicial offices  
(except county court judge)

Supervisor of Elections..... County court judge, countywide, and district offices  
(except multicounty offices)

Municipal Clerk ..... Municipal offices

*(Section 106.011(14), F.S.)*

## Resign-to-Run

No officer may qualify as a candidate for another state, district, county, or municipal public office if the terms or any part thereof run concurrently with each other, without resigning from the office he or she presently holds. The resignation is irrevocable.

The written resignation must be submitted at least **ten days** prior to the first day of qualifying for the office. The resignation must be effective no later than the earlier of the following dates:

1. The date the officer would take office, if elected; or
2. The date the officer's successor is required to take office.

*(Section 99.012(3), F.S.)*

A person who is a subordinate officer, deputy sheriff, or police officer must resign effective upon qualifying pursuant to this chapter if the person is seeking to qualify for a public office that is currently held by an officer who has authority to appoint, employ, promote, or otherwise supervise that person and who has qualified as a candidate for reelection to that office.

*(Section 99.012(4), F.S.)*

The resign-to-run law does not apply to political party offices, persons serving without salary as members of an appointive board or authority, and persons holding federal office.

*(Section 99.012(6) and (7), F.S.)*

For additional information regarding resign-to-run, see the Division's Frequently Asked Questions page: <http://elections.myflorida.com/gen-faq.shtml>.

## **Federal Hatch Act for State and Local Employees**

Although a person may not be someone who would have to resign under Florida's resign-to run law, the person may be precluded by the federal Hatch Act (5 USC § 1501 – 1508) from holding his or her current job and becoming a candidate in a partisan election. The Hatch Act restricts the political activity of individuals principally employed by the state, county, or municipal executive agencies in connection with programs financed in whole or in part by loans or grants made by the U.S. or a federal agency. If the state, county or municipal employee performs duties in connection with an activity financed in whole or in part by federal funds, that employee is precluded from being a candidate for public office in a partisan election. With local governments making increasing use of federal grants, state and local government employees must be cognizant of the Hatch Act as it relates to their political activities.

Please note, however, that pursuant to 5 USC § 1502(c), Governors, Lieutenant Governors, mayors, elected heads of executive departments, and individuals holding elective office are exempt from the prohibition against being a candidate for public office. So, the Hatch Act prohibits state, county and municipal employees seeking public office in a partisan election, not an elected officer seeking re-election or election to another office.

The Division of Elections has no authority to advise individuals on the applicability of the Hatch Act; however, the U.S. Office of Special Counsel provides advisory opinions to potential candidates. Inquiries about the Hatch Act should be directed to the Special Counsel's "Hatch Act Unit." The contact may be in writing or by telephone at:

Hatch Act Unit  
U.S. Office of Special Counsel  
1730 M Street, N.W., Suite 218  
Washington, D.C. 20036-4505  
Tel: (800) 85-HATCH or (800) 854-2824  
(202) 254-3650

Requests for Hatch Act advisory opinions may be made by e-mail to: [hatchact@osc.gov](mailto:hatchact@osc.gov).

Information about the Hatch Act as it pertains to state and local employees may be found at:

<http://www.osc.gov/hatchact.htm>

## **Federal Hatch Act for Federal Employees**

All civilian employees in the executive branch of the federal government, except the President and the Vice President, are covered by the provisions of the Hatch Act. Employees of the U.S. Postal Service and the District of Columbia, except for the Mayor of the District of Columbia, the District of Columbia's City Council and the District's Recorder of the Deeds, are also covered by the Act. Part-time federal employees are covered by the Act. If covered by the act, a federal employee may not be a candidate in a partisan election. For more information about the Hatch Act as it relates to federal employees, see: <http://www.osc.gov/hatchact.htm>

## **Changing Parties for Partisan Offices**

A candidate seeking to qualify as a political party candidate may not have been a registered member of any other political party for 365 days before the beginning of qualifying preceding the general election for which the person seeks to qualify.

*(Section 99.021, F.S.)*

## Changing the Designation of Office

A candidate can change the designation of office by filing a new Form DS-DE 9 and a written statement indicating the change with the filing officer. However, the candidate must notify each contributor in writing and offer to return their contribution using the following procedure:

1. Within fifteen days after filing the change with the filing officer the candidate must send a written notice to all contributors.
2. The candidate must offer (in the notice) to return to the contributor on a pro rata basis all contributions given in support of the original office.
3. The candidate must include (with the notice) a copy of **Form DS-DE 86, Request for Return of Contribution.**
4. If the contributor returns Form DS-DE 86 within 30 days of receiving the notice, the candidate must return a pro rata share of all contributions given in support of the original office.
5. If the contributor does not return Form DS-DE 86 within 30 days of receiving the notice, the candidate may use the contribution for the newly designated office.

**If the candidate is changing the numerical designation of the office that has resulted solely from redistricting the above notice requirement is unnecessary.**

The following formula is used to determine the pro rata share:

The amount of contributions contributed to the campaign that remain in the campaign account on the date the candidate filed the change of designation

MINUS

The amount already obligated for goods or services

DIVIDED BY

The total amount of contributions contributed to the campaign

MULTIPLIED BY

The amount of the contribution contributed by the individual contributor

## Pro Rata Refund Example

The candidate received a total of \$5,000 from all contributors. Of this amount, the candidate has \$2,500 remaining in the campaign account with an outstanding amount of \$500 owed for goods and services. This leaves \$2,000 in the account to be used for pro rata refunds. One contributor gave a \$500 original contribution and wishes to have it returned.

$$\$2,500 - \$500 = \$2,000 \div \$5,000 = 40\% \times \$500 = \$200 \text{ pro rata refund to the contributor}$$

*(Section 106.021(1), F.S.)*

No person shall make and no person shall solicit or knowingly accept any political contribution in a building owned by a governmental entity. "Accept" means to receive a contribution by personal hand delivery from a contributor or the contributor's agent. This prohibition does not apply when a government-owned building or any portion thereof is rented for the specific purpose of holding a campaign fund raiser.

*(Section 106.15(4), F.S.)*

## Campaign Treasurers

---

### Appointing Campaign Treasurers and Deputy Treasurers

Each candidate shall appoint a campaign treasurer by filing **Form DS-DE 9, Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates** with the filing officer before whom the candidate qualifies. The name and address of the campaign treasurer must be included on the form. A candidate may appoint a campaign treasurer and designate a campaign depository at any time, but no later than the date the candidate qualifies for office. A candidate who seeks to qualify by the petition process shall appoint a treasurer **prior to** obtaining signatures on petitions. Nothing prohibits a person from **announcing** his or her intention to become a candidate prior to filing Form DS-DE 9, as long as no contributions are received, no expenditures are made, and no signatures are obtained on a candidate petition.

1. A candidate must have a campaign treasurer.
2. A candidate may appoint herself or himself as campaign treasurer or deputy campaign treasurer.
3. A candidate for statewide office (Governor, Cabinet and Supreme Court Justice) may appoint no more than 15 deputy campaign treasurers. Any other candidate may appoint no more than three deputy campaign treasurers.

### Duties and Responsibilities

No contribution or expenditure, including contributions or expenditures of a candidate or of the candidate's family, shall be directly or indirectly made or received in furtherance of the candidacy of any person for nomination or election to political office in the state except through the duly appointed campaign treasurer of the candidate, subject to the following exceptions:

3. Expenditures made indirectly through a treasurer for goods or services, such as communications media placement or procurement services, campaign signs, insurance, or other expenditures that include multiple integral components as part of the expenditure and reported pursuant to Section 106.07(4)(a)13.; or
4. Expenditures made directly by any political committee, affiliated party committee, or political party regulated by Chapter 103, F.S., for obtaining time, space or services in or by any communications medium for the purpose of jointly endorsing three or more candidates, and any such expenditure shall not be considered a contribution or expenditure to or on behalf of any such candidate for the purposes of this chapter.

The campaign treasurer:

1. Shall keep detailed accounts of all contributions received and all expenditures made by or on behalf of the candidate. Such accounts must be kept current within not more than two days after the date a contribution is received or an expenditure is made.
2. Shall deposit all funds received by the end of the 5<sup>th</sup> business day into the campaign depository. All deposits shall be accompanied by a bank deposit slip containing the name of each contributor and the amount of each contribution.
3. Shall keep detailed accounts of all deposits made in any separate interest-bearing account or certificate of deposit and all withdrawals made from these accounts to the primary depository and all interest earned.
4. Shall preserve all accounts for a number of years equal to the term of office to which the candidate seeks election.
5. Shall file regular reports of all contributions received and expenditures made by or on behalf of such candidate.
6. May be fined \$1,000 or more or be subjected to criminal penalties for failing to file a campaign report or filing an incomplete or inaccurate report.

Deputy campaign treasurers may exercise any of the powers and duties of the campaign treasurer when specifically authorized to do so by the campaign treasurer and candidate.

Accounts, including separate interest-bearing accounts and certificates of deposit, kept by the campaign treasurer of a candidate may be inspected under reasonable circumstances before, during, or after the election to which the accounts refer by any authorized representative of the Division of Elections or the Florida Elections Commission.

*(Sections 106.021, 106.06, 106.07, 106.19 and 106.265, F.S.)*

*(Section 106.021(2), F.S.)*

# Chapter 9

## Campaign Depositories

---

### Primary Campaign Depository

A candidate must designate a primary campaign depository with a bank, savings and loan association, or credit union authorized to do business in the State of Florida. The campaign depository is designated at the same time as a treasurer is appointed on Form **DS-DE 9 (Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates)**. A candidate who seeks to qualify by the petition process shall designate a campaign depository prior to obtaining signatures on petitions.

**IMPORTANT:** *All contributions must be deposited into such account and all expenditures must be drawn by a check on such account, except when paid with petty cash. (See Chapter 12, Expenditures).*

A candidate must file the name and address of the primary campaign depository with the same officer with whom the candidate files the name of his or her campaign treasurer on Form DS-DE 9.

The campaign account must be separate from any personal or other account and used only for depositing campaign contributions and making expenditures.

**Designating a campaign depository does not mean physically opening your account. It is merely naming the financial institution where your campaign funds will be deposited. This is because most banks require an initial deposit to open a campaign account and a contribution cannot be accepted prior to the candidate filing Form DS-DE 9.**

All funds received by the campaign treasurer shall, prior to the end of the **fifth business day** following the receipt thereof, Saturdays, Sundays, and legal holidays excluded, be deposited in a campaign depository designated pursuant to Section 106.021, F.S., in an account designated *“(Name of Candidate) Campaign Account.”*

**IMPORTANT:** *All deposits must be accompanied by a bank deposit slip containing the name of each contributor and the amount contributed by each.*

*(Sections 106.021(1) and 106.05, F.S.)*

### Secondary Campaign Depository

A candidate may designate one secondary depository in each county where an election is held in which the candidate participates for the sole purpose of depositing contributions for transfer into the primary depository.

A candidate must file the name and address of each secondary campaign depository with the same officer with whom the candidate files the name of his or her campaign treasurer on Form DS-DE 9.

If a contribution is deposited in a secondary depository, the depository shall forward the full amount of the deposit, along with a copy of the deposit slip, to the primary depository prior to the end of the first business day following the deposit.

*(Sections 106.021(1) and 106.05, F.S.)*

## Separate Interest-Bearing Accounts and Certificates of Deposit

In the event funds are available in the primary campaign depository that are not currently needed for the disbursement of expenditures, the campaign treasurer or deputy campaign treasurer may deposit such funds into a separate interest-bearing account designated as "*(Name of Candidate) Separate Interest-Bearing Campaign Account*" or may purchase a certificate of deposit with the available funds.

Any bank, savings and loan association, or credit union authorized to transact business in Florida may be used for this purpose. The separate interest-bearing account or certificate of deposit shall be separate from any personal or other separate interest-bearing account or certificate of deposit.

Any withdrawal from a separate interest-bearing account or certificate of deposit of the principal or earned interest or any part thereof shall be made only for the purpose of transferring funds to the primary campaign account.

*(Section 106.021(1), F.S.)*

## Campaign Checks

**IMPORTANT:** *When issuing checks from the campaign account, the campaign treasurer or deputy treasurer shall be responsible for the completeness and accuracy of the information on such check and for insuring that such expenditure is an authorized expenditure.*

Campaign checks must contain the following information:

1. The statement "*(Name of Candidate) Campaign Account*"
2. Account number and name of bank,
3. The exact amount of the expenditure,
4. The signature of the campaign treasurer or deputy treasurer,
5. The exact purpose of the expenditure, and
6. The name of the payee.

This information may be typed or hand-printed on starter checks provided by the bank until printed checks arrive. *(Section 106.11(1), F.S.)*

## **Debit Cards** *(See Chapter 12, Expenditures.)*

A candidate may use a debit card to make campaign expenditures.

1. Must be obtained from the same bank that has been designated as the primary campaign depository.
2. Must be issued in the name of the treasurer, deputy treasurer, or authorized user and state "(Name of candidate or political committee) Campaign Account."
3. No more than **three** debit cards shall be issued.

## Contributions

---

A contribution is:

1. A gift, subscription, conveyance, deposit, loan, payment or distribution of money or anything of value made for the purpose of influencing the results of an election or making an electioneering communication. These include contributions in-kind, having an attributable monetary value in any form;
2. A transfer of funds between political committees, between committees of continuous existence, or between a political committee and a committee of continuous existence;
3. The payment, by any person other than a candidate, of compensation for the personal services of another person which are rendered to a candidate without charge to the candidate for such services; or
4. The transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit. The term includes any interest earned on such account or certificate.

The exceptions are:

1. Services provided without compensation by individuals volunteering a portion or all of their time on behalf of a candidate including, but not limited to, legal and accounting services;
2. Editorial endorsements.

**IMPORTANT:** *The law provides no exceptions for reporting contribution information, regardless of the size of the contribution (e.g., the reporting requirements would be the same for a 50 cent contribution as for a \$500 contribution).*

*(Section 106.011(3), F.S.)*

### Unauthorized Contributions

Any contribution received by a candidate with opposition in an election or by the campaign treasurer or deputy campaign treasurer on the day of that election or less than five days prior to the day of the election must be returned to the contributor and may not be used or expended by or on behalf of the candidate.

*(Section 106.08(3), F.S.)*

### Anonymous Contributions

When a candidate receives an anonymous contribution it must be reported on the candidate's campaign treasurer's report as an anonymous contribution. A letter should be submitted to the filing officer explaining the circumstances surrounding the acceptance of the anonymous contribution.

The candidate cannot spend the anonymous contribution, but at the end of the campaign can donate the amount to an appropriate entity under Section 106.141, F.S.

*(Division of Elections Opinion 89-02)*

## In-Kind Contributions

In-kind contributions are anything of value made for the purpose of influencing the results of an election.

The exceptions are:

1. Money;
2. Personal services provided without compensation by individual volunteers;
3. Independent expenditures, as defined in Section 106.011(5), F.S.; or
4. Endorsements of three or more candidates by political committees or political parties.

*(Section 106.011, F.S.; and Division of Elections Opinion 04-06)*

Any person who makes an in-kind contribution shall, at the time of making the contribution, place a fair market value on the contribution. In-kind contributions are subject to contribution limitations. Travel conveyed upon private aircraft shall be valued at the actual cost of per person commercial air travel for the same or a substantially similar route.

*(Section 106.055, F.S., and Division of Elections Opinion 09-08)*

## Loans

Loans are considered contributions and are subject to contribution limitations. Loans to or from each person or political committee must be reported together with names, addresses, occupations, and principal places of business, if any, of the lenders and endorsers, including the date and amount of each loan on the campaign treasurer's report.

Loans made by a candidate to his or her own campaign are not subject to contribution limitations. A candidate who makes a loan to his or her campaign and reports the loan as required by Section 106.07, F.S. may be reimbursed for the loan at any time the campaign account has sufficient funds to repay the loan and satisfy its other obligations.

All personal loans exceeding \$500 in value, made to a candidate and used for campaign purposes and made in the twelve months preceding his or her election to office, must be reported on **Forms DS-DE 73 and 73A, Campaign Loans Report**, and filed with the filing officer within ten days after being elected to office. **Loan reports filed with the Division of Elections must be filed using the Electronic Filing System (EFS).**

Any person who makes a contribution to pay all or part of a loan incurred in the twelve months preceding the election, to be used for the campaign, may not contribute more than the amount allowed in Section 106.08(1), F.S.

*(Sections 106.011, 106.07 and 106.075, F.S.)*

## Cash Contributions

A candidate may not accept an aggregate cash contribution or contribution by means of a cashier's check from the same contributor in excess of \$50 per election.

**IMPORTANT:** *Cash contributions should be reported on campaign treasurer's reports to include the full name and address of each person who gave a cash contribution during the reporting period, together with the amount and date of such cash contribution.*

(Sections 106.07(4) and 106.09, F.S.)

## Debit and Credit Card Contributions

A candidate may accept contributions via a credit card, debit card, or money order. These contributions are categorized as a "check" for reporting purposes.

(Division of Elections Opinions 94-02 and 00-03)

## Contribution Limits for Candidates

**IMPORTANT:** *Except for political parties or affiliated party committees, no person, political committee, or committee of continuous existence may make contributions in excess of \$500 per election to any candidate for election or retention in office. The primary and general elections are separate elections. (See Glossary for the definition of "person.")*

**These limits do not apply to contributions made by a state or county executive committee of a political party or affiliated party committee regulated by Chapter 103, F.S., or to amounts contributed by a candidate to his own campaign.**

A candidate may **not**:

1. Accept contributions until Form DS-DE 9, Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates, is filed with the filing officer;

Polling services, research services, cost for campaign staff, professional consulting services, and telephone calls are not contributions to be counted toward the contribution limits, but must still be reported by the candidate. All other contributions are counted toward the contribution limits;
6. A candidate for statewide (Governor, Cabinet and Supreme Court Justice) office may not accept contributions from a national, state, or county executive committee of a political party, including any subordinate committee of a national, state, or county committee of a

political party, or affiliated party committee, which contributions in the aggregate exceed \$250,000, no more than \$125,000 of which may be accepted prior to **October 9, 2012**; or

*(Sections 106.08 and 106.19, F.S.)*

## Expenditures

---

### Definition

An expenditure is a purchase, payment, distribution, loan, advance, transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit, or gift of money or anything of value made for the purpose of influencing the results of an election or making an electioneering communication.

### General Requirements

A candidate **shall**:

1. Pay all campaign expenditures by a check drawn on the campaign account (except petty cash);
2. Pay the qualifying fee by a check drawn on the campaign account;
3. Pay for all expenses authorized or incurred for the purchase of goods or services upon final delivery and acceptance of the goods or services; and
4. Pay for public utilities such as telephone, electric, gas, water and like services when the bill is received. Utility companies providing services to candidates must charge a deposit sufficient to meet all anticipated charges during a billing period.

**IMPORTANT:** *No candidate, campaign manager, treasurer, deputy treasurer, or any person acting on behalf of the foregoing, shall authorize any expenses, unless there are sufficient funds on deposit in the primary depository account of the candidate to pay the full amount of the authorized expense, to honor all other checks draw on such account, which checks are outstanding, and to meet all expenses previously authorized but not yet paid.*

Sufficient funds means that the funds at issue have been delivered for deposit to the financial institution at which such account is maintained and not that such funds are available for withdrawal in accordance with the deposit rules or the funds availability policies of such financial institution.

### Checks

**IMPORTANT:** *Only a campaign treasurer or deputy campaign treasurer is allowed to sign checks drawn on the campaign account. The campaign treasurer or deputy campaign treasurer who signs a check shall be responsible for the completeness and accuracy of the information on the check and for ensuring it is an authorized expenditure. **Candidates are prohibited from signing campaign checks unless they appointed themselves campaign treasurer or deputy treasurer.***

A candidate or other individual may be reimbursed for expenses incurred in connection with the campaign by a check drawn on the campaign account and reported pursuant to Section 106.07(4), F.S. The full name and address of each person to whom the candidate or other individual made payment for which reimbursement was made by check drawn upon the campaign account shall be reported pursuant to Section 106.07(4), F.S., together with the purpose of such payment.

## **Living Expenses**

A candidate or the spouse of a candidate may not use campaign funds to defray normal living expenses for the candidate or the candidate's immediate family other than expenses actually incurred during the campaign for transportation, meals and lodging.

*(Sections 106.011(4), 106.021(3), 106.14 and 106.1405, F.S.)*

## **Petty Cash Funds**

A campaign treasurer may provide a petty cash fund for the candidate. To establish a petty cash fund, the campaign treasurer must write a check drawn on the primary campaign account. Petty cash may only be used for office supplies, transportation expenses, and other necessities.

A candidate **must**:

1. Spend petty cash in amounts of less than \$100;
2. Report the total amount withdrawn and the total amount spent for petty cash in each reporting period;
3. Keep complete records of petty cash although each expenditure does not have to be reported individually;
4. Not mix cash contributions with petty cash; and
5. Not use petty cash for the purchase of time, space, or services from any communications media.

## **Limits on Petty Cash Fund Amounts**

From the day a candidate appoints his or her campaign treasurer until the last day a candidate can qualify for office the campaign treasurer may withdraw from the campaign account for the purpose of providing a petty cash fund for the candidate:

- \$500 per calendar quarter.

After qualifying is over and until the election in which the candidate is eliminated or elected to office or the time in which the candidate becomes unopposed the treasurer may withdraw:

- \$500 per week for all statewide (Governor, Cabinet, and Supreme Court Justice) candidates.
- \$100 per week for all other candidates.

*(Sections 106.07 and 106.12, F.S., and Division of Elections Opinion 06-10)*

## Independent Expenditures

An independent expenditure means an expenditure made by a person for the purpose of **expressly advocating** the election or defeat of a candidate, which expenditure is not controlled by, coordinated with, or made upon consultation with, any candidate or agent of such candidate. An expenditure for such purpose by a person having a contract with the candidate or agent of such candidate in a given election period shall not be deemed an independent expenditure.

**Expressly advocates** means any communication which uses phrases including, but not limited to: "vote for", "elect," "support," "cast your ballot for," "Smith for Congress," "vote against," "defeat," "oppose," and "reject."

If the independent expenditure is, in the aggregate, in the amount of \$5000 or more, the person must file reports with the candidate's filing officer in the same manner and time as a political committee.

Political advertisements paid for by an independent expenditure must contain the following statement: *"Paid political advertisement paid for by (name and address of person paying for the advertisement) independently of any (candidate or committee)."*

**However**, an expenditure for the purpose of **expressly advocating** the election or defeat of a candidate which is made by the national, state, or county executive committee of a political party, including any subordinate committee of a national, state, or county committee of a political party, an affiliated party committee, or by any political committee or committee of continuous existence, or any other person, **shall not be considered an independent expenditure if the committee or person:**

1. Communicates with the candidate, the candidate's campaign, or an agent of the candidate acting on behalf of the candidate, including any pollster, media consultant, advertising agency, vendor, advisor, or staff member concerning the preparation of, use of, or payment for, the specific expenditure or advertising campaign at issue; or
2. Makes a payment in cooperation, consultation, or concert with, at the request or suggestion of, or pursuant to any general or particular understanding with the candidate, the candidate's campaign, a political committee supporting the candidate, or an agent of the candidate relating to the specific expenditure or advertising campaign at issue; or
3. Makes a payment for the dissemination, distribution, or republication, in whole or in part, of any broadcast or any written, graphic, or other form of campaign material prepared by the candidate, the candidate's campaign, or an agent of the candidate, including any pollster, media consultant, advertising agency, vendor, advisor, or staff member; or
4. Makes a payment based on information about the candidate's plans, projects, or needs communicated to a member of the committee or person by the candidate or any agent of the candidate, provided the committee or person uses the information in any way, in whole or in part, either directly or indirectly, to design, prepare, or pay for the specific expenditure or advertising campaign at issue; or
5. After the last day of the qualifying period prescribed for the candidate, there is a consultation about the candidate's plans, projects, or needs in connection with the candidate's pursuit of election to office and the information is used in any way to plan, create, design, or prepare an independent expenditure or advertising campaign with:

- a. Any officer, director, employee or agent of a national, state or county executive committee of a political party or an affiliated party committee that has made or intends to make expenditures in connection with or contributions to the candidate; or
  - b. Any person whose professional services have been retained by a national, state or county executive committee of a political party that has made or intends to make expenditures in connection with or contributions to the candidate; or
6. After the last day of the qualifying period prescribed for the candidate, retains the professional services of any person also providing those services to the candidate in connection with the candidate's pursuit of election to office; or
  7. Arranges, coordinates, or directs the expenditure, in any way, with the candidate or an agent of the candidate.

*(Sections 106.011(5), and 106.071, F.S.)*

## **Credit Cards**

Candidates for **statewide office (Governor, Cabinet, and Supreme Court Justice)** may obtain a credit card under the following conditions:

1. For use in making travel-related campaign expenditures to include transportation, lodging, meals, and other travel expenses incurred.
2. It must be obtained from the same bank designated as the primary campaign depository.
3. It must be in the name of the candidate and reflect that it is a campaign account.
4. A copy of the agreement or contract between the candidate and bank, along with a list of all persons authorized to use the card, must be filed with the Division of Elections **prior** to being used.
5. The credit card must expire no later than midnight of the last day of the month of the general election.
6. Each statement received from the issuer of the credit card must be paid upon receipt.

*(Section 106.125, F.S.)*

## **Debit Cards**

Debit cards may be used in lieu of campaign checks and **are considered bank checks if:**

1. Obtained from the same bank as the primary campaign depository.
2. Issued in the name of the treasurer, deputy treasurer, or authorized user.
3. States *“(Name of Candidate) Campaign Account.”*
4. No more than three are issued.
5. The person using the card does not receive cash as part of, or independent of, any transaction for goods or services.

2. Exact amount of expenditure.
3. Name of payee.
4. Signature of campaign treasurer, deputy treasurer, or authorized user.
5. Exact purpose of expenditure.

Any of the above listed information, if not included on the receipt, may be handwritten on, or attached to, the receipt by the authorized user before submitting to the campaign treasurer. The debit card user shall be responsible for the completeness and accuracy of the information and for insuring that such expenditure is authorized.

*(Section 106.11, F.S)*

## **Electioneering Communications**

Electioneering communication means any communication publicly distributed by a television station, radio station, cable television system, satellite system, newspaper, magazine, direct mail, or telephone that:

1. Refers to or depicts a clearly identified candidate for office without expressly advocating the election or defeat of a candidate but that is susceptible of no reasonable interpretation other than an appeal to vote for or against a specific candidate;
2. Is made within 30 days before a primary or special primary election or 60 days before any other election for the office sought by the candidate; and
3. Is targeted to the relevant electorate in the geographical area the candidate would represent if elected.

The **exceptions** are:

1. A communication disseminated through a means of communication other than a television station, radio station, cable television system, satellite system, newspaper, magazine, direct mail, telephone, or statement or depiction by an organization, in existence prior to the time during which a candidate named or depicted qualifies for that election, made in that organization's newsletter distributed only to members of that organization;
2. A communication in a news story, commentary or editorial distributed through the facilities of any radio station, television station, cable television system, or satellite system unless the facilities are owned or controlled by any political party, political committee, or candidate. A news story distributed through the facilities owned or controlled by any political party, political committee, or candidate may nevertheless be exempt if it represents a bona fide news account communicated through a licensed broadcasting facility and the communication is part of a general pattern of campaign-related news accounts that give reasonably equal coverage to all opposing candidates in the area;

3. A communication that constitutes a public debate or forum that includes at least two opposing candidates for an office or one advocate and one opponent of an issue, or that solely promotes such a debate or forum and is made by or on behalf of the person sponsoring the debate or forum, provided that the staging organization:
  - a. Is either a charitable organization that does not make other electioneering communications and does not otherwise support or oppose any political candidate or political party; or a newspaper, radio station, television station, or other recognized news medium; and
  - b. Does not structure the debate to promote or advance one candidate or issue position over another.

## **Expenditures for Electioneering Communications**

An expenditure made for, or in furtherance of, an electioneering communication shall not be considered a contribution to or on behalf of any candidate and shall not constitute an independent expenditure, nor be subject to the limitations applicable to independent expenditures.

An expenditure for an electioneering communication is made when the earliest of the following occurs:

1. A person executes a contract for applicable goods or services;
2. A person makes payment, in whole or in part, for applicable goods or services; or
3. The electioneering communication is publicly disseminated.

*(Sections 106.011(4) and (18), F.S.)*

## Political Advertising

---

A political advertisement is a paid expression in any communications media, whether radio, television, newspaper, magazine, periodical, campaign literature, direct mail, or display or by means other than the spoken word in direct conversation, which expressly advocates the election or defeat of a candidate or the approval or rejection of an issue.

(Section 106.011(17), F.S.)

### Candidate Disclaimers

**Except as noted below, any political advertisement that is paid for by a candidate (except a write-in candidate) and that is published, displayed, or circulated before, or on the day of, any election must prominently state:** *“Political advertisement paid for and approved by (name of candidate), (party affiliation) for (office sought)” or “Paid by (name of candidate), (party affiliation), for (office sought).”*

**Any political advertisement that is paid for by a write-in candidate and that is published, displayed, or circulated before, or on the day of, any election must prominently state:** *“Political advertisement paid for and approved by (name of candidate), write-in candidate, for (office sought)” or “Paid by (name of candidate), write-in candidate, for (office sought).”*

(Section 106.143(1), F.S.)

**Also, the disclaimer language alternatives provided above must be verbatim as quoted in s. 106.143, F.S. Variations are prohibited by law.**

Any political advertisement of a **candidate running for partisan office** shall express the name of the political party of which the candidate is seeking nomination or is the nominee.

**If the candidate for partisan office is running as a candidate with no party affiliation**, any advertisement of the candidate must state that the candidate has no party affiliation. A candidate who is registered in a political party may run as a candidate with “no party affiliation” without changing his or her registration.

The candidate shall provide a **written statement of authorization** to the newspaper, radio station, television station, or other medium for each advertisement submitted for publication, display, broadcast, or other distribution.

Candidates running for **non-partisan** office may not state the candidate's political party affiliation in the disclaimer, or in the body of the advertisement. Exception: The candidate is not prohibited from stating the candidate's partisan related experience.

(Sections 106.143(3) and (5), F.S.)

### Exceptions to Disclaimer Requirements

The disclaimer requirement in section 106.143(1), Florida Statutes, does not apply to any campaign message or political advertisement used by a candidate and the candidate's supporters or by a political committee if the message or advertisement is:

- (a) Designed to be worn by a person.
- (b) Placed as a paid link on an Internet website, provided the message or advertisement is no more than 200 characters in length and the link directs the user to another Internet website that complies with the disclaimer requirements in section 106.143(1), Florida Statutes.
- (c) Placed as a graphic or picture link where compliance with the requirements of this section is not reasonably practical due to the size of the graphic or picture link and the link directs the user to another Internet website that complies with section 106.143(1), Florida Statutes.
- (d) Placed at no cost on an Internet website for which there is no cost to post content for public users.
- (e) Placed or distributed on an unpaid profile or account which is available to the public without charge or on a social networking Internet website, as long as the source of the message or advertisement is patently clear from the content or format of the message or advertisement. A candidate or political committee may prominently display a statement indicating that the website or account is an official website or account of the candidate or political committee and is approved by the candidate or political committee. A website or account may not be marked as official without prior approval by the candidate or political committee.
- (f) Distributed as a text message or other message via Short Message Service, provided the message is no more than 200 characters in length or requires the recipient to sign up or opt in to receive it.
- (g) Connected with or included in any software application or accompanying function, provided that the user signs up, opts in, downloads, or otherwise accesses the application from or through a website that complies with section 106.143(1), Florida Statutes.
- (h) Sent by a third-party user from or through a campaign or committee's website, provided the website complies with section 106.143(1), Florida Statutes.
- (i) Contained in or distributed through any other technology-related item, service, or device for which compliance with section 106.143(1), Florida Statutes, is not reasonably practical due to the size or nature of such item, service, or device as available, or the means of displaying the message or advertisement makes compliance with section 106.143(1), Florida Statutes, impracticable.

## Electronic Filing of Campaign Reports

---

The Electronic Filing System (EFS) is an Internet system for recording and reporting campaign finance activity. Each candidate required to file reports with the Division of Elections under Section 106.07, F.S., must file such reports with the Division by means of the EFS.

Reports filed pursuant to this section:

1. Shall be completed and filed through the EFS not later than 12:00 a.m., Eastern Standard Time, of the due date. Reports not filed by this time are late filed and are subject to the penalties under Sections 106.04(8), 106.07(8), or 106.29(3), F.S., as applicable.
2. Are considered to be under oath by the candidate and treasurer, and such persons are subject to provisions of Sections 106.04(4)(d), 106.07(5), or 106.29(2), F.S., as applicable. Persons given a secure sign-on to the EFS are responsible for protecting such from disclosure and are responsible for all filings using such credentials, unless they have notified the division that their credentials have been compromised.

*(Sections 106.0705 and 106.0706, F.S.)*

### Accessing the EFS

From *Internet Explorer* you can access the EFS at <https://efs.dos.state.fl.us>. Each candidate is provided an identification number and initial password to gain entry. Once you log in using the initial password, you will be prompted to change it to a confidential one. You are responsible for protecting the password from disclosure. Contact the Division of Elections immediately if your password has been compromised.

### Creating Reports

Campaign reports must be entered, saved, reviewed, and filed via the EFS either by directly entering data into the web application or by uploading data using an approved vendor's software. The Division maintains a list of approved software vendors whose programs meet the file specifications for filing campaign reports. Instructions for uploading reports are provided in the *EFS User's Guide*.

### Submitting Reports

Reports will be held in pending status until the report is ready to be filed. Each person eligible to file a report will receive a PIN (personal identification number) that allows the person to file reports via the EFS. **A person's PIN is considered the same as that person's signature on a filed report.**

## Electronic Receipts

The person filing a report on the EFS may print an electronic receipt verifying the report was filed with the Division. Each report filed by means of the EFS is considered to be under oath and such persons filing the report are subject to the provisions of Chapter 106, F.S.

NOTE: For further information on the EFS, see Rule 1S-2.017, Florida Administrative Code, Reporting Requirements for Campaign Treasurer's Reports.

*(Section 106.141(5), F.S.)*

### Using the Office Account

1. Travel expenses incurred by the officer or staff member;
2. Personal taxes payable on office account funds by the candidate or elected public official; or
3. Expenses incurred in the operation of his or her office, including employment of additional staff.

As the duties and responsibilities of each office are different, what are considered "legitimate expenses in connection with the candidate's public office" will vary. For additional information, please contact the legal or accounting department for your office.

If a candidate is re-elected to office or elected to another office and has funds remaining in the office account, the candidate may transfer surplus campaign funds to the office account. However, at no time may the total funds in the office account exceed the limitation imposed by Section 106.141(5), F.S.

## Bookkeeping Suggestions

---

The Division of Elections has a few suggestions which may be helpful to campaign treasurers in setting up a system to record and maintain campaign information.

1. Keep a schedule of due dates for campaign treasurer's reports. The Division of Elections website (<http://elections.myflorida.com/>) provides each candidate with a calendar of election and reporting dates.
2. Know what period of time each report covers and only report activity occurring during that reporting period.
3. If filing with the Division of Elections, keep a copy of the electronic receipt for each report filed for your own records. If filing with the local officers, keep the certificate of mailing.
4. Record all contributions when received. Make sure to include the name, address, specific occupation, or principal type of business if over \$100, amount, and date of each contribution. Keep contributions itemized by monetary, in-kind, and loans.
5. Record all expenditures when they occur. List the name and address of each person to whom the expenditure was made along with the amount, date, and purpose.
6. Keep a petty cash ledger of all expenditures. These individual listings do not have to be listed on campaign treasurer's reports, only the total amount withdrawn and total amount spent per reporting period.
7. Monitor the cash flow to know how much money is available at all times in the account to avoid any possibility of authorizing an expenditure when money is not available to pay for such expenditure.
8. Maintain a listing of all funds currently in the separate interest-bearing account, certificate of deposit or money market account.
9. Make sure an authorization for advertising has been obtained from the candidate.

# **Florida Elections Commission**

---

The Florida Elections Commission is a separate and independent entity from the Division of Elections. Commissioners are appointed by the Governor from lists of names submitted by legislative leaders.

### **Automatic Fine Appeal Process**

Any candidate may appeal or dispute a fine for a late filed campaign treasurer's report. The appeal must be based upon, but not limited to, unusual circumstances surrounding the failure to file on the designated due date. The candidate may request and is entitled to a hearing before the Florida Elections Commission, which has the authority to waive the fine in whole or in part. The Florida Elections Commission must consider the mitigating and aggravating circumstances contained in Section 106.265(1), F.S., when determining the amount of a fine, if any, to be waived. The appeal must be made within 20 days of the receipt of the notice of payment due. The candidate must, within the 20 day period, notify the filing officer in writing of his or her intention to bring the matter before the Commission.

*(Section 106.07(8)(c), F.S.)*

### **Complaint Process**

Any person who has information of a violation of Chapters 104 or 106, F.S., shall file a sworn complaint with the Florida Elections Commission, 107 West Gaines Street, Suite 224, Tallahassee, Florida 32399-1050 or call 850-922-4539. A complaint form may be obtained from the Florida Elections Commission or downloaded from the Commission's website at [www.fec.state.fl.us](http://www.fec.state.fl.us).

## Frequently Asked Questions

---

### Candidates

**If I want to be a no party affiliation candidate, can I still be registered to vote as a Republican or Democrat?**

Yes. Any registered elector who qualifies for office without party affiliation will have their name placed on the ballot at the general election without party affiliation. (*Section 99.0955(1), F.S.*)

**Do I have to designate a campaign treasurer and depository before I make public my intention to run for office?**

No. A person must appoint a campaign treasurer and designate a depository prior to qualifying for office, obtaining signatures on petitions, accepting contributions or making expenditures. Nothing in the election laws prohibits a person from announcing their intention to become a candidate prior to designating a treasurer or depository as long as no contributions are received and no expenditures are made in connection with that announcement. (*Section 106.021, F.S.*)

**What if I want to change my campaign treasurer or other officers?**

File a reappointment of campaign treasurer ([Form DS-DE 9](#)) with the filing officer along with a copy of the letter of resignation or removal.

**How are judges elected in Florida and what are their terms?**

**Merit Retention**

Not all judges in Florida are elected to office. Supreme Court Justices and Judges of the District Court of Appeal are always appointed by the Governor from a list of three to six candidates presented by the Judicial Nominating Commission for that court. Once appointed, they must serve at least one year before the next general election and, thereafter, must face a "yes" or "no" vote every six years as to whether they will remain in office. If a judge is not retained the appointment process starts again. Further information can be obtained from the Florida State Courts website at [www.flcourts.org](http://www.flcourts.org).

**Elected Judges**

Elected circuit judges and county court judges have six year terms that begin on the first Tuesday after the first Monday in January following the general election. They are on the primary and general election ballots the year before the term ends in January. If a judicial candidate receives a majority of the votes at the primary election, the candidate's name will not appear on the general election ballot unless a write-in candidate has qualified for the same office. If no candidate receives a majority of the votes at the primary election, the names of the two candidates receiving the highest number of votes will appear on the general election ballot. The candidate receiving the highest number of votes at the general election is elected to office.

### **Can a judicial candidate speak at a political party function?**

A judicial candidate may attend and speak in his own behalf at political party functions. However, care must be exercised to insure compliance with the election laws and the Code of Judicial Conduct. (Chapter 105, F.S. and Division of Elections Opinion 78-34.) For opinions of the Judicial Ethics Advisory Commission, see:

<http://www.jud6.org/LegalCommunity/LegalPractice/opinions/jeacopinions/jeac.html>

### **I am a county court judge candidate. Where do I file and qualify?**

You must file your appointment of campaign treasurer and designation of campaign depository and qualify with the supervisor of elections office in the county where you reside. (Section 105.031, F.S.)

### **When can I start collecting signatures to qualify as a petition candidate?**

Before collecting any signatures, all candidates (except federal and special district candidates) must file the Appointment of Campaign Treasurer and Designation of Campaign Depository ([Form DS-DE 9](#)) with the filing officer. Each petition must be submitted before noon of the 28<sup>th</sup> day preceding the first day of the qualifying period for the office sought to the [Supervisor of Elections](#) of the county in which such petition was circulated.

## **Campaign Finance**

### **Do candidates for precinct committeeperson have to file campaign reports and comply with Chapter 106, F.S.?**

No. Persons seeking election to political party executive committees are specifically exempt from the definition of "candidate" and are therefore not subject to the requirements of Chapter 106, F.S. (Sections 103.091 and 106.011(16), F.S.)

### **May a candidate appoint himself or herself as campaign treasurer?**

Yes. (Section 106.021(1)(c), F.S.)

### **Must a campaign treasurer be a registered voter in Florida?**

No. (Section 106.021(1)(c), F.S.)

### **How many deputy treasurers may a candidate or political committee have?**

Candidates for statewide office may appoint up to 15 deputy treasurers. Other candidates and political committees may appoint up to 3 deputy treasurers. (Section 106.021(1)(a), F.S.)

### **Can a deputy treasurer file and submit campaign reports?**

Yes. A deputy treasurer may perform all of the duties of a campaign treasurer when specifically authorized to do so by the campaign treasurer in the case of a candidate, or the campaign treasurer and chairperson in the case of a political committee. (Section 106.021(4), F.S.)

### **Who is responsible for keeping tabs on aggregate totals of campaign contributions?**

The campaign treasurer is responsible for receiving and reporting all contributions. (Section 106.06, F.S.)

**May a candidate accept a contribution from a trust fund?**

Yes. Chapter 106, F.S., defines a "person" as an individual, corporation, association, firm, partnership, joint venture, joint stock company, club, organization, estate, trust, business trust, syndicate, or other combination of individuals having collective capacity. The term also includes a political party, affiliated party committee, political committee or committee of continuous existence. (Section 106.011(8), F.S.)

**Do I have to itemize small contributions of \$5, \$10, \$50, etc.?**

Yes. The law provides no exceptions for the reporting of contribution information, regardless of the size of the contribution. The full name and address of the contributor are also required. (Section 106.07(4)(a), F.S.)

**Are in-kind contributions subject to the same limitations as monetary contributions?**

Yes. In Chapter 106, F.S., the definition of a "contribution" includes contributions in-kind having an attributable monetary value in any form. Therefore, in-kind contributions are subject to the same limitations set for monetary contributions. (Section 106.011(3) and 106.08, F.S.)

**How is the value of an in-kind contribution determined?**

The contributor must inform the person receiving the contribution of the fair market value at the time it is given. (Section 106.055, F.S.)

**Can a corporation give to a candidate, political committee or political party?**

Yes. A corporation is under the definition of a "person" in Chapter 106, F.S. (Section 106.011(8), F.S.)

**I am opposed in the general election, but I have no opposition in the primary election, therefore, my name will not be on the primary election ballot. Must I abide by the prohibition on accepting contributions less than five days prior to the primary election?**

No. Only candidates opposed in the primary election are required to comply. However, since you are opposed and your name will appear on the general election ballot, you are required to abide by the prohibition on accepting contributions less than 5 days prior to the general election. (Section 106.08(3), F.S.)

**Can I conduct a raffle to raise money for my campaign?**

No. Pursuant to Section 849.09, Florida Statutes, it is unlawful for any person in this state to set up, promote, or conduct any lottery for money or anything of value.

**I was given cash at a rally and have no information on who it is from. What do I do?**

Report this contribution on your campaign report but do not spend these funds on the campaign. After the campaign is over, dispose of the funds pursuant to Section 106.141, F.S.

(Division of Elections Opinion 89-02)

### **As a candidate, what can I do with leftover campaign funds?**

You may disburse leftover funds by any of the following means or a combination thereof:

- return pro rata to each contributor;
- donate to a charitable organization or organizations that meet the qualifications of s. 501(c)(3) of the Internal Revenue Code;
- give to the political party of which the candidate is a member;
- in the case of a candidate for state office, give the funds to the state to be deposited in the General Revenue Fund; or
- in the case of a candidate for an office of a political subdivision, to such political subdivision to be deposited in the general fund thereof.

Candidates who have received contributions for public campaign financing shall return all surplus funds to the state.

Candidates shall reimburse the state or local government entity, in the order listed below, if they:

- filed an oath stating they were unable to pay the election assessment; and/or
- filed an oath stating they were unable to pay the fee for the verification of petition signatures without imposing an undue burden on personal resources or on resources otherwise available to them, or
- qualified by the alternative method and were not required to pay an election assessment.

In addition to the methods listed above, a candidate elected to office (or will be elected by virtue of being unopposed) may transfer funds from the campaign account to an office account to be used only for legitimate expenses in connection with the candidate's public office. The amount which can be transferred is limited pursuant to Section 106.141(5), F.S. (Section 106.141(5), F.S.)

### **What are considered “legitimate office expenses” for purposes of office accounts?**

As the duties and responsibilities of each office are different, what are considered legitimate office expenses will vary. For further information specifically related to your office, please contact your office's legal or accounting department.

### **Can I combine my leftover campaign funds with a legislative account?**

No. The office account must be separate from any other account (including a legislative account). (Section 106.141, F.S.)

### **I am an elected official and still have funds in my office account. I am now beginning my re-election campaign. May I place the surplus funds in the office account into my campaign account for re-election?**

No. Funds retained by elected officials in their office accounts may only be used for legitimate expenses in connection with their public office. (Section 106.141(5), F.S.)

**Do I have to file campaign reports on the Electronic Filing System (EFS)?**

If the Division of Elections is your filing officer, you are required to file all campaign reports via the EFS. If your filing officer is other than the Division of Elections, you must contact their office to find out their requirements. (Section 106.0705, F.S.)

**If my treasurer is out of town, can I have an extension to file my report?**

No. The election laws do not provide for an extension under these circumstances. (Sections 106.04(4)(b)1., 106.07(2)(b) and (3), F.S.)

**If I make a mistake on my report can I go back in and correct it on the EFS?**

Once the report is submitted to the Division of Elections, the EFS will not permit you to go back and make changes. In order to correct mistakes or add and delete information, you must submit an "amendment."

**If I am late submitting my report, how is my fine calculated?**

\$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding the primary and general election, the fine shall be \$500 per day for each day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

**How long are campaign records kept at the Division of Elections or the supervisor of elections?**

Ten years from the date of receipt. (Sections 98.015(5) and 106.22(4), F.S.)

#### **97.028 Procedures on complaints of violations of Title III of the Help America Vote Act of 2002.—**

(1)(a) Any person who believes that a violation of Title III of the Help America Vote Act of 2002 has occurred, is occurring, or is about to occur may file a complaint with the department.

(b) The complaint must be in writing and must be signed and sworn to before a notary by the person filing the complaint. Further, the complaint must state the alleged violation and the person or entity responsible for the violation. The department shall prescribe the form for complaints filed under this section. If the department determines that the complaint fails to allege both a violation and a person or entity responsible for the violation, or that the complaint is not properly executed, the department shall inform the complainant in writing that the complaint is legally insufficient.

(c) For purposes of this section, a violation of Title III of the Help America Vote Act of 2002 is the failure to perform an act required or the performance of an act prohibited by Title III of the Help America Vote Act of 2002 by a covered person or entity.

(d) The department shall have sole jurisdiction over complaints filed under the provisions of this section.

(e) This section provides the sole avenue of redress for alleged violations of Title III of the Help America Vote Act of 2002 and does not give rise to any other cause of action.

(f) The department may consolidate complaints filed under this section.

(g) All proceedings under this section are exempt from chapter 120.

(2)(a) When a legally sufficient complaint is filed with the department, the agency head shall designate a hearing officer who shall:

1. Provide the subject of the complaint with a copy of the complaint. The subject of the complaint shall, within 10 days after receipt of the complaint, file with the department a written, sworn response to the complaint.

2. Upon receipt of the response, the hearing officer shall review both sworn filings to determine whether a violation of Title III of the Help America Vote Act of 2002 has occurred, is occurring, or is about to occur. The complaint and the response shall constitute the official hearing record to be considered by the hearing officer. The hearing officer shall provide the complainant with a copy of the response.

3. At the hearing officer's discretion, the complainant and the respondent may be ordered by the hearing officer to provide additional sworn oral or written statements or additional documents to assist the

hearing officer in making his or her determination. Further, other relevant witnesses may also be ordered by the hearing officer to give sworn testimony or to provide relevant documents to assist the hearing officer in making his or her determination. Any such statements or documents received by the hearing officer shall also become part of the official hearing record. For purposes of this section, the hearing officer is authorized to administer oaths and to issue subpoenas.

4. The hearing officer shall advise both the complainant and respondent in writing of their determination. If the hearing officer determines that no violation has occurred, is occurring, or is about to occur, the department shall dismiss the complaint and publish its determination. If the hearing officer determines that a violation of Title III of the Help America Vote Act has occurred, is occurring, or is about to occur, the department shall issue and deliver an order directing the appropriate remedy to persons responsible for effecting such remedy. The issuance of an order does not constitute agency action for which a hearing under s. 120.569 or s. 120.57 may be sought. For purposes of enforcing the order, the department may initiate a proceeding in the name of the state seeking issuance of an injunction, a writ of mandamus, or other equitable remedy against any person who violates any provision of such order.

5. The department shall make a final determination with respect to the complaint within 90 days after the date that the complaint was filed, unless the complainant consents to a longer period for making such a determination.

(b) If the department fails to meet the deadline established in subparagraph (a)5., the complaint shall be forwarded to mediation. Mediation shall occur within 60 days after the department's failure to make a determination within the timeframe established in subparagraph (a)5. The record created under this section shall be made available for use in the mediation.

### **97.053 Acceptance of voter registration applications.—**

(1) Voter registration applications, changes in registration, and requests for a replacement voter information card must be accepted in the office of any supervisor, the division, a driver license office, a voter registration agency, or an armed forces recruitment office when hand delivered by the applicant or a third party during the hours that office is open or when mailed.

(2) A voter registration application is complete and becomes the official voter registration record of that applicant when all information necessary to establish the applicant's eligibility pursuant to s. 97.041 is received by a voter registration official and verified pursuant to subsection (6). If the applicant fails to complete his or her voter registration application prior to the date of book closing for an election, then such applicant shall not be eligible to vote in that election.

(3) The registration date for a valid initial voter registration application that has been hand delivered is the date that the application is received by a driver license office, a voter registration agency, an armed forces recruitment office, the division, or the office of any supervisor in the state.

(4) The registration date for a valid initial voter registration application that has been mailed to a driver license office, a voter registration agency, an armed forces recruitment office, the division, or the office of any supervisor in the state and bears a clear postmark is the date of that postmark. If an initial voter registration

application that has been mailed does not bear a postmark or if the postmark is unclear, the registration date is the date the application is received by any supervisor or the division, unless it is received within 5 days after the closing of the books for an election, excluding Saturdays, Sundays, and legal holidays, in which case the registration date is the book-closing date.

(5)(a) A voter registration application is complete if it contains the following information necessary to establish the applicant's eligibility pursuant to s. 97.041, including:

1. The applicant's name.
2. The applicant's legal residence address.

6. A mark in the checkbox affirming that the applicant has not been convicted of a felony or that, if convicted, has had his or her civil rights restored.

7. A mark in the checkbox affirming that the applicant has not been adjudicated mentally incapacitated with respect to voting or that, if so adjudicated, has had his or her right to vote restored.

8. If a completed voter registration application has been received by the book-closing deadline but the driver's license number, the Florida identification card number, or the last four digits of the social security number provided by the applicant cannot be verified, the applicant shall be notified that the number cannot be verified and that the applicant must provide evidence to

the supervisor sufficient to verify the authenticity of the applicant's driver's license number, Florida identification card number, or last four digits of the social security number. If the applicant provides the necessary evidence, the supervisor shall place the applicant's name on the registration rolls as an active voter. If the applicant has not provided the necessary evidence or the number has not otherwise been verified prior to the applicant presenting himself or herself to vote, the applicant shall be provided a provisional ballot. The provisional ballot shall be counted only if the number is verified by the end of the canvassing period or if the applicant presents evidence to the supervisor of elections sufficient to verify the authenticity of the applicant's driver's license number, Florida identification card number, or last four digits of the social security number no later than 5 p.m. of the second day following the election.

(7) All voter registration applications received by a voter registration official shall be entered into the statewide voter registration system within 13 days after receipt. Once entered, the application shall be immediately forwarded to the appropriate supervisor of elections.

(2) The voter registration official shall, upon accepting the voter registration application submitted pursuant to subsection (1), determine if the applicant provided the required identification at the time of registering. All such forms must contain information identifying the organization to which the forms are provided. The division shall maintain a database of all third-party voter registration

organizations and the voter registration forms assigned to the third-party voter registration organization. Each supervisor of elections shall provide to the division information on voter registration forms assigned to and received from third-party voter registration organizations. The information must be provided in a format and at times as required by the division by rule. The division must update information on third-party voter registrations daily and make the information publicly available.

(3)(a) A third-party voter registration organization that collects voter registration applications serves as a fiduciary to the applicant, ensuring that any voter registration application entrusted to the organization, irrespective of party affiliation, race, ethnicity, or gender, shall be promptly delivered to the division or the supervisor of elections within 48 hours after the applicant completes it or the next business day if the appropriate office is closed for that 48-hour period. If a voter registration application collected by any third-party voter registration organization is not promptly delivered to the division or supervisor of elections, the third-party voter registration organization is liable for the following fines:

1. A fine in the amount of \$50 for each application received by the division or the supervisor of elections more than 48 hours after the applicant delivered the completed voter registration application to the third-party voter registration organization or any person, entity, or agent acting on its behalf or the next business day, if the office is closed. A fine in the amount of \$250 for each application received if the third-party voter registration organization or person, entity, or agency acting on its behalf acted willfully.

2. A fine in the amount of \$100 for each application collected by a third-party voter registration organization or any person, entity, or agent acting on its behalf, before book closing for any given election for federal or state office and received by the division or the supervisor of elections after the book-closing deadline for such election. A fine in the amount of \$500 for each application received if the third-party registration organization or person, entity, or agency acting on its behalf acted willfully.

3. A fine in the amount of \$500 for each application collected by a third-party voter registration organization or any person, entity, or agent acting on its behalf, which is not submitted to the division or supervisor of elections. (b) A showing by the third-party voter registration organization that the failure to deliver the voter registration application within the required timeframe is based upon force majeure or impossibility of performance shall be an affirmative defense to a violation of this subsection. The secretary may waive the fines described in this subsection upon a showing that the failure to deliver the

voter registration application promptly is based upon force majeure or impossibility of performance.

(4) If the Secretary of State reasonably believes that a person has committed a violation of this section, the secretary may refer the matter to the Attorney General for enforcement. The Attorney General may institute a civil action for a violation of this section or to prevent a violation of this section. An action for relief may include a permanent or temporary injunction, a restraining order, or any other appropriate order.

(5) The division shall adopt by rule a form to elicit specific information concerning the facts and circumstances from a person who claims to have been registered to vote by a third-party voter registration organization but who does not appear as an active voter on the voter registration rolls. The division shall also adopt rules to ensure the integrity of the registration process, including rules requiring third-party voter registration organizations to account for all state and federal registration forms used by their registration agents. Such rules may require an organization to provide organization and form specific identification information on each form as determined by the department as needed to assist in the accounting of state and federal registration forms.

(6) The date on which an applicant signs a voter registration application is presumed to be the date on which the third-party voter registration organization received or collected the voter registration application.

(7) The requirements of this section are retroactive for any third-party voter registration organization registered with the department on the effective date of this act, and must be complied with within 90 days after the department provides notice to the third-party voter registration organization of the requirements contained in this section. Failure of the third-party voter registration organization to comply with the requirements within 90 days after receipt of the notice shall automatically result in the cancellation of the third-party voter registration organization's registration.

The department may adopt rules to administer this section.

(2) The statewide voter registration system must contain the name and registration information of every legally registered voter in the state. All voters shall be assigned a unique identifier. The system shall be the official list of registered voters in the state and shall provide secured access by authorized voter registration officials. The system shall enable voter registration officials to provide, access, and update voter registration information.

(3) The department may not contract with any other entity for the operation of the statewide voter registration system.

(4) The implementation of the statewide voter registration system shall not prevent any supervisor of elections from acquiring, maintaining, or using any hardware or software necessary or desirable to carry out the supervisor's responsibilities related to the use of voter registration information or the conduct of elections, provided that such hardware or software does not conflict with the operation of the statewide voter registration system.

(5) The department may adopt rules governing the access, use, and operation of the statewide voter registration system to ensure security, uniformity, and integrity of the system.

**History.**—s. 17, ch. 2005-278.

### **98.045 Administration of voter registration.—**

(1) **ELIGIBILITY OF APPLICANT.**—The supervisor must ensure that any eligible applicant for voter registration is registered to vote and that each application for voter registration is processed in accordance with law. (b) The applicant is deceased.

(c) The applicant has been convicted of a felony for which his or her civil rights have not been restored.

(d) The applicant has been adjudicated mentally incapacitated with respect to the right to vote and such right has not been restored.

(e) The applicant does not meet the age requirement pursuant to s. 97.041.

(f) The applicant is not a United States citizen.

(h) The applicant has provided an address of legal residence that is not his or her legal residence.

(i) The applicant has provided a driver's license number, Florida identification card number, or the last four digits of a social security number that is not verifiable by the department.

### **(2) REMOVAL OF REGISTERED VOTERS.—**

(a) Once a voter is registered, the name of that voter may not be removed from the statewide voter registration system except at the written request of the voter, by reason of the voter's conviction of a felony or adjudication as mentally incapacitated with respect to voting, by death of the voter, or pursuant to a registration list maintenance activity conducted pursuant to s. 98.065 or s. 98.075.

(b) Information received by a voter registration official from an election official in another state indicating that a registered voter in this state has registered to vote in that other state shall be considered as a written request from the voter to have the voter's name removed from the statewide voter registration system.

(3) **PUBLIC RECORDS ACCESS AND RETENTION.**—Each supervisor shall maintain for at least 2 years, and make available for public inspection and copying, all records concerning implementation of registration list maintenance programs and activities conducted pursuant to ss. 98.065 and 98.075. The records must include lists of the name and address of each person to whom a notice was sent and information as to whether each such person responded to the mailing, but may not include any information that is confidential or exempt from public records requirements under this code.

### **(4) STATEWIDE ELECTRONIC DATABASE OF VALID RESIDENTIAL STREET ADDRESSES.—**

(a) The department shall compile and maintain a statewide electronic database of valid residential street addresses from the information provided by the supervisors of elections pursuant to s. 98.015. The department shall evaluate the information provided by the supervisors of elections to identify any duplicate addresses and any address that may overlap county boundaries.

(b) The department shall make the statewide database of valid street addresses available to the Department of Highway Safety and Motor Vehicles as provided in s. 97.057(10). The Department of Highway Safety and Motor Vehicles shall use the database for purposes of validating the legal residential addresses provided in voter registration applications received by the Department of Highway Safety and Motor Vehicles.

(5) **FORMS.**—The department may prescribe by rule forms necessary to conduct maintenance of records in the statewide voter registration system.

**History.**—s. 26, ch. 94-224; s. 36, ch. 97-13; s. 2, ch. 2002-17; s. 7, ch. 2003-415; s. 9, ch. 2005-277; s. 18, ch. 2005-278.

### **98.065 Registration list maintenance programs.**

(1) The supervisor must conduct a general registration list maintenance program to protect the integrity of the electoral process by ensuring the maintenance of accurate and current voter registration records in the statewide voter registration system. The program must be uniform, nondiscriminatory, and in compliance with the Voting Rights Act of 1965, the National Voter Registration Act of 1993, and the Help America Vote

Act of 2002. As used in this subsection, the term “nondiscriminatory” applies to and includes persons with disabilities.

(2) A supervisor must incorporate one or more of the following procedures in the supervisor’s biennial registration list maintenance program under which:

(a) Change-of-address information supplied by the United States Postal Service through its licensees is used to identify registered voters whose addresses might have changed;

(b) Change-of-address information is identified from returned nonforwardable return-if-undeliverable mail sent to all registered voters in the county; or

(c) Change-of-address information is identified from returned nonforwardable return-if-undeliverable address confirmation requests mailed to all registered voters who have not voted in the last 2 years and who did not make a written request that their registration records be updated during that time.

(3) A registration list maintenance program must be conducted by each supervisor, at a minimum, in each odd-numbered year and must be completed not later than 90 days prior to the date of any federal election. All list maintenance actions associated with each voter must be entered, tracked, and maintained in the statewide voter registration system.

(4)(a) If the supervisor receives change-of-address information pursuant to the activities conducted in subsection (2), from jury notices signed by the voter and returned to the courts, from the Department of Highway Safety and Motor Vehicles, or from other sources which indicates that a registered voter’s legal residence might have changed to another location within the state, the supervisor must change the registration records to reflect the new address and must send the voter an address change notice as provided in s. 98.0655(2).

(b) If the supervisor of elections receives change-of-address information pursuant to the activities conducted in subsection (2), from jury notices signed by the voter and returned to the courts, or from other sources which indicates that a registered voter’s legal residence might have changed to a location outside the state, the supervisor of elections shall send an address confirmation final notice to the voter as provided in s. 98.0655(3).

(c) The supervisor must designate as inactive all voters who have been sent an address confirmation final notice and who have not returned the postage prepaid, preaddressed return form within 30 days or for which the final notice has been returned as undeliverable. Names on the inactive list may not be used to calculate the number of signatures needed on any petition. A voter on the inactive list may be restored to the active list of voters upon the voter updating his or her registration, requesting an absentee ballot, or appearing to vote. However, if the voter does not update his or her voter registration information, request an absentee ballot, or vote by the second general election after being placed on the inactive list, the voter’s name shall be removed from the statewide voter registration system and the voter shall be required to reregister to have his or her name restored to the statewide voter registration system.

(5) A notice may not be issued pursuant to this section and a voter’s name may not be removed from the statewide voter registration system later than 90 days prior to the date of a federal election. However, this section does not preclude the removal of the name of a voter from the statewide voter registration system at any time upon the voter’s written request, by reason of the voter’s death, or upon a determination of the voter’s ineligibility as provided in s. 98.075(7).

(6)(a) No later than July 31 and January 31 of each year, the supervisor must certify to the department the list maintenance activities conducted during the first 6 months and the second 6 months of the year, respectively, including the number of address confirmation requests sent, the number of voters designated as inactive, and the number of voters removed from the statewide voter registration system.

(b) If, based on the certification provided pursuant to paragraph (a), the department determines that a supervisor has not conducted the list maintenance activities required by this section, the department shall conduct the appropriate list maintenance activities for that county. Failure to conduct list maintenance activities as required in this section constitutes a violation of s. 104.051.

**History.**—s. 28, ch. 94-224; s. 6, ch. 2002-281; s. 19, ch. 2005-278; s. 6, ch. 2008-95.

The department shall prescribe registration list maintenance forms to be used by the supervisors which must include:

(1) An address confirmation request that must contain:

(a) The voter’s name and address of legal residence as shown on the voter registration record; and

(b) A request that the voter notify the supervisor if either the voter’s name or address of legal residence is incorrect.

(2) An address change notice that must be sent to the newly recorded address of legal residence by forwardable mail, including a postage prepaid, preaddressed return form with which the voter may verify or correct the voter’s new address information.

(3) An address confirmation final notice that must be sent to the newly recorded address of legal residence by forwardable mail and must contain a postage prepaid, preaddressed return form and a statement that:

(a) If the voter has not changed his or her legal residence or has changed his or her legal residence within the state, the voter should return the form within 30 days after the date on which the notice was sent to the voter.

(b) If the voter has changed his or her legal residence to a location outside the state:

1. The voter shall return the form, which serves as a request to be removed from the registration books; and

2. The voter shall be provided with information on how to register in the new jurisdiction in order to be eligible to vote.

(c) If the return form is not returned, the voter’s name shall be designated as inactive in the statewide voter registration system.

List maintenance activities must be uniform, nondiscriminatory, and in compliance with the Voting Rights Act of 1965, the National Voter Registration Act of 1993, and the Help America Vote Act of 2002. The department may adopt by rule uniform standards and procedures to interpret and administer this section.

(2) **DUPLICATE REGISTRATION.**—The department shall identify those voters who are registered more than once or those applicants whose registration applications would result in duplicate registrations. The most recent application shall be deemed an update to the voter registration record.

**(3) DECEASED PERSONS.—**

(a)1. The department shall identify those registered voters who are deceased by comparing information received from either:

a. The Department of Health as provided in s. 98.093; or

b. The United States Social Security Administration, including, but not limited to, any master death file or index compiled by the United States Social Security Administration.

2. Within 7 days after receipt of such information through the statewide voter registration system, the supervisor shall remove the name of the registered voter.

(b) The supervisor shall remove the name of a deceased registered voter from the statewide voter registration system upon receipt of a copy of a death certificate issued by a governmental agency authorized to issue death certificates.

**(4) ADJUDICATION OF MENTAL INCAPACITY.—**

The department shall identify those registered voters who have been adjudicated mentally incapacitated with respect to voting and who have not had their voting rights restored by comparing information received from the clerk of the circuit court as provided in s. 98.093. The department shall review such information and make an initial determination as to whether the information is credible and reliable. If the department determines that the information is credible and reliable, the department shall notify the supervisor and provide a copy of the supporting documentation indicating the potential ineligibility of the voter to be registered. Upon receipt of the notice that the department has made a determination of initial credibility and reliability, the supervisor shall adhere to the procedures set forth in subsection (7) prior to the removal of a registered voter from the statewide voter registration system.

(5) **FELONY CONVICTION.**—The department shall identify those registered voters who have been convicted of a felony and whose rights have not been restored by comparing information received from, but not limited to, a clerk of the circuit court, the Board of Executive Clemency, the Department of Corrections, the Department of Law Enforcement, or a United States Attorney's Office, as provided in s. 98.093. The

department shall review such information and make an initial determination as to whether the information is credible and reliable. If the department determines that the information is credible and reliable, the department shall notify the supervisor and provide a copy of the supporting documentation indicating the potential ineligibility of the voter to be registered. Upon receipt of the notice that the department has made a determination of initial credibility and reliability, the supervisor shall adhere to the procedures set forth in subsection (7) prior to the removal of a registered voter's name from the statewide voter registration system.

(6) **OTHER BASES FOR INELIGIBILITY.**—If the department or supervisor receives information from sources other than those identified in subsections (2)-(5) that a registered voter is ineligible because he or she is deceased, adjudicated a convicted felon without having had his or her civil rights restored, adjudicated mentally incapacitated without having had his or her voting rights restored, does not meet the age requirement pursuant to s. 97.041, is not a United States citizen, is a fictitious person, or has listed a residence that is not his or her legal residence, the supervisor must adhere to the procedures set forth in subsection (7) prior to the removal of a registered voter's name from the statewide voter registration system.

**(7) PROCEDURES FOR REMOVAL.—**

(a) If the supervisor receives notice or information pursuant to subsections (4)-(6), the supervisor of the county in which the voter is registered shall:

1. Notify the registered voter of his or her potential ineligibility by mail within 7 days after receipt of notice or information. The notice shall include:

a. A statement of the basis for the registered voter's potential ineligibility and a copy of any documentation upon which the potential ineligibility is based.

b. A statement that failure to respond within 30 days after receipt of the notice may result in a determination of ineligibility and in removal of the registered voter's name from the statewide voter registration system.

c. A return form that requires the registered voter to admit or deny the accuracy of the information underlying the potential ineligibility for purposes of a final determination by the supervisor.

d. A statement that, if the voter is denying the accuracy of the information underlying the potential ineligibility, the voter has a right to request a hearing for the purpose of determining eligibility.

e. Instructions for the registered voter to contact the supervisor of elections of the county in which the voter is registered if assistance is needed in resolving the matter.

f. Instructions for seeking restoration of civil rights following a felony conviction, if applicable.

2. If the mailed notice is returned as undeliverable, the supervisor shall publish notice once in a newspaper of general circulation in the county in which the voter was last registered. The notice shall contain the following:

a. The voter's name and address.

b. A statement that the voter is potentially ineligible to be registered to vote.

c. A statement that failure to respond within 30 days after the notice is published may result in a determination of ineligibility by the supervisor and removal of the registered voter's name from the statewide voter registration system.

d. An instruction for the voter to contact the supervisor no later than 30 days after the date of the published notice to receive information regarding the basis for the potential ineligibility and the procedure to resolve the matter.

e. An instruction to the voter that, if further assistance is needed, the voter should contact the supervisor of elections of the county in which the voter is registered.

3. If a registered voter fails to respond to a notice pursuant to subparagraph 1. or subparagraph 2., the supervisor shall make a final determination of the voter's eligibility. If the supervisor determines that the voter is ineligible, the supervisor shall remove the name of the registered voter from the statewide voter registration system. The supervisor shall notify the registered voter of the supervisor's determination and action.

4. If a registered voter responds to the notice pursuant to subparagraph 1. or subparagraph 2. and admits the accuracy of the information underlying the potential ineligibility, the supervisor shall make a final determination of ineligibility and shall remove the voter's name from the statewide voter registration system. The supervisor shall notify the registered voter of the supervisor's determination and action.

5. If a registered voter responds to the notice issued pursuant to subparagraph 1. or subparagraph 2. and denies the accuracy of the information underlying the potential ineligibility but does not request a hearing, the supervisor shall review the evidence and make a final determination of eligibility. If such registered voter requests a hearing, the supervisor shall send notice to the registered voter to attend a hearing at a time and place specified in the notice. Upon hearing all evidence presented at the hearing, the supervisor shall make a determination of eligibility. If the supervisor determines that the registered voter is ineligible, the supervisor shall remove the voter's name from the statewide voter registration system and notify the registered voter of the supervisor's determination and action.

(b) The following shall apply to this subsection:

1. All determinations of eligibility shall be based on a preponderance of the evidence.

2. All proceedings are exempt from the provisions of chapter 120.

3. Any notice shall be sent to the registered voter by certified mail, return receipt requested, or other means that provides a verification of receipt or shall be published in a newspaper of general circulation where the voter was last registered, whichever is applicable.

4. The supervisor shall remove the name of any registered voter from the statewide voter registration system only after the supervisor makes a final determination that the voter is ineligible to vote.

5. Any voter whose name has been removed from the statewide voter registration system pursuant to a determination of ineligibility may appeal that determination under the provisions of s. 98.0755.

6. Any voter whose name was removed from the statewide voter registration system on the basis of a determination of ineligibility who subsequently becomes eligible to vote must reregister in order to have his or her name restored to the statewide voter registration system.

(8) CERTIFICATION.—

(a) No later than July 31 and January 31 of each year, the supervisor shall certify to the department the activities conducted pursuant to this section during the first 6 months and the second 6 months of the year, respectively. The certification shall include the number of persons to whom notices were sent pursuant to subsection (7), the number of persons who responded to the notices, the number of notices returned as undeliverable, the number of notices published in the newspaper, the number of hearings conducted, and the number of persons removed from the statewide voter registration systems and the reasons for such removals.

(b) If, based on the certification provided pursuant to paragraph (a), the department determines that a supervisor has not satisfied the requirements of this section, the department shall satisfy the appropriate requirements for that county. #### **98.0755 Appeal of determination of ineligibility.**

Appeal of the supervisor's determination of ineligibility pursuant to s. 98.075(7) may be taken to the circuit court in and for the county where the person was registered. Notice of appeal must be filed within the time and in the manner provided by the Florida Rules of Appellate Procedure and acts as supersedeas. Trial in the circuit court is de novo and governed by the rules of that court. Unless the person can show that his or her name was erroneously or illegally removed from the statewide voter registration system, or that he or she is indigent, the person must bear the costs of the trial in the circuit court. Otherwise, the cost of the appeal must be paid by the supervisor of elections.

*History.*—s. 21, ch. 2005-278.

(3) At least once during each general election year, the supervisor shall publish in a newspaper of general circulation or other newspaper in the county deemed appropriate by the supervisor a notice specifying when, where, or how a voter can update his or her signature

that is on file and how a voter can obtain a voter registration application from a voter registration official.

As alternatives, registrations removed from the statewide voter registration system may be microfilmed and such microfilms substituted for the original registration applications; or, when voter registration information, including the voter's signature, is maintained digitally or on electronic, magnetic, or optic media, such stored information may be substituted for the original registration application. Such microfilms or stored information shall be retained by the supervisor of elections having custody. In the event the original registration applications are microfilmed or maintained digitally or on electronic or other media, such originals may be destroyed in accordance with the schedule approved by the Bureau of Archives and Records Management of the Division of Library and Information Services of the department.

(1) No later than 5 p.m. of the 9th day following the primary election, each candidate for Governor shall designate a Lieutenant Governor as a running mate. Such designation must be made in writing to the Department of State.

(2) No later than 5 p.m. of the 9th day following the primary election, each designated candidate for Lieutenant Governor shall file with the Department of State:

(a) The candidate's oath required by s. 99.021, which must contain the name of the candidate as it is to appear on the ballot; the office sought; and the signature of the candidate, which must be verified under oath or affirmation pursuant to s. 92.525(1)(a).

(c) The full and public disclosure of financial interests pursuant to s. 8, Art. II of the State Constitution. A public officer who has filed the full and public disclosure with the Commission on Ethics prior to qualifying for office may file a copy of that disclosure at the time of qualifying.

(3) A designated candidate for Lieutenant Governor is not required to pay a separate qualifying fee or obtain signatures on petitions. Ballot position obtained by the candidate for Governor entitles the designated candidate for Lieutenant Governor, upon receipt by the

Department of State of the qualifying papers required by subsection (2), to have his or her name placed on the ballot for the joint candidacy.

(4) In order to have the name of the candidate for Lieutenant Governor printed on the primary election ballot, a candidate for Governor participating in the primary must designate the candidate for Lieutenant Governor, and the designated candidate must qualify no later than the end of the qualifying period specified in s. 99.061. If the candidate for Lieutenant Governor has not been designated and has not qualified by the end of the qualifying period specified in s. 99.061, the phrase "Not Yet Designated" must be included in lieu of the candidate's name on the primary election ballot.

(5) Failure of the Lieutenant Governor candidate to be designated and qualified by the time specified in subsection (2) shall result in forfeiture of ballot position for the candidate for Governor for the general election.

The amount of the filing fee is 3 percent of the annual salary of the office. The amount of the election assessment is 1 percent of the annual salary of the office sought. The election assessment shall be transferred to the Elections Commission Trust Fund. The amount of the party assessment is 2 percent of the annual salary. The annual salary of the office for purposes of computing the filing fee, election assessment, and party assessment

shall be computed by multiplying 12 times the monthly salary, excluding any special qualification pay, authorized for such office as of July 1 immediately preceding the first day of qualifying. No qualifying fee shall be returned to the candidate unless the candidate withdraws his or her candidacy before the last date to qualify. If a candidate dies prior to an election and has not withdrawn his or her candidacy before the last date to qualify, the candidate's qualifying fee shall be returned to his or her designated beneficiary, and, if the filing fee or any portion thereof has been transferred to the political party of the candidate, the Secretary of State shall direct the party to return that portion to the designated beneficiary of the candidate.

### **99.095 Petition process in lieu of a qualifying fee and party assessment.—**

(1) A person who seeks to qualify as a candidate for any office and who meets the petition requirements of this section is not required to pay the qualifying fee or party assessment required by this chapter.

(2)(a) Except as provided in paragraph (b), a candidate must obtain the number of signatures of voters in the geographical area represented by the office sought equal to at least 1 percent of the total number of registered voters of that geographical area, as shown by the compilation by the department for the immediately preceding general election. Signatures may not be obtained until the candidate has filed the appointment of campaign treasurer and designation of campaign depository pursuant to s. 106.021 and are valid only for the qualifying period immediately following such filings.

(b) A candidate for a special district office shall obtain 25 signatures of voters in the geographical area represented by the office sought.

(c) The format of the petition shall be prescribed by the division and shall be used by candidates to reproduce petitions for circulation. If the candidate is running for an office that requires a group or district designation, the petition must indicate that designation and, if it does not, the signatures are not valid. A separate petition is required for each candidate.

(d) In a year of apportionment, any candidate for county or district office seeking ballot position by the petition process may obtain the required number of signatures from any registered voter in the respective county, regardless of district boundaries. The candidate shall obtain at least the number of signatures equal to 1 percent of the total number of registered voters, as shown by a compilation by the department for the immediately preceding general election, divided by the total number of districts of the office involved.

(3) Each petition must be submitted before noon of the 28th day preceding the first day of the qualifying period for the office sought to the supervisor of elections of the county in which such petition was circulated. Each supervisor shall check the signatures on the petitions to verify their status as voters in the county, district, or other geographical area represented by the office sought. No later than the 7th day before the first day of the qualifying period, the supervisor shall certify the number of valid signatures.

(4)(a) Certifications for candidates for federal, state, multicounty district, or multicounty special district office shall be submitted to the division no later than the 7th day before the first day of the qualifying period for the office sought. The division shall determine whether the required number of signatures has been obtained and shall notify the candidate.

(b) For candidates for county, district, or special district office not covered by paragraph (a), the supervisor shall determine whether the required number of signatures has been obtained and shall notify the candidate.

(5) If the required number of signatures has been obtained, the candidate is eligible to qualify pursuant to s. 99.061.

### **99.0955 Candidates with no party affiliation; name on general election ballot.—**

(1) Each person seeking to qualify for election as a candidate with no party affiliation shall file his or her qualifying papers and pay the qualifying fee or qualify by the petition process pursuant to s. 99.095 with the officer and during the times and under the circumstances prescribed in s. 99.061. Upon qualifying, the candidate is entitled to have his or her name placed on the general election ballot.

(2) The qualifying fee for candidates with no party affiliation shall consist of a filing fee and an election assessment as prescribed in s. 99.092. Filing fees paid to the Department of State shall be deposited into the

General Revenue Fund of the state. Filing fees paid to the supervisor of elections shall be deposited into the general revenue fund of the county.

**Note.**—Former s. 99.152.

**99.096 Minor political party candidates; names on ballot.**—Each person seeking to qualify for election as a candidate of a minor political party shall file his or her qualifying papers with, and pay the qualifying fee and, if one has been levied, the party assessment, or qualify by the petition process pursuant to s. 99.095, with the officer and at the times and under the circumstances provided in s. 99.061.

**History.**—s. 5, ch. 70-269; s. 1, ch. 70-439; s. 4, ch. 74-119; s. 8, ch. 77-175; s. 3, ch. 78-188; s. 12, ch. 89-338; s. 1, ch. 90-229; s. 11, ch. 90-315; s. 541, ch. 95-147; s. 3, ch. 99-318; s. 16, ch. 2005-277; s. 18, ch. 2007-30.

**Note.**—Former s. 101.261.

**99.09651 Signature requirements for ballot position in year of apportionment.**—

(1) In a year of apportionment, any candidate for representative to Congress, state Senate, or state House of Representatives seeking ballot position by the petition process prescribed in s. 99.095 shall obtain at least the number of signatures equal to one-third of 1 percent of the ideal population for the district of the office being sought.

(2) For the purposes of this section, “ideal population” means the total population of the state based upon the most recent decennial census divided by the number of districts for representative to Congress, state Senate, or state House of Representatives. For the purposes of this section, ideal population shall be calculated as of July 1 of the year prior to apportionment. The ideal population for a state Senate district and a state representative district shall be calculated by dividing the total population of the state by 40 for a state Senate district and by dividing by 120 for a state representative district.

(3) Signatures may be obtained from any registered voter in Florida regardless of party affiliation or district boundaries.

(4) Petitions shall state the name of the office the candidate is seeking, but shall not include a district number.

(5) Except as otherwise provided in this section, all requirements and procedures relating to the petition process shall conform to the requirements and procedures in nonapportionment years.

**History.**—s. 3, ch. 91-107; s. 4, ch. 99-318; s. 17, ch. 2005-277.

**99.097 Verification of signatures on petitions.**

(1)(a) As determined by each supervisor, based upon local conditions, the checking of names on petitions may be based on the most inexpensive and administratively feasible of either of the following methods of verification:

1. A check of each petition; or
2. A check of a random sample, as provided by the Department of State, of the petitions. The sample must be such that a determination can be made as to whether or not the required number of signatures has been obtained with a reliability of at least 99.5 percent.

(b) Rules and guidelines for petition verification shall be adopted by the Department of State. Rules and guidelines for a random sample method of verification may include a requirement that petitions bear an additional number of names and signatures, not to exceed 15 percent of the names and signatures otherwise required. If the petitions do not meet such criteria or if the petitions are prescribed by s. 100.371, the use of the random sample method of verification is not available to supervisors.

(2) When a petitioner submits petitions which contain at least 15 percent more than the required number of signatures, the petitioner may require that the supervisor of elections use the random sampling verification method in certifying the petition.

(3)(a) If all other requirements for the petition are met, a signature on a petition shall be verified and counted as valid for a registered voter if, after comparing the signature on the petition and the signature of the registered voter in the voter registration system, the supervisor is able to determine that the petition signer is the same as the registered voter, even if the name on the petition is not in substantially the same form as in the voter registration system.

(b) In any situation in which this code requires the form of the petition to be prescribed by the division, no signature shall be counted toward the number of signatures required unless it is on a petition form prescribed by the division.

(c) If a voter signs a petition and lists an address other than the legal residence where the voter is registered, the supervisor shall treat the signature as if the voter had listed the address where the voter is registered.

(4) The supervisor shall be paid in advance the sum of 10 cents for each signature checked or the actual cost of checking such signature, whichever is less, by the candidate or, in the case of a petition to have an issue placed on the ballot, by the person or organization submitting the petition. However, if a candidate, person, or organization seeking to have an issue placed upon the ballot cannot pay such charges without imposing an undue burden on personal resources or upon the resources otherwise available to such candidate, person, or organization, such candidate, person, or organization shall, upon written certification of such inability given under oath to the supervisor, be entitled to have the signatures verified at no charge. In the event a candidate, person, or organization submitting a petition to have an issue placed upon the ballot is entitled to have the signatures verified at no charge, the supervisor of elections of each county in which the signatures are verified at no charge shall submit the total number of such signatures checked in the county to the Chief Financial Officer no later than December 1 of the general election year, and the Chief Financial Officer shall cause such supervisor of elections to be reimbursed from the General Revenue Fund in an amount equal to 10 cents for each name checked or the actual cost of checking such signatures, whichever is less. In no event shall such reimbursement of costs be deemed or applied as extra compensation for the supervisor. Petitions shall be retained by the supervisors for a

period of 1 year following the election for which the petitions were circulated.

(5) The results of a verification pursuant to subparagraph (1)(a)2. may be contested in the circuit court by the candidate; an announced opponent; a representative of a designated political committee; or a person, party, or other organization submitting the petition. The contestant shall file a complaint, together with the fees prescribed in chapter 28, with the clerk of the circuit court in the county in which the petition is certified or in Leon County if the petition covers more than one county within 10 days after midnight of the date the petition is certified; and the complaint shall set forth the grounds on which the contestant intends to establish his or her right to require a complete check of the petition pursuant to subparagraph (1)(a)1. In the event the court orders a complete check of the petition and the result is not changed as to the success or lack of success of the petitioner in obtaining the requisite number of valid signatures, then such candidate, unless the candidate has filed the oath stating that he or she is unable to pay such charges; announced opponent; representative of a designated political committee; or party, person, or organization submitting the petition, unless such person or organization has filed the oath stating inability to pay such charges, shall pay to the supervisor of elections of each affected county for the complete check an amount calculated at the rate of 10 cents for each additional signature checked or the actual cost of checking such additional signatures, whichever is less.

(6)(a) If any person is paid to solicit signatures on a petition, an undue burden oath may not subsequently be filed in lieu of paying the fee to have signatures verified for that petition.

(b) If an undue burden oath has been filed and payment is subsequently made to any person to solicit signatures on a petition, the undue burden oath is no longer valid and a fee for all signatures previously submitted to the supervisor of elections and any that are submitted thereafter shall be paid by the candidate, person, or organization that submitted the undue burden oath. If contributions as defined in s. 106.011 are received, any monetary contributions must first be used to reimburse the supervisor of elections for any signature verification fees that were not paid because of the filing of an undue burden oath.

**99.103 Department of State to remit part of filing fees and party assessments of candidates to state executive committee.—**

(1) If more than three-fourths of the full authorized membership of the state executive committee of any party was elected at the last previous election for such members and if such party is declared by the Department of State to have recorded on the registration books of the counties, as of the first Tuesday after the first Monday in January prior to the primary election in general election years, 5 percent of the total registration of such counties when added together, such committee shall receive, for the purpose of meeting its expenses, all filing fees collected by the Department of State from its candidates less an amount equal to 15 percent of the filing fees, which amount the Department of State shall deposit in the General Revenue Fund of the state.

(2) Not later than 20 days after the close of qualifying in even-numbered years, the Department of State shall remit 95 percent of all filing fees, less the amount deposited in general revenue pursuant to subsection (1), or party assessments that may have been collected by the department to the respective state executive committees of the parties complying with subsection (1). Party assessments collected by the Department of State shall be remitted to the appropriate state executive committee, irrespective of other requirements of this section, provided such committee is duly organized under the provisions of chapter 103. The remainder of filing fees or party assessments collected by the Department of State shall be remitted to the appropriate state executive committees not later than the date of the primary election.

**99.121 Department of State to certify nominations to supervisors of elections.—**The Department of State shall certify to the supervisor of elections of each county affected by a candidacy for office the names of persons nominated to such office. The names of such persons shall be printed by the supervisor of elections upon the ballot in their proper place as provided by law.

**History.**—s. 2, ch. 74-120; s. 12, ch. 77-175.

**100.111 Filling vacancy.**—

(1)(a) If any vacancy occurs in any office which is required to be filled pursuant to s. 1(f), Art. IV of the State Constitution and the remainder of the term of such office is 28 months or longer, then at the next general election a person shall be elected to fill the unexpired portion of such term, commencing on the first Tuesday after the first Monday following such general election.

(b) If such a vacancy occurs prior to the first day set by law for qualifying for election to office at such general election, any person seeking nomination or election to the unexpired portion of the term shall qualify within the time prescribed by law for qualifying for other offices to be filled by election at such general election.

(c) If such a vacancy occurs prior to the primary election but on or after the first day set by law for qualifying, the Secretary of State shall set dates for qualifying for the unexpired portion of the term of such office. Any person seeking nomination or election to the unexpired portion of the term shall qualify within the time set by the Secretary of State. If time does not permit party nominations to be made in conjunction with the primary election, the Governor may call a special primary election to select party nominees for the unexpired portion of such term.

(2) Whenever there is a vacancy for which a special election is required pursuant to s. 100.101, the

Governor, after consultation with the Secretary of State, shall fix the dates of a special primary election and a special election. Nominees of political parties shall be chosen under the primary laws of this state in the special primary election to become candidates in the special election. Prior to setting the special election dates, the Governor shall consider any upcoming elections in the jurisdiction where the special election will be held. The dates fixed by the Governor shall be specific days certain and shall not be established by the happening of a condition or stated in the alternative. The dates fixed shall provide a minimum of 2 weeks between each election. In the event a vacancy occurs in the office of state senator or member of the House of Representatives when the Legislature is in regular legislative session, the minimum times prescribed by this subsection may be waived upon concurrence of the Governor, the Speaker of the House of Representatives, and the President of the Senate. If a vacancy occurs in the office of state senator and no session of the Legislature is scheduled to be held prior to the next general election, the Governor may fix the dates for the special primary election and for the special election to coincide with the dates of the primary election and general election. If a vacancy in office occurs in any district in the state Senate or House of Representatives or in any congressional district, and no session of the Legislature, or session of Congress if the vacancy is in a congressional district, is scheduled to be held during the unexpired portion of the term, the Governor is not required to call a special election to fill such vacancy.

(a) The dates for candidates to qualify in such special election or special primary election shall be fixed by the Department of State, and candidates shall qualify not later than noon of the last day so fixed. The dates fixed for qualifying shall allow a minimum of 14 days between the last day of qualifying and the special primary election.

(b) The filing of campaign expense statements by candidates in such special elections or special primaries and by committees making contributions or expenditures to influence the results of such special primaries or special elections shall be not later than such dates as shall be fixed by the Department of State, and in fixing such dates the Department of State shall take into consideration and be governed by the practical time limitations.

(c) The dates for a candidate to qualify by the petition process pursuant to s. 99.095 in such special primary or special election shall be fixed by the Department of State. In fixing such dates the Department of State shall take into consideration and be governed by the practical time limitations. Any candidate seeking to qualify by the petition process in a special primary election shall obtain 25 percent of the signatures required by s. 99.095.

(d) The qualifying fees and party assessments of such candidates as may qualify shall be the same as collected for the same office at the last previous primary for that office. The party assessment shall be paid to the appropriate executive committee of the political party to which the candidate belongs.

(e) Each county canvassing board shall make as speedy a return of the result of such special primary

elections and special elections as time will permit, and the Elections Canvassing Commission likewise shall make as speedy a canvass and declaration of the nominees as time will permit.

(3)(a) In the event that death, resignation, withdrawal, or removal should cause a party to have a vacancy in nomination which leaves no candidate for an office from such party, the filing officer before whom the candidate qualified shall notify the chair of the state and county political party executive committee of such party and:

1. If the vacancy in nomination is for a statewide office, the state party chair shall, within 5 days, call a meeting of his or her executive board to consider designation of a nominee to fill the vacancy.

2. If the vacancy in nomination is for the office of United States Representative, state senator, state representative, state attorney, or public defender, the state party chair shall notify the appropriate county chair or chairs and, within 5 days, the appropriate county chair or chairs shall call a meeting of the members of the executive committee in the affected county or counties to consider designation of a nominee to fill the vacancy.

3. If the vacancy in nomination is for a county office, the state party chair shall notify the appropriate county chair and, within 5 days, the appropriate county chair shall call a meeting of his or her executive committee to consider designation of a nominee to fill the vacancy.

The name of any person so designated shall be submitted to the filing officer before whom the candidate qualified within 7 days after notice to the chair in order that the person designated may have his or her name on the ballot of the ensuing general election. If the name of the new nominee is submitted after the certification of results of the preceding primary election, however, the ballots shall not be changed and the former party nominee's name will appear on the ballot. Any ballots cast for the former party nominee will be counted for the person designated by the political party to replace the former party nominee. If there is no opposition to the party nominee, the person designated by the political party to replace the former party nominee will be elected to office at the general election.

(b) When, under the circumstances set forth in the preceding paragraph, vacancies in nomination are required to be filled by committee nominations, such vacancies shall be filled by party rule. In any instance in which a nominee is selected by a committee to fill a vacancy in nomination, such nominee shall pay the same filing fee and take the same oath as the nominee would have taken had he or she regularly qualified for election to such office.

(c) Any person who, at the close of qualifying as prescribed in ss. 99.061 and 105.031, was qualified for nomination or election to or retention in a public office to be filled at the ensuing general election or who attempted to qualify and failed to qualify is prohibited from qualifying as a candidate to fill a vacancy in nomination for any other office to be filled at that general election, even if such person has withdrawn or been eliminated as a candidate for the original office sought. However, this paragraph does not apply to a candidate

for the office of Lieutenant Governor who applies to fill a vacancy in nomination for the office of Governor on the same ticket or to a person who has withdrawn or been eliminated as a candidate and who is subsequently designated as a candidate for Lieutenant Governor under s. 99.063.

(4) A vacancy in nomination is not created if an order of a court that has become final determines that a nominee did not properly qualify or did not meet the necessary qualifications to hold the office for which he or she sought to qualify.

(5) In the event of unforeseeable circumstances not contemplated in these general election laws concerning the calling and holding of special primary elections and special elections resulting from court order or other unpredictable circumstances, the Department of State shall have the authority to provide for the conduct of orderly elections.

(2) The governing body of a municipality may, by ordinance, change the dates for qualifying and for the election of members of the governing body of the municipality and provide for the orderly transition of office resulting from such date changes.

**History.**—s. 2, ch. 95-178.

**100.361 Municipal recall.**—

(1) **APPLICATION; DEFINITION.**—Any member of the governing body of a municipality or charter county, hereinafter referred to in this section as “municipality,” may be removed from office by the electors of the municipality. When the official represents a district and is elected only by electors residing in that district, only electors from that district are eligible to sign the petition to recall that official and are entitled to vote in the recall election. When the official represents a district and is elected at-large by the electors of the municipality, all electors of the municipality are eligible to sign the petition to recall that official and are entitled to vote in the recall election. Where used in this section, the term “district” shall be construed to mean the area or region of a municipality from which a member of the governing

body is elected by the electors from such area or region. Members may be removed from office pursuant to the procedures provided in this section. This method of removing members of the governing body of a municipality is in addition to any other method provided by state law.

(2) **RECALL PETITION.**—

(a) *Petition content.*—A petition shall contain the name of the person sought to be recalled and a statement of grounds for recall. The statement of grounds may not exceed 200 words, and the stated grounds are limited solely to those specified in paragraph (d). If more than one member of the governing body is sought to be recalled, whether such member is elected by the electors of a district or by the electors of the municipality at-large, a separate recall petition shall be prepared for each member sought to be recalled. Upon request, the content of a petition should be, but is not required to be, provided by the proponent in alternative formats.

(b) *Requisite signatures.*—

1. In a municipality or district of fewer than 500 electors, the petition shall be signed by at least 50 electors or by 10 percent of the total number of registered electors of the municipality or district as of the preceding municipal election, whichever is greater.

2. In a municipality or district of 500 or more but fewer than 2,000 registered electors, the petition shall be signed by at least 100 electors or by 10 percent of the total number of registered electors of the municipality or district as of the preceding municipal election, whichever is greater.

3. In a municipality or district of 2,000 or more but fewer than 5,000 registered electors, the petition shall be signed by at least 250 electors or by 10 percent of the total number of registered electors of the municipality or district as of the preceding municipal election, whichever is greater.

4. In a municipality or district of 5,000 or more but fewer than 10,000 registered electors, the petition shall be signed by at least 500 electors or by 10 percent of the total number of registered electors of the municipality or district as of the preceding municipal election, whichever is greater.

5. In a municipality or district of 10,000 or more but fewer than 25,000 registered electors, the petition shall be signed by at least 1,000 electors or by 10 percent of the total number of registered electors of the municipality or district as of the preceding municipal election, whichever is greater.

6. In a municipality or district of 25,000 or more registered electors, the petition shall be signed by at least 1,000 electors or by 5 percent of the total number of registered electors of the municipality or district as of the preceding municipal election, whichever is greater.

All signatures shall be obtained, as provided in paragraph (e), within a period of 30 days, and all signed and dated petition forms shall be filed at the same time, no later than 30 days after the date on which the first signature is obtained on the petition.

(c) *Recall committee.*—Electors of the municipality or district making charges contained in the statement of

grounds for recall, as well as those signing the recall petition, shall be designated as the recall committee. A specific person shall be designated in the petition as chair of the committee, and this person shall act for the committee. The recall committee and the officer being recalled are subject to the provisions of chapter 106.

(d) *Grounds for recall.*—The grounds for removal of elected municipal officials shall, for the purposes of this act, be limited to the following and must be contained in the petition:

1. Malfeasance;
2. Misfeasance;
3. Neglect of duty;
4. Drunkenness;
5. Incompetence;
6. Permanent inability to perform official duties; and
7. Conviction of a felony involving moral turpitude.

(e) *Signature process.*—Only electors of the municipality or district are eligible to sign the petition. Each elector signing a petition shall sign and date his or her name in ink or indelible pencil. Each petition shall contain appropriate lines for each elector's original signature, printed name, street address, city, county, voter registration number or date of birth, and date signed. The form shall also contain lines for an oath, to be executed by a witness who is to verify the fact that the witness saw each person sign the counterpart of the petition, that each signature appearing thereon is the genuine signature of the person it purports to be, and that the petition was signed in the presence of the witness on the date indicated.

(f) *Filing of signed petitions.*—All signed petition forms shall be filed at the same time, no later than 30 days after the date on which the first signature is obtained on the petition. The person designated as chair of the committee shall file the signed petition forms with the auditor or clerk of the municipality or charter county, or his or her equivalent, hereinafter referred to as "clerk." The petition may not be amended after it is filed with the clerk.

(g) *Verification of signatures.*—

1. Immediately after the filing of the petition forms, the clerk shall submit such forms to the county supervisor of elections. No more than 30 days after the date on which all petition forms are submitted to the supervisor by the clerk, the supervisor shall promptly verify the signatures in accordance with s. 99.097, and determine whether the requisite number of valid signatures has been obtained for the petition. The committee seeking verification of the signatures shall pay in advance to the supervisor the sum of 10 cents for each signature checked or the actual cost of checking such signatures, whichever is less.

2. Upon filing with the clerk, the petition and all subsequent papers or forms required or permitted to be filed with the clerk in connection with this section must, upon request, be made available in alternative formats by the clerk.

3. If the supervisor determines that the petition does not contain the requisite number of verified and valid signatures, the clerk shall, upon receipt of such written determination, so certify to the governing body of the municipality or charter county and file the petition

without taking further action, and the matter shall be at an end. No additional names may be added to the petition, and the petition shall not be used in any other proceeding.

4. If the supervisor determines that the petition has the requisite number of verified and valid signatures, then the procedures outlined in subsection (3) must be followed.

(3) **RECALL PETITION AND DEFENSE.**—

(a) *Notice.*—Upon receipt of a written determination that the requisite number of signatures has been obtained, the clerk shall at once serve upon the person sought to be recalled a certified copy of the petition. Within 5 days after service, the person sought to be recalled may file with the clerk a defensive statement of not more than 200 words.

(b) *Content and preparation.*—Within 5 days after the date of receipt of the defensive statement or after the last date a defensive statement could have been filed, the clerk shall prepare a document entitled "Recall Petition and Defense." The "Recall Petition and Defense" shall consist of the recall petition, including copies of the originally signed petitions and counterparts. The "Recall Petition and Defense" must contain lines which conform to the provisions of paragraph (2)(e), and the defensive statement or, if no defensive statement has been filed, a statement to that effect. The clerk shall make copies of the "Recall Petition and Defense" which are sufficient to carry the signatures of 30 percent of the registered electors. Immediately after preparing and making sufficient copies of the "Recall Petition and Defense," the clerk shall deliver the copies to the person designated as chair of the committee and take his or her receipt therefor.

(c) *Requisite signatures.*—Upon receipt of the "Recall Petition and Defense," the committee may circulate them to obtain the signatures of 15 percent of the electors. All signatures shall be obtained and all signed petition forms filed with the clerk no later than 60 days after delivery of the "Recall Petition and Defense" to the chair of the committee.

(d) *Signed petitions; request for striking name.*—The clerk shall assemble all signed petitions, check to see that each petition is properly verified by the oath of a witness, and submit such petitions to the county supervisor of elections. Any elector who signs a recall petition has the right to demand in writing that his or her name be stricken from the petition. A written demand signed by the elector shall be filed with the clerk, and, upon receipt of the demand, the clerk shall strike the name of the elector from the petition and place his or her initials to the side of the signature stricken. However, a signature may not be stricken after the clerk has delivered the "Recall Petition and Defense" to the supervisor for verification of the signatures.

(e) *Verification of signatures.*—Within 30 days after receipt of the signed "Recall Petition and Defense," the supervisor shall determine the number of valid signatures, purge the names withdrawn, and certify whether 15 percent of the qualified electors of the municipality have signed the petitions. The supervisor shall be paid by the persons or committee seeking verification the sum of 10 cents for each name checked.

(f) *Reporting.*—If the supervisor determines that the requisite number of signatures has not been obtained, the clerk shall, upon receipt of such written determination, certify such determination to the governing body and retain the petitions. The proceedings shall be terminated, and the petitions shall not again be used. If the supervisor determines that at least 15 percent of the qualified electors signed the petition, the clerk shall, immediately upon receipt of such written determination, serve notice of that determination upon the person sought to be recalled and deliver to the governing body a certificate as to the percentage of qualified electors who signed.

(4) **RECALL ELECTION.**—If the person designated in the petition files with the clerk, within 5 days after the last-mentioned notice, his or her written resignation, the clerk shall at once notify the governing body of that fact, and the resignation shall be irrevocable. The governing body shall then proceed to fill the vacancy according to the provisions of the appropriate law. In the absence of a resignation, the chief judge of the judicial circuit in which the municipality is located shall fix a day for holding a recall election for the removal of those not resigning. Any such election shall be held not less than 30 days or more than 60 days after the expiration of the 5-day period last-mentioned and at the same time as any other general or special election held within the period; but if no such election is to be held within that period, the judge shall call a special recall election to be held within the period aforesaid.

(5) **BALLOTS.**—The ballots at the recall election shall conform to the following: With respect to each person whose removal is sought, the question shall be submitted: “Shall \_\_\_ be removed from the office of \_\_\_ by recall?” Immediately following each question there shall be printed on the ballots the two propositions in the order here set forth:

“ (name of person) should be removed from office.”

“ (name of person) should not be removed from office.”

(6) **FILLING OF VACANCIES; SPECIAL ELECTIONS.**—

(a) If an election is held for the recall of members elected only at-large, candidates to succeed them for the unexpired terms shall be voted upon at the same election and shall be elected in the same manner as provided by the appropriate law for the election of candidates at general elections. Candidates shall not be elected to succeed any particular member. If only one member is removed, the candidate receiving the highest number of votes shall be declared elected to fill the vacancy. If more than one member is removed, candidates equal in number to the number of members removed shall be declared elected to fill the vacancies; and, among the successful candidates, those receiving the greatest number of votes shall be declared elected for the longest terms. Cases of ties, and all other matters not herein specially provided for, shall be determined by the rules governing elections generally.

(b) If an election is held for the recall of members elected only from districts, candidates to succeed them for the unexpired terms shall be voted upon at a special election called by the chief judge of the judicial circuit in which the districts are located not less than 30 days or

more than 60 days after the expiration of the recall election. The qualifying period, for purposes of this section, shall be established by the chief judge of the judicial circuit after consultation with the clerk. Any candidate seeking election to fill the unexpired term of a recalled district municipal official shall reside in the district represented by the recalled official and qualify for office in the manner required by law. Each candidate receiving the highest number of votes for each office in the special district recall election shall be declared elected to fill the unexpired term of the recalled official. Candidates seeking election to fill a vacancy created by the removal of a municipal official shall be subject to the provisions of chapter 106.

(c) When an election is held for the recall of members of the governing body composed of both members elected at-large and from districts, candidates to succeed them for the unexpired terms shall be voted upon at a special election as provided in paragraph (b).

(d) However, in any recall election held pursuant to paragraph (b) or paragraph (c), if only one member is voted to be removed from office, the vacancy created by the recall shall be filled by the governing body according to the provisions of the appropriate law for filling vacancies.

(7) **EFFECT OF RESIGNATIONS.**—If the member of the governing body being recalled resigns from office prior to the recall election, the remaining members shall fill the vacancy created according to the appropriate law for filling vacancies. If all of the members of the governing body are sought to be recalled and all of the members resign prior to the recall election, the recall election shall be canceled, and a special election shall be called to fill the unexpired terms of the resigning members. If all of the members of the governing body are sought to be recalled and any of the members resign prior to the recall election, the proceedings for the recall of members not resigning and the election of successors to fill the unexpired terms shall continue and have the same effect as though there had been no resignation.

(8) **WHEN PETITION MAY BE FILED.**—No petition to recall any member of the governing body of a municipality shall be filed until the member has served one-fourth of his or her term of office. No person removed by a recall, or resigning after a petition has been filed against him or her, shall be eligible to be appointed to the governing body within a period of 2 years after the date of such recall or resignation.

(9) **RETENTION OF PETITION.**—The clerk shall preserve in his or her office all papers comprising or connected with a petition for recall for a period of 2 years after they were filed.

(10) **OFFENSES RELATING TO PETITIONS.**—No person shall impersonate another, purposely write his or her name or residence falsely in the signing of any petition for recall or forge any name thereto, or sign any paper with knowledge that he or she is not a qualified elector of the municipality. No person shall employ or pay another to accept employment or payment for circulating or witnessing a recall petition. Any person violating any of the provisions of this section commits a

misdeemeanor of the second degree and shall, upon conviction, be punished as provided by law.

(11) INTENT.—It is the intent of the Legislature that the recall procedures provided in this act shall be uniform statewide. Therefore, all municipal charter and special law provisions which are contrary to the provisions of this act are hereby repealed to the extent of this conflict.

(12) PROVISIONS APPLICABLE.—The provisions of this act shall apply to cities and charter counties whether or not they have adopted recall provisions.

### **100.371 Initiatives; procedure for placement on ballot.—**

(1) Constitutional amendments proposed by initiative shall be placed on the ballot for the general election, provided the initiative petition has been filed with the Secretary of State no later than February 1 of the year the general election is held. A petition shall be deemed to be filed with the Secretary of State upon the date the secretary determines that valid and verified petition forms have been signed by the constitutionally required number and distribution of electors under this code.

(2) The sponsor of an initiative amendment shall, prior to obtaining any signatures, register as a political committee pursuant to s. 106.03 and submit the text of the proposed amendment to the Secretary of State, with the form on which the signatures will be affixed, and shall obtain the approval of the Secretary of State of such form. The Secretary of State shall adopt rules pursuant to s. 120.54 prescribing the style and requirements of such form. Upon filing with the Secretary of State, the text of the proposed amendment and all forms filed in connection with this section must, upon request, be made available in alternative formats.

(3) An initiative petition form circulated for signature may not be bundled with or attached to any other petition. Each signature shall be dated when made and shall be valid for a period of 2 years following such date, provided all other requirements of law are met. The sponsor shall submit signed and dated forms to the supervisor of elections for the county of residence listed by the person signing the form for verification of the number of valid signatures obtained. If a signature on a petition is from a registered voter in another county, the supervisor shall notify the petition sponsor of the misfiled petition. The supervisor shall promptly verify the signatures within 30 days after receipt of the petition forms and payment of the fee required by s. 99.097. The supervisor shall promptly record, in the manner prescribed by the Secretary of State, the date each form is received by the supervisor, and the date the signature on the form is verified as valid. The supervisor may verify that the signature on a form is valid only if:

(a) The form contains the original signature of the purported elector.

(b) The purported elector has accurately recorded on the form the date on which he or she signed the form.

(c) The form sets forth the purported elector's name, address, city, county, and voter registration number or date of birth.

(d) The purported elector is, at the time he or she signs the form and at the time the form is verified, a duly qualified and registered elector in the state.

The supervisor shall retain the signature forms for at least 1 year following the election in which the issue appeared on the ballot or until the Division of Elections notifies the supervisors of elections that the committee that circulated the petition is no longer seeking to obtain ballot position.

(4) The Secretary of State shall determine from the signatures verified by the supervisors of elections the total number of verified valid signatures and the distribution of such signatures by congressional districts. Upon a determination that the requisite number and distribution of valid signatures have been obtained, the secretary shall issue a certificate of ballot position for that proposed amendment and shall assign a designating number pursuant to s. 101.161.

(5)(a) Within 45 days after receipt of a proposed revision or amendment to the State Constitution by initiative petition from the Secretary of State, the Financial Impact Estimating Conference shall complete an analysis and financial impact statement to be placed on the ballot of the estimated increase or decrease in any revenues or costs to state or local governments resulting from the proposed initiative. The Financial Impact Estimating Conference shall submit the financial impact statement to the Attorney General and Secretary of State.

(b) The Financial Impact Estimating Conference shall provide an opportunity for any proponents or opponents of the initiative to submit information and may solicit information or analysis from any other entities or agencies, including the Office of Economic and Demographic Research.

(c) All meetings of the Financial Impact Estimating Conference shall be open to the public. The President of the Senate and the Speaker of the House of Representatives, jointly, shall be the sole judge for the interpretation, implementation, and enforcement of this subsection.

1. The Financial Impact Estimating Conference is established to review, analyze, and estimate the financial impact of amendments to or revisions of the State Constitution proposed by initiative. The Financial Impact Estimating Conference shall consist of four principals: one person from the Executive Office of the Governor; the coordinator of the Office of Economic and Demographic Research, or his or her designee; one person from the professional staff of the Senate; and one person from the professional staff of the House of Representatives. Each principal shall have appropriate fiscal expertise in the subject matter of the initiative. A Financial Impact Estimating Conference may be appointed for each initiative.

2. Principals of the Financial Impact Estimating Conference shall reach a consensus or majority concurrence on a clear and unambiguous financial impact statement, no more than 75 words in length, and

immediately submit the statement to the Attorney General. Nothing in this subsection prohibits the Financial Impact Estimating Conference from setting forth a range of potential impacts in the financial impact statement. Any financial impact statement that a court finds not to be in accordance with this section shall be remanded solely to the Financial Impact Estimating Conference for redrafting. The Financial Impact Estimating Conference shall redraft the financial impact statement within 15 days.

3. If the members of the Financial Impact Estimating Conference are unable to agree on the statement required by this subsection, or if the Supreme Court has rejected the initial submission by the Financial Impact Estimating Conference and no redraft has been approved by the Supreme Court by 5 p.m. on the 75th day before the election, the following statement shall appear on the ballot pursuant to s. 101.161(1): "The financial impact of this measure, if any, cannot be reasonably determined at this time."

(d) The financial impact statement must be separately contained and be set forth after the ballot summary as required in s. 101.161(1).

(e)1. Any financial impact statement that the Supreme Court finds not to be in accordance with this subsection shall be remanded solely to the Financial Impact Estimating Conference for redrafting, provided the court's advisory opinion is rendered at least 75 days before the election at which the question of ratifying the amendment will be presented. The Financial Impact Estimating Conference shall prepare and adopt a revised financial impact statement no later than 5 p.m. on the 15th day after the date of the court's opinion.

2. If, by 5 p.m. on the 75th day before the election, the Supreme Court has not issued an advisory opinion on the initial financial impact statement prepared by the Financial Impact Estimating Conference for an initiative amendment that otherwise meets the legal requirements for ballot placement, the financial impact statement shall be deemed approved for placement on the ballot.

3. In addition to the financial impact statement required by this subsection, the Financial Impact Estimating Conference shall draft an initiative financial

information statement should describe in greater detail than the financial impact statement any projected increase or decrease in revenues or costs that the state or local governments would likely experience if the ballot measure were approved. If appropriate, the initiative financial information statement may include both estimated dollar amounts and a description placing the estimated dollar amounts into context. The initiative financial information statement must include both a summary of not more than 500 words and additional detailed information that includes the assumptions that were made to develop the financial impacts, workpapers, and any other information deemed relevant by the Financial Impact Estimating Conference.

4. The Department of State shall have printed, and shall furnish to each supervisor of elections, a copy of the summary from the initiative financial information statements. The supervisors shall have the summary from the initiative financial information statements available at each polling place and at the main office of the supervisor of elections upon request.

5. The Secretary of State and the Office of Economic and Demographic Research shall make available on the Internet each initiative financial information statement in its entirety. In addition, each supervisor of elections whose office has a website shall post the summary from each initiative financial information statement on the website. Each supervisor shall include the Internet addresses for the information statements on the Secretary of State's and the Office of Economic and Demographic Research's websites in the publication or mailing required by s. 101.20.

**(6) The Department of State may adopt rules in accordance with s. 120.54 to carry out the provisions of subsections (1)-(5).**

**(7) No provision of this code shall be deemed to prohibit a private person exercising lawful control over privately owned property, including property held open to the public for the purposes of a commercial enterprise, from excluding from such property persons seeking to engage in activity supporting or opposing initiative amendments.**

### 101.001 Precincts and polling places; boundaries.—

(1) The board of county commissioners in each county, upon recommendation and approval of the supervisor, shall alter or create precincts for voting in the county. Each precinct shall be numbered and, as nearly as practicable, composed of contiguous and compact areas. The supervisor shall designate a polling place at a suitable location within each precinct. The precinct shall not be changed thereafter except with the consent of the supervisor and a majority of the members of the board of county commissioners. The board of county commissioners and the supervisor may have precinct boundaries conform to municipal boundaries in accordance with the provisions of s. 101.002, but, in any event, the registration books shall be maintained in such a manner that there may be determined therefrom the total number of electors in each municipality.

(2) When in any election there are fewer than 25 registered electors of the only political party having candidates on the ballot at any precinct, such precinct may be combined with other adjoining precincts upon the recommendation of the supervisor and the approval of the county commissioners. Notice of the combination of precincts shall be given in the same manner as provided in s. 101.71(2).

<sup>1</sup>(3)(a) Each supervisor of elections shall maintain a suitable map drawn to a scale no smaller than 3 miles to the inch and clearly delineating all major observable features such as roads, streams, and railway lines and showing the current geographical boundaries of each precinct, representative district, and senatorial district, and other type of district in the county subject to the elections process in this code.

(b) The supervisor of elections shall notify the Secretary of State in writing within 30 days after any reorganization of precincts and shall furnish a copy of the map showing the current geographical boundaries and designation of each new precinct. However, if precincts are composed of whole census blocks, the supervisor may furnish, in lieu of a copy of the map, a list, in an electronic format prescribed by the Department of State, associating each census block in the county with its precinct.

(c) Any precinct established or altered under the provisions of this section shall consist of areas bounded on all sides only by:

1. Census block boundaries from the most recent United States Census;

2. Governmental unit boundaries reported in the most recent Boundary and Annexation Survey published by the United States Census Bureau;

4. Boundaries of public parks, public school grounds, or churches; or

5. Boundaries of counties, incorporated municipalities, or other political subdivisions that meet criteria established by the United States Census Bureau for block boundaries.

(d) Until July 1, 2012, a supervisor may apply for and obtain from the Secretary of State a waiver of the requirement in paragraph (c).

<sup>1</sup>(4) Within 10 days after there is any change in the division, number, or boundaries of the precincts, or the location of the polling places, the supervisor of elections shall make in writing an accurate description of any new or altered precincts, setting forth the boundary lines and shall identify the location of each new or altered polling place. A copy of the document describing such changes shall be posted at the supervisor's office.

(d) The supervisor of elections shall notify the Secretary of State in writing within 10 days after any reorganization of precincts and shall furnish a copy of the map showing the current geographical boundaries and designation of each new precinct. However, if precincts are composed of whole census blocks, the supervisor may furnish, in lieu of a copy of the map, a list, in an electronic format prescribed by the Department of State, associating each census block in the county with its precinct.

(e) Any precinct established or altered under the provisions of this section shall consist of areas bounded on all sides only by census block boundaries from the most recent United States Census. If the census block boundaries split or conflict with another political boundary listed below, the boundary listed below may be used:

1. Governmental unit boundaries reported in the most recent Boundary and Annexation Survey published by the United States Census Bureau;

(1)(a) The precinct register, as prescribed in s. 98.461, shall be used at the polls for the purpose of

1. Florida driver's license.
2. Florida identification card issued by the Department of Highway Safety and Motor Vehicles.
3. United States passport.

8. Neighborhood association identification.
9. Public assistance identification.

(b) If the picture identification does not contain the signature of the elector, an additional identification that provides the elector's signature shall be required. The address appearing on the identification presented by the elector may not be used as the basis to confirm an elector's legal residence or otherwise challenge an elector's legal residence. The elector shall sign his or her name in the space provided on the precinct register or on an electronic device provided for recording the elector's signature. The clerk or inspector shall compare the signature with that on the identification provided by the elector and enter his or her initials in the space provided on the precinct register or on an electronic device provided for that purpose and allow the elector to vote if the clerk or inspector is satisfied as to the identity of the elector.

(c) When an elector presents his or her picture identification to the clerk or inspector and the elector's address on the picture identification matches the elector's address in the supervisor's records, the elector may not be asked to provide additional information or to recite his or her home address.

(2) If the elector fails to furnish the required identification, the elector shall be allowed to vote a provisional ballot. The canvassing board shall determine the validity of the ballot pursuant to s. 101.048(2).

**101.045 Electors must be registered in precinct; provisions for change of residence or name.—**

(1) A person is not permitted to vote in any election precinct or district other than the one in which the person has his or her legal residence and in which the person is registered. However, a person temporarily residing outside the county shall be registered in the precinct in which the main office of the supervisor, as designated by the supervisor, is located when the person has no permanent address in the county and it is the person's intention to remain a resident of Florida and of the county in which he or she is registered to vote. Such persons who are registered in the precinct in which the main office of the supervisor, as designated by the supervisor, is located and who are residing outside the county with no permanent address in the county shall not be registered electors of a municipality and therefore shall not be permitted to vote in any municipal election.

(2)(a) An elector who moves from the precinct in which the elector is registered may be permitted to vote in the precinct to which he or she has moved his or her legal residence, if the change of residence is within the same county and the elector completes an affirmation in substantially the following form:

**Change of Legal Residence of Registered Voter**

Under penalties for false swearing, I, (Name of voter), swear (or affirm) that the former address of my legal residence was (Address of legal residence) in the municipality of \_\_\_\_\_, in \_\_\_\_\_ County, Florida, and I was registered to vote in the \_\_\_\_\_ precinct of \_\_\_\_\_ County, Florida; that I have not voted in the precinct of my former registration in this election; that I now reside at (Address of legal residence) in the Municipality of \_\_\_\_\_, in \_\_\_\_\_ County, Florida, and am therefore eligible to vote in the \_\_\_\_\_ precinct of \_\_\_\_\_ County, Florida; and I further swear (or affirm) that I am otherwise legally registered and entitled to vote.

(Signature of voter whose address of legal residence has changed)

(b) Except for an active uniformed services voter or a member of his or her family, an elector whose change of address is from outside the county may not change his or her legal residence at the polling place and vote a regular ballot; however, such elector is entitled to vote a provisional ballot.

(c) An elector whose name changes because of marriage or other legal process may be permitted to vote, provided such elector completes an affirmation in substantially the following form:

**Change of Name of Registered Voter**

Under penalties for false swearing, I, (New name of voter), swear (or affirm) that my name has been changed because of marriage or other legal process. My former name and address of legal residence appear on the registration records of precinct \_\_\_\_\_ as follows:

Address \_\_\_\_\_  
Municipality \_\_\_\_\_  
County \_\_\_\_\_  
Florida, Zip \_\_\_\_\_

and I further swear (or affirm) that I am otherwise legally registered and entitled to vote.

(Signature of voter whose name has changed)

(d) Instead of the affirmation contained in paragraph (a) or paragraph (c), an elector may complete a voter registration application that indicates the change of name or change of address of legal residence.

(e) Such affirmation or application, when completed and presented at the precinct in which such elector is entitled to vote, and upon verification of the elector's registration, shall entitle such elector to vote as provided in this subsection. If the elector's eligibility to vote cannot be determined, he or she shall be entitled to vote a provisional ballot, subject to the requirements and procedures in s. 101.048. Upon receipt of an affirmation or application certifying a change in address of legal residence or name, the supervisor shall as soon as practicable make the necessary changes in the state-wide voter registration system to indicate the change in address of legal residence or name of such elector.

(2)(a) The county canvassing board shall examine each Provisional Ballot Voter's Certificate and Affirmation to determine if the person voting that ballot was entitled to vote at the precinct where the person cast a vote in the election and that the person had not already cast a ballot in the election. In determining whether a person casting a provisional ballot is entitled to vote, the county canvassing board shall review the information provided in the Voter's Certificate and Affirmation, written evidence provided by the person pursuant to subsection (1), any other evidence presented by the supervisor of elections, and, in the case of a challenge, any evidence presented by the challenger. A ballot of a person casting a provisional ballot shall be counted unless the canvassing board determines by a preponderance of the evidence that the person was not entitled to vote.

(b)1. If it is determined that the person was registered and entitled to vote at the precinct where the person cast a vote in the election, the canvassing board shall compare the signature on the Provisional Ballot Voter's Certificate and Affirmation with the signature on the voter's registration and, if it matches, shall count the ballot.

2. If it is determined that the person voting the provisional ballot was not registered or entitled to vote at the precinct where the person cast a vote in the election,

(1) Whenever a constitutional amendment or other public measure is submitted to the vote of the people, a ballot summary of such amendment or other public measure shall be printed in clear and unambiguous language on the ballot after the list of candidates, followed by the word “yes” and also by the word “no,” and shall be styled in such a manner that a “yes” vote will indicate approval of the proposal and a “no” vote will indicate rejection. The ballot summary of the amendment or other public measure and the ballot title to appear on the ballot shall be embodied in the constitutional revision commission proposal, constitutional convention proposal, taxation and budget reform commission proposal, or enabling resolution or ordinance. The ballot summary of the amendment or other public measure shall be an explanatory statement, not exceeding 75 words in length, of the chief purpose of the measure. In addition, for every amendment proposed by initiative, the ballot shall include, following the ballot summary, a separate financial impact statement concerning the measure prepared by the Financial Impact Estimating Conference in accordance with s. 100.371(5). The ballot title shall consist of a caption, not exceeding 15 words in length, by which the measure is commonly referred to or spoken of. This subsection does not apply to constitutional amendments or revisions proposed by joint resolution.

(2) The ballot summary and ballot title of a constitutional amendment proposed by initiative shall be prepared by the sponsor and approved by the Secretary of State in accordance with rules adopted pursuant to s. 120.54. The Department of State shall give each proposed constitutional amendment a designating number for convenient reference. This number designation shall appear on the ballot. Designating numbers shall be assigned in the order of filing or certification and in accordance with rules adopted by the Department of State. The Department of State shall furnish the designating number, the ballot title, and, unless otherwise specified in a joint resolution, the ballot summary of each amendment to the supervisor of elections of each county in which such amendment is to be voted on.

Any ground not asserted within 30 days after the joint resolution is filed with the Secretary of State is waived.

2. The court, including any appellate court, shall accord an action described in subparagraph 1. priority over other pending cases and render a decision as expeditiously as possible. If the court finds that all ballot statements embodied in a joint resolution are defective and further appeals are declined, abandoned, or exhausted, unless otherwise provided in the joint resolution, the Attorney General shall, within 10 days, prepare and submit to the Department of State a revised ballot title or ballot summary that corrects the deficiencies identified by the court, and the Department of State shall furnish a designating number and the revised ballot title or ballot summary to the supervisor of elections of each county for placement on the ballot. The court shall retain jurisdiction over challenges to a revised ballot title or ballot summary prepared by the Attorney General, and any challenge to a revised ballot title or ballot summary must be filed within 10 days after a revised ballot title or ballot summary is submitted to the Department of State.

3. A ballot statement that consists of the full text of an amendment or revision shall be presumed to be a clear and unambiguous statement of the substance and effect of the amendment or revision, providing fair notice to the electors of the content of the amendment or revision and sufficiently advising electors of the issue upon which they are to vote.

**101.5606 Requirements for approval of systems.**—No electronic or electromechanical voting system shall be approved by the Department of State unless it is so constructed that:

(1) It permits and requires voting in secrecy.

(2) It permits each elector to vote at any election for all persons and offices for whom and for which the elector is lawfully entitled to vote, and no others; to vote for as many persons for an office as the elector is entitled to vote for; and to vote for or against any question upon which the elector is entitled to vote.

(3) It immediately rejects a ballot where the number of votes for an office or measure exceeds the number which the voter is entitled to cast or where the tabulating equipment reads the ballot as a ballot with no votes cast.

(4) For systems using marksense ballots, it accepts a rejected ballot pursuant to subsection (3) if a voter chooses to cast the ballot, but records no vote for any office that has been overvoted or undervoted.

(5) It is capable of correctly counting votes.

(6) It permits each voter at a primary election to vote only for the candidates seeking nomination by the political party in which such voter is registered, for any candidate for nonpartisan office, and for any question upon which the voter is entitled to vote.

(7) At presidential elections it permits each elector, by one operation, to vote for all presidential electors of a party or for all presidential electors of candidates for President and Vice President with no party affiliation.

(8) It provides a method for write-in voting.

(9) It is capable of accumulating a count of the specific number of ballots tallied for a precinct, accumulating total votes by candidate for each office, and accumulating total votes for and against each question and issue of the ballots tallied for a precinct.

(10) It is capable of tallying votes from ballots of different political parties from the same precinct, in the case of a primary election.

(11) It is capable of automatically producing precinct totals in printed form.

(12) If it is of a type which registers votes electronically, it will permit each voter to change his or her vote for any candidate or upon any question appearing on the official ballot up to the time that the voter takes the final step to register his or her vote and to have the vote computed.

(13) It is capable of providing records from which the operation of the voting system may be audited.

(14) It uses a precinct-count tabulation system.

(15) It does not use an apparatus or device for the piercing of ballots by the voter.

**101.56062 Standards for accessible voting systems.**—

(1) Notwithstanding anything in this chapter to the contrary, each voting system certified by the Department of State for use in local, state, and federal elections must include the capability to install accessible voter interface devices in the system configuration which will allow the system to meet the following minimum standards:

(a) The voting system must provide a tactile input or audio input device, or both.

(b) The voting system must provide a method by which voters can confirm any tactile or audio input by having the capability of audio output using synthetic or recorded human speech that is reasonably phonetically accurate.

(c) Any operable controls on the input device which are needed for voters who are visually impaired must be discernible tactilely without actuating the keys.

(d) Audio and visual access approaches must be able to work both separately and simultaneously.

(e) If a nonaudio access approach is provided, the system may not require color perception. The system must use black text or graphics, or both, on white background or white text or graphics, or both, on black background, unless the office of the Secretary of State approves other high-contrast color combinations that do not require color perception.

(f) Any voting system that requires any visual perception must offer the election official who programs the system, prior to its being sent to the polling place, the capability to set the font size, as it appears to the voter, from a minimum of 14 points to a maximum of 24 points.

(g) The voting system must provide audio information, including any audio output using synthetic or recorded human speech or any auditory feedback tones that are important for the use of the audio approach, through at least one mode, by handset or headset, in enhanced auditory fashion (increased amplification), and must provide incremental volume control with output amplification up to a level of at least 97 dB SPL.

(h) For transmitted voice signals to the voter, the voting system must provide a gain adjustable up to a minimum of 20 dB with at least one intermediate step of 12 dB of gain.

(i) For the safety of others, if the voting system has the possibility of exceeding 120 dB SPL, then a mechanism must be included to reset the volume automatically to the voting system's default volume level after every use, for example when the handset is replaced, but not before. Also, universal precautions in the use and sharing of headsets should be followed.

(j) If sound cues and audible information such as "beeps" are used, there must be simultaneous corresponding visual cues and information.

(k) Controls and operable mechanisms must be operable with one hand, including operability with a closed fist, and operable without tight grasping, pinching, or twisting of the wrist.

(l) The force required to operate or activate the controls must be no greater than 5 pounds of force.

(m) Voting booths must have voting controls at a minimum height of 36 inches above the finished floor with a minimum knee clearance of 27 inches high, 30 inches wide, and 19 inches deep, or the accessible voter interface devices must be designed so as to allow their use on top of a table to meet these requirements. Tabletop installations must include adequate privacy.

(n) Any audio ballot must provide the voter with the following functionalities:

1. After the initial instructions that the system requires election officials to provide to each voter, the voter should be able to independently operate the voter interface through the final step of casting a ballot without assistance.

2. The voter must be able to determine the races that he or she is allowed to vote in and to determine which candidates are available in each race.

3. The voter must be able to determine how many candidates may be selected in each race.

4. The voter must be able to have confidence that the physical or vocal inputs given to the system have selected the candidates that he or she intended to select.

5. The voter must be able to review the candidate selections that he or she has made.

6. Prior to the act of casting the ballot, the voter must be able to change any selections previously made and confirm a new selection.

7. The system must communicate to the voter the fact that the voter has failed to vote in a race or has failed to vote the number of allowable candidates in any race and require the voter to confirm his or her intent to undervote before casting the ballot.

8. The system must prevent the voter from over-voting any race.

9. The voter must be able to input a candidate's name in each race that allows a write-in candidate.

10. The voter must be able to review his or her write-in input to the interface, edit that input, and confirm that the edits meet the voter's intent.

11. There must be a clear, identifiable action that the voter takes to "cast" the ballot. The system must make clear to the voter how to take this action so that the voter has minimal risk of taking the action accidentally but, when the voter intends to cast the ballot, the action can be easily performed.

12. Once the ballot is cast, the system must confirm to the voter that the action has occurred and that the voter's process of voting is complete.

13. Once the ballot is cast, the system must preclude the voter from modifying the ballot cast or voting or casting another ballot.

The functionalities required in this paragraph for certification may be satisfied by either the voting device or by the entire voting system.

(2) Such voting system must include at least one accessible voter interface device installed in each polling place which meets the requirements of this section, except for paragraph (1)(d).

(3) The Department of State may adopt rules in accordance with s. 120.54 which are necessary to administer this section.

#### **101.56063 Accessibility of voting systems and polling places; intent; eligibility for federal funding.**

It is the intent of the Legislature that this state be eligible for any funds that are available from the Federal Government to assist states in providing or improving accessibility of voting systems and polling places for persons having a disability. Accordingly, all state laws, rules, standards, and codes governing voting systems and polling place accessibility must be maintained to ensure the state's eligibility to receive federal funds. It is the intent of the Legislature that all state requirements meet or exceed the minimum federal requirements for voting systems and polling place accessibility. This section shall take effect upon this act becoming a law.

*History.—*s. 13, ch. 2002-281.

#### **101.56064 Application for federal funds under ch. 2002-281.—**The state may apply for all available federal funds to be used to pay for the costs associated with this act.

*History.—*s. 21, ch. 2002-281.

#### **101.5607 Department of State to maintain voting system information; prepare software.—**

(1)(a) Copies of the program codes and the user and operator manuals and copies of all software and any other information, specifications, or documentation required by the Department of State relating to an approved electronic or electromechanical voting system and its equipment must be filed with the Department of State by the supervisor of elections at the time of purchase or implementation. Any such information or

materials that are not on file with and approved by the Department of State, including any updated or modified materials, may not be used in an election.

(b) Within 24 hours after the completion of any logic and accuracy test conducted pursuant to s. 101.5612, the supervisor of elections shall send by certified mail to the Department of State a copy of the tabulation program which was used in the logic and accuracy testing.

(c) The Department of State may, at any time, review the voting system of any county to ensure compliance with the Electronic Voting Systems Act.

(d) Section 119.071(1)(f) applies to all software on file with the Department of State.

(2)(a) The Department of State may develop software for use with an electronic or electromechanical voting system. The standards and examination procedures developed for software apply to all software developed by the Department of State.

(b) Software prepared by the Department of State is a public record pursuant to chapter 119 and shall be provided at the actual cost of duplication.

#### **101.56075 Voting methods.—**

(1) Except as provided in subsection (2), all voting shall be by marksense ballot utilizing a marking device for the purpose of designating ballot selections.

(2) Persons with disabilities may vote on a voter interface device that meets the voting system accessibility requirements for individuals with disabilities pursuant to s. 301 of the federal Help America Vote Act of 2002 and s. 101.56062.

(3) By 2016, persons with disabilities shall vote on a voter interface device that meets the voter accessibility requirements for individuals with disabilities under s. 301 of the federal Help America Vote Act of 2002 and s. 101.56062 which are consistent with subsection (1) of this section.

(4) By December 31, 2013, all voting systems utilized by voters during a state election shall permit placement on the ballot of the full text of a constitutional amendment or revision containing stricken or underlined text.

**History.**—s. 6, ch. 2007-30; s. 5, ch. 2010-167; s. 33, ch. 2011-40.

#### **101.5608 Voting by electronic or electromechanical method; procedures.—**

(1) Each elector desiring to vote shall be identified to the clerk or inspector of the election as a duly qualified elector of such election and shall sign his or her name on the precinct register or other form or device provided by the supervisor. The inspector shall compare the signature with the signature on the identification provided by the elector. If the inspector is reasonably sure that the person is entitled to vote, the inspector shall provide the person with a ballot.

(2) When an electronic or electromechanical voting system utilizes a ballot card or marksense ballot, the following procedures shall be followed:

(a) After receiving a ballot from an inspector, the elector shall, without leaving the polling place, retire to a

booth or compartment and mark the ballot. After marking his or her ballot, the elector shall place the ballot in a secrecy envelope so that the ballot will be deposited in the tabulator without exposing the voter's choices.

(b) Any voter who spoils his or her ballot or makes an error may return the ballot to the election official and secure another ballot, except that in no case shall a voter be furnished more than three ballots. If the vote tabulation device has rejected a ballot, the ballot shall be considered spoiled and a new ballot shall be provided to the voter unless the voter chooses to cast the rejected ballot. The election official, without examining the original ballot, shall state the possible reasons for the rejection and shall provide instruction to the voter pursuant to s. 101.5611. A spoiled ballot shall be preserved, without examination, in an envelope provided for that purpose. The stub shall be removed from the ballot and placed in an envelope.

(c) The supervisor of elections shall prepare for each polling place at least one ballot box to contain the ballots of a particular precinct, and each ballot box shall be plainly marked with the name of the precinct for which it is intended.

(3) The Department of State shall promulgate rules regarding voting procedures to be used when an electronic or electromechanical voting system is of a type which does not utilize a ballot card or marksense ballot.

(4) In any election in which a write-in candidate has qualified for office, the supervisor of elections shall provide for write-in voting pursuant to rules adopted by the Division of Elections.

**History.**—s. 8, ch. 73-156; s. 21, ch. 77-175; s. 13, ch. 81-105; s. 5, ch. 82-143; s. 12, ch. 84-302; s. 579, ch. 95-147; s. 20, ch. 2001-40; s. 11, ch. 2002-17; s. 36, ch. 2005-277; s. 35, ch. 2005-278; s. 20, ch. 2008-95.

#### **101.5610 Inspection of ballot by election board.**

The election board of each precinct shall cause the voting devices to be put in order, set, adjusted, and made ready for voting when delivered to the polling places. Before the opening of the polls, the election board shall compare the ballots or the ballot information used in the voting devices with the sample ballots furnished and see that the names, numbers, and letters thereon agree and shall certify thereto on forms provided by the supervisor of elections.

**History.**—s. 10, ch. 73-156; s. 14, ch. 84-302; s. 4, ch. 86-200.

#### **101.5611 Instructions to electors.—**

(1) The supervisor of elections shall provide instruction at each polling place regarding the manner of voting with the system. In instructing voters, no precinct official may favor any political party, candidate, or issue. Such instruction shall show the arrangement of candidates and questions to be voted on. Additionally, the supervisor of elections shall provide instruction on the proper method of casting a ballot for the specific voting system utilized in that jurisdiction. Such instruction shall be provided at a place which voters must pass to reach the official voting booth.

(2) The supervisor of elections shall have posted at each polling place a notice that reads: "A person who commits or attempts to commit any fraud in connection

with voting, votes a fraudulent ballot, or votes more than once in an election can be convicted of a felony of the third degree and fined up to \$5,000 and/or imprisoned for up to 5 years.”

**History.**—s. 11, ch. 73-156; s. 21, ch. 77-175; s. 581, ch. 95-147; s. 12, ch. 98-129; s. 12, ch. 2002-17.

**101.5612 Testing of tabulating equipment.—**

(1) All electronic or electromechanical voting systems shall be thoroughly tested at the conclusion of maintenance and programming. Tests shall be sufficient to determine that the voting system is properly programmed, the election is correctly defined on the voting system, and all of the voting system input, output, and communication devices are working properly.

(2) On any day not more than 10 days prior to the commencement of early voting as provided in s. 101.657, the supervisor of elections shall have the automatic tabulating equipment publicly tested to ascertain that the equipment will correctly count the votes cast for all offices and on all measures. If the ballots to be used at the polling place on election day are not available at the time of the testing, the supervisor may conduct an additional test not more than 10 days before election day. Public notice of the time and place of the test shall be given at least 48 hours prior thereto by publication on the supervisor of elections’ website and once in one or more newspapers of general circulation in the county or, if there is no newspaper of general circulation in the county, by posting the notice in at least four conspicuous places in the county. The supervisor or the municipal elections official may, at the time of qualifying, give written notice of the time and location of the public preelection test to each candidate qualifying with that office and obtain a signed receipt that the notice has been given. The Department of State shall give written notice to each statewide candidate at the time of qualifying, or immediately at the end of qualifying, that the voting equipment will be tested and advise each candidate to contact the county supervisor of elections as to the time and location of the public preelection test. The supervisor or the municipal elections official shall, at least 15 days prior to the commencement of early voting as provided in s. 101.657, send written notice by certified mail to the county party chair of each political party and to all candidates for other than statewide office whose names appear on the ballot in the county and who did not receive written notification from the supervisor or municipal elections official at the time of qualifying, stating the time and location of the public preelection test of the automatic tabulating equipment. The canvassing board shall convene, and each member of the canvassing board shall certify to the accuracy of the test. For the test, the canvassing board may designate one member to represent it. The test shall be open to representatives of the political parties, the press, and the public. Each political party may designate one person with expertise in the computer field who shall be allowed in the central counting room when all tests are being conducted and when the official votes are being counted. The designee shall not interfere with the normal operation of the canvassing board.

(3) For electronic or electromechanical voting systems configured to tabulate absentee ballots at a central or regional site, the public testing shall be conducted by processing a preaudited group of ballots so produced as to record a predetermined number of valid votes for each candidate and on each measure and to include one or more ballots for each office which have activated voting positions in excess of the number allowed by law in order to test the ability of the automatic tabulating equipment to reject such votes. If any error is detected, the cause therefor shall be corrected and an errorless count shall be made before the automatic tabulating equipment is approved. The test shall be repeated and errorless results achieved immediately before the start of the official count of the ballots and again after the completion of the official count. The programs and ballots used for testing shall be sealed and retained under the custody of the county canvassing board.

(4)(a)1. For electronic or electromechanical voting systems configured to include electronic or electromechanical tabulation devices which are distributed to the precincts, all or a sample of the devices to be used in the election shall be publicly tested. If a sample is to be tested, the sample shall consist of a random selection of at least 5 percent or 10 of the devices for an optical scan system, whichever is greater. For touchscreen systems used for voters having a disability, a sample of at least 2 percent of the devices must be tested. The test shall be conducted by processing a group of ballots, causing the device to output results for the ballots processed, and comparing the output of results to the results expected for the ballots processed. The group of ballots shall be produced so as to record a predetermined number of valid votes for each candidate and on each measure and to include for each office one or more ballots which have activated voting positions in excess of the number allowed by law in order to test the ability of the tabulating device to reject such votes.

2. If any tested tabulating device is found to have an error in tabulation, it shall be deemed unsatisfactory. For each device deemed unsatisfactory, the canvassing board shall take steps to determine the cause of the error, shall attempt to identify and test other devices that could reasonably be expected to have the same error, and shall test a number of additional devices sufficient to determine that all devices are satisfactory. Upon deeming any device unsatisfactory, the canvassing board may require all devices to be tested or may declare that all devices are unsatisfactory.

3. If the operation or output of any tested tabulation device, such as spelling or the order of candidates on a report, is in error, such problem shall be reported to the canvassing board. The canvassing board shall then determine if the reported problem warrants its deeming the device unsatisfactory.

(b) At the completion of testing under this subsection, the canvassing board or its representative, the representatives of the political parties, and the candidates or their representatives who attended the test shall witness the resetting of each device that passed to a preelection state of readiness and the sealing of each device that passed in such a manner as to secure its state of readiness until the opening of the polls.

(c) The canvassing board or its representative shall execute a written statement setting forth the tabulation devices tested, the results of the testing, the protective counter numbers, if applicable, of each tabulation device, the number of the seal securing each tabulation device at the conclusion of testing, any problems reported to the board as a result of the testing, and whether each device tested is satisfactory or unsatisfactory.

(d) Any tabulating device deemed unsatisfactory shall be recoded, repaired, or replaced and shall be made available for retesting. Such device must be determined by the canvassing board or its representative to be satisfactory before it may be used in any election. The canvassing board or its representative shall announce at the close of the first testing the date, place, and time that any unsatisfactory device will be retested or may, at the option of the board, notify by telephone each person who was present at the first testing as to the date, place, and time that the retesting will occur.

(e) Records must be kept of all preelection testing of electronic or electromechanical tabulation devices used in any election. Such records are to be present and available for inspection and reference during public preelection testing by any person in attendance during such testing. The need of the canvassing board for access to such records during the testing shall take precedence over the need of other attendees to access such records so that the work of the canvassing board will not be delayed or hindered. Records of testing must include, for each device, the name of each person who tested the device and the date, place, time, and results of each test. Records of testing shall be retained as part of the official records of the election in which any device was used.

(5) Any tests involving marksense ballots pursuant to this section shall employ test ballots created by the supervisor of elections using actual ballots that have been printed for the election. If ballot-on-demand ballots will be used in the election, the supervisor shall also create test ballots using the ballot-on-demand technology that will be used to produce ballots in the election, using the same paper stock as will be used for ballots in the election.

**History.**—s. 12, ch. 73-156; s. 21, ch. 77-175; s. 39, ch. 79-400; s. 2, ch. 81-29; s. 24, ch. 83-217; s. 15, ch. 84-302; s. 582, ch. 95-147; s. 21, ch. 2001-40; s. 13, ch. 2002-17; s. 11, ch. 2004-252; s. 37, ch. 2005-277; s. 7, ch. 2007-30; s. 6, ch. 2010-167; s. 34, ch. 2011-40.

**101.5613 Examination of equipment during voting.**—A member of the election board or, for purposes of early voting pursuant to s. 101.657, a representative of the supervisor of elections shall occasionally examine the face of the voting device and the ballot information to determine that the device and the ballot information have not been damaged or tampered with.

**History.**—s. 13, ch. 73-156; s. 21, ch. 77-175; s. 16, ch. 84-302; s. 12, ch. 2004-252.

**101.5614 Canvass of returns.**—

(1) As soon as the polls are closed, the election board shall secure the voting devices against further voting. The election board shall thereafter, in the presence of members of the public desiring to witness

the proceedings, verify the number of voted ballots, unused ballots, provisional ballots, and spoiled ballots to ascertain whether such number corresponds with the number of ballots issued by the supervisor. If there is a difference, this fact shall be reported in writing to the county canvassing board with the reasons therefor if known. The total number of voted ballots shall be entered on the forms provided. The proceedings of the election board at the precinct after the polls have closed shall be open to the public; however, no person except a member of the election board shall touch any ballot or ballot container or interfere with or obstruct the orderly count of the ballots.

(2) The Department of State shall, in accordance with s. 101.015, adopt rules that provide safeguards for the counting of votes at a precinct and at a central or regional location.

(3) The results of ballots tabulated at precinct locations may be transmitted to the main computer system for the purpose of compilation of complete returns. The security guidelines for transmission of returns shall conform to rules adopted by the Department of State pursuant to s. 101.015.

(4) For each ballot or ballot image on which write-in votes have been cast, the canvassing board shall compare the write-in votes with the votes cast on the ballot; if the total number of votes for any office exceeds the number allowed by law, such votes shall not be counted. All valid votes shall be tallied by the canvassing board.

(5)(a) If any absentee ballot is physically damaged so that it cannot properly be counted by the automatic tabulating equipment, a true duplicate copy shall be made of the damaged ballot in the presence of witnesses and substituted for the damaged ballot. Likewise, a duplicate ballot shall be made of an absentee ballot containing an overvoted race or a marked absentee ballot in which every race is undervoted which shall include all valid votes as determined by the canvassing board based on rules adopted by the division pursuant to s. 102.166(4). All duplicate ballots shall be clearly labeled “duplicate,” bear a serial number which shall be recorded on the defective ballot, and be counted in lieu of the defective ballot. After a ballot has been duplicated, the defective ballot shall be placed in an envelope provided for that purpose, and the duplicate ballot shall be tallied with the other ballots for that precinct.

(b) A true duplicate copy shall be made of each federal write-in absentee ballot in the presence of witnesses and substituted for the federal write-in absentee ballot. The duplicate ballot must include all valid votes as determined by the canvassing board based on rules adopted by the division pursuant to s. 102.166(4). All duplicate ballots shall be clearly labeled “duplicate,” bear a serial number that shall be recorded on the federal write-in absentee ballot, and be counted in lieu of the federal write-in absentee ballot. After a ballot has been duplicated, the federal write-in absentee ballot shall be placed in an envelope provided for that purpose, and the duplicate ballot shall be tallied with other ballots for that precinct.

(6) If there is no clear indication on the ballot that the voter has made a definite choice for an office or ballot measure, the elector's ballot shall not be counted for that office or measure, but the ballot shall not be invalidated as to those names or measures which are properly marked.

(7) Absentee ballots may be counted by automatic tabulating equipment if they have been marked in a manner which will enable them to be properly counted by such equipment.

(8) The return printed by the automatic tabulating equipment, to which has been added the return of write-in, absentee, and manually counted votes and votes from provisional ballots, shall constitute the official return of the election upon certification by the canvassing board. Upon completion of the count, the returns shall be open to the public. A copy of the returns may be posted at the central counting place or at the office of the supervisor of elections in lieu of the posting of returns at individual precincts.

(9) Any supervisor of elections, deputy supervisor of elections, canvassing board member, election board member, or election employee who releases the results of any election prior to the closing of the polls in that county on election day commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

**History.**—s. 14, ch. 73-156; s. 1, ch. 77-174; s. 21, ch. 77-175; s. 14, ch. 81-105; s. 17, ch. 84-302; s. 1, ch. 85-17; s. 5, ch. 86-200; s. 17, ch. 90-315; s. 1, ch. 94-208; ss. 22, 37, ch. 2001-40; ss. 14, 15, ch. 2002-17; s. 38, ch. 2005-277; s. 35, ch. 2011-40; s. 2, ch. 2011-162.

**101.572 Public inspection of ballots.**—The official ballots and ballot cards received from election boards and removed from absentee ballot mailing envelopes shall be open for public inspection or examination while in the custody of the supervisor of elections or the county canvassing board at any reasonable time, under reasonable conditions; however, no persons other than the supervisor of elections or his or her employees or the county canvassing board shall handle any official ballot or ballot card. If the ballots are being examined prior to the end of the contest period in s. 102.168, the supervisor of elections shall make a reasonable effort to notify all candidates whose names appear on such ballots or ballot cards by telephone or otherwise of the time and place of the inspection or examination. All such candidates, or their representatives, shall be allowed to be present during the inspection or examination.

**History.**—s. 2, ch. 86-199; s. 583, ch. 95-147; s. 39, ch. 2005-277.

**101.58 Supervising and observing registration and election processes.**—

(1) The Department of State may, at any time it deems fit; upon the petition of 5 percent of the registered electors; or upon the petition of any candidate, county executive committee chair, state committeeman or committeewoman, or state executive committee chair, appoint one or more deputies whose duties shall be to observe and examine the registration and election processes and the condition, custody, and operation of voting systems and equipment in any county or municipality. The deputy shall have access to all

registration books and records as well as any other records or procedures relating to the voting process. The deputy may supervise preparation of the voting equipment and procedures for election, and it shall be unlawful for any person to obstruct the deputy in the performance of his or her duty. The deputy shall file with the Department of State a report of his or her findings and observations of the registration and election processes in the county or municipality, and a copy of the report shall also be filed with the clerk of the circuit court of said county. (2) The Department of State, upon receipt of such information, shall prepare a public report on the performance of each type of voting system. The report must contain, but is not limited to, the following information:

(a) An identification of problems with the ballot design or instructions which may have contributed to voter confusion;

(b) In addition, an annexation referendum which includes only qualified electors of one county may also be voted on by mail ballot election.

(2) The following elections may not be conducted by mail ballot:

(a) An election at which any candidate is nominated, elected, retained, or recalled; or

(b) An election held on the same date as another election, other than a mail ballot election, in which the qualified electors of that political subdivision are eligible to cast ballots.

If a mail ballot election is authorized for a municipal annexation referendum, the provisions of ss. 101.6101-101.6107 shall control over any conflicting provisions of s. 171.0413.

**History.**—s. 1, ch. 87-364; s. 1, ch. 89-52; s. 27, ch. 89-338; s. 18, ch. 90-315.

**101.6103 Mail ballot election procedure.**—

(1) Except as otherwise provided in subsection (7), the supervisor of elections shall mail all official ballots with a secrecy envelope, a return mailing envelope, and instructions sufficient to describe the voting process to each elector entitled to vote in the election not sooner than the 20th day before the election and not later than the 10th day before the date of the election. All such ballots shall be mailed by first-class mail. Ballots shall be addressed to each elector at the address appearing in the registration records and placed in an envelope which is prominently marked “Do Not Forward.”

(2) Upon receipt of the ballot the elector shall mark the ballot, place it in the secrecy envelope, sign the return mailing envelope supplied with the ballot, and comply with the instructions provided with the ballot. The elector shall mail, deliver, or have delivered the marked ballot so that it reaches the supervisor of elections no later than 7 p.m. on the day of the election. The ballot must be returned in the return mailing envelope.

6. The requester's driver's license number, if available.

7. The requester's relationship to the elector.

8. The requester's signature (written requests only).

(c) Upon receiving a request for an absentee ballot from an absent voter, the supervisor of elections shall notify the voter of the free access system that has been designated by the department for determining the status of his or her absentee ballot.

(2) A request for an absentee ballot to be mailed to a voter must be received no later than 5 p.m. on the sixth day before the election by the supervisor of elections. The supervisor of elections shall mail absentee ballots to voters requesting ballots by such deadline no later than 4 days before the election.

(3) For each request for an absentee ballot received, the supervisor shall record the date the request was made, the date the absentee ballot was delivered to the voter or the voter's designee or the date the absentee ballot was delivered to the post office or other carrier, the date the ballot was received by the supervisor, and such other information he or she may deem necessary. This information shall be provided in electronic format as provided by rule adopted by the division. The information shall be updated and made available no later than 8 a.m. of each day, including weekends, beginning 60 days before the primary until 15 days after the general election and shall be contemporaneously provided to the division. This information shall be confidential and exempt from the provisions of s. 119.07(1) and shall be made available to or reproduced only for the voter requesting the ballot, a canvassing board, an election official, a political party or official thereof, a candidate who has filed qualification papers and is opposed in an upcoming election, and registered political committees or registered committees of continuous existence, for political purposes only.

(4)(a) No later than 45 days before each presidential preference primary election, primary election, and general election, the supervisor of elections shall send an absentee ballot as provided in subparagraph (c)2. to each absent uniformed services voter and to each overseas voter who has requested an absentee ballot.

(b) The supervisor of elections shall mail an absentee ballot to each absent qualified voter, other than those listed in paragraph (a), who has requested such a ballot, between the 35th and 28th days before the presidential preference primary election, primary election, and general election. Except as otherwise provided in subsection (2) and after the period described in this paragraph, the supervisor shall mail absentee ballots within 2 business days after receiving a request for such a ballot.

(c) The supervisor shall provide an absentee ballot to each elector by whom a request for that ballot has been made by one of the following means:

1. By nonforwardable, return-if-undeliverable mail to the elector's current mailing address on file with the supervisor or any other address the elector specifies in the request.

2. By forwardable mail, e-mail, or facsimile machine transmission to absent uniformed services voters and

overseas voters. The absent uniformed services voter or overseas voter may designate in the absentee ballot request the preferred method of transmission. If the voter does not designate the method of transmission, the absentee ballot shall be mailed.

3. By personal delivery before 7 p.m. on election day to the elector, upon presentation of the identification required in s. 101.043.

4. By delivery to a designee on election day or up to 5 days prior to the day of an election. Any elector may designate in writing a person to pick up the ballot for the elector; however, the person designated may not pick up more than two absentee ballots per election, other than the designee's own ballot, except that additional ballots may be picked up for members of the designee's immediate family. For purposes of this section, "immediate family" means the designee's spouse or the parent, child, grandparent, or sibling of the designee or of the designee's spouse. The designee shall provide to the supervisor the written authorization by the elector and a picture identification of the designee and must complete an affidavit. The designee shall state in the affidavit that the designee is authorized by the elector to pick up that ballot and shall indicate if the elector is a member of the designee's immediate family and, if so, the relationship. The department shall prescribe the form of the affidavit. If the supervisor is satisfied that the designee is authorized to pick up the ballot and that the signature of the elector on the written authorization matches the signature of the elector on file, the supervisor shall give the ballot to that designee for delivery to the elector.

(5) If the department is unable to certify candidates for an election in time to comply with paragraph (4)(a), the Department of State is authorized to prescribe rules for a ballot to be sent to absent uniformed services voters and overseas voters.

(6) Nothing other than the materials necessary to vote absentee shall be mailed or delivered with any absentee ballot.

(1) The supervisor shall enclose with each absentee ballot two envelopes: a secrecy envelope, into which the absent elector shall enclose his or her marked ballot; and a mailing envelope, into which the absent elector shall then place the secrecy envelope, which shall be addressed to the supervisor and also bear on the back side a certificate in substantially the following form:

Note: Please Read Instructions Carefully Before Marking Ballot and Completing Voter's Certificate.

### VOTER'S CERTIFICATE

I, \_\_\_\_\_, do solemnly swear or affirm that I am a qualified and registered voter of \_\_\_\_\_ County, Florida, and that I have not and will not vote more than one ballot in this election. I understand that if I commit or attempt to commit any fraud in connection with voting, vote a fraudulent ballot, or vote more than once in an election, I can be convicted of a felony of the third degree and fined up to \$5,000 and/or imprisoned for up to 5 years. (2) The certificate shall be arranged on the back of the mailing envelope so that the line for the signature of the absent elector is across the seal of the envelope; however, no statement shall appear on the envelope which indicates that a signature of the voter must cross the seal of the envelope. The absent elector shall execute the certificate on the envelope.

(3) In lieu of the voter's certificate provided in this section, the supervisor of elections shall provide each person voting absentee under the Uniformed and Overseas Citizens Absentee Voting Act with the standard oath prescribed by the presidential designee.

**Note.**—Former s. 101.04.

**101.65 Instructions to absent electors.**—The supervisor shall enclose with each absentee ballot separate printed instructions in substantially the following form:

**READ THESE INSTRUCTIONS CAREFULLY BEFORE MARKING BALLOT.**

1. **VERY IMPORTANT.** In order to ensure that your absentee ballot will be counted, it should be completed and returned as soon as possible so that it can reach the supervisor of elections of the county in which your precinct is located no later than 7 p.m. on the day of the election.

2. Mark your ballot in secret as instructed on the ballot. You must mark your own ballot unless you are unable to do so because of blindness, disability, or inability to read or write.

3. Mark only the number of candidates or issue choices for a race as indicated on the ballot. If you are allowed to "Vote One" candidate and you vote for more than one candidate, your vote in that race will not be counted.

4. Place your marked ballot in the enclosed secrecy envelope.

5. Insert the secrecy envelope into the enclosed mailing envelope which is addressed to the supervisor.

6. Seal the mailing envelope and completely fill out the Voter's Certificate on the back of the mailing envelope.

7. **VERY IMPORTANT.** In order for your absentee ballot to be counted, you must sign your name on the line above (Voter's Signature). An absentee ballot will be considered illegal and not be counted if the signature on the voter's certificate does not match the signature on record. The signature on file at the start of the canvassing of the absentee ballots is the signature that will be used to verify your signature on the voter's certificate. If you need to update your signature for this election, send your signature update on a voter registration application to your supervisor of elections so that it is received no later than the start of the canvassing of absentee ballots, which occurs no earlier than the 15th day before election day.

8. **VERY IMPORTANT.** If you are an overseas voter, you must include the date you signed the Voter's Certificate on the line above (Date) or your ballot may not be counted.

9. Mail, deliver, or have delivered the completed mailing envelope. Be sure there is sufficient postage if mailed.

10. **FELONY NOTICE.** It is a felony under Florida law to accept any gift, payment, or gratuity in exchange for your vote for a candidate. It is also a felony under Florida law to vote in an election using a false identity or false address, or under any other circumstances making your ballot false or fraudulent.

**Note.**—Former s. 101.05.

**101.655 Supervised voting by absent electors in certain facilities.**—

(1) The supervisor of elections of a county shall provide supervised voting for absent electors residing in any assisted living facility, as defined in s. 429.02, or nursing home facility, as defined in s. 400.021, within that county at the request of any administrator of such a facility. Such request for supervised voting in the facility shall be made by submitting a written request to the supervisor of elections no later than 21 days prior to the election for which that request is submitted. The request shall specify the name and address of the facility and the name of the electors who wish to vote absentee in that election. If the request contains the names of fewer than five voters, the supervisor of elections is not required to provide supervised voting.

(2) The supervisor of elections may, in the absence of a request from the administrator of a facility, provide for supervised voting in the facility for those persons who have requested absentee ballots. The supervisor of elections shall notify the administrator of the facility that supervised voting will occur.

(3) The supervisor of elections shall, in cooperation with the administrator of the facility, select a date and time when the supervised voting will occur.

(4) The supervisor of elections shall designate supervised voting teams to provide the services prescribed by this section. Each supervised voting team shall include at least two persons. Each supervised voting team must include representatives of more than one political party; however, in any primary election to nominate party nominees in which only one party has candidates appearing on the ballot, all supervised voting team members may be of that party. No candidate may provide supervised voting services.

(5) The supervised voting team shall deliver the ballots to the respective absent electors, and each member of the team shall jointly supervise the voting of the ballots. If any elector requests assistance in voting, the oath prescribed in s. 101.051 shall be completed and the elector may receive the assistance of two members of the supervised voting team or some other person of the elector's choice to assist the elector in casting the elector's ballot.

(6) Before providing assistance, the supervised voting team shall disclose to the elector that the ballot may be retained to vote at a later time and that the elector has the right to seek assistance in voting from some other person of the elector's choice without the presence of the supervised voting team.

(7) If any elector declines to vote a ballot or is unable to vote a ballot, the supervised voting team shall mark the ballot "refused to vote" or "unable to vote."

(8) After the ballots have been voted or marked in accordance with the provisions of this section, the supervised voting team shall deliver the ballots to the supervisor of elections, who shall retain them pursuant to s. 101.67.

History.—s. 6, ch. 96-57; s. 5, ch. 2006-197.

#### **101.657 Early voting.—**

(1)(a) As a convenience to the voter, the supervisor of elections shall allow an elector to vote early in the main or branch office of the supervisor. The supervisor shall mark, code, indicate on, or otherwise track the voter's precinct for each early voted ballot. In order for a branch office to be used for early voting, it shall be a permanent facility of the supervisor and shall have been designated and used as such for at least 1 year prior to the election. The supervisor may also designate any city hall or permanent public library facility as early voting sites; however, if so designated, the sites must be geographically located so as to provide all voters in the county an equal opportunity to cast a ballot, insofar as is practicable. The results or tabulation of votes cast during early voting may not be made before the close of the polls on election day. Results shall be reported by precinct.

(b) The supervisor shall designate each early voting site by no later than the 30th day prior to an election and shall designate an early voting area, as defined in s. 97.021, at each early voting site. The supervisor shall provide to the division no later than the 30th day before an election the address of each early voting site and the hours that early voting will occur at each site.

(c) All early voting sites in a county shall allow any person in line at the closing of an early voting site to vote.

(d) Early voting shall begin on the 10th day before an election that contains state or federal races and end on the 3rd day before the election, and shall be provided for no less than 6 hours and no more than 12 hours per day at each site during the applicable period. The supervisor of elections may provide early voting for elections that are not held in conjunction with a state or federal election. However, the supervisor has the discretion to determine the hours of operation of early voting sites in those elections.

(e) Notwithstanding the requirements of s. 100.3605, municipalities may provide early voting in municipal elections that are not held in conjunction with county or state elections. If a municipality provides early voting, it may designate as many sites as necessary and shall conduct its activities in accordance with the provisions of paragraphs (a)-(c). The supervisor is not required to conduct early voting if it is provided pursuant to this subsection.

(f) Notwithstanding the requirements of s. 189.405, special districts may provide early voting in any district election not held in conjunction with county or state elections. If a special district provides early voting, it may designate as many sites as necessary and shall conduct its activities in accordance with the provisions of paragraphs (a)-(c). The supervisor is not required to conduct early voting if it is provided pursuant to this subsection.

(2) During any early voting period, each supervisor of elections shall make available the total number of voters casting a ballot at each early voting location during the previous day. Each supervisor shall prepare an electronic data file listing the individual voters who cast a ballot during the early voting period. This information shall be provided in electronic format as provided by rule adopted by the division. The information shall be updated and made available no later than noon of each day and shall be contemporaneously provided to the division.

(3) The ballot of each elector voting early shall be counted even if the elector dies on or before election day.

(4)(a) The elector must provide identification and must complete an Early Voting Voter Certificate in substantially the following form:

#### EARLY VOTING VOTER CERTIFICATE

I, \_\_\_\_\_, am a qualified elector in this election and registered voter of \_\_\_\_\_ County, Florida. I do solemnly swear or affirm that I am the person so listed on the voter registration rolls of \_\_\_\_\_ County and that I reside at the listed address. **101.662 Accessibility of absentee ballots.**—It is the intent of the Legislature that voting by absentee ballot be by methods that are fully accessible to all voters, including voters having a disability. The Department of State shall work with the supervisors of elections and the disability community to develop and implement procedures and technologies, as possible, which will include procedures for providing absentee ballots, upon request, in alternative formats that will allow all voters to cast a secret, independent, and verifiable absentee ballot without the assistance of another person.

**History.**—s. 14, ch. 2002-281.

**101.663 Electors; change of residence to another state.**—An elector registered in this state who moves his or her permanent residence to another state after the registration books in that state have closed shall be permitted to vote absentee in the county of his or her former residence for the offices of President and Vice President of the United States.

**101.665 Administration of oaths; military personnel, federal employees, and other absentee registrants.**—For the purposes of this code, oaths may be administered and attested by any commissioned officer in the active service of the Armed Forces, any member of the Merchant Marine of the United States designated for this purpose by the Secretary of Commerce, any civilian official empowered by state or federal law to administer oaths, any supervisor of elections, deputy supervisor of elections, or employee of the supervisor of elections when designated by the supervisor of elections, or any civilian employee

designated by the head of any department or agency of the United States, except when this code requires an oath to be administered and attested by another official specifically named.

**101.67 Safekeeping of mailed ballots; deadline for receiving absentee ballots.**—

(1) The supervisor of elections shall safely keep in his or her office any envelopes received containing marked ballots of absent electors, and he or she shall, before the canvassing of the election returns, deliver the envelopes to the county canvassing board along with his or her file or list kept regarding said ballots.

(2) All marked absent electors' ballots to be counted must be received by the supervisor by 7 p.m. the day of the election. All ballots received thereafter shall be marked with the time and date of receipt and filed in the supervisor's office.

**History.**—s. 2, ch. 11824, 1927; CGL 436; s. 1, ch. 25385, 1949; s. 5, ch. 26870, 1951; s. 24, ch. 29934, 1955; s. 24, ch. 57-1; s. 35, ch. 65-380; s. 5, ch. 71-149; s. 23, ch. 77-175; s. 590, ch. 95-147.

**Note.**—Former s. 101.07.

**101.68 Canvassing of absentee ballot.**—

(1) The supervisor of the county where the absent elector resides shall receive the voted ballot, at which time the supervisor shall compare the signature of the elector on the voter's certificate with the signature of the elector in the registration books to determine whether the elector is duly registered in the county and may record on the elector's registration certificate that the elector has voted. However, effective July 1, 2005, an elector who dies after casting an absentee ballot but on or before election day shall remain listed in the registration books until the results have been certified for the election in which the ballot was cast. The supervisor shall safely keep the ballot unopened in his or her office until the county canvassing board canvasses the vote. After an absentee ballot is received by the supervisor, the ballot is deemed to have been cast, and changes or additions may not be made to the voter's certificate.

(2)(a) The county canvassing board may begin the canvassing of absentee ballots at 7 a.m. on the 15th day before the election, but not later than noon on the day following the election. In addition, for any county using electronic tabulating equipment, the processing of absentee ballots through such tabulating equipment may begin at 7 a.m. on the 15th day before the election. However, notwithstanding any such authorization to begin canvassing or otherwise processing absentee ballots early, no result shall be released until after the closing of the polls in that county on election day. Any supervisor of elections, deputy supervisor of elections, canvassing board member, election board member, or election employee who releases the results of a canvassing or processing of absentee ballots prior to the closing of the polls in that county on election day commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(b) To ensure that all absentee ballots to be counted by the canvassing board are accounted for, the

canvassing board shall compare the number of ballots in its possession with the number of requests for ballots received to be counted according to the supervisor's file or list.

(c)1. The canvassing board shall, if the supervisor has not already done so, compare the signature of the elector on the voter's certificate with the signature of the elector in the registration books to see that the elector is duly registered in the county and to determine the legality of that absentee ballot. The ballot of an elector who casts an absentee ballot shall be counted even if the elector dies on or before election day, as long as, prior to the death of the voter, the ballot was postmarked by the United States Postal Service, date-stamped with a verifiable tracking number by common carrier, or already in the possession of the supervisor of elections. An absentee ballot shall be considered illegal if it does not include the signature of the elector, as shown by the registration records. However, an absentee ballot shall not be considered illegal if the signature of the elector does not cross the seal of the mailing envelope. If the canvassing board determines that any ballot is illegal, a member of the board shall, without opening the envelope, mark across the face of the envelope: "rejected as illegal." The envelope and the ballot contained therein shall be preserved in the manner that official ballots voted are preserved.

2. If any elector or candidate present believes that an absentee ballot is illegal due to a defect apparent on the voter's certificate, he or she may, at any time before the ballot is removed from the envelope, file with the canvassing board a protest against the canvass of that ballot, specifying the precinct, the ballot, and the reason he or she believes the ballot to be illegal. A challenge based upon a defect in the voter's certificate may not be accepted after the ballot has been removed from the mailing envelope.

(d) The canvassing board shall record the ballot upon the proper record, unless the ballot has been previously recorded by the supervisor. The mailing envelopes shall be opened and the secrecy envelopes shall be mixed so as to make it impossible to determine which secrecy envelope came out of which signed mailing envelope; however, in any county in which an electronic or electromechanical voting system is used, the ballots may be sorted by ballot styles and the mailing envelopes may be opened and the secrecy envelopes mixed separately for each ballot style. The votes on absentee ballots shall be included in the total vote of the county.

(3) The supervisor or the chair of the county canvassing board shall, after the board convenes, have custody of the absentee ballots until a final proclamation is made as to the total vote received by each candidate.

(4) The supervisor of elections shall, on behalf of the county canvassing board, notify each elector whose ballot was rejected as illegal because of a difference between the elector's signature on the ballot and that on the elector's voter registration record. The supervisor shall mail a voter registration application to the elector to be completed indicating the elector's current signature. This section does not prohibit the supervisor from

providing additional methods for updating an elector's signature.

**101.69 Voting in person; return of absentee ballot.**—The provisions of this code shall not be construed to prohibit any elector from voting in person at the elector's precinct on the day of an election or at an early voting site, notwithstanding that the elector has requested an absentee ballot for that election. An elector who has returned a voted absentee ballot to the supervisor, however, is deemed to have cast his or her ballot and is not entitled to vote another ballot or to have a provisional ballot counted by the county canvassing board. An elector who has received an absentee ballot and has not returned the voted ballot to the supervisor, but desires to vote in person, shall return the ballot, whether voted or not, to the election board in the elector's precinct or to an early voting site. The returned ballot shall be marked "canceled" by the board and placed with other canceled ballots. However, if the elector does not return the ballot and the election official:

(1) Confirms that the supervisor has received the elector's absentee ballot, the elector shall not be allowed to vote in person. If the elector maintains that he or she has not returned the absentee ballot or remains eligible to vote, the elector shall be provided a provisional ballot as provided in s. 101.048.

(2) Confirms that the supervisor has not received the elector's absentee ballot, the elector shall be allowed to vote in person as provided in this code. The elector's absentee ballot, if subsequently received, shall not be counted and shall remain in the mailing envelope, and the envelope shall be marked "Rejected as Illegal."

(3) Cannot determine whether the supervisor has received the elector's absentee ballot, the elector may vote a provisional ballot as provided in s. 101.048.

**101.6921 Delivery of special absentee ballot to certain first-time voters.**—

(1) The provisions of this section apply to voters who are subject to the provisions of s. 97.0535 and who have not provided the identification or certification required by s. 97.0535 by the time the absentee ballot is mailed.

(2) The supervisor shall enclose with each absentee ballot three envelopes: a secrecy envelope, into which the absent elector will enclose his or her marked ballot; an envelope containing the Voter's Certificate, into which the absent elector shall place the secrecy envelope; and a mailing envelope, which shall be addressed to the supervisor and into which the absent elector will place the envelope containing the Voter's Certificate and a copy of the required identification.

(3) The Voter's Certificate shall be in substantially the following form:

#### 101.6923 Special absentee ballot instructions for certain first-time voters.—

(1) The provisions of this section apply to voters who are subject to the provisions of s. 97.0535 and who have not provided the identification or information required by s. 97.0535 by the time the absentee ballot is mailed.

(2) A voter covered by this section shall be provided with printed instructions with his or her absentee ballot in substantially the following form:

**READ THESE INSTRUCTIONS CAREFULLY BEFORE MARKING YOUR BALLOT. FAILURE TO FOLLOW THESE INSTRUCTIONS MAY CAUSE YOUR BALLOT NOT TO COUNT.**

1. In order to ensure that your absentee ballot will be counted, it should be completed and returned as soon as possible so that it can reach the supervisor of elections of the county in which your precinct is located no later than 7 p.m. on the date of the election.

2. Mark your ballot in secret as instructed on the ballot. You must mark your own ballot unless you are unable to do so because of blindness, disability, or inability to read or write.

3. Mark only the number of candidates or issue choices for a race as indicated on the ballot. If you are allowed to "Vote for One" candidate and you vote for more than one, your vote in that race will not be counted.

4. Place your marked ballot in the enclosed secrecy envelope and seal the envelope.

5. Insert the secrecy envelope into the enclosed envelope bearing the Voter's Certificate. Seal the envelope and completely fill out the Voter's Certificate on the back of the envelope.

a. You must sign your name on the line above (Voter's Signature).

b. If you are an overseas voter, you must include the date you signed the Voter's Certificate on the line above (Date) or your ballot may not be counted.

c. An absentee ballot will be considered illegal and will not be counted if the signature on the Voter's Certificate does not match the signature on record. The signature on file at the start of the canvass of the absentee ballots is the signature that will be used to verify your signature on the Voter's Certificate. If you need to update your signature for this election, send your signature update on a voter registration application to your supervisor of elections so that it is received no later than the start of canvassing of absentee ballots, which occurs no earlier than the 15th day before election day.

6. Unless you meet one of the exemptions in Item 7., you must make a copy of one of the following forms of identification:

a. Identification which must include your name and photograph: United States passport; debit or credit card; military identification; student identification; retirement center identification; neighborhood association identification; or public assistance identification; or

b. Identification which shows your name and current residence address: current utility bill, bank statement, government check, paycheck, or government document (excluding voter identification card).

7. The identification requirements of Item 6. do not apply if you meet one of the following requirements:

a. You are 65 years of age or older.

b. You have a temporary or permanent physical disability.

c. You are a member of a uniformed service on active duty who, by reason of such active duty, will be absent from the county on election day.

d. You are a member of the Merchant Marine who, by reason of service in the Merchant Marine, will be absent from the county on election day.

e. You are the spouse or dependent of a member referred to in paragraph c. or paragraph d. who, by reason of the active duty or service of the member, will be absent from the county on election day.

f. You are currently residing outside the United States.

8. Place the envelope bearing the Voter's Certificate into the mailing envelope addressed to the supervisor. Insert a copy of your identification in the mailing

envelope. DO NOT PUT YOUR IDENTIFICATION INSIDE THE SECRECY ENVELOPE WITH THE BALLOT OR INSIDE THE ENVELOPE WHICH BEARS THE VOTER'S CERTIFICATE OR YOUR BALLOT WILL NOT COUNT.

9. Mail, deliver, or have delivered the completed mailing envelope. Be sure there is sufficient postage if mailed.

10. **FELONY NOTICE.** It is a felony under Florida law to accept any gift, payment, or gratuity in exchange for your vote for a candidate. It is also a felony under Florida law to vote in an election using a false identity or false address, or under any other circumstances making your ballot false or fraudulent.

#### **101.6925 Canvassing special absentee ballots.**

(1) The supervisor of the county where the absent elector resides shall receive the voted special absentee ballot, at which time the mailing envelope shall be opened to determine if the voter has enclosed the identification required or has indicated on the Voter's Certificate that he or she is exempt from the identification requirements.

(2) If the identification is enclosed or the voter has indicated that he or she is exempt from the identification requirements, the supervisor shall make the note on the registration records of the voter and proceed to canvass the absentee ballot as provided in s. 101.68.

(3) If the identification is not enclosed in the mailing envelope and the voter has not indicated that he or she is exempt from the identification requirements, the supervisor shall check the voter registration records to determine if the voter's identification was previously received or the voter had previously notified the supervisor that he or she was exempt. The envelope with the Voter's Certificate shall not be opened unless the identification has been received or the voter has indicated that he or she is exempt. The ballot shall be treated as a provisional ballot until 7 p.m. on election day and shall not be canvassed unless the supervisor has received the required identification or written indication of exemption by 7 p.m. on election day.

**History.**—s. 24, ch. 2003-415.

#### **101.694 Mailing of ballots upon receipt of federal postcard application.—**

(1) Upon receipt of a federal postcard application for an absentee ballot executed by a person whose registration is in order or whose application is sufficient to register or update the registration of that person, the supervisor shall send the ballot in accordance with s. 101.62(4).

(2) Upon receipt of a federal postcard application for an absentee ballot executed by a person whose registration is not in order and whose application is insufficient to register or update the registration of that person, the supervisor shall follow the procedure set forth in s. 97.073.

(3) Absentee envelopes printed for voters entitled to vote absentee under the Uniformed and Overseas Citizens Absentee Voting Act shall meet the specifications as determined by the Federal Voting Assistance

Program of the United States Department of Defense and the United States Postal Service.

(4) Cognizance shall be taken of the fact that absentee ballots and other materials such as instructions and envelopes are to be carried via air mail, and, to the maximum extent possible, such ballots and materials shall be reduced in size and weight of paper. The same ballot shall be used, however, as is used by other absentee voters.

#### **101.6951 State write-in ballot.—**

(1) An overseas voter may request, not earlier than 180 days before a general election, a state write-in absentee ballot from the supervisor of elections in the county of registration. In order to receive a state write-in ballot, the voter shall state that due to military or other contingencies that preclude normal mail delivery, the voter cannot vote an absentee ballot during the normal absentee voting period. State write-in absentee ballots shall be made available to voters 90 to 180 days prior to a general election. The Department of State shall prescribe by rule the form of the state write-in ballot.

(2) In completing the ballot, the overseas voter may designate his or her choice by writing in the name of the candidate or by writing in the name of a political party, in which case the ballot must be counted for the candidate of that political party, if there is such a party candidate on the ballot.

(3) Any abbreviation, misspelling, or other minor variation in the form of the name of a candidate or a political party must be disregarded in determining the validity of the ballot if there is a clear indication on the ballot that the voter has made a definite choice.

(4) The state write-in ballot shall contain all offices, federal, state, and local, for which the voter would otherwise be entitled to vote.

**History.**—s. 48, ch. 2001-40.

#### **101.6952 Absentee ballots for absent uniformed services and overseas voters.—**

(1) If an absent uniformed services voter's or an overseas voter's request for an official absentee ballot pursuant to s. 101.62 includes an e-mail address, the supervisor of elections shall:

(a) Record the voter's e-mail address in the absentee ballot record;

(b) Confirm by e-mail that the absentee ballot request was received and include in that e-mail the estimated date the absentee ballot will be sent to the voter; and

(c) Notify the voter by e-mail when the voted absentee ballot is received by the supervisor of elections.

(2)(a) An absent uniformed services voter or an overseas voter who makes timely application for but does not receive an official absentee ballot may use the federal write-in absentee ballot to vote in any federal election and any state or local election involving two or more candidates.

(b)1. In an election for federal office, an elector may designate a candidate by writing the name of a

candidate on the ballot. Except for a primary or special primary election, the elector may alternatively designate a candidate by writing the name of a political party on the ballot. A written designation of the political party shall be counted as a vote for the candidate of that party if there is such a party candidate in the race.

2. In an election for a state or local office, an elector may vote in the section of the federal write-in absentee ballot designated for nonfederal races by writing on the ballot the title of each office and by writing on the ballot the name of the candidate for whom the elector is voting. Except for a primary, special primary, or non-partisan election, the elector may alternatively designate a candidate by writing the name of a political party on the ballot. A written designation of the political party shall be counted as a vote for the candidate of that party if there is such a party candidate in the race.

(c) In the case of a joint candidacy, such as for the offices of President/Vice President or Governor/Lieutenant Governor, a valid vote for one or both qualified candidates on the same ticket shall constitute a vote for the joint candidacy.

(d) For purposes of this subsection and except where the context clearly indicates otherwise, such as where a candidate in the election is affiliated with a political party whose name includes the word "Independent," "Independence," or similar term, a voter designation of "No Party Affiliation" or "Independent," or any minor variation, misspelling, or abbreviation thereof, shall be considered a designation for the candidate, other than a write-in candidate, who qualified to run in the race with no party affiliation. If more than one candidate qualifies to run as a candidate with no party affiliation, the designation shall not count for any candidate unless there is a valid, additional designation of the candidate's name.

(e) Any abbreviation, misspelling, or other minor variation in the form of the name of an office, the name of a candidate, or the name of a political party must be disregarded in determining the validity of the ballot.

(3)(a) An absent uniformed services voter or an overseas voter who submits a federal write-in absentee ballot and later receives an official absentee ballot may submit the official absentee ballot. An elector who submits a federal write-in absentee ballot and later receives and submits an official absentee ballot should make every reasonable effort to inform the appropriate supervisor of elections that the elector has submitted more than one ballot.

(b) A federal write-in absentee ballot may not be canvassed until 7 p.m. on the day of the election. Each federal write-in absentee ballot received by 7 p.m. on the day of the election shall be canvassed pursuant to ss. 101.5614(5) and 101.68, unless the elector's official absentee ballot is received by 7 p.m. on election day. If the elector's official absentee ballot is received by 7 p.m. on election day, the federal write-in absentee ballot is invalid and the official absentee ballot shall be canvassed. The time shall be regulated by the customary time in standard use in the county seat of the locality.

(4) For absentee ballots received from absent uniformed services voters or overseas voters, there is a

presumption that the envelope was mailed on the date stated on the outside of the return envelope, regardless of the absence of a postmark on the mailed envelope or the existence of a postmark date that is later than the date of the election.

**101.697 Electronic transmission of election materials.**—The Department of State shall determine whether secure electronic means can be established for receiving ballots from overseas voters. If such security can be established, the department shall adopt rules to authorize a supervisor of elections to accept from an overseas voter a request for an absentee ballot or a voted absentee ballot by secure facsimile machine transmission or other secure electronic means. The rules must provide that in order to accept a voted ballot, the verification of the voter must be established, the security of the transmission must be established, and each ballot received must be recorded.

*History.*—s. 50, ch. 2001-40; s. 51, ch. 2005-277.

**101.698 Absentee voting in emergency situations.**—If a national or local emergency or other situation arises which makes substantial compliance with the provisions of state or federal law relating to the methods of voting for overseas voters impossible or unreasonable, such as an armed conflict involving United States Armed Forces or mobilization of those forces, including state National Guard and reserve components, the Elections Canvassing Commission may adopt by emergency rules such special procedures or requirements necessary to facilitate absentee voting by those persons directly affected who are otherwise eligible to vote in the election.

*History.*—s. 51, ch. 2001-40.

**101.71 Polling place.—**

(1) There shall be in each precinct in each county one polling place which shall be accessible to the public on election day and is managed by a board of inspectors and clerk of election. Only one elector shall be allowed to enter any voting booth at a time; no one except inspectors shall be allowed to speak to the elector while casting his or her vote; and no inspector shall speak to or interfere with the elector concerning his or her voting, except to perform the duties as such inspector. Notwithstanding any other provision of this chapter, this section shall be applicable where the computer method of voting is in use, and adequate provision shall be made for the privacy of the elector while casting his or her vote.

(2) Notwithstanding the provisions of subsection (1), whenever the supervisor of elections of any county determines that the accommodations for holding any election at a polling place designated for any precinct in the county are unavailable, are inadequate for the expeditious and efficient housing and handling of voting and voting paraphernalia, or do not comply with the requirements of s. 101.715, the supervisor shall, not less than 30 days prior to the holding of an election, provide for the voting place for such precinct to be moved to another site that is accessible to the public on

election day in said precinct or, if such is not available, to another site that is accessible to the public on election day in a contiguous precinct. If such action of the supervisor results in the voting place for two or more precincts being located for the purposes of an election in one building, the supervisor of elections shall provide adequate supplies, equipment, and personnel are available to accommodate the voters for the precincts that are collocated. When any supervisor moves any polling place pursuant to this subsection, the supervisor shall, not more than 30 days or fewer than 7 days prior to the holding of an election, give notice of the change of the polling place for the precinct involved, with clear description of the voting place to which changed, at least once in a newspaper of general circulation in the county and on the supervisor of elections' website. A notice of the change of the polling place involved shall be mailed, at least 14 days prior to an election, to each registered elector or to each household in which there is a registered elector.

(3) In cases of emergency and when time does not permit compliance with subsection (2), the supervisor of elections shall designate a new polling place which shall be accessible to the public on election day and shall cause a notice to be posted at the old polling place advising the electors of the location of the new polling place.

(4) Each polling place shall be conspicuously identified by a sign, on or near the premises of the polling place, designating the polling place by precinct number. Such sign shall be large enough to be clearly visible to occupants of passing vehicular traffic on roadways contiguous to the polling place, with letters no smaller than 3 inches high, and shall be displayed at all times while the polls are open on any election day.

(5) Public, tax-supported buildings shall be made available for use as polling places upon the request of the supervisor of elections.

The clerk shall be in charge of, and responsible for, seeing that the election board carries out its duties and responsibilities. Each inspector and each clerk shall take and subscribe to an oath or affirmation, which shall be written or printed, to the effect that he or she will perform the duties of inspector or clerk of election, respectively, according to law and will endeavor to prevent all fraud, deceit, or abuse in conducting the election. The oath may be taken before an officer authorized to administer oaths or before any of the persons who are to act as inspectors, one of them to swear the others, and one of the others sworn thus, in turn, to administer the oath to the one who has not been sworn. The oaths shall be returned with the poll list and the returns of the election to the supervisor. In all questions that may arise before the members of an election board, the decision of a majority of them shall decide the question. The supervisor of elections of each county shall be responsible for the attendance and

diligent performance of his or her duties by each clerk and inspector.

(b) If two or more precincts share the same building and voting place, the supervisor of elections may appoint one election board for the collocated precincts. The supervisor shall provide that a sufficient number of poll workers are appointed to adequately handle the processing of the voters in the collocated precincts.

(2) Each member of the election board shall be able to read and write the English language and shall be a registered qualified elector of the county in which the member is appointed or a person who has preregistered to vote, pursuant to s. 97.041(1)(b), in the county in which the member is appointed. No election board shall be composed solely of members of one political party; however, in any primary in which only one party has candidates appearing on the ballot, all clerks and inspectors may be of that party. Any person whose name appears as an opposed candidate for any office shall not be eligible to serve on an election board.

(3) The supervisor shall furnish inspectors of election for each precinct with the list of registered voters for that precinct. The supervisor shall also furnish to the inspectors of election at the polling place at each precinct in the supervisor's county a sufficient number of forms and blanks for use on election day.

(4) The election board of each precinct shall attend the polling place by 6 a.m. of the day of the election and shall arrange the furniture, stationery, and voting equipment. The election board shall conduct the voting, beginning and closing at the time set forth in s. 100.011.

A certificate may be issued by the supervisor of elections to each person completing such training. No person shall serve as an inspector, clerk, or deputy sheriff for an election unless such person has completed the training as required. Each supervisor of elections shall ensure that the manual is available in hard copy or electronic form in every polling place. The manual shall guide inspectors, clerks, and deputy sheriffs in the proper implementation of election procedures and laws. The manual shall be indexed by subject, and written in plain, clear, unambiguous language. The manual shall provide specific examples of common problems encountered at the polls and detail specific procedures for resolving those problems. The manual shall include, without limitation:

The supervisor of elections shall contract with a

recognized disability-related organization, such as a center for independent living, family network on disabilities, deaf service bureau, or other such organization, to develop and assist with training the trainers in the disability sensitivity programs. The program must include actual demonstrations of obstacles confronted by disabled persons during the voting process, including obtaining access to the polling place, traveling through the polling area, and using the voting system.

**102.121 Elections Canvassing Commission to issue certificates.**—The Elections Canvassing Commission shall make and sign separate certificates of the result of the election for federal and state officers, which certificates shall be written and contain the total number of votes cast for each person for each office. **102.131 Returns before canvassing commission.**—If any returns shall appear to be irregular or false so that the Elections Canvassing Commission is unable to determine the true vote for any office, nomination, constitutional amendment, or other measure presented to the electors, the commission shall so certify and shall not include the returns in its determination, canvass, and declaration. The Elections Canvassing Commission in determining the true vote shall not have authority to look beyond the county returns. The Department of State shall file in its office all the returns, together with other documents and papers received by it or the commission. The commission shall canvass the returns for presidential electors and representatives to Congress separately from their canvass of returns for state officers.

**102.141 County canvassing board; duties.**—

(1) The county canvassing board shall be composed of the supervisor of elections; a county court judge, who shall act as chair; and the chair of the board of county commissioners. In the event any member of the county canvassing board is unable to serve, is a candidate who has opposition in the election being canvassed, or is an active participant in the campaign or candidacy of any candidate who has opposition in the election being canvassed, such member shall be replaced as follows:

(a) If no county court judge is able to serve or if all are disqualified, the chief judge of the judicial circuit in which the county is located shall appoint as a substitute member a qualified elector of the county who is not a candidate with opposition in the election being canvassed and who is not an active participant in the campaign or candidacy of any candidate with opposition in the election being canvassed. In such event, the members of the county canvassing board shall meet and elect a chair.

(b) If the supervisor of elections is unable to serve or is disqualified, the chair of the board of county commissioners shall appoint as a substitute member a member of the board of county commissioners who is not a candidate with opposition in the election being canvassed and who is not an active participant in the campaign or candidacy of any candidate with opposition in the election being canvassed. The supervisor, however, shall act in an advisory capacity to the canvassing board.

(c) If the chair of the board of county commissioners is unable to serve or is disqualified, the board of county commissioners shall appoint as a substitute member one of its members who is not a candidate with opposition in the election being canvassed and who is not an active participant in the campaign or candidacy of any candidate with opposition in the election being canvassed.

(d) If a substitute member cannot be appointed as provided elsewhere in this subsection, the chief judge of the judicial circuit in which the county is located shall appoint as a substitute member a qualified elector of the county who is not a candidate with opposition in the election being canvassed and who is not an active participant in the campaign or candidacy of any candidate with opposition in the election being canvassed.

(2) The county canvassing board shall meet in a building accessible to the public in the county where the election occurred at a time and place to be designated by the supervisor of elections to publicly canvass the absentee electors' ballots as provided for in s. 101.68 and provisional ballots as provided by ss. 101.048, 101.049, and 101.6925. Provisional ballots cast pursuant to s. 101.049 shall be canvassed in a manner that votes for candidates and issues on those ballots can be segregated from other votes. Public notice of the time and place at which the county canvassing board shall meet to canvass the absentee electors' ballots and provisional ballots shall be given at least 48 hours prior thereto by publication on the supervisor of elections' website and once in one or more newspapers of general circulation in the county or, if there is no newspaper of general circulation in the county, by posting such notice in at least four conspicuous places in the county. As soon as the absentee electors' ballots and the provisional ballots are canvassed, the board shall proceed to publicly canvass the vote given each candidate, nominee, constitutional amendment, or other measure submitted to the electorate of the county, as shown by the returns then on file in the office of the supervisor of elections.

(3) The canvass, except the canvass of absentee electors' returns and the canvass of provisional ballots, shall be made from the returns and certificates of the inspectors as signed and filed by them with the supervisor, and the county canvassing board shall not change the number of votes cast for a candidate, nominee, constitutional amendment, or other measure submitted to the electorate of the county, respectively, in any polling place, as shown by the returns. All returns shall be made to the board on or before 2 a.m. of the day following any primary, general, or other election. If the returns from any precinct are missing, if there are any omissions on the returns from any precinct, or if there is an obvious error on any such returns, the canvassing board shall order a retabulation of the returns from such precinct. Before canvassing such returns, the canvassing board shall examine the tabulation of the ballots cast in such precinct and determine whether the returns correctly reflect the votes cast. If there is a discrepancy between the returns and the tabulation of the ballots cast, the tabulation of the ballots cast shall be presumed correct and such votes shall be canvassed accordingly.

(4) The canvassing board shall report all early voting and all tabulated absentee results to the Department of State within 30 minutes after the polls close. Thereafter, the canvassing board shall report, with the exception of provisional ballot results, updated precinct election results to the department at least every 45 minutes until all results are completely reported. The supervisor of elections shall notify the department immediately of any circumstances that do not permit periodic updates as required. Results shall be submitted in a format prescribed by the department.

(5) The canvassing board shall submit on forms or in formats provided by the division unofficial returns to the Department of State for each federal, statewide, state, or multicounty office or ballot measure no later than noon on the third day after any primary election and no later than noon on the fourth day after any general or other election. Such returns shall include the canvass of all ballots as required by subsection (2).

(6) If the county canvassing board determines that the unofficial returns may contain a counting error in which the vote tabulation system failed to count votes that were properly marked in accordance with the instructions on the ballot, the county canvassing board shall:

(a) Correct the error and retabulate the affected ballots with the vote tabulation system; or

(b) Request that the Department of State verify the tabulation software. When the Department of State verifies such software, the department shall compare the software used to tabulate the votes with the software filed with the department pursuant to s. 101.5607 and check the election parameters.

(7) If the unofficial returns reflect that a candidate for any office was defeated or eliminated by one-half of a percent or less of the votes cast for such office, that a candidate for retention to a judicial office was retained or not retained by one-half of a percent or less of the votes cast on the question of retention, or that a measure appearing on the ballot was approved or rejected by one-half of a percent or less of the votes cast on such

measure, a recount shall be ordered of the votes cast with respect to such office or measure. The Secretary of State is responsible for ordering recounts in federal, state, and multicounty races. The county canvassing board or the local board responsible for certifying the election is responsible for ordering recounts in all other races. A recount need not be ordered with respect to the returns for any office, however, if the candidate or candidates defeated or eliminated from contention for such office by one-half of a percent or less of the votes cast for such office request in writing that a recount not be made.

(a) Each canvassing board responsible for conducting a recount shall put each marksense ballot through automatic tabulating equipment and determine whether the returns correctly reflect the votes cast. If any marksense ballot is physically damaged so that it cannot be properly counted by the automatic tabulating equipment during the recount, a true duplicate shall be made of the damaged ballot pursuant to the procedures in s. 101.5614(5). Immediately before the start of the recount, a test of the tabulating equipment shall be conducted as provided in s. 101.5612. If the test indicates no error, the recount tabulation of the ballots cast shall be presumed correct and such votes shall be canvassed accordingly. If an error is detected, the cause therefor shall be ascertained and corrected and the recount repeated, as necessary. The canvassing board shall immediately report the error, along with the cause of the error and the corrective measures being taken, to the Department of State. No later than 11 days after the election, the canvassing board shall file a separate incident report with the Department of State, detailing the resolution of the matter and identifying any measures that will avoid a future recurrence of the error.

(b) Each canvassing board responsible for conducting a recount where touchscreen ballots were used shall examine the counters on the precinct tabulators to ensure that the total of the returns on the precinct tabulators equals the overall election return. If there is a discrepancy between the overall election return and the counters of the precinct tabulators, the counters of the precinct tabulators shall be presumed correct and such votes shall be canvassed accordingly.

(c) The canvassing board shall submit on forms or in formats provided by the division a second set of unofficial returns to the Department of State for each federal, statewide, state, or multicounty office or ballot measure. The returns shall be filed no later than 3 p.m. on the 5th day after any primary election and no later than 3 p.m. on the 9th day after any general election in which a recount was ordered by the Secretary of State. If the canvassing board is unable to complete the recount prescribed in this subsection by the deadline, the second set of unofficial returns submitted by the canvassing board shall be identical to the initial unofficial returns and the submission shall also include a detailed explanation of why it was unable to timely complete the recount. However, the canvassing board shall complete the recount prescribed in this subsection, along with any manual recount prescribed in s. 102.166, and certify election returns in accordance with the requirements of this chapter.

(d) The Department of State shall adopt detailed rules prescribing additional recount procedures for each certified voting system, which shall be uniform to the extent practicable.

(8) The canvassing board may employ such clerical help to assist with the work of the board as it deems necessary, with at least one member of the board present at all times, until the canvass of the returns is completed. The clerical help shall be paid from the same fund as inspectors and other necessary election officials.

(9)(a) At the same time that the official results of an election are certified to the Department of State, the county canvassing board shall file a report with the Division of Elections on the conduct of the election. The report must describe:

1. All equipment or software malfunctions at the precinct level, at a counting location, or within computer and telecommunications networks supporting a county location, and the steps that were taken to address the malfunctions;

2. All election definition errors that were discovered after the logic and accuracy test, and the steps that were taken to address the errors;

3. All ballot printing errors or ballot supply problems, and the steps that were taken to address the errors or problems;

4. All staffing shortages or procedural violations by employees or precinct workers which were addressed by the supervisor of elections or the county canvassing board during the conduct of the election, and the steps that were taken to correct such issues;

5. All instances where needs for staffing or equipment were insufficient to meet the needs of the voters; and

6. Any additional information regarding material issues or problems associated with the conduct of the election.

(b) If a supervisor discovers new or additional information on any of the items required to be included in the report pursuant to paragraph (a) after the report is filed, the supervisor shall notify the division that new information has been discovered no later than the next business day after the discovery, and the supervisor shall file an amended report signed by the supervisor of elections on the conduct of the election within 10 days after the discovery.

(c) Such reports shall be maintained on file in the Division of Elections and shall be available for public inspection. The division shall utilize the reports submitted by the canvassing boards to determine what problems may be likely to occur in other elections and disseminate such information, along with possible solutions, to the supervisors of elections.

(10) The supervisor shall file with the department a copy of or an export file from the results database of the county's voting system and other statistical information as may be required by the department, the Legislature, or the Election Assistance Commission. The department shall adopt rules establishing the required content and acceptable formats for the filings and time for filings.

**102.151 County canvassing board to issue certificates; supervisor to give notice to Department of State.**—The county canvassing board shall make and sign duplicate certificates containing the total number of votes cast for each person nominated or elected, the names of persons for whom such votes were cast, and the number of votes cast for each candidate or nominee. One of such certificates which relates to offices for which the candidates or nominees have been voted for in more than one county shall be immediately transmitted to the Department of State, and the second copy filed in the supervisor's office. The supervisor shall transmit to the Department of State, immediately after the county canvassing board has canvassed the returns of the election, a list containing the names of all county and district officers nominated or elected, the office for which each was nominated or elected, and the mailing address of each.

**102.155 Certificate of election.**—The supervisor shall give to any person the election of whom is certified by the county canvassing board a certificate of the person's election. The Department of State shall give to any person the election of whom is certified by the state canvassing board a certificate of the person's election. The certificate of election which is issued to any person shall be prima facie evidence of the election of such person.

**Note.**—Former s. 99.46.

**102.166 Manual recounts of overvotes and undervotes.**—

(1) If the second set of unofficial returns pursuant to s. 102.141 indicates that a candidate for any office was defeated or eliminated by one-quarter of a percent or less of the votes cast for such office, that a candidate for retention to a judicial office was retained or not retained by one-quarter of a percent or less of the votes cast on the question of retention, or that a measure appearing on the ballot was approved or rejected by one-quarter of a percent or less of the votes cast on such measure, a manual recount of the overvotes and undervotes cast in the entire geographic jurisdiction of such office or ballot measure shall be ordered unless:

(a) The candidate or candidates defeated or eliminated from contention by one-quarter of 1 percent or fewer of the votes cast for such office request in writing that a recount not be made; or

(b) The number of overvotes and undervotes is fewer than the number of votes needed to change the outcome of the election.

The Secretary of State is responsible for ordering a manual recount for federal, state, and multicounty races. The county canvassing board or local board

responsible for certifying the election is responsible for ordering a manual recount for all other races.

(2)(a) Any hardware or software used to identify and sort overvotes and undervotes for a given race or ballot measure must be certified by the Department of State as part of the voting system pursuant to s. 101.015. Any such hardware or software must be capable of simultaneously counting votes.

(b) Overvotes and undervotes shall be identified and sorted while recounting ballots pursuant to s. 102.141, if the hardware or software for this purpose has been certified or the department's rules so provide.

(3) Any manual recount shall be open to the public.

(4)(a) A vote for a candidate or ballot measure shall be counted if there is a clear indication on the ballot that the voter has made a definite choice.

(b) The Department of State shall adopt specific rules for the federal write-in absentee ballot and for each certified voting system prescribing what constitutes a "clear indication on the ballot that the voter has made a definite choice." The rules shall be consistent, to the extent practicable, and may not:

1. Exclusively provide that the voter must properly mark or designate his or her choice on the ballot; or

2. Contain a catch-all provision that fails to identify specific standards, such as "any other mark or indication clearly indicating that the voter has made a definite choice."

(c) The rule for the federal write-in absentee ballot must address, at a minimum, the following issues:

1. The appropriate lines or spaces for designating a candidate choice and, for state and local races, the office to be voted, including the proximity of each to the other and the effect of intervening blank lines.

2. The sufficiency of designating a candidate's first or last name when no other candidate in the race has the same or a similar name.

3. The sufficiency of designating a candidate's first or last name when an opposing candidate has the same or a similar name, notwithstanding generational suffixes and titles such as "Jr.," "Sr.," or "III." The rule should contemplate the sufficiency of additional first names and first initials, middle names and middle initials, generational suffixes and titles, nicknames, and, in general elections, the name or abbreviation of a political party.

4. Candidate designations containing both a qualified candidate's name and a political party, including where the party designated is the candidate's party, is not the candidate's party, has an opposing candidate in the race, or does not have an opposing candidate in the race.

5. Situations where the abbreviation or name of a candidate is the same as the abbreviation or name of a political party to which the candidate does not belong, including where the party designated has another candidate in the race or does not have a candidate in the race.

6. The use of marks, symbols, or language, such as arrows, quotation marks, or the word "same" or "ditto," to indicate that the same political party designation applies to all listed offices.

7. Situations where an elector designates the name of a qualified candidate for an incorrect office.

8. Situations where an elector designates an otherwise correct office name that includes an incorrect district number.

(5) Procedures for a manual recount are as follows:

(a) The county canvassing board shall appoint as many counting teams of at least two electors as is necessary to manually recount the ballots. A counting team must have, when possible, members of at least two political parties. A candidate involved in the race shall not be a member of the counting team.

(b) Each duplicate ballot prepared pursuant to s. 101.5614(5) or s. 102.141(7) shall be compared with the original ballot to ensure the correctness of the duplicate.

(c) If a counting team is unable to determine whether the ballot contains a clear indication that the voter has made a definite choice, the ballot shall be presented to the county canvassing board for a determination.

(d) The Department of State shall adopt detailed rules prescribing additional recount procedures for each certified voting system which shall be uniform to the extent practicable. The rules shall address, at a minimum, the following areas:

1. Security of ballots during the recount process;
2. Time and place of recounts;
3. Public observance of recounts;
4. Objections to ballot determinations;
5. Record of recount proceedings; and
6. Procedures relating to candidate and petitioner representatives.

#### **102.168 Contest of election.—**

(1) Except as provided in s. 102.171, the certification of election or nomination of any person to office, or of the result on any question submitted by referendum, may be contested in the circuit court by any unsuccessful candidate for such office or nomination thereto or by any elector qualified to vote in the election related to such candidacy, or by any taxpayer, respectively.

(2) Such contestant shall file a complaint, together with the fees prescribed in chapter 28, with the clerk of the circuit court within 10 days after midnight of the date the last board responsible for certifying the results officially certifies the results of the election being contested.

(3) The complaint shall set forth the grounds on which the contestant intends to establish his or her right to such office or set aside the result of the election on a submitted referendum. The grounds for contesting an election under this section are:

(a) Misconduct, fraud, or corruption on the part of any election official or any member of the canvassing board sufficient to change or place in doubt the result of the election.

(b) Ineligibility of the successful candidate for the nomination or office in dispute.

(c) Receipt of a number of illegal votes or rejection of a number of legal votes sufficient to change or place in doubt the result of the election.

(d) Proof that any elector, election official, or canvassing board member was given or offered a bribe or reward in money, property, or any other thing of value for the purpose of procuring the successful candidate's nomination or election or determining the result on any question submitted by referendum.

(4) The canvassing board responsible for canvassing the election is an indispensable party defendant in county and local elections. The Elections Canvassing Commission is an indispensable party defendant in federal, state, and multicounty elections and in elections for justice of the Supreme Court, judge of a district court of appeal, and judge of a circuit court. The successful candidate is an indispensable party to any action brought to contest the election or nomination of a candidate.

(5) A statement of the grounds of contest may not be rejected, nor the proceedings dismissed, by the court for any want of form if the grounds of contest provided in the statement are sufficient to clearly inform the defendant of the particular proceeding or cause for which the nomination or election is contested.

(6) A copy of the complaint shall be served upon the defendant and any other person named therein in the same manner as in other civil cases under the laws of this state. Within 10 days after the complaint has been served, the defendant must file an answer admitting or denying the allegations on which the contestant relies or stating that the defendant has no knowledge or information concerning the allegations, which shall be deemed a denial of the allegations, and must state any other defenses, in law or fact, on which the defendant relies. If an answer is not filed within the time prescribed, the defendant may not be granted a hearing in court to assert any claim or objection that is required by this subsection to be stated in an answer.

(7) Any candidate, qualified elector, or taxpayer presenting such a contest to a circuit judge is entitled to an immediate hearing. However, the court in its discretion may limit the time to be consumed in taking testimony, with a view therein to the circumstances of the matter and to the proximity of any succeeding election.

(8) In any contest that requires a review of the canvassing board's decision on the legality of an absentee ballot pursuant to s. 101.68 based upon a comparison of the signature on the voter's certificate and the signature of the elector in the registration records, the circuit court may not review or consider any evidence other than the signature on the voter's certificate and the signature of the elector in the registration records. The court's review of such issue shall be to determine only if the canvassing board abused its discretion in making its decision.

**Note.**—Former s. 104.06; s. 99.192; s. 102.161.

#### **102.1682 Judgment of ouster; revocation of commission; judgment setting aside referendum.**

(1) If the contestant is found to be entitled to the office, if on the findings a judgment to that effect is entered, and if the adverse party has been commissioned or has entered upon the duties thereof or is holding the office, then a judgment of ouster shall be entered against such party. Upon presentation of a certified copy of the judgment of ouster to the Governor, the Governor shall revoke such commission and commission the person found in the judgment to be entitled to the office.

(2) If a judgment is entered setting aside a referendum, the election shall be void.

**Note.**—Former s. 104.08; s. 99.211; s. 102.163.

**102.1685 Venue.**—The venue for contesting a nomination or election or the results of a referendum shall be in the county in which the contestant qualified or in the county in which the question was submitted for referendum or, if the election or referendum covered more than one county, then in Leon County.

**Note.**—Former s. 104.10; s. 99.221; s. 102.164.

**102.171 Contest of election to Legislature.**—The jurisdiction to hear any contest of the election of a member to either house of the Legislature is vested in the applicable house, as each house, pursuant to s. 2, Art. III of the State Constitution, is the sole judge of the qualifications, elections, and returns of its members. Therefore, the certification of election of any person to the office of member of either house of the Legislature may only be contested in the applicable house by an unsuccessful candidate for such office, in accordance with the rules of that house. This section does not apply to any contest of the nomination of any person for the office of member of either house of the Legislature at any primary or special primary election in which only those qualified electors who are registered members of the political party holding such primary election may vote, as provided for in s. 5(b), Art. VI of the State Constitution. This section does apply to any contest of a primary or special primary election for the office of member of either house of the Legislature in which all qualified electors may vote, as provided for in s. 5(b), Art. VI of the State Constitution, and the recipient of the most votes is deemed to be elected according to applicable law.

**Note.**—Former s. 98.07.

**103.021 Nomination for presidential electors.**—Candidates for presidential electors shall be nominated in the following manner:

(1) The Governor shall nominate the presidential electors of each political party. The state executive committee of each political party shall by resolution recommend candidates for presidential electors and deliver a certified copy thereof to the Governor before September 1 of each presidential election year. The Governor shall nominate only the electors recommended by the state executive committee of the respective political party. Each such elector shall be a qualified elector of the party he or she represents who has taken an oath that he or she will vote for the candidates of the party that he or she is nominated to represent. The Governor shall certify to the Department of State on or before September 1, in each presidential election year, the names of a number of electors for each political party equal to the number of senators and representatives which this state has in Congress.

(2) The names of the presidential electors shall not be printed on the general election ballot, but the names

of the actual candidates for President and Vice President for whom the presidential electors will vote if elected shall be printed on the ballot in the order in which the party of which the candidate is a nominee polled the highest number of votes for Governor in the last general election.

(3) Candidates for President and Vice President with no party affiliation may have their names printed on the general election ballots if a petition is signed by 1 percent of the registered electors of this state, as shown by the compilation by the Department of State for the last preceding general election. A separate petition from each county for which signatures are solicited shall be submitted to the supervisor of elections of the respective county no later than July 15 of each presidential election year. The supervisor shall check the names and, on or before the date of the primary election, shall certify the number shown as registered electors of the county. The supervisor shall be paid by the person requesting the certification the cost of checking the petitions as prescribed in s. 99.097. The supervisor shall then forward the certificate to the Department of State which shall determine whether or not the percentage factor required in this section has been met. When the percentage factor required in this section has been met, the Department of State shall order the names of the candidates for whom the petition was circulated to be included on the ballot and shall permit the required number of persons to be certified as electors in the same manner as party candidates.

(4)(a) A minor political party that is affiliated with a national party holding a national convention to nominate candidates for President and Vice President of the United States may have the names of its candidates for President and Vice President of the United States printed on the general election ballot by filing with the Department of State a certificate naming the candidates for President and Vice President and listing the required number of persons to serve as electors. Notification to the Department of State under this subsection shall be made by September 1 of the year in which the election is held. When the Department of State has been so notified, it shall order the names of the candidates nominated by the minor political party to be included on the ballot and shall permit the required number of persons to be certified as electors in the same manner as other party candidates. As used in this section, the term “national party” means a political party that is registered with and recognized as a qualified national committee of a political party by the Federal Election Commission.

(b) A minor political party that is not affiliated with a national party holding a national convention to nominate candidates for President and Vice President of the United States may have the names of its candidates for President and Vice President printed on the general election ballot if a petition is signed by 1 percent of the registered electors of this state, as shown by the

compilation by the Department of State for the preceding general election. A separate petition from each county for which signatures are solicited shall be submitted to the supervisors of elections of the respective county no later than July 15 of each presidential election year. The supervisor shall check the names and, on or before the date of the primary election, shall certify the number shown as registered electors of the county. The supervisor shall be paid by the person requesting the certification the cost of checking the petitions as prescribed in s. 99.097. The supervisor shall then forward the certificate to the Department of State, which shall determine whether or not the percentage factor required in this section has been met. When the percentage factor required in this section has been met, the Department of State shall order the names of the candidates for whom the petition was circulated to be included on the ballot and shall permit the required number of persons to be certified as electors in the same manner as other party candidates.

(5) When for any reason a person nominated or elected as a presidential elector is unable to serve because of death, incapacity, or otherwise, the Governor may appoint a person to fill such vacancy who possesses the qualifications required for the elector to have been nominated in the first instance. Such person shall file with the Governor an oath that he or she will support the same candidates for President and Vice President that the person who is unable to serve was committed to support.

(1) Each political party of the state shall be represented by a state executive committee. County executive committees and other committees may be established in accordance with the rules of the state executive committee. A political party may provide for the selection of its national committee and its state and county executive committees in such manner as it deems proper. Unless otherwise provided by party rule, the county executive committee of each political party shall consist of at least two members, a man and a woman, from each precinct, who shall be called the precinct committeeman and committeewoman. For counties divided into 40 or more precincts, the state executive committee may adopt a district unit of representation for such county executive committees. Upon adoption of a district unit of representation, the state executive committee shall request the supervisor of elections of that county, with approval of the board of county commissioners, to provide for election districts as nearly equal in number of registered voters as possible. Each county committeeman or committeewoman shall be a resident of the precinct from which he or she is elected. Each state committeeman or committeewoman must be a member in good standing of the county executive committee for the county in which the state committeeman or committeewoman is a registered voter.

The terms shall commence on the first day of the month following each presidential general election; but the names of candidates for political party offices shall not be placed on the ballot at any other election. The results of such election shall be determined by a plurality of the votes cast. In such event, electors seeking to qualify for such office shall do so with the Department of State or supervisor of elections not earlier than noon of the 71st day, or later than noon of the 67th day, preceding the primary election. Such vacancy shall be filled by a qualified member of the political party residing in the district where the vacancy occurred and for the unexpired portion of the term.

(6)(a) In addition to the members provided for in subsection (1), each county executive committee shall include all members of the Legislature who are residents of the county and members of their respective political party and who shall be known as at-large committeemen and committeewomen.

Ten of the legislators shall be appointed with the concurrence of the state chair of the respective party, as follows: five to be appointed by the President of the Senate; five by the Minority Leader in the Senate; five by the Speaker of the House of Representatives; and five by the Minority Leader in the House.

(c) When a political party allows any member of the state executive committee to have more than one vote per person, other than by proxy, in a matter coming before the state executive committee, the 20 members of the Legislature appointed under paragraph (b) shall not be appointed to the state executive committee and the following elected officials who are members of that political party shall be appointed and shall have the following votes:

### **103.095 Minor political parties.—**

(1) Any group of citizens organized for the general purposes of electing to office qualified persons and determining public issues under the democratic processes of the United States may become a minor political party of this state by filing with the department a certificate showing the name of the organization, the names and addresses of its current officers, including the members of its executive committee, accompanied by a completed uniform statewide voter registration application as specified in s. 97.052 for each of its current officers and members of its executive committee which reflect their affiliation with the proposed minor political party, and a copy of its constitution, bylaws, and rules and regulations.

(2) Each elector registered to vote in the minor political party in which he or she has so designated has a fundamental right to fully and meaningfully participate in the business and affairs of the minor political party without any monetary encumbrance. The constitution, bylaws, rules, regulations, or other equivalent

documents must reflect this fundamental right and must provide for and contain reasonable provisions that, at a minimum, prescribe procedures to: prescribe its membership; conduct its meetings according to generally accepted parliamentary practices; timely notify its members as to the time, date, and place of all of its meetings; timely publish notice on its public and functioning website as to the time, date, and place of all of its meetings; elect its officers; remove its officers; make party nominations when required by law; conduct campaigns for party nominees; raise and expend party funds; select delegates to its national convention, if applicable; select presidential electors, if applicable; and alter or amend all of its governing documents.

(3) The members of the executive committee must elect a chair, vice chair, secretary, and treasurer, all of whom shall be members of the minor political party, and no member may hold more than one office, except that one person may hold the offices of secretary and treasurer.

(4) Upon approval of the minor political party's filing, the department shall process the voter registration applications submitted by the minor political party's officers and members of its executive committee. It shall be the duty of the minor political party to notify the department of any changes in the filing certificate within 5 days after such changes.

(5) The Division of Elections shall adopt rules to prescribe the manner in which political parties, including minor political parties, may have their filings with the Department of State canceled. Such rules shall, at a minimum, provide for:

(a) Notice, which must contain the facts and conduct that warrant the intended action, including, but not limited to, the failure to have any voters registered in the party, the failure to notify the department of replacement officers, the failure to file campaign finance reports, the failure to adopt and file with the department all governing documents containing the provisions specified in subsection (2), and limited activity.

(b) Adequate opportunity to respond.

(c) Appeal of the decision to the Florida Elections Commission. Such appeals are exempt from the confidentiality provisions of s. 106.25.

(6) The requirements of this section are retroactive for any minor political party registered with the department on July 1, 2011, and must be complied with within 180 days after the department provides notice to the minor political party of the requirements contained in this section. Failure of the minor political party to comply with the requirements within 180 days after receipt of the notice shall automatically result in the cancellation of the minor political party's registration.

*History.—s. 46, ch. 2011-40.*

### **103.101 Presidential preference primary.—**

(1)(a) There shall be a Presidential Preference Primary Date Selection Committee composed of the Secretary of State, who shall be a nonvoting chair; three members, no more than two of whom may be from the same political party, appointed by the Governor; three members, no more than two of whom may be from the same political party, appointed by the Speaker of the

House of Representatives; and three members, no more than two of whom may be from the same political party, appointed by the President of the Senate. No later than October 1 of the year preceding the presidential preference primary, the committee shall meet and set a date for the presidential preference primary. The date selected may be no earlier than the first Tuesday in January and no later than the first Tuesday in March in the year of the presidential preference primary. The presidential preference primary shall be held in each year the number of which is a multiple of 4.

(b) Each political party other than a minor political party shall, on the date selected by the Presidential Preference Primary Date Selection Committee in each year the number of which is a multiple of 4, elect one person to be the candidate for nomination of such party for President of the United States or select delegates to the national nominating convention, as provided by party rule. Any party rule directing the vote of delegates at a national nominating convention shall reasonably reflect the results of the presidential preference primary, if one is held.

(2) By October 31 of the year preceding the presidential preference primary, each political party shall submit to the Secretary of State a list of its presidential candidates to be placed on the presidential preference primary ballot or candidates entitled to have delegates appear on the presidential preference primary ballot. The Secretary of State shall prepare and publish a list of the names of the presidential candidates submitted not later than on the first Tuesday after the first Monday in November of the year preceding the presidential preference primary. The Department of State shall immediately notify each presidential candidate listed by the Secretary of State. Such notification shall be in writing, by registered mail, with return receipt requested.

(3) A candidate's name shall be printed on the presidential preference primary ballot unless the candidate submits to the Department of State, prior to the second Tuesday after the first Monday in November of the year preceding the presidential preference primary, an affidavit stating that he or she is not now, and does not presently intend to become, a candidate for President at the upcoming nominating convention. If a candidate withdraws pursuant to this subsection, the Department of State shall notify the state executive committee that the candidate's name will not be placed on the ballot. The Department of State shall, no later than the third Tuesday after the first Monday in November of the year preceding the presidential preference primary, certify to each supervisor of elections the name of each candidate for political party nomination to be printed on the ballot.

(4) The names of candidates for political party nominations for President of the United States shall be printed on official ballots for the presidential preference primary election and shall be marked, counted, canvassed, returned, and proclaimed in the same manner and under the same conditions, so far as they are applicable, as in other state elections. If party rule requires the delegates' names to be printed on the official presidential preference primary ballot, the name of the presidential candidates for that political

party may not be printed separately, but the ballot may reflect the presidential candidate to whom the delegate is pledged. If, however, a political party has only one presidential candidate, neither the name of the candidate nor the names of the candidate's delegates shall be printed on the ballot.

(5) The state executive committee of each party, by rule adopted at least 60 days prior to the presidential preference primary election, shall determine the number, and establish procedures to be followed in the selection, of delegates and delegate alternates from among each candidate's supporters. **105.035 Petition process of qualifying for certain judicial offices and the office of school board member.—**

(1) A person seeking to qualify for election to the office of circuit judge or county court judge or the office of school board member may qualify for election to such office by means of the petitioning process prescribed in this section. A person qualifying by this petition process is not required to pay the qualifying fee required by this chapter.

(2) The petition format shall be prescribed by the Division of Elections and shall be used by the candidate to reproduce petitions for circulation. If the candidate is running for an office that will be grouped on the ballot with two or more similar offices to be filled at the same election, the candidate's petition must indicate, prior to the obtaining of registered electors' signatures, for which group or district office the candidate is running.

(3) Each candidate for election to a judicial office or the office of school board member shall obtain the signature of a number of qualified electors equal to at least 1 percent of the total number of registered electors of the district, circuit, county, or other geographic entity represented by the office sought as shown by the compilation by the Department of State for the last preceding general election. A separate petition shall be circulated for each candidate availing himself or herself of the provisions of this section. Signatures may not be obtained until the candidate has filed the appointment of campaign treasurer and designation of campaign depository pursuant to s. 106.021.

(4)(a) Each candidate seeking to qualify for election to the office of circuit judge or the office of school board member from a multicounty school district pursuant to this section shall file a separate petition from each county from which signatures are sought. Each petition shall be submitted, prior to noon of the 28th day preceding the first day of the qualifying period for the office sought, to the supervisor of elections of the county for which such petition was circulated. Each supervisor of elections to whom a petition is submitted shall check the signatures on the petition to verify their status as electors of that county and of the geographic area represented by the office sought. No later than the 7th day before the first date for qualifying, the supervisor

shall certify the number shown as registered electors and submit such certification to the Division of Elections. The division shall determine whether the required number of signatures has been obtained for the name of the candidate to be placed on the ballot and shall notify the candidate. If the required number of signatures has been obtained, the candidate shall, during the time prescribed for qualifying for office, submit a copy of such notice and file his or her qualifying papers and oath prescribed in s. 105.031 with the Division of Elections. Upon receipt of the copy of such notice and qualifying papers, the division shall certify the name of the candidate to the appropriate supervisor or supervisors of elections as having qualified for the office sought.

(b) Each candidate seeking to qualify for election to the office of county court judge or the office of school board member from a single county school district pursuant to this section shall submit his or her petition, prior to noon of the 28th day preceding the first day of the qualifying period for the office sought, to the supervisor of elections of the county for which such petition was circulated. The supervisor shall check the signatures on the petition to verify their status as electors of the county and of the geographic area represented by the office sought. No later than the 7th day before the first date for qualifying, the supervisor shall determine whether the required number of signatures has been obtained for the name of the candidate to be placed on the ballot and shall notify the candidate. If the required number of signatures has been obtained, the candidate shall, during the time prescribed for qualifying for office, submit a copy of such notice and file his or her qualifying papers and oath prescribed in s. 105.031 with the qualifying officer. Upon receipt of the copy of such notice and qualifying papers, such candidate shall be entitled to have his or her name printed on the ballot.

**105.036 Initiative for method of selection for circuit or county court judges; procedures for placement on ballot.—**

(1) Subsequent to the general election in the year 2000, a local option for merit selection and retention or the election of circuit or county court judges may be placed on the ballot for the general election occurring in excess of 90 days from the certification of ballot position by the Secretary of State for circuit court judges or the county supervisor of elections for county court judges. The ballot shall provide for a vote on the method for selection of judges not currently used for filling judicial offices in the county or circuit.

(2) Certification of ballot position for the method of selection of circuit court judges shall be issued when the Secretary of State has received a verification certificate from each supervisor of elections in a circuit indicating that the requisite number of valid signatures of electors in the circuit has been submitted and verified by the supervisor or supervisors of that circuit. Certification of ballot position for the method of selection of county court judges shall be issued when the supervisor of elections in a county indicates that the requisite number of signatures of electors in the county has been submitted

and verified by the supervisor. Each signature shall be dated when made and shall be valid for a period of 2 years following such date, provided all requirements of law are complied with.

(3) The sponsor of an initiative for merit selection and retention or election of circuit or county court judges must register as a political committee pursuant to s. 106.03.

(4) The Secretary of State shall adopt rules pursuant to ss. 120.536(1) and 120.54 prescribing the style and requirements of the circuit court and county court forms for collection of signatures.

(5) No later than 5 p.m. 151 days prior to the general election at which the proposed judicial selection initiative is to be voted on, the sponsor shall submit signed and dated forms to the appropriate supervisor of elections for verification as to the number of registered electors whose valid signatures appear thereon. The supervisor shall promptly verify the signatures upon payment of the fee or filing of the undue burden oath required by s. 99.097. Verification must be completed at least 91 days prior to the general election. Upon completion of verification, the supervisor shall execute a certificate indicating the total number of signatures checked and the number of signatures verified as valid and as being of registered electors of the applicable county or circuit. This certificate must be immediately transmitted to the Secretary of State for petitions related to the method of selection of circuit court judges. The supervisor must retain the signature forms for at least 1 year following the election in which the issue appeared on the ballot or until the committee that circulated the petition is no longer seeking to obtain ballot position as determined by the Division of Elections for circuit court petitions or by the supervisor of elections for county court petitions.

(6) Upon a determination by the Secretary of State for circuit court petitions or by the supervisor of elections for county court petitions that the requisite number of valid signatures has been obtained, a certification of ballot position must be issued for the proposed method of selection of judges. A request to exercise a local option to change the method for selection of circuit or county court judges is deemed filed with the Secretary of State for circuit court judges or the supervisor of elections for county court judges upon the date of the receipt of a certificate or certificates indicating the petition has been signed by the constitutionally required number of electors.

(7) Within 10 days after each general election for which an initiative to change the method of selection of circuit or county court judges was placed on the ballot in any circuit or county in the state, the Secretary of State must notify the Chief Justice of the Supreme Court of Florida of the changed method for selection of judges for any circuit or county where the initiative passed.

(8) The Department of State shall have the authority to promulgate rules in accordance with ss. 120.536(1) and 120.54 to carry out the provisions of this section.

  - a. Accepts contributions for the purpose of making contributions to any candidate, political committee,

committee of continuous existence, affiliated party committee, or political party;

2. Corporations regulated by chapter 607 or chapter 617 or other business entities formed for purposes other than to support or oppose issues or candidates, if their political activities are limited to contributions to candidates, political parties, affiliated party committees, or political committees or expenditures in support of or opposition to an issue from corporate or business funds and if no contributions are received by such corporations or business entities.

3. Electioneering communications organizations as defined in subsection (19).

<sup>1</sup>(14) "Filing officer" means the person before whom a candidate qualifies, the agency or officer with whom a political committee or an electioneering communications organization registers, or the agency by whom a committee of continuous existence is certified.

(15) "Unopposed candidate" means a candidate for nomination or election to an office who, after the last day on which any person, including a write-in candidate, may qualify, is without opposition in the election at which the office is to be filled or who is without such opposition after such date as a result of any primary election or of withdrawal by other candidates seeking the same office. A candidate is not an unopposed candidate if there is a vacancy to be filled under s. 100.111(3), if there is a legal proceeding pending regarding the right to a ballot position for the office sought by the candidate, or if the candidate is seeking retention as a justice or judge.

However, political advertisement does not include:

(a) A statement by an organization, in existence prior to the time during which a candidate qualifies or an issue is placed on the ballot for that election, in support of or opposition to a candidate or issue, in that organization's newsletter, which newsletter is distributed only to the members of that organization.

2. Is made within 30 days before a primary or special primary election or 60 days before any other election for the office sought by the candidate; and

3. Is targeted to the relevant electorate in the geographic area the candidate would represent if elected.

(b) The term "electioneering communication" does not include:

1. A communication disseminated through a means of communication other than a television station, radio station, cable television system, satellite system, newspaper, magazine, direct mail, telephone, or statement or depiction by an organization, in existence prior to the time during which a candidate named or depicted qualifies for that election, made in that organization's newsletter, which newsletter is distributed only to members of that organization.

2. A news story distributed through the facilities owned or controlled by any political party, political committee, or candidate may nevertheless be exempt if it represents a bona fide news account communicated through a licensed broadcasting facility and the communication is part of a general pattern of campaign-

related news accounts that give reasonably equal coverage to all opposing candidates in the area.

3. A communication that constitutes a public debate or forum that includes at least two opposing candidates for an office or one advocate and one opponent of an issue, or that solely promotes such a debate or forum and is made by or on behalf of the person sponsoring the debate or forum, provided that:

a. The staging organization is either:

(I) A charitable organization that does not make other electioneering communications and does not otherwise support or oppose any political candidate or political party; or

(II) A newspaper, radio station, television station, or other recognized news medium; and

b. The staging organization does not structure the debate to promote or advance one candidate or issue position over another.

(c) For purposes of this chapter, an expenditure made for, or in furtherance of, an electioneering communication shall not be considered a contribution to or on behalf of any candidate.

(d) For purposes of this chapter, an electioneering communication shall not constitute an independent expenditure nor be subject to the limitations applicable to independent expenditures.

### **106.021 Campaign treasurers; deputies; primary and secondary depositories.—**

(1)(a) Each candidate for nomination or election to office and each political committee shall appoint a campaign treasurer. Each person who seeks to qualify for nomination or election to, or retention in, office shall appoint a campaign treasurer and designate a primary campaign depository prior to qualifying for office. Any person who seeks to qualify for election or nomination to any office by means of the petitioning process shall appoint a treasurer and designate a primary depository on or before the date he or she obtains the petitions. Each candidate shall at the same time he or she designates a campaign depository and appoints a

treasurer also designate the office for which he or she is a candidate. If the candidate is running for an office which will be grouped on the ballot with two or more similar offices to be filled at the same election, the candidate must indicate for which group or district office he or she is running. Nothing in this subsection shall prohibit a candidate, at a later date, from changing the designation of the office for which he or she is a candidate. However, if a candidate changes the designated office for which he or she is a candidate, the candidate must notify all contributors in writing of the intent to seek a different office and offer to return pro rata, upon their request, those contributions given in support of the original office sought. This notification shall be given within 15 days after the filing of the change of designation and shall include a standard form developed by the Division of Elections for requesting the return of contributions. The notice requirement shall not apply to any change in a numerical designation resulting solely from redistricting. If, within 30 days after being notified by the candidate of the intent to seek a different office, the contributor notifies the candidate in writing that the contributor wishes his or her contribution to be returned, the candidate shall return the contribution, on a pro rata basis, calculated as of the date the change of designation is filed. Any contributions not requested to be returned within the 30-day period may be used by the candidate for the newly designated office. No person shall accept any contribution or make any expenditure with a view to bringing about his or her nomination, election, or retention in public office, or authorize another to accept such contributions or make such expenditure on the person's behalf, unless such person has appointed a campaign treasurer and designated a primary campaign depository. A candidate for an office voted upon statewide may appoint not more than 15 deputy campaign treasurers, and any other candidate or political committee may appoint not more than 3 deputy campaign treasurers. The names and addresses of the campaign treasurer and deputy campaign treasurers so appointed shall be filed with the officer before whom such candidate is required to qualify or with whom such political committee is required to register pursuant to s. 106.03.

(b) Except as provided in paragraph (d), each candidate and each political committee shall also designate one primary campaign depository for the purpose of depositing all contributions received, and disbursing all expenditures made, by the candidate or political committee. The candidate or political committee may also designate one secondary depository in each county in which an election is held in which the candidate or committee participates. Secondary depositories shall be for the sole purpose of depositing contributions and forwarding the deposits to the primary campaign depository. Any bank, savings and loan association, or credit union authorized to transact business in this state may be designated as a campaign depository. The candidate or political committee shall file the name and address of each primary and secondary depository so designated at the same time that, and with the same officer with whom, the candidate or committee files the name of his, her, or its campaign

treasurer pursuant to paragraph (a). In addition, the campaign treasurer or a deputy campaign treasurer may deposit any funds which are in the primary campaign depository and which are not then currently needed for the disbursement of expenditures into a separate interest-bearing account in any bank, savings and loan association, or credit union authorized to transact business in this state. The separate interest-bearing account shall be designated "(name of candidate or committee) separate interest-bearing campaign account." In lieu thereof, the campaign treasurer or deputy campaign treasurer may purchase a certificate of deposit with such unneeded funds in such bank, savings and loan association, or credit union. The separate interest-bearing account or certificate of deposit shall be separate from any personal or other account or certificate of deposit. Any withdrawal of the principal or earned interest or any part thereof shall only be made from the separate interest-bearing account or certificate of deposit for the purpose of transferring funds to the primary account and shall be reported as a contribution.

(c) Any campaign treasurer or deputy treasurer appointed pursuant to this section shall, before such appointment may become effective, have accepted appointment to such position in writing and filed such acceptance with the officer before whom the candidate is required to qualify or with the officer with whom the political committee is required to file reports. An individual may be appointed and serve as campaign treasurer of a candidate and a political committee or two or more candidates and political committees. A candidate may appoint herself or himself as campaign treasurer.

(d) Any political committee which deposits all contributions received in a national depository from which the political committee receives funds to contribute to state and local candidates shall not be required to designate a campaign depository in the state.

(2) A candidate or political committee may remove his, her, or its campaign treasurer or any deputy treasurer. In case of the death, resignation, or removal of a campaign treasurer before compliance with all obligations of a campaign treasurer under this chapter, the candidate or political committee shall appoint a successor and certify the name and address of the successor in the manner provided in the case of an original appointment. No resignation shall be effective until it has been submitted to the candidate or committee in writing and a copy thereof has been filed with the officer before whom the candidate is required to qualify or the officer with whom the political committee is required to file reports. No treasurer or deputy treasurer shall be deemed removed by a candidate or political committee until written notice of such removal has been given to such treasurer or deputy treasurer and has been filed with the officer before whom such candidate is required to qualify or with the officer with whom such committee is required to file reports.

<sup>1</sup>(3) No contribution or expenditure, including contributions or expenditures of a candidate or of the candidate's family, shall be directly or indirectly made or received in furtherance of the candidacy of any person for nomination or election to political office in the

state or on behalf of any political committee except through the duly appointed campaign treasurer of the candidate or political committee, subject to the following exceptions:

(a) Independent expenditures;

(b) Reimbursements to a candidate or any other individual for expenses incurred in connection with the campaign or activities of the political committee by a check drawn upon the campaign account and reported pursuant to s. 106.07(4). The full name of each person to whom the candidate or other individual made payment for which reimbursement was made by check drawn upon the campaign account shall be reported pursuant to s. 106.07(4), together with the purpose of such payment;

(c) Expenditures made indirectly through a treasurer for goods or services, such as communications media placement or procurement services, campaign signs, insurance, or other expenditures that include multiple integral components as part of the expenditure and reported pursuant to s. 106.07(4)(a)13.; or

(d) Expenditures made directly by any political committee, affiliated party committee, or political party regulated by chapter 103 for obtaining time, space, or services in or by any communications medium for the purpose of jointly endorsing three or more candidates, and any such expenditure shall not be considered a contribution or expenditure to or on behalf of any such candidates for the purposes of this chapter.

(4) A deputy campaign treasurer may exercise any of the powers and duties of a campaign treasurer as set forth in this chapter when specifically authorized to do so by the campaign treasurer and the candidate, in the case of a candidate, or the campaign treasurer and chair of the political committee, in the case of a political committee.

(5) For purposes of appointing a campaign treasurer and designating a campaign depository, candidates for the offices of Governor and Lieutenant Governor on the same ticket shall be considered a single candidate.

#### 106.04 Committees of continuous existence.—

(1) In order to qualify as a committee of continuous existence for the purposes of this chapter, a group, organization, association, or other such entity which is involved in making contributions to candidates, political committees, or political parties, shall meet the following criteria:

(a) It shall be organized and operated in accordance with a written charter or set of bylaws which contains procedures for the election of officers and directors and which clearly defines membership in the organization; and

(b) At least 25 percent of the income of such organization, excluding interest, must be derived from dues or assessments payable on a regular basis by its membership pursuant to provisions contained in the charter or bylaws. Dues may be collected by a group, organization, association, or other such entity from its members and forwarded to the committee of continuous existence. The committee of continuous existence shall report such dues as if it had received the dues directly from its members, in the manner prescribed in subsection (4).

(2) Any group, organization, association, or other entity may seek certification from the Department of State as a committee of continuous existence by filing an application with the Division of Elections on a form provided by the division. Such application shall provide the information required of political committees by s. 106.03(2). Each application shall be accompanied by the name and street address of the principal officer of the applying entity as of the date of the application; a copy of the charter or bylaws of the organization; a copy of the dues or assessment schedule of the organization, or formula by which dues or assessments are levied; and a complete financial statement or annual audit summarizing all income received, and all expenses incurred, by the organization during the 12 months preceding the date of application. A membership list shall be made available for inspection if deemed necessary by the division.

(3) If the Division of Elections finds that an applying organization meets the criteria for a committee of continuous existence as provided by subsection (1), it shall certify such findings and notify the applying organization of such certification. If it finds that an applying organization does not meet the criteria for certification, it shall notify the organization of such findings and shall state the reasons why such criteria are not met.

(4)(a) Each committee of continuous existence shall file an annual report with the Division of Elections during the month of January. Such annual reports shall contain the same information and shall be accompanied by the same materials as original applications filed pursuant to subsection (2). However, the charter or bylaws need not be filed if the annual report is accompanied by a sworn statement by the chair that no changes have been made to such charter or bylaws since the last filing.

(b)1. Each committee of continuous existence shall file regular reports with the Division of Elections at the same times and subject to the same filing conditions as are established by s. 106.07(1) and (2) for candidates' reports. In addition, when a special election is called to fill a vacancy in office, a committee of continuous existence that makes a contribution or expenditure to influence the results of such special election or the preceding special primary election must file campaign finance reports with the filing officer on the dates set by the Department of State pursuant to s. 100.111.

2. Any committee of continuous existence failing to so file a report with the Division of Elections or applicable filing officer pursuant to this paragraph on the designated due date shall be subject to a fine for late filing as provided by this section.

1(c) All committees of continuous existence shall file their reports with the Division of Elections. Reports shall be filed in accordance with s. 106.0705 and shall contain the following information:

1. The full name, address, and occupation of each person who has made one or more contributions, including contributions that represent the payment of membership dues, to the committee during the reporting period, together with the amounts and dates of such contributions. For corporations, the report must provide as clear a description as practicable of the principal type of business conducted by the corporation. However, if the contribution is \$100 or less, the occupation of the contributor or principal type of business need not be listed. However, for any contributions that represent the payment of dues by members in a fixed amount aggregating no more than \$250 per calendar year, pursuant to the schedule on file with the Division of Elections, only the aggregate amount of such contributions need be listed, together with the number of members paying such dues and the amount of the membership dues.

2. The name and address of each political committee or committee of continuous existence from which the reporting committee received, or the name and address of each political committee, committee of continuous existence, affiliated party committee, or political party to which it made, any transfer of funds, together with the amounts and dates of all transfers.

3. Any other receipt of funds not listed pursuant to subparagraph 1. or subparagraph 2., including the sources and amounts of all such funds.

4. The name and address of, and office sought by, each candidate to whom the committee has made a contribution during the reporting period, together with the amount and date of each contribution.

5. The full name and address of each person to whom expenditures have been made by or on behalf of the committee within the reporting period; the amount, date, and purpose of each such expenditure; and the name and address, and office sought by, each candidate on whose behalf such expenditure was made.

6. The full name and address of each person to whom an expenditure for personal services, salary, or reimbursement for authorized expenses has been made, including the full name and address of each entity to whom the person made payment for which reimbursement was made by check drawn upon the committee account, together with the amount and purpose of such payment.

7. Transaction information from each credit card purchase. Receipts for each credit card purchase shall be retained by the treasurer with the records for the committee account.

8. The total sum of expenditures made by the committee during the reporting period.

(d) The treasurer of each committee shall certify as to the correctness of each report and shall bear the

responsibility for its accuracy and veracity. Any treasurer who willfully certifies to the correctness of a report while knowing that such report is incorrect, false, or incomplete commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

1(5) No committee of continuous existence shall make an electioneering communication, contribute to any candidate or political committee an amount in excess of the limits contained in s. 106.08(1), or participate in any activity which is prohibited by this chapter. If any violation occurs, it shall be punishable as provided in this chapter for the given offense. No funds of a committee of continuous existence shall be expended on behalf of a candidate, except by means of a contribution made through the duly appointed campaign treasurer of a candidate. No such committee shall make expenditures in support of, or in opposition to, an issue unless such committee first registers as a political committee pursuant to this chapter and undertakes all the practices and procedures required thereof; provided such committee may make contributions in a total amount not to exceed 25 percent of its aggregate income, as reflected in the annual report filed for the previous year, to one or more political committees registered pursuant to s. 106.03 and formed to support or oppose issues.

(6) All accounts and records of a committee of continuous existence may be inspected under reasonable circumstances by any authorized representative of the Division of Elections or the Florida Elections Commission. The right of inspection may be enforced by appropriate writ issued by any court of competent jurisdiction.

(7) Any change in information previously submitted to the division shall be reported within 10 days following the change.

(8) If a committee of continuous existence ceases to meet the criteria prescribed by subsection (1), the Division of Elections shall revoke its certification. The Division of Elections shall adopt rules to prescribe the manner in which the certification of a committee of continuous existence shall be revoked. Such rules shall, at a minimum, provide for:

(a) Notice, which must contain the facts and conduct that warrant the intended action.

(b) Adequate opportunity to respond.

(c) Appeal of the decision to the Florida Elections Commission. Such appeals are exempt from the confidentiality provisions of s. 106.25.

(9)(a) Any committee of continuous existence failing to file a report on the designated due date is subject to a fine. The fine shall be \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, including a special primary election and a special general election, the fine shall be \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. The fine shall be assessed by the filing officer, and the moneys collected shall be deposited into:

1. The General Revenue Fund, in the case of fines collected by the Division of Elections.

2. The general revenue fund of the political subdivision, in the case of fines collected by a county or municipal filing officer. No separate fine shall be assessed for failure to file a copy of any report required by this section.

(b) Upon determining that a report is late, the filing officer shall immediately notify the treasurer of the committee or the committee's registered agent as to the failure to file a report by the designated due date and that a fine is being assessed for each late day. Upon receipt of the report, the filing officer shall determine the amount of fine which is due and shall notify the treasurer of the committee. Notice is deemed complete upon proof of delivery of written notice to the mailing or street address on record with the filing officer. The filing officer shall determine the amount of the fine due based upon the earliest of the following:

1. When the report is actually received by such officer.
2. When the report is postmarked.
3. When the certificate of mailing is dated.
4. When the receipt from an established courier company is dated.

Such fine shall be paid to the filing officer within 20 days after receipt of the notice of payment due, unless appeal is made to the Florida Elections Commission pursuant to paragraph (c). An officer or member of a committee is not personally liable for such fine.

(c) Any treasurer of a committee may appeal or dispute the fine, based upon unusual circumstances surrounding the failure to file on the designated due date, and may request and is entitled to a hearing before the Florida Elections Commission, which may waive the fine in whole or in part. Any such request must be made within 20 days after receipt of the notice of payment due. The committee shall file the appeal with the commission, with a copy provided to the filing officer.

(d) The filing officer shall notify the Florida Elections Commission of the repeated late filing by a committee of continuous existence, the failure of a committee of continuous existence to file a report after notice, or the failure to pay the fine imposed.

**106.07 Reports; certification and filing.**—

(1) Each campaign treasurer designated by a candidate or political committee pursuant to s. 106.021 shall

file regular reports of all contributions received, and all expenditures made, by or on behalf of such candidate or political committee. Except for the third calendar quarter immediately preceding a general election, reports shall be filed on the 10th day following the end of each calendar quarter from the time the campaign treasurer is appointed, except that, if the 10th day following the end of a calendar quarter occurs on a Saturday, Sunday, or legal holiday, the report shall be filed on the next following day which is not a Saturday, Sunday, or legal holiday. Quarterly reports shall include all contributions received and expenditures made during the calendar quarter which have not otherwise been reported pursuant to this section.

(a) Except as provided in paragraph (b), the reports shall also be filed on the 32nd, 18th, and 4th days immediately preceding the primary and on the 46th, 32nd, 18th, and 4th days immediately preceding the election, for a candidate who is opposed in seeking nomination or election to any office, for a political committee, or for a committee of continuous existence.

(b) Any statewide candidate who has requested to receive contributions pursuant to the Florida Election Campaign Financing Act or any statewide candidate in a race with a candidate who has requested to receive contributions pursuant to the act shall also file reports on the 4th, 11th, 18th, 25th, and 32nd days prior to the primary election, and on the 4th, 11th, 18th, 25th, 32nd, 39th, 46th, and 53rd days prior to the general election.

(c) Following the last day of qualifying for office, any unopposed candidate need only file a report within 90 days after the date such candidate became unopposed. Such report shall contain all previously unreported contributions and expenditures as required by this section and shall reflect disposition of funds as required by s. 106.141.

(d)1. When a special election is called to fill a vacancy in office, all political committees making contributions or expenditures to influence the results of such special election or the preceding special primary election shall file campaign treasurers' reports with the filing officer on the dates set by the Department of State pursuant to s. 100.111.

2. When an election is called for an issue to appear on the ballot at a time when no candidates are scheduled to appear on the ballot, all political committees making contributions or expenditures in support of or in opposition to such issue shall file reports on the 18th and 4th days prior to such election.

(e) The filing officer shall provide each candidate with a schedule designating the beginning and end of reporting periods as well as the corresponding designated due dates.

(2)(a)1. All reports required of a candidate by this section shall be filed with the officer before whom the candidate is required by law to qualify. All candidates who file with the Department of State shall file their reports pursuant to s. 106.0705. Except as provided in s. 106.0705, reports shall be filed not later than 5 p.m. of the day designated; however, any report postmarked by the United States Postal Service no later than midnight of the day designated shall be deemed to have been filed in a timely manner. Any report received by the filing

officer within 5 days after the designated due date that was delivered by the United States Postal Service shall be deemed timely filed unless it has a postmark that indicates that the report was mailed after the designated due date. A certificate of mailing obtained from and dated by the United States Postal Service at the time of mailing, or a receipt from an established courier company, which bears a date on or before the date on which the report is due, shall be proof of mailing in a timely manner. Reports shall contain information of all previously unreported contributions received and expenditures made as of the preceding Friday, except that the report filed on the Friday immediately preceding the election shall contain information of all previously unreported contributions received and expenditures made as of the day preceding that designated due date. All such reports shall be open to public inspection.

2. This subsection does not prohibit the governing body of a political subdivision, by ordinance or resolution, from imposing upon its own officers and candidates electronic filing requirements not in conflict with s. 106.0705. Expenditure of public funds for such purpose is deemed to be for a valid public purpose.

(b)1. Any report that is deemed to be incomplete by the officer with whom the candidate qualifies shall be accepted on a conditional basis. The campaign treasurer shall be notified by certified mail or by another method using a common carrier that provides a proof of delivery of the notice as to why the report is incomplete and within 7 days after receipt of such notice must file an addendum to the report providing all information necessary to complete the report in compliance with this section. Failure to file a complete report after such notice constitutes a violation of this chapter.

2. Notice is deemed complete upon proof of delivery of a written notice to the mailing or street address of the campaign treasurer or registered agent of record with the filing officer.

(3) Reports required of a political committee shall be filed with the agency or officer before whom such committee registers pursuant to s. 106.03(3) and shall be subject to the same filing conditions as established for candidates' reports. Incomplete reports by political committees shall be treated in the manner provided for incomplete reports by candidates in subsection (2).

(4)(a) Each report required by this section must contain:

1. The full name, address, and occupation, if any of each person who has made one or more contributions to or for such committee or candidate within the reporting period, together with the amount and date of such contributions. For corporations, the report must provide as clear a description as practicable of the principal type of business conducted by the corporation. However, if the contribution is \$100 or less or is from a relative, as defined in s. 112.312, provided that the relationship is reported, the occupation of the contributor or the principal type of business need not be listed.

2. The name and address of each political committee from which the reporting committee or the candidate received, or to which the reporting committee or candidate made, any transfer of funds, together with the amounts and dates of all transfers.

3. Each loan for campaign purposes to or from any person or political committee within the reporting period, together with the full names, addresses, and occupations, and principal places of business, if any, of the lender and endorsers, if any, and the date and amount of such loans.

4. A statement of each contribution, rebate, refund, or other receipt not otherwise listed under subparagraphs 1. through 3.

5. The total sums of all loans, in-kind contributions, and other receipts by or for such committee or candidate during the reporting period. The reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts.

6. The full name and address of each person to whom expenditures have been made by or on behalf of the committee or candidate within the reporting period; the amount, date, and purpose of each such expenditure; and the name and address of, and office sought by, each candidate on whose behalf such expenditure was made. However, expenditures made from the petty cash fund provided by s. 106.12 need not be reported individually.

7. The full name and address of each person to whom an expenditure for personal services, salary, or reimbursement for authorized expenses as provided in s. 106.021(3) has been made and which is not otherwise reported, including the amount, date, and purpose of such expenditure. However, expenditures made from the petty cash fund provided for in s. 106.12 need not be reported individually. Receipts for reimbursement for authorized expenditures shall be retained by the treasurer along with the records for the campaign account.

8. The total amount withdrawn and the total amount spent for petty cash purposes pursuant to this chapter during the reporting period.

9. The total sum of expenditures made by such committee or candidate during the reporting period.

10. The amount and nature of debts and obligations owed by or to the committee or candidate, which relate to the conduct of any political campaign.

11. Transaction information for each credit card purchase. Receipts for each credit card purchase shall be retained by the treasurer with the records for the campaign account.

12. The amount and nature of any separate interest-bearing accounts or certificates of deposit and identification of the financial institution in which such accounts or certificates of deposit are located.

13. The primary purposes of an expenditure made indirectly through a campaign treasurer pursuant to s. 106.021(3) for goods and services such as communications media placement or procurement services, campaign signs, insurance, and other expenditures that include multiple components as part of the expenditure. The primary purpose of an expenditure shall be that purpose, including integral and directly related components, that comprises 80 percent of such expenditure.

(b) The filing officer shall make available to any candidate or committee a reporting form which the candidate or committee may use to indicate

contributions received by the candidate or committee but returned to the contributor before deposit.

(5) The candidate and his or her campaign treasurer, in the case of a candidate, or the political committee chair and campaign treasurer of the committee, in the case of a political committee, shall certify as to the correctness of each report; and each person so certifying shall bear the responsibility for the accuracy and veracity of each report. Any campaign treasurer, candidate, or political committee chair who willfully certifies the correctness of any report while knowing that such report is incorrect, false, or incomplete commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(6) The records maintained by the campaign depository with respect to any campaign account regulated by this chapter are subject to inspection by an agent of the Division of Elections or the Florida Elections Commission at any time during normal banking hours, and such depository shall furnish certified copies of any of such records to the Division of Elections or Florida Elections Commission upon request.

(7) Notwithstanding any other provisions of this chapter, in any reporting period during which a candidate, political committee, or committee of continuous existence has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the next report filed must specify that the report covers the entire period between the last submitted report and the report being filed, and any candidate, political committee, or committee of continuous existence not reporting by virtue of this subsection on dates prescribed elsewhere in this chapter shall notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.

(8)(a) Any candidate or political committee failing to file a report on the designated due date is subject to a fine as provided in paragraph (b) for each late day, and, in the case of a candidate, such fine shall be paid only from personal funds of the candidate. The fine shall be assessed by the filing officer and the moneys collected shall be deposited:

1. In the General Revenue Fund, in the case of a candidate for state office or a political committee that registers with the Division of Elections; or

2. In the general revenue fund of the political subdivision, in the case of a candidate for an office of a political subdivision or a political committee that registers with an officer of a political subdivision.

No separate fine shall be assessed for failure to file a copy of any report required by this section.

(b) Upon determining that a report is late, the filing officer shall immediately notify the candidate or chair of the political committee as to the failure to file a report by the designated due date and that a fine is being assessed for each late day. The fine shall be \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each special primary

election, special election, primary election, and general election, the fine shall be \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. For reports required under s. 106.141(7), the fine is \$50 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. Upon receipt of the report, the filing officer shall determine the amount of the fine which is due and shall notify the candidate or chair or registered agent of the political committee. The filing officer shall determine the amount of the fine due based upon the earliest of the following:

1. When the report is actually received by such officer.
2. When the report is postmarked.
3. When the certificate of mailing is dated.
4. When the receipt from an established courier company is dated.
5. When the electronic receipt issued pursuant to s. 106.0705 or other electronic filing system authorized in this section is dated.

Such fine shall be paid to the filing officer within 20 days after receipt of the notice of payment due, unless appeal is made to the Florida Elections Commission pursuant to paragraph (c). Notice is deemed complete upon proof of delivery of written notice to the mailing or street address on record with the filing officer. In the case of a candidate, such fine shall not be an allowable campaign expenditure and shall be paid only from personal funds of the candidate. An officer or member of a political committee shall not be personally liable for such fine.

(c) Any candidate or chair of a political committee may appeal or dispute the fine, based upon, but not limited to, unusual circumstances surrounding the failure to file on the designated due date, and may request and shall be entitled to a hearing before the Florida Elections Commission, which shall have the authority to waive the fine in whole or in part. The Florida Elections Commission must consider the mitigating and aggravating circumstances contained in s. 106.265(1) when determining the amount of a fine, if any, to be waived. Any such request shall be made within 20 days after receipt of the notice of payment due. In such case, the candidate or chair of the political committee shall, within the 20-day period, notify the filing officer in writing of his or her intention to bring the matter before the commission.

(d) The appropriate filing officer shall notify the Florida Elections Commission of the repeated late filing by a candidate or political committee, the failure of a candidate or political committee to file a report after notice, or the failure to pay the fine imposed. The commission shall investigate only those alleged late filing violations specifically identified by the filing officer and as set forth in the notification. Any other alleged violations must be separately stated and reported by the division to the commission under s. 106.25(2).

(9) The Department of State may prescribe by rule the requirements for filing campaign treasurers' reports as set forth in this chapter.

**106.0703 Electioneering communications organizations; reporting requirements; certification and filing; penalties.—**

(1)(a) Each electioneering communications organization shall file regular reports of all contributions

received and all expenditures made by or on behalf of the organization. Reports shall be filed on the 10th day following the end of each calendar quarter from the time the organization is registered. However, if the 10th day following the end of a calendar quarter occurs on a Saturday, Sunday, or legal holiday, the report shall be filed on the next following day that is not a Saturday, Sunday, or legal holiday. Quarterly reports shall include all contributions received and expenditures made during the calendar quarter that have not otherwise been reported pursuant to this section.

(b) Following the last day of candidates qualifying for office, the reports shall be filed on the 32nd, 18th, and 4th days immediately preceding the primary election and on the 46th, 32nd, 18th, and 4th days immediately preceding the general election.

(c) When a special election is called to fill a vacancy in office, all electioneering communications organizations making contributions or expenditures to influence the results of the special election shall file reports with the filing officer on the dates set by the Department of State pursuant to s. 100.111.

(d) In addition to the reports required by paragraph (a), an electioneering communications organization that is registered with the Department of State and that makes a contribution or expenditure to influence the results of a county or municipal election that is not being held at the same time as a state or federal election must file reports with the county or municipal filing officer on the same dates as county or municipal candidates or committees for that election. The electioneering communications organization must also include the expenditure in the next report filed with the Division of Elections pursuant to this section following the county or municipal election.

(e) The filing officer shall make available to each electioneering communications organization a schedule designating the beginning and end of reporting periods as well as the corresponding designated due dates.

(2)(a) Except as provided in s. 106.0705, the reports required of an electioneering communications organization shall be filed with the filing officer not later than 5 p.m. of the day designated. However, any report postmarked by the United States Postal Service no later than midnight of the day designated shall be deemed to have been filed in a timely manner. Any report received by the filing officer within 5 days after the designated due date that was delivered by the United States Postal Service shall be deemed timely filed unless it has a postmark that indicates that the report was mailed after the designated due date. A certificate of mailing obtained from and dated by the United States Postal Service at the time of mailing, or a receipt from an established courier company, which bears a date on or before the date on which the report is due, shall be proof of mailing in a timely manner. Reports shall contain information of all previously unreported contributions received and expenditures made as of the preceding Friday, except that the report filed on the Friday immediately preceding the election shall contain information of all previously unreported contributions received and expenditures made as of the day preceding

the designated due date. All such reports shall be open to public inspection.

(b)1. Any report that is deemed to be incomplete by the officer with whom the electioneering communications organization files shall be accepted on a conditional basis. The treasurer of the electioneering communications organization shall be notified, by certified mail or other common carrier that can establish proof of delivery for the notice, as to why the report is incomplete. Within 7 days after receipt of such notice, the treasurer must file an addendum to the report providing all information necessary to complete the report in compliance with this section. Failure to file a complete report after such notice constitutes a violation of this chapter.

2. Notice is deemed sufficient upon proof of delivery of written notice to the mailing or street address of the treasurer or registered agent of the electioneering communication organization on record with the filing officer.

(3)(a) Each report required by this section must contain:

1. The full name, address, and occupation, if any, of each person who has made one or more contributions to or for such electioneering communications organization within the reporting period, together with the amount and date of such contributions. For corporations, the report must provide as clear a description as practicable of the principal type of business conducted by the corporation. However, if the contribution is \$100 or less, the occupation of the contributor or the principal type of business need not be listed.

2. The name and address of each political committee from which or to which the reporting electioneering communications organization made any transfer of funds, together with the amounts and dates of all transfers.

3. Each loan for electioneering communication purposes to or from any person or political committee within the reporting period, together with the full names, addresses, and occupations and principal places of business, if any, of the lender and endorsers, if any, and the date and amount of such loans.

4. A statement of each contribution, rebate, refund, or other receipt not otherwise listed under subparagraphs 1.-3.

5. The total sums of all loans, in-kind contributions, and other receipts by or for such electioneering communications organization during the reporting period. The reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts.

6. The full name and address of each person to whom expenditures have been made by or on behalf of the electioneering communications organization within the reporting period and the amount, date, and purpose of each expenditure.

7. The full name and address of each person to whom an expenditure for personal services, salary, or reimbursement for expenses has been made and that is not otherwise reported, including the amount, date, and purpose of the expenditure.

8. The total sum of expenditures made by the electioneering communications organization during the reporting period.

9. The amount and nature of debts and obligations owed by or to the electioneering communications organization that relate to the conduct of any electioneering communication.

10. Transaction information for each credit card purchase. Receipts for each credit card purchase shall be retained by the electioneering communications organization.

11. The amount and nature of any separate interest-bearing accounts or certificates of deposit and identification of the financial institution in which such accounts or certificates of deposit are located.

12. The primary purposes of an expenditure made indirectly through an electioneering communications organization for goods and services, such as communications media placement or procurement services and other expenditures that include multiple components as part of the expenditure. The primary purpose of an expenditure shall be that purpose, including integral and directly related components, that comprises 80 percent of such expenditure.

(b) The filing officer shall make available to any electioneering communications organization a reporting form which the electioneering communications organization may use to indicate contributions received by the electioneering communications organization but returned to the contributor before deposit.

(4) The treasurer of the electioneering communications organization shall certify as to the correctness of each report, and each person so certifying shall bear the responsibility for the accuracy and veracity of each report. Any treasurer who willfully certifies the correctness of any report while knowing that such report is incorrect, false, or incomplete commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(5) The electioneering communications organization depository shall provide statements reflecting deposits and expenditures from the account to the treasurer, who shall retain the records pursuant to s. 106.06. The records maintained by the depository with respect to the account shall be subject to inspection by an agent of the Division of Elections or the Florida Elections Commission at any time during normal banking hours, and such depository shall furnish certified copies of any such records to the Division of Elections or the Florida Elections Commission upon request.

(6) Notwithstanding any other provisions of this chapter, in any reporting period during which an electioneering communications organization has not received funds, made any contributions, or expended any reportable funds, the treasurer shall file a written report with the filing officer by the prescribed reporting date that no reportable contributions or expenditures were made during the reporting period.

(7)(a) Any electioneering communications organization failing to file a report on the designated due date shall be subject to a fine as provided in paragraph (b) for each late day. The fine shall be assessed by the filing officer, and the moneys collected shall be deposited:

1. In the General Revenue Fund, in the case of an electioneering communications organization that registers with the Division of Elections; or

2. In the general revenue fund of the political subdivision, in the case of an electioneering communications organization that registers with an officer of a political subdivision.

No separate fine shall be assessed for failure to file a copy of any report required by this section.

(b) Upon determining that a report is late, the filing officer shall immediately notify the electioneering communications organization as to the failure to file a report by the designated due date and that a fine is being assessed for each late day. The fine shall be \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. Upon receipt of the report, the filing officer shall determine the amount of the fine which is due and shall notify the electioneering communications organization. The filing officer shall determine the amount of the fine due based upon the earliest of the following:

1. When the report is actually received by such officer.

2. When the report is postmarked.

3. When the certificate of mailing is dated.

4. When the receipt from an established courier company is dated.

5. When the electronic receipt issued pursuant to s. 106.0705 or other electronic filing system authorized in this section is dated.

Such fine shall be paid to the filing officer within 20 days after receipt of the notice of payment due, unless appeal is made to the Florida Elections Commission pursuant to paragraph (c). Notice is deemed sufficient upon proof of delivery of written notice to the mailing or street address on record with the filing officer. An officer or member of an electioneering communications organization shall not be personally liable for such fine.

(c) The treasurer of an electioneering communications organization may appeal or dispute the fine, based upon, but not limited to, unusual circumstances surrounding the failure to file on the designated due date, and may request and shall be entitled to a hearing before the Florida Elections Commission, which shall have the authority to waive the fine in whole or in part. The Florida Elections Commission must consider the mitigating and aggravating circumstances contained in s. 106.265(1) when determining the amount of a fine, if any, to be waived. Any such request shall be made within 20 days after receipt of the notice of payment due. In such case, the treasurer of the electioneering communications organization shall, within the 20-day period, notify the filing officer in writing of his or her intention to bring the matter before the commission.

(d) The appropriate filing officer shall notify the Florida Elections Commission of the repeated late filing by an electioneering communications organization, the failure of an electioneering communications organization to file a report after notice, or the failure to pay the fine imposed. The commission shall investigate only those alleged late filing violations specifically identified by the filing officer and as set forth in the notification. Any other alleged violations must be stated separately and reported by the division to the commission under s. 106.25(2).

(8) Electioneering communications organizations shall not use credit cards.

#### **106.075 Elected officials; report of loans made in year preceding election; limitation on contributions to pay loans.—**

(1) A person who is elected to office must report all loans, exceeding \$500 in value, made to him or her and used for campaign purposes, and made in the 12 months preceding his or her election to office, to the filing officer. The report must be made, in the manner prescribed by the Department of State, within 10 days after being elected to office.

(2) Any person who makes a contribution to an individual to pay all or part of a loan incurred, in the 12 months preceding the election, to be used for the individual's campaign, may not contribute more than the amount which is allowed in s. 106.08(1).

**History.**—s. 11, ch. 89-256; s. 32, ch. 90-315; s. 12, ch. 91-107; s. 641, ch. 95-147.

#### **106.08 Contributions; limitations on.—**

<sup>1</sup>(1)(a) Except for political parties or affiliated party committees, no person, political committee, or committee of continuous existence may, in any election, make contributions in excess of \$500 to any candidate for election to or retention in office or to any political committee supporting or opposing one or more candidates. Candidates for the offices of Governor and Lieutenant Governor on the same ticket are considered a single candidate for the purpose of this section.

(b)1. The contribution limits provided in this subsection do not apply to contributions made by a state or county executive committee of a political party or affiliated party committee regulated by chapter 103 or to amounts contributed by a candidate to his or her own campaign.

2. Notwithstanding the limits provided in this subsection, an unemancipated child under the age of 18 years of age may not make a contribution in excess of \$100 to any candidate or to any political committee supporting one or more candidates.

(c) The contribution limits of this subsection apply to each election. For purposes of this subsection, the primary election and general election are separate

elections so long as the candidate is not an unopposed candidate as defined in s. 106.011(15). However, for the purpose of contribution limits with respect to candidates for retention as a justice or judge, there is only one election, which is the general election.

<sup>1</sup>(2)(a) A candidate may not accept contributions from national, state, or county executive committees of a political party, including any subordinate committee of such political party or affiliated party committees, which contributions in the aggregate exceed \$50,000.

(b) A candidate for statewide office may not accept contributions from national, state, or county executive committees of a political party, including any subordinate committee of the political party, or affiliated party committees, which contributions in the aggregate exceed \$250,000. Polling services, research services, costs for campaign staff, professional consulting services, and telephone calls are not contributions to be counted toward the contribution limits of paragraph (a) or this paragraph. Any item not expressly identified in this paragraph as nonallocable is a contribution in an amount equal to the fair market value of the item and must be counted as allocable toward the contribution limits of paragraph (a) or this paragraph. Nonallocable, in-kind contributions must be reported by the candidate under s. 106.07 and by the political party or affiliated party committee under s. 106.29.

(3)(a) Any contribution received by a candidate with opposition in an election or by the campaign treasurer or a deputy campaign treasurer of such a candidate on the day of that election or less than 5 days prior to the day of that election must be returned by him or her to the person or committee contributing it and may not be used or expended by or on behalf of the candidate.

(b) Except as otherwise provided in <sup>2</sup>paragraph (c), any contribution received by a candidate or by the campaign treasurer or a deputy campaign treasurer of a candidate after the date at which the candidate withdraws his or her candidacy, or after the date the candidate is defeated, becomes unopposed, or is elected to office must be returned to the person or committee contributing it and may not be used or expended by or on behalf of the candidate.

<sup>1</sup>(4) Any contribution received by the chair, campaign treasurer, or deputy campaign treasurer of a political committee supporting or opposing a candidate with opposition in an election or supporting or opposing an issue on the ballot in an election on the day of that election or less than 5 days prior to the day of that election may not be obligated or expended by the committee until after the date of the election.

<sup>1</sup>(5)(a) A person may not make any contribution through or in the name of another, directly or indirectly, in any election.

(b) Candidates, political committees, affiliated party committees, and political parties may not solicit contributions from any religious, charitable, civic, or other causes or organizations established primarily for the public good.

(c) Candidates, political committees, affiliated party committees, and political parties may not make contributions, in exchange for political support, to any religious, charitable, civic, or other cause or

organization established primarily for the public good. It is not a violation of this paragraph for:

1. A candidate, political committee, affiliated party committee, or political party executive committee to make gifts of money in lieu of flowers in memory of a deceased person;

2. A candidate to continue membership in, or make regular donations from personal or business funds to, religious, political party, affiliated party committee, civic, or charitable groups of which the candidate is a member or to which the candidate has been a regular donor for more than 6 months; or

3. A candidate to purchase, with campaign funds, tickets, admission to events, or advertisements from religious, civic, political party, affiliated party committee, or charitable groups.

<sup>1</sup>(6)(a) A political party or affiliated party committee may not accept any contribution that has been specifically designated for the partial or exclusive use of a particular candidate. Any contribution so designated must be returned to the contributor and may not be used or expended by or on behalf of the candidate. Funds contributed to an affiliated party committee shall not be deemed as designated for the partial or exclusive use of a leader as defined in s. 103.092.

(b)1. A political party or affiliated party committee may not accept any in-kind contribution that fails to provide a direct benefit to the political party or affiliated party committee. A "direct benefit" includes, but is not limited to, fundraising or furthering the objectives of the political party or affiliated party committee.

2.a. An in-kind contribution to a state political party may be accepted only by the chairperson of the state political party or by the chairperson's designee or designees whose names are on file with the division in a form acceptable to the division prior to the date of the written notice required in sub-subparagraph b. An in-kind contribution to a county political party may be accepted only by the chairperson of the county political party or by the county chairperson's designee or designees whose names are on file with the supervisor of elections of the respective county prior to the date of the written notice required in sub-subparagraph b. An amended report must be filed showing the refund and subsequent disposition.

(2) Any candidate required to dispose of funds pursuant to this section may, prior to such disposition, be reimbursed by the campaign, in full or in part, for any reported contributions by the candidate to the campaign.

However, if the funds are in an account in which penalties will apply for withdrawal within the 7-day period, the campaign treasurer shall transfer such funds and the accumulated interest earned thereon as soon as the funds can be withdrawn without penalty, or within 90 days after the candidate becomes unopposed, withdraws his or her candidacy, or is eliminated or elected, whichever comes first.

(4)<sup>1</sup>(a) Except as provided in paragraph (b), any candidate required to dispose of funds pursuant to this section shall, at the option of the candidate, dispose of such funds by any of the following means, or any combination thereof:

provided in subsection (4), transfer from the campaign account to an office account any amount of the funds on deposit in such campaign account up to:

Such expenses may include travel expenses incurred by the officer or a staff member, personal taxes payable on office account funds by the candidate or elected public official, or expenses incurred in the operation of his or her office, including the employment of additional staff. (6) Prior to disposing of funds pursuant to subsection (4) or transferring funds into an office account pursuant to subsection (5), any candidate who filed an oath stating that he or she was unable to pay the election assessment or fee for verification of petition signatures without imposing an undue burden on his or her personal resources or on resources otherwise available to him or her, or who filed both such oaths, or who qualified by the petition process and was not required to pay an election assessment, shall reimburse the state or local governmental entity, whichever is applicable, for such waived assessment or fee or both.

Such reimbursement shall be made first for the cost of petition verification and then, if funds are remaining, for the amount of the election assessment. If there are insufficient funds in the account to pay the full amount of either the assessment or the fee or both, the remaining funds shall be disbursed in the above manner until no funds remain. All funds disbursed pursuant to this subsection shall be remitted to the qualifying officer. Any reimbursement for petition verification costs which are reimbursable by the state shall be forwarded by the qualifying officer to the state for deposit in the General Revenue Fund. All reimbursements for the amount of the election assessment shall be forwarded by the qualifying officer to the Department of State for deposit in the General Revenue Fund.

(7)(a) Any candidate required to dispose of campaign funds pursuant to this section shall do so within the time required by this section and shall, on or before the date by which such disposition is to have been made, file with the officer with whom reports are required to be filed pursuant to s. 106.07 a form prescribed by the Division of Elections listing:

The advertisement must also contain a statement that no candidate has approved the advertisement.

(6) No political advertisement of a candidate who is not an incumbent of the office for which the candidate is running shall use the word “re-elect.” Additionally, such advertisement must include the word “for” between the candidate’s name and the office for which the candidate is running, in order that incumbency is not implied. A website or account may not be marked as official without prior approval by the candidate or political committee.

(f) Distributed as a text message or other message via Short Message Service, provided the message is no more than 200 characters in length or requires the recipient to sign up or opt in to receive it.

(g) Connected with or included in any software application or accompanying function, provided that the user signs up, opts in, downloads, or otherwise accesses the application from or through a website that complies with subsection (1).

(h) Sent by a third-party user from or through a campaign or committee's website, provided the website complies with subsection (1).

(i) Contained in or distributed through any other technology-related item, service, or device for which compliance with subsection (1) is not reasonably practical due to the size or nature of such item, service, or device as available, or the means of displaying the message or advertisement makes compliance with subsection (1) impracticable.

### 106.24 Florida Elections Commission; membership; powers; duties.—

(1)(a) There is created within the Department of Legal Affairs, Office of the Attorney General, a Florida Elections Commission, hereinafter referred to as the commission. The commission shall be a separate budget entity and the agency head for all purposes. The commission shall not be subject to control, supervision, or direction by the Department of Legal Affairs or the Attorney General in the performance of its duties, including, but not limited to, personnel, purchasing transactions involving real or personal property, and budgetary matters.

(b) The commission shall be composed of nine members. The President of the Senate, the Speaker of the House of Representatives, the minority leader of the Senate, and the minority leader of the House of Representatives shall each provide a list of six nominees to the Governor for initial appointment to the commission. The Governor may appoint two members to the commission from each list. If the Governor refuses to appoint two members from any of the respective lists, the Governor shall so inform the nominating officer and the nominating officer shall submit a new list of six nominees within 30 days. The new list must contain at least three nominees not included on the prior nominating list. The ninth commission member, who shall serve as chair of the commission, shall be appointed by the Governor. Each member of the commission is subject to confirmation by the Senate. The chair of the commission shall serve for a maximum term of 4 years, such term to run concurrently with the term of the appointing Governor and until a future successor is appointed. Other members of the commission shall serve for 4-year terms and until their successors are appointed. An individual who is a lobbyist at the state or local government level may not serve as a member of the commission, except that this prohibition shall not apply to an individual who is a member of the commission on July 1, 2002, until the

expiration of his or her current term. A member of the commission is prohibited from lobbying state or local government while he or she is a member of the commission, except that this prohibition shall not apply to an individual who is a member of the commission on July 1, 2002, until the expiration of his or her current term.

(c) As the terms of members expire, excluding the chair, successors shall be appointed to 4-year terms and shall serve until their successors are appointed. Six months prior to the expiration of a commission member's term, the ranking officer of the political party in the respective house originally nominating the commission member shall submit a list of three nominees to the Governor. The Governor may appoint one of the listed nominees to the commission. If no nominee is selected from the list, the Governor shall so inform the nominating officer, who shall submit a list of three different nominees to the Governor within 30 days. Vacancies on the commission shall expeditiously be filled for the unexpired terms in the same manner.

(d) As the term of the chair of the commission expires or becomes vacant, a successor shall be appointed in the manner of the original appointment, and shall serve for a maximum of 4 years, such term to run concurrently with the term of the appointing Governor and until a future successor is appointed.

(e) In no event may any member of the commission serve more than two full terms. Members of the commission shall be paid travel and per diem as provided in s. 112.061 while in performance of their duties and in traveling to, from, and upon same. Of the nine members of the commission, no more than five members shall be from the same political party at any one time.

(2) No member of the commission shall be a member of any county, state, or national committee of a political party; be an officer in any partisan political club or organization; or hold, or be a candidate for, any other public office. No person shall be appointed as a member of the commission who has held an elective public office or office in a political party within the year immediately preceding his or her appointment.

(3) The commission shall convene at the call of its chair or at the request of a majority of the members of the commission. The presence of five members is required to constitute a quorum, and the affirmative vote of the majority of the members present is required for any action or recommendation by the commission. The commission may meet in any city of the state.

(4) The commission shall appoint an executive director, who shall serve under the direction, supervision, and control of the commission. The executive director, with the consent of the commission, shall employ such staff as are necessary to adequately perform the functions of the commission, within budgetary limitations. All employees, except the executive director and attorneys, are subject to part II of chapter 110. The executive director shall serve at the pleasure of the commission and be subject to part III of chapter 110, except that the commission shall have complete authority for setting the executive director's salary.

Attorneys employed by the commission shall be subject to part V of chapter 110.

(5) Hearings shall be held before the commission, except that the chair may direct that any hearing be held before one member of the commission or a panel of less than the full commission. The commission shall adopt rules to provide for the filing of a report when hearings are held by a single commissioner or a panel, which rules shall prescribe the time for filing the report and the contents of the report.

(6) There is established in the State Treasury an Elections Commission Trust Fund to be used by the Florida Elections Commission in order to carry out its duties pursuant to ss. 106.24-106.28. The trust fund may also be used by the Secretary of State, pursuant to his or her authority under s. 97.012(14), to provide rewards for information leading to criminal convictions related to voter registration fraud, voter fraud, and vote scams.

(7) The commission shall develop a budget request pursuant to chapter 216 annually. The budget is not subject to change by the Department of Legal Affairs or the Attorney General, but it shall be submitted by the Department of Legal Affairs to the Governor for transmittal to the Legislature.

(8) The commission is authorized to contract or consult with appropriate agencies of state government for such professional assistance as may be needed in the discharge of its duties.

### **106.25 Reports of alleged violations to Florida Elections Commission; disposition of findings.—**

(1) Jurisdiction to investigate and determine violations of this chapter and chapter 104 is vested in the Florida Elections Commission; however, nothing in this section limits the jurisdiction of any other officers or agencies of government empowered by law to investigate, act upon, or dispose of alleged violations of this code.

(2) The commission shall investigate all violations of this chapter and chapter 104, but only after having received either a sworn complaint or information reported to it under this subsection by the Division of Elections. Such sworn complaint must be based upon personal information or information other than hearsay. Any person, other than the division, having information of any violation of this chapter or chapter 104 shall file a sworn complaint with the commission. The commission shall investigate only those alleged violations specifically contained within the sworn complaint. If any complainant fails to allege all violations that arise from the facts or allegations alleged in a complaint, the commission shall be barred from investigating a subsequent complaint from such complainant that is based upon such facts or allegations that were raised or could have been raised in the first complaint. If the complaint includes allegations of violations relating to expense items reimbursed by a candidate, committee, or organization to the campaign account before a sworn complaint is filed, the commission shall be barred

from investigating such allegations. Such sworn complaint shall state whether a complaint of the same violation has been made to any state attorney. Within 5 days after receipt of a sworn complaint, the commission shall transmit a copy of the complaint to the alleged violator. The respondent shall have 14 days after receipt of the complaint to file an initial response, and the executive director may not determine the legal sufficiency of the complaint during that time period. If the executive director finds that the complaint is legally sufficient, the respondent shall be notified of such finding by letter, which sets forth the statutory provisions alleged to have been violated and the alleged factual basis that supports the finding. All sworn complaints alleging violations of the Florida Election Code over which the commission has jurisdiction shall be filed with the commission within 2 years after the alleged violations. The period of limitations is tolled on the day a sworn complaint is filed with the commission. The complainant may withdraw the sworn complaint at any time prior to a probable cause hearing if good cause is shown. Withdrawal shall be requested in writing, signed by the complainant, and witnessed by a notary public, stating the facts and circumstances constituting good cause. The executive director shall prepare a written recommendation regarding disposition of the request which shall be given to the commission together with the request. "Good cause" shall be determined based upon the legal sufficiency or insufficiency of the complaint to allege a violation and the reasons given by the complainant for wishing to withdraw the complaint. If withdrawal is permitted, the commission must close the investigation and the case. No further action may be taken. The complaint will become a public record at the time of withdrawal.

(3) For the purposes of commission jurisdiction, a violation shall mean the willful performance of an act prohibited by this chapter or chapter 104 or the willful failure to perform an act required by this chapter or chapter 104. The commission may not by rule determine what constitutes willfulness or further define the term "willful" for purposes of this chapter or chapter 104. Willfulness is a determination of fact; however, at the request of the respondent at any time after probable cause is found, willfulness may be considered and determined in an informal hearing before the commission.

(4) The commission shall undertake a preliminary investigation to determine if the facts alleged in a sworn complaint or a matter initiated by the division constitute probable cause to believe that a violation has occurred.

(a) When the investigator's report is completed, the executive director shall notify the respondent that the report is completed and shall send to the respondent a copy of the investigator's report. The investigatory file and main complaint file shall be open for inspection by the respondent and the respondent's counsel at that time, and copies may be obtained at no more than cost.

(b) The respondent shall be given not less than 14 days from the date of mailing of the investigator's report to file with the commission a written response to the investigator's report. This time period may be shortened with the consent of the respondent, or without the

consent of the respondent when the passage of time could reasonably be expected to render moot the ultimate disposition of the matter by the commission so long as reasonable notice under the circumstances is given.

(c) Counsel for the commission shall review the investigator's report and shall make a written recommendation to the commission for the disposition of the complaint. If the counsel for the commission recommends that the commission find probable cause, the recommendation shall include a statement of what charges shall be at issue. A copy of the recommendation shall be furnished to the respondent. The respondent shall be given not less than 14 days from the date of mailing of the recommendation of counsel for the commission to file with the commission a written response to the recommendation. This time period may be shortened with the consent of the respondent, or without the consent of the respondent when the passage of time could reasonably be expected to render moot the ultimate disposition of the matter by the commission, so long as the recommendation is furnished to the respondent within a reasonable period of time under the circumstances.

(d) The respondent and each complainant, their counsel, and the counsel for the commission shall be permitted to attend the hearing at which the probable cause determination is made. Notice of the hearing shall be sent to the respondent, each complainant, and counsel for the commission at least 14 days before the hearing. This time period may be shortened with the consent of the respondent, or without the consent of the respondent when the passage of time could reasonably be expected to render moot the ultimate disposition of the matter by the commission, so long as the notice is furnished within a reasonable period of time under the circumstances.

(e) The probable cause determination is the conclusion of the preliminary investigation. The respondent and the counsel for the commission shall be permitted to make brief oral statements in the nature of oral argument to the commission, based on the investigator's report, before the probable cause determination. The commission's determination shall be based upon the investigator's report, the recommendation of counsel for the commission, the complaint, and staff recommendations, as well as any written statements submitted by the respondent and any oral statements made at the hearing. No testimony or other evidence will be accepted at the hearing.

(f) At its meeting to determine probable cause, the commission may continue its determination to allow further investigation; may order the issuance of a public report of its investigation if it finds no probable cause to believe that there has been a violation of this chapter or chapter 104, concluding the matter before it; may order a final, public hearing of the complaint if it finds probable cause to believe that there has been a violation of this chapter or chapter 104; or may take such other action as it deems necessary to resolve the complaint, consistent with due process of law. In making its determination, the commission may consider:

1. The sufficiency of the evidence against the respondent, as contained in the investigator's report;
2. The admissions and other stipulations of the respondent, if any;
3. The nature and circumstances of the respondent's actions;
4. The expense of further proceedings; and
5. Such other factors as it deems material to its decision.

If the commission finds probable cause, the commission shall determine what charges shall be at issue.

(g) If no probable cause is found, the commission shall dismiss the case and the case shall become a matter of public record, except as otherwise provided in this section, together with a written statement of the findings of the preliminary investigation and a summary of the facts which the commission shall send to the complainant and the alleged violator. A finding of no probable cause by the commission is a full adjudication of all such matters. The commission may not charge a respondent in a subsequent complaint alleging violations based upon the same actions, nonactions, or circumstances wherein the commission found no probable cause.

(h) If probable cause is found, the commission shall so notify the complainant and the alleged violator in writing. All documents made or received in the disposition of the complaint shall become public records upon a finding by the commission.

(i)1. Upon a commission finding of probable cause, the counsel for the commission shall attempt to reach a consent agreement with the respondent. At any time, the commission may enter into a consent order with a respondent without requiring the respondent to admit to a violation of law within the jurisdiction of the commission.

2. A consent agreement is not binding upon either party unless and until it is signed by the respondent and by counsel for the commission upon approval by the commission.

3. Nothing herein shall be construed to prevent the commission from entering into a consent agreement with a respondent prior to a commission finding of probable cause if a respondent indicates in writing a desire to enter into negotiations directed towards reaching such a consent agreement. Any consent agreement reached under this subparagraph is subject to the provisions of subparagraph 2. and shall have the same force and effect as a consent agreement reached after the commission finding of probable cause.

(j) If a consent agreement is reached between the commission and the respondent, counsel for the commission shall send a copy of the signed agreement to both complainant and respondent.

In a case where probable cause is found, the commission shall make a preliminary determination to consider the matter or to refer the matter to the state attorney for the judicial circuit in which the alleged violation occurred. Notwithstanding any other provisions of this section, the commission may, at its discretion, dismiss any complaint at any stage of disposition if it determines

that the public interest would not be served by proceeding further, in which case the commission shall issue a public report stating with particularity its reasons for the dismissal.

(5) A person alleged by the Elections Commission to have committed a violation of this chapter or chapter 104 may elect, as a matter of right, within 30 days after the date of the filing of the commission's allegations, to have a formal administrative hearing conducted by an administrative law judge in the Division of Administrative Hearings. The administrative law judge in such proceedings shall enter a final order, which may include the imposition of civil penalties, subject to appeal as provided in s. 120.68. If the person does not elect to have a hearing by an administrative law judge and does not elect to resolve the complaint by a consent order, the person is entitled to a formal or informal hearing conducted before the commission.

(6) It is the duty of a state attorney receiving a complaint referred by the commission to investigate the complaint promptly and thoroughly; to undertake such criminal or civil actions as are justified by law; and to report to the commission the results of such investigation, the action taken, and the disposition thereof. The failure or refusal of a state attorney to prosecute or to initiate action upon a complaint or a referral by the commission shall not bar further action by the commission under this chapter.

(7) Every sworn complaint filed pursuant to this chapter with the commission, every investigation and investigative report or other paper of the commission with respect to a violation of this chapter or chapter 104, and every proceeding of the commission with respect to a violation of this chapter or chapter 104 is confidential, is exempt from the provisions of ss. 119.07(1) and 286.011, and is exempt from publication in the Florida Administrative Weekly of any notice or agenda with respect to any proceeding relating to such violation, except under the following circumstances:

- (a) As provided in subsection (6);
- (b) Upon a determination of probable cause or no probable cause by the commission; or
- (c) For proceedings conducted with respect to appeals of fines levied by filing officers for the late filing of reports required by this chapter.

However, a complainant is not bound by the confidentiality provisions of this section. In addition, confidentiality may be waived in writing by the person against whom the complaint has been filed or the investigation has been initiated. If a finding of probable cause in a case is entered within 30 days prior to the date of the election with respect to which the alleged violation occurred, such finding and the proceedings and records relating to such case shall not become public until noon of the day following such election. When two or more persons are being investigated by the commission with respect to an alleged violation of this chapter or chapter 104, the commission may not publicly enter a finding of probable cause or no probable cause in the case until a finding of probable cause or no probable cause for the entire case has been determined. However, once the confidentiality of any case has been breached, the person or persons

under investigation have the right to waive the confidentiality of the case, thereby opening up the proceedings and records to the public. Any person who discloses any information or matter made confidential by the provisions of this subsection commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(8) Any person who files a complaint pursuant to this section while knowing that the allegations contained in such complaint are false or without merit commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(9) The commission shall maintain a database of all final orders and agency actions. Such database shall be available to the public and shall be maintained in such a manner as to be searchable, at a minimum, by issue, statutes, individuals, or entities referenced.

### **106.26 Powers of commission; rights and responsibilities of parties; findings by commission.**

(1) The commission shall, pursuant to rules adopted and published in accordance with chapter 120, consider all sworn complaints filed with it and all matters reported to it by the Division of Elections. In order to carry out the responsibilities prescribed by this chapter, the commission is empowered to subpoena and bring before it, or its duly authorized representatives, any person in the state, or any person doing business in the state, or any person who has filed or is required to have filed any application, document, papers, or other information with an office or agency of this state or a political subdivision thereof and to require the production of any papers, books, or other records relevant to any investigation, including the records and accounts of any bank or trust company doing business in this state. Duly authorized representatives of the commission are empowered to administer all oaths and affirmations in the manner prescribed by law to witnesses who shall appear before them concerning any relevant matter. Should any witness fail to respond to the lawful subpoena of the commission or, having responded, fail to answer all lawful inquiries or to turn over evidence that has been subpoenaed, the commission may file a complaint in the circuit court where the witness resides setting up such failure on the part of the witness. On the filing of such complaint, the court shall take jurisdiction of the witness and the subject matter of said complaint and shall direct the witness to respond to all lawful questions and to produce all documentary evidence in the witness's possession which is lawfully demanded. The failure of any witness to comply with such order of the court shall constitute a direct and criminal contempt of court, and the court shall punish said witness accordingly. However, the refusal by a witness to answer inquiries or turn over evidence on the basis that such testimony or material will tend to incriminate such witness shall not be deemed refusal to comply with the provisions of this chapter. The sheriffs in the several counties shall make such service and execute all process or orders when required by the commission. Sheriffs shall be paid for

these services by the commission as provided for in s. 30.231. Any person who is served with a subpoena to attend a hearing of the commission also shall be served with a general statement informing him or her of the subject matter of the commission's investigation or inquiry and a notice that he or she may be accompanied at the hearing by counsel of his or her own choosing.

(2) All witnesses summoned before the commission, other than on the request of the subject of a hearing, shall receive reimbursement for travel expenses and per diem at the rates provided in s. 112.061. However, the fact that such reimbursement is not tendered at the time the subpoena is served shall not excuse the witness from appearing as directed therein.

(3) Upon request of any person having business before the commission, and with the approval of a majority of the commission, the chair or, in the chair's absence, the vice chair shall instruct all witnesses to leave the hearing room and retire to a designated place. The witness will be instructed by the chair or, in the chair's absence, the vice chair not to discuss his or her testimony or the testimony of any other person with anyone until the hearing has been adjourned and the witness discharged by the chair. The witness shall be further instructed that should any person discuss or attempt to discuss the matter under investigation with him or her after receiving such instructions the witness shall bring such matter to the attention of the commission. No member of the commission or representative thereof may discuss any matter or matters pertinent to the subject matter under investigation with witnesses to be called before the commission from the time that these instructions are given until the hearing has been adjourned and the witness discharged by the chair.

(4) The commission, when interrogating witnesses as provided herein, shall cause a record to be made of all proceedings in which testimony or other evidence is demanded or adduced. This record shall include rulings of the chair, questions of the commission and its counsel, testimony or responses of witnesses, sworn written statements submitted to the commission, and all other pertinent matters. A witness at a hearing, upon his or her advance request and at his or her own expense, shall be furnished a certified transcript of all testimony taken at the hearing.

(5) Before or during a hearing, any person noticed to appear before the commission, or the person's counsel, may file with the commission, for incorporation into the record of the hearing, sworn written statements relevant to the purpose, subject matter, and scope of the commission's investigation or inquiry. Any such person shall, however, prior to filing such statement, consent to answer questions from the commission regarding the contents of the statement.

(6) Any person whose name is mentioned or who is otherwise identified during a hearing being conducted by the commission and who, in the opinion of the commission, may be adversely affected thereby may, upon his or her request or upon the request of any member of the commission, appear personally before the commission and testify on his or her own behalf or, with the commission's consent, file a sworn written statement of facts or other documentary evidence for

incorporation into the record of the hearing. Any such person shall, however, prior to filing such statement, consent to answer questions from the commission regarding the contents of the statement.

(7) Upon the consent of a majority of its members, the commission may permit any other person to appear and testify at a hearing or submit a sworn written statement of facts or other documentary evidence for incorporation into the record thereof. No request to appear, appearance, or submission shall limit in any way the commission's power of subpoena. Any such person shall, however, prior to filing such statement, consent to answer questions from the commission regarding the contents of the statement.

(8) Any person who appears before the commission pursuant to this section shall have all the rights, privileges, and responsibilities of a witness appearing before a court of competent jurisdiction.

(9) If the commission fails in any material respect to comply with the requirements of this section, any person subject to subpoena or subpoena duces tecum who is injured by such failure shall be relieved of any requirement to attend the hearing for which the subpoena was issued or, if present, to testify or produce evidence therein; and such failure shall be a complete defense in any proceeding against such person for contempt or other punishment.

(10) Whoever willfully affirms or swears falsely in regard to any material matter or thing before the commission shall be guilty of a felony of the third degree and punished as provided by s. 775.082, s. 775.083, or s. 775.084.

(11) At the conclusion of its hearings concerning an alleged violation, the commission shall immediately begin deliberations on the evidence presented at such hearings and shall proceed to determine by affirmative vote of a majority of the members present whether a violation of this chapter or chapter 104 has occurred. Such determination shall promptly be made public. The order shall contain a finding of violation or no violation, together with brief findings of pertinent facts, and the assessment of such civil penalties as are permitted by this chapter or no such assessment and shall bear the signature or facsimile signature of the chair or vice chair.

(12) The commission by rule may determine violations which constitute minor offenses that can be resolved without further investigation by means of a plea of nolo contendere and payment of a fine.

(13) The commission may not issue advisory opinions and must, in all its deliberations and decisions, adhere to statutory law and advisory opinions of the division.

#### **106.265 Civil penalties.—**

(1) The commission or, in cases referred to the Division of Administrative Hearings pursuant to s. 106.25(5), the administrative law judge is authorized upon the finding of a violation of this chapter or chapter 104 to impose civil penalties in the form of fines not to exceed \$1,000 per count, or, if applicable, to impose a civil penalty as provided in s. 104.271 or s. 106.19.

<sup>1</sup>(2) In determining the amount of such civil penalties, the commission or administrative law judge shall consider, among other mitigating and aggravating circumstances:

- (a) The gravity of the act or omission;
- (b) Any previous history of similar acts or omissions;
- (c) The appropriateness of such penalty to the financial resources of the person, political committee, committee of continuous existence, affiliated party committee, electioneering communications organization, or political party; and

(d) Whether the person, political committee, committee of continuous existence, affiliated party committee, electioneering communications organization, or political party has shown good faith in attempting to comply with the provisions of this chapter or chapter 104.

<sup>1</sup>(3) If any person, political committee, committee of continuous existence, affiliated party committee, electioneering communications organization, or political party fails or refuses to pay to the commission any civil penalties assessed pursuant to the provisions of this section, the commission shall be responsible for collecting the civil penalties resulting from such action.

(4) Any civil penalty collected pursuant to the provisions of this section shall be deposited into the General Revenue Fund.

(5) Any fine assessed pursuant to this chapter shall be deposited into the General Revenue Fund.

(6) In any case in which the commission determines that a person has filed a complaint against another person with a malicious intent to injure the reputation of the person complained against by filing the complaint with knowledge that the complaint contains one or more false allegations or with reckless disregard for whether the complaint contains false allegations of fact material to a violation of this chapter or chapter 104, the complainant shall be liable for costs and reasonable attorney's fees incurred in the defense of the person complained against, including the costs and reasonable attorney's fees incurred in proving entitlement to and the amount of costs and fees. If the complainant fails to pay such costs and fees voluntarily within 30 days following such finding by the commission, the commission shall forward such information to the Department of Legal Affairs, which shall bring a civil action in a court of competent jurisdiction to recover the amount of such costs and fees awarded by the commission.

**1106.29 Reports by political parties and affiliated party committees; restrictions on contributions and expenditures; penalties.**—

(1) The state executive committee and each county executive committee of each political party and any affiliated party committee regulated by chapter 103 shall file regular reports of all contributions received and all expenditures made by such committee. However, the reports shall not include contributions and expenditures that are reported to the Federal Election Commission. In addition, when a special election is called to fill a vacancy in office, each state executive committee, each affiliated party committee, and each county executive committee making contributions or expenditures to influence the results of the special election or the preceding special primary election must file campaign treasurers’ reports on the dates set by the Department of State pursuant to s. 100.111. Such reports shall contain the same information as do reports required of candidates by s. 106.07 and shall be filed on the 10th

day following the end of each calendar quarter, except that, during the period from the last day for candidate qualifying until the general election, such reports shall be filed on the Friday immediately preceding each special primary election, special election, primary election, and general election. In addition to the reports filed under this section, the state executive committee, each county executive committee, and each affiliated party committee shall file a copy of each prior written acceptance of an in-kind contribution given by the committee during the preceding calendar quarter as required under s. 106.08(6). Each state executive committee and affiliated party committee shall file its reports with the Division of Elections. Each county executive committee shall file its reports with the supervisor of elections in the county in which such committee exists. Any state or county executive committee or affiliated party committee failing to file a report on the designated due date shall be subject to a fine as provided in subsection (3). No separate fine shall be assessed for failure to file a copy of any report required by this section.

(2) The chair and treasurer of each state or county executive committee shall certify as to the correctness of each report filed by them on behalf of such committee. The leader and treasurer of each affiliated party committee under s. 103.092 shall certify as to the correctness of each report filed by them on behalf of such committee. Any committee chair, leader, or treasurer who certifies the correctness of any report while knowing that such report is incorrect, false, or incomplete commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(3)(a) Any state or county executive committee or affiliated party committee failing to file a report on the designated due date shall be subject to a fine as provided in paragraph (b) for each late day. The fine shall be assessed by the filing officer, and the moneys collected shall be deposited in the General Revenue Fund.

(b) Upon determining that a report is late, the filing officer shall immediately notify the chair of the executive committee or the leader of the affiliated party committee as defined in s. 103.092 as to the failure to file a report by the designated due date and that a fine is being assessed for each late day. The fine shall be \$1,000 for a state executive committee, \$1,000 for an affiliated party committee, and \$50 for a county executive committee, per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, if an executive committee or an affiliated party committee fails to file a report on the Friday immediately preceding the special election or general election, the fine shall be \$10,000 per day for each day a state executive committee is late, \$10,000 per day for each day an affiliated party committee is late, and \$500 per day for each day a county executive committee is late. Upon receipt of the report, the filing officer shall determine the amount of the fine which is due and shall notify the chair or leader as defined in s. 103.092. Notice is deemed complete upon proof of delivery of

written notice to the mailing or street address on record with the filing officer. The filing officer shall determine the amount of the fine due based upon the earliest of the following:

1. When the report is actually received by such officer.
2. When the report is postmarked.
3. When the certificate of mailing is dated.
4. When the receipt from an established courier company is dated.
5. When the electronic receipt issued pursuant to s. 106.0705 is dated.

Such fine shall be paid to the filing officer within 20 days after receipt of the notice of payment due, unless appeal is made to the Florida Elections Commission pursuant to paragraph (c). An officer or member of an executive committee shall not be personally liable for such fine.

(c) The chair of an executive committee or the leader of an affiliated party committee as defined in s. 103.092 may appeal or dispute the fine, based upon unusual circumstances surrounding the failure to file on the designated due date, and may request and shall be entitled to a hearing before the Florida Elections Commission, which shall have the authority to waive the fine in whole or in part. Any such request shall be made within 20 days after receipt of the notice of payment due. In such case, the chair of the executive committee or the leader of the affiliated party committee as defined in s. 103.092 shall, within the 20-day period, notify the filing officer in writing of his or her intention to bring the matter before the commission.

(d) The appropriate filing officer shall notify the Florida Elections Commission of the repeated late filing by an executive committee or affiliated party committee, the failure of an executive committee or affiliated party committee to file a report after notice, or the failure to pay the fine imposed.

(4) Any contribution received by a state or county executive committee or affiliated party committee less than 5 days before an election shall not be used or expended in behalf of any candidate, issue, affiliated party committee, or political party participating in such election.

(5) No state or county executive committee or affiliated party committee, in the furtherance of any candidate or political party, directly or indirectly, shall give, pay, or expend any money, give or pay anything of value, authorize any expenditure, or become pecuniarily liable for any expenditure prohibited by this chapter. However, the contribution of funds by one executive committee to another or to established party organizations for legitimate party or campaign purposes is not prohibited, but all such contributions shall be recorded and accounted for in the reports of the contributor and recipient.

(6)(a) The national, state, and county executive committees of a political party and affiliated party committees may not contribute to any candidate any amount in excess of the limits contained in s. 106.08(2), and all contributions required to be reported under s. 106.08(2) by the national executive committee of a

political party shall be reported by the state executive committee of that political party.

(b) A violation of the contribution limits contained in s. 106.08(2) is a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. A civil penalty equal to three times the amount in excess of the limits contained in s. 106.08(2) shall be assessed against any executive committee found in violation thereof.

#### **106.295 Leadership fund.—**

(1) For purposes of this section:

(a) “Leadership fund” means accounts comprised of any moneys contributed to a political party, directly or indirectly, which are designated to be used at the partial or total discretion of a leader.

(b) “Leader” means the President of the Senate, the Speaker of the House of Representatives, the majority leader and the minority leader of each house, and any person designated by a political caucus of members of either house to succeed to any such position.

(2) Leadership funds are prohibited in this state. No leader shall accept any leadership funds.

(3) This section applies to leadership funds in existence on or after January 1, 1990.

**History.**—s. 24, ch. 89-256.

**106.30 Short title.—**Sections 106.30-106.36 may be cited as the “Florida Election Campaign Financing Act.”

**History.**—s. 1, ch. 86-276.

**106.31 Legislative intent.—**The Legislature finds that the costs of running an effective campaign for statewide office have reached a level which tends to discourage persons from becoming candidates and to limit the persons who run for such office to those who are independently wealthy, who are supported by political committees representing special interests which are able to generate substantial campaign contributions, or who must appeal to special interest groups for campaign contributions. The Legislature further finds that campaign contributions generated by such political committees are having a disproportionate impact vis-a-vis contributions from unaffiliated individuals, which leads to the misperception of government officials unduly influenced by those special interests to the detriment of the public interest. Furthermore, it is the intent of the Legislature that the purpose of public campaign financing is to make candidates more responsive to the voters of the State of Florida and as insulated as possible from special interest groups. The Legislature intends ss. 106.30-106.36 to alleviate these

factors, dispel the misperception, and encourage qualified persons to seek statewide elective office who would not, or could not otherwise do so and to protect the effective competition by a candidate who uses public funding.

**History.**—s. 1, ch. 86-276; s. 67, ch. 2001-40.

### **106.32 <sup>1</sup>Election Campaign Financing Trust Fund.—**

(1) There is hereby established in the State Treasury an <sup>1</sup>Election Campaign Financing Trust Fund to be utilized by the Department of State as provided in ss. 106.30-106.36. If necessary, each year in which a general election is to be held for the election of the Governor and Cabinet, additional funds shall be transferred to the <sup>1</sup>Election Campaign Financing Trust Fund from general revenue in an amount sufficient to fund qualifying candidates pursuant to the provisions of ss. 106.30-106.36.

(2) Proceeds from filing fees pursuant to ss. 99.092, 99.093, and 105.031 shall be deposited into the <sup>1</sup>Election Campaign Financing Trust Fund as designated in those sections.

(3) Proceeds from assessments pursuant to ss. 106.04, 106.07, and 106.29 shall be deposited into the <sup>1</sup>Election Campaign Financing Trust Fund as designated in those sections.

**History.**—s. 1, ch. 86-276; s. 19, ch. 91-107.

**Note.**—The trust fund expired, effective November 4, 1996, by operation of s. 19(f), Art. III of the State Constitution.

### **106.33 Election campaign financing; eligibility.**

Each candidate for the office of Governor or member of the Cabinet who desires to receive contributions from the <sup>1</sup>Election Campaign Financing Trust Fund shall, upon qualifying for office, file a request for such contributions with the filing officer on forms provided by the Division of Elections. If a candidate requesting contributions from the fund desires to have such funds distributed by electronic fund transfers, the request shall include information necessary to implement that procedure. For the purposes of ss. 106.30-106.36, candidates for Governor and Lieutenant Governor on the same ticket shall be considered as a single candidate. To be eligible to receive contributions from the fund, a candidate may not be an unopposed candidate as defined in s. 106.011(15) and must:

(1) Agree to abide by the expenditure limits provided in s. 106.34.

(2)(a) Raise contributions as follows:

1. One hundred fifty thousand dollars for a candidate for Governor.

2. One hundred thousand dollars for a candidate for Cabinet office.

(b) Contributions from individuals who at the time of contributing are not state residents may not be used to meet the threshold amounts in paragraph (a). For purposes of this paragraph, any person validly registered to vote in this state shall be considered a state resident.

(3) Limit loans or contributions from the candidate's personal funds to \$25,000 and contributions from national, state, and county executive committees of a political party to \$250,000 in the aggregate, which loans

or contributions shall not qualify for meeting the threshold amounts in subsection (2).

(4) Submit to a postelection audit of the campaign account by the division.

**History.**—s. 1, ch. 86-276; s. 40, ch. 90-315; s. 20, ch. 91-107; s. 68, ch. 2001-40; s. 47, ch. 2005-278.

**Note.**—The trust fund expired, effective November 4, 1996, by operation of s. 19(f), Art. III of the State Constitution.

### **106.34 Expenditure limits.—**

(1) Any candidate for Governor and Lieutenant Governor or Cabinet officer who requests contributions from the <sup>1</sup>Election Campaign Financing Trust Fund shall limit his or her total expenditures as follows:

(a) Governor and Lieutenant Governor: \$2.00 for each Florida-registered voter.

(b) Cabinet officer: \$1.00 for each Florida-registered voter.

(2) The expenditure limit for any candidate with primary election opposition only shall be 60 percent of the limit provided in subsection (1).

(3) For purposes of this section, "Florida-registered voter" means a voter who is registered to vote in Florida as of June 30 of each odd-numbered year. The Division of Elections shall certify the total number of Florida-registered voters no later than July 31 of each odd-numbered year. Such total number shall be calculated by adding the number of registered voters in each county as of June 30 in the year of the certification date. For the 2006 general election, the Division of Elections shall certify the total number of Florida-registered voters by July 31, 2005.

(4) For the purposes of this section, the term "expenditure" does not include the payment of compensation for legal and accounting services rendered on behalf of a candidate.

**History.**—s. 1, ch. 86-276; s. 41, ch. 90-315; s. 21, ch. 91-107; s. 654, ch. 95-147; s. 48, ch. 2005-278.

**Note.**—The trust fund expired, effective November 4, 1996, by operation of s. 19(f), Art. III of the State Constitution.

### **106.35 Distribution of funds.—**

(1) The division shall review each request for contributions from the <sup>1</sup>Election Campaign Financing Trust Fund and certify whether the candidate is eligible for such contributions. Notice of the certification decision shall be provided to the candidate. An adverse decision may be appealed to the Florida Elections Commission. The division shall adopt rules providing a procedure for such appeals.

(2)(a) Each candidate who has been certified to receive contributions from the <sup>1</sup>Election Campaign Financing Trust Fund shall be entitled to distribution of funds as follows:

1. For qualifying matching contributions making up all or any portion of the threshold amounts specified in s. 106.33(2), distribution shall be on a two-to-one basis.

2. For all other qualifying matching contributions, distribution shall be on a one-to-one basis.

(b) Qualifying matching contributions are those of \$250 or less from an individual, made after September 1 of the calendar year prior to the election. Any contribution received from an individual who is not a state resident at the time the contribution is made shall not be considered a qualifying matching contribution. For

purposes of this paragraph, any person validly registered to vote in this state shall be considered a state resident. Aggregate contributions from an individual in excess of \$250 will be matched only up to \$250. A contribution from an individual, if made by check, must be drawn on the personal bank account of the individual making the contribution, as opposed to any form of business account, regardless of whether the business account is for a corporation, partnership, sole proprietorship, trust, or other form of business arrangement. For contributions made by check from a personal joint account, the match shall only be for the individual who actually signs the check.

(3)(a) Certification and distribution of funds shall be based on contributions to the candidate reported to the division for such purpose. The division shall review each report and verify the amount of funds to be distributed prior to authorizing the release of funds. The division may prescribe separate reporting forms for candidates for Governor and Cabinet officer.

(b) Notwithstanding the provisions of s. 106.11, a candidate who is eligible for a distribution of funds based upon qualifying matching contributions received and certified to the division on the report due on the 4th day prior to the election, may obligate funds not to exceed the amount which the campaign treasurer's report shows the candidate is eligible to receive from the <sup>1</sup>Election Campaign Financing Trust Fund without the funds actually being on deposit in the campaign account.

(4) Distribution of funds shall be made beginning on the 32nd day prior to the primary and every 7 days thereafter.

(5) The division shall adopt rules providing for the weekly reports and certification and distribution of funds pursuant thereto required by this section. Such rules shall, at a minimum, provide specifications for electronically transmitted campaign treasurer's reports outlining communication parameters and protocol, data record formats, and provisions for ensuring security of data and transmission.

**History.**—s. 1, ch. 86-276; s. 25, ch. 89-256; s. 42, ch. 90-315; s. 22, ch. 91-107; s. 69, ch. 2001-40; s. 49, ch. 2007-30; s. 74, ch. 2011-40.

**Note.**—The trust fund expired, effective November 4, 1996, by operation of s. 19(f), Art. III of the State Constitution.

**106.353 Candidates voluntarily abiding by election campaign financing limits but not requesting public funds; irrevocable statement required; penalty.—**

(1) Not later than qualifying for office, each candidate for the office of Governor or member of the Cabinet who has not made a request to receive contributions from the <sup>1</sup>Election Campaign Financing Trust Fund, but who wishes to voluntarily abide by the applicable expenditure limit set forth in s. 106.34 and the contribution limits on personal and party funds set forth in s. 106.33, shall file an irrevocable statement to that effect with the Secretary of State.

(2) Any candidate who files such a statement and subsequently exceeds such limits shall pay to the <sup>1</sup>Election Campaign Financing Trust Fund an amount equal to the amount of the excess contributions or expenditures. Such penalty shall not be an allowable campaign expense and shall be paid from personal funds of the candidate. However, if a nonparticipating candidate exceeds the expenditure limit as described in s. 106.355, a candidate signing the statement pursuant to this section may exceed the applicable expenditure limit to the extent the nonparticipating candidate exceeded the limit without being subject to a penalty.

**History.**—s. 23, ch. 91-107.

**Note.**—The trust fund expired, effective November 4, 1996, by operation of s. 19(f), Art. III of the State Constitution.

**106.355 Nonparticipating candidate exceeding limits.—**Whenever a candidate for the office of Governor or member of the Cabinet who has elected not to participate in election campaign financing under the provisions of ss. 106.30-106.36 exceeds the applicable expenditure limit provided in s. 106.34, all opposing candidates participating in such election campaign financing are, notwithstanding the provisions of s. 106.33 or any other provision requiring adherence to such limit, released from such expenditure limit to the extent the nonparticipating candidate exceeded the limit, are still eligible for matching contributions up to such limit, and shall not be required to reimburse any matching funds provided pursuant thereto. In addition, the Department of State shall, within 7 days after a request by a participating candidate, provide such candidate with funds from the <sup>1</sup>Election Campaign Financing Trust Fund equal to the amount by which the nonparticipating candidate exceeded the expenditure limit, not to exceed twice the amount of the maximum expenditure limits specified in s. 106.34(1)(a) and (b), which funds shall not be considered matching funds.

**History.**—s. 24, ch. 91-107.

**Note.**—The trust fund expired, effective November 4, 1996, by operation of s. 19(f), Art. III of the State Constitution.

**106.36 Penalties; fines.—**In addition to any other penalties which may be applicable under the election code, any candidate who receives contributions from the <sup>1</sup>Election Campaign Financing Trust Fund and who exceeds the applicable expenditure limit, except as authorized in ss. 106.353 and 106.355, or falsely reports qualifying matching contributions and thereby receives contributions from the <sup>1</sup>Election Campaign Financing Trust Fund to which the candidate was not entitled shall be fined an amount equal to three times the amount at issue, which shall be deposited in the <sup>1</sup>Election Campaign Financing Trust Fund.

**History.**—s. 1, ch. 86-276; s. 11, ch. 90-338; s. 25, ch. 91-107; s. 655, ch. 95-147.

## I. HISTORY OF FLORIDA'S ETHICS LAWS

Florida has been a leader among the states in establishing ethics standards for public officials and recognizing the right of citizens to protect the public trust against abuse. Our state Constitution was revised in 1968 to require a code of ethics, prescribed by law, for all state employees and non-judicial officers prohibiting conflict between public duty and private interests.

Florida's first successful constitutional initiative resulted in the adoption of the Sunshine Amendment in 1976, providing additional constitutional guarantees concerning ethics in government. In the area of enforcement, the Sunshine Amendment requires that there be an independent commission (the Commission on Ethics) to investigate complaints concerning breaches of public trust by public officers and employees other than judges.

The Code of Ethics for Public Officers and Employees is found in Chapter 112 (Part III) of the Florida Statutes. Foremost among the goals of the Code is to promote the public interest and maintain the respect of the people for their government. The Code is also intended to ensure that public officials conduct themselves independently and impartially, not using their offices for private gain other than compensation provided by law. While seeking to protect the integrity of government, the Code also seeks to avoid the creation of unnecessary barriers to public service.

Criminal penalties, which initially applied to violations of the Code, were eliminated in 1974 in favor of administrative enforcement. The Legislature created the Commission on Ethics that year "to serve as guardian of the standards of conduct" for public officials, state and local. Five of the Commission's nine members are appointed by the Governor, and two each are appointed by the President of the Senate and Speaker of the House of Representatives. No more than five Commission members may be members of the same political party, and none may hold any public employment during their two-year terms of office. A chair is selected from among the members to serve a one-year term and may not succeed himself or herself.

## II. ROLE OF THE COMMISSION ON ETHICS

In addition to its constitutional duties regarding the investigation of complaints, the Commission:

- Renders advisory opinions to public officials;
- Prescribes forms for public disclosure;
- Prepares mailing lists of public officials subject to financial disclosure for use by Supervisors of Elections and the Commission in distributing forms and notifying delinquent filers;
- Makes recommendations to disciplinary officials when appropriate for violations of ethics and disclosure laws, since it does not impose penalties;
- Administers the Executive Branch Lobbyist Registration and Reporting Law;
- Maintains financial disclosure filings of constitutional officers and state officers and employees;
- Administers automatic fines for public officers and employees who fail to timely file required annual financial disclosure;

### III. THE ETHICS LAWS

The ethics laws generally consist of two types of provisions, those prohibiting certain actions or conduct and those requiring that certain disclosures be made to the public. The following descriptions of these laws have been simplified, in an effort to put people on notice of their requirements. Therefore, we also suggest that you review the wording of the actual law. Citations to the appropriate laws are contained in brackets. The laws summarized below apply generally to all public officers and employees, state and local, including members of advisory bodies. The principal exception to this broad coverage is the exclusion of judges, as they fall within the jurisdiction of the Judicial Qualifications Commission.

Public Service Commission members and employees, as well as members of the PSC Nominating Council, are subject to additional ethics standards that are enforced by the Commission on Ethics under Chapter 350, Florida Statutes. Further, members of the governing boards of charter schools are subject to some of the provisions of the Code of Ethics [Sec. 1002.33(25), Fla. Stat.], as are the officers, directors, chief executive officers and some employees of business entities that serve as the chief administrative or executive officer or employee of a political subdivision. [Sec. 112.3136, Fla. Stat.]

#### A. PROHIBITED ACTIONS OR CONDUCT

##### 1. *Solicitation and Acceptance of Gifts*

Public officers, employees, local government attorneys, and candidates are prohibited from soliciting or accepting anything of value, such as a gift, loan, reward, promise of future employment, favor, or service, that is based on an understanding that their vote, official action, or judgment would be influenced by such gift. [Sec. 112.313(2), Fla. Stat.]

Persons required to file financial disclosure FORM 1 or FORM 6 (see Part III F of this brochure), and state procurement employees, are prohibited from soliciting any gift from a political committee, committee of continuous existence, lobbyist who has lobbied the official or his or her agency within the past 12 months, or the partner, firm, employer, or principal of such a lobbyist. [Sec. 112.3148, Fla. Stat.]

Persons required to file FORM 1 or FORM 6, and state procurement employees are prohibited from directly or indirectly **accepting** a gift worth more than \$100 from such a lobbyist, from a partner, firm, employer, or principal of the lobbyist, or from a political committee or committee of continuous existence. [Sec. 112.3148, Fla. Stat.]

**However**, effective in 2006 and notwithstanding Sec. 112.3148, Fla. Stat., no Executive Branch lobbyist or principal shall make, directly or indirectly, and no Executive Branch agency official who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. Typically, this would include gifts valued at less than \$100 that formerly were permitted under Section 112.3148, Fla. Stat. [Sec. 112.3215, Fla. Stat.] Similar rules apply to members and employees of the Legislature. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.]

##### 2. *Unauthorized Compensation*

Public officers or employees, local government attorneys, and their spouses and minor children are prohibited from accepting any compensation, payment, or thing of value when they know, or with the exercise of reasonable care should know, that it is given to influence a vote or other official action. [Sec. 112.313(4), Fla. Stat.]

### 3. *Misuse of Public Position*

Public officers and employees, and local government attorneys are prohibited from corruptly using or attempting to use their official positions to obtain a special privilege or benefit for themselves or others. [Sec. 112.313(6), Fla. Stat.]

### 4. *Disclosure or Use of Certain Information*

Public officers and employees and local government attorneys are prohibited from disclosing or using information not available to the public and obtained by reason of their public positions for the personal benefit of themselves or others. [Sec. 112.313(8), Fla. Stat.]

### 5. *Solicitation or Acceptance of Honoraria*

Persons required to file financial disclosure FORM 1 or FORM 6 (see Part III F of this brochure), and state procurement employees, are prohibited from **soliciting** honoraria related to their public offices or duties. [Sec. 112.3149, Fla. Stat.]

Persons required to file FORM 1 or FORM 6, and state procurement employees, are prohibited from knowingly **accepting** an honorarium from a political committee, committee of continuous existence, lobbyist who has lobbied the person's agency within the past 12 months, or the partner, firm, employer, or principal of such a lobbyist. However, he or she may accept the payment of expenses related to an honorarium event from such individuals or entities, provided that the expenses are disclosed. See Part III F of this brochure. [Sec. 112.3149, Fla. Stat.]

Lobbyists and their partners, firms, employers, and principals, as well as political committees and committees of continuous existence, are prohibited from **giving** an honorarium to persons required to file FORM 1 or FORM 6 and to state procurement employees. Violations of this law may result in fines of up to \$5,000 and prohibitions against lobbying for up to two years. [Sec. 112.3149, Fla. Stat.]

However, notwithstanding Sec. 112.3149, Fla. Stat., no Executive Branch or legislative lobbyist or principal shall make, directly or indirectly, and no Executive Branch agency official who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. This may include honorarium event related expenses that formerly were permitted under Sec. 112.3149, Fla. Stat. [Sec. 112.3215, Fla. Stat.] Similar rules apply to members and employees of the Legislature. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.]

C. RESTRICTIONS ON APPOINTING, EMPLOYING, AND CONTRACTING WITH RELATIVES

1. *Anti-Nepotism Law*

A public official is prohibited from seeking for a relative any appointment, employment, promotion or advancement in the agency in which he or she is serving or over which the official exercises jurisdiction or control. No person may be appointed, employed, promoted, or advanced in or to a position in an agency if such action has been advocated by a related public official who is serving in or exercising jurisdiction or control over the agency; this includes relatives of members of collegial government bodies. NOTE: This prohibition does not apply to school districts (except as provided in Sec. 1012.23, Fla. [Sec. 112.313(13) and (14), Fla. Stat.]

## E. VOTING CONFLICTS OF INTEREST

No state public officer is prohibited from voting in an official capacity on any matter. However, a state public officer who votes on a measure which inures to his or her special private gain or loss, or which the officer knows would inure to the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary of a corporate principal by which he or she is retained, of a relative, or of a business associate, must file a memorandum of voting conflict on Commission Form 8A with the recording secretary within 15 days after the vote occurs, disclosing the nature of his or her interest in the matter.

[Sec. 112.3143, Fla. Stat.]

## F. DISCLOSURES

Conflicts of interest may occur when public officials are in a position to make decisions that affect their personal financial interests. This is why public officers and employees, as well as candidates who run for public office, are required to publicly disclose their financial interests. The disclosure process serves to remind officials of their obligation to put the public interest above personal considerations. It also helps citizens to monitor the considerations of those who spend their tax dollars and participate in public policy decisions or administration.

All public officials and candidates do not file the same degree of disclosure; nor do they all file at the same time or place. Thus, care must be taken to determine which disclosure forms a particular official or candidate is required to file.

The following forms are described below to set forth the requirements of the various disclosures and the steps for correctly providing the information in a timely manner.

These gifts are to be reported on FORM 10, to be filed by July 1.

The governmental entity or direct-support organization giving the gift must provide the officer or employee with a statement about the gift no later than March 1 of the following year. The officer or employee then must disclose this information by filing a statement by July 1 with his or her annual financial disclosure that describes the gift and lists the donor, the date of the gift, and the value of the total gifts provided during the calendar year. State procurement employees file their statements with the Commission on Ethics. [Sec. 112.3148, Fla. Stat.]

In addition, a person required to file FORM 1 or FORM 6, or a state procurement employee, who receives expenses or payment of expenses related to an honorarium event from someone who is prohibited from giving him or her an honorarium, must disclose annually the name, address, and affiliation of the donor, the amount of the expenses, the date of the event, a description of the expenses paid or provided, and the total value of the expenses on FORM 10. The donor paying the expenses must provide the officer or employee with a statement about the expenses within 60 days of the honorarium event.

The disclosure must be filed by July 1, for expenses received during the previous calendar year, with the officer's or employee's FORM 1 or FORM 6. State procurement employees file their statements with the Commission on Ethics. [Sec. 112.3149, Fla. Stat.]

However, notwithstanding Sec. 112.3149, Fla. Stat., no executive branch or legislative lobbyist or principal shall make, directly or indirectly, and no executive branch agency who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. This may include honorarium event related expenses that formerly were permitted under Section 112.3149. [Sec. 112.3215, Fla. Stat.] Similar prohibitions apply to legislative officials and employees. However, these laws are not administered by the Commission on Ethics [Sec. 11.045, Fla. Stat.]

#### 8. *FORM 30 - Donor's Quarterly Gift Disclosure*

As mentioned above, the following persons and entities generally are prohibited from giving a gift worth more than \$100 to a reporting individual (a person required to file FORM 1 or FORM 6) or to a state procurement employee: a political committee or committee of continuous existence; a lobbyist who lobbies the reporting individual's or procurement employee's agency; and the partner, firm, employer, or principal of such a lobbyist. If such person or entity makes a gift worth between \$25 and \$100 to a reporting individual or state procurement employee (that is not

accepted in behalf of a governmental entity or charitable organization), the gift should be reported on FORM 30. The donor also must notify the recipient at the time the gift is made that it will be reported.

The FORM 30 should be filed by the last day of the calendar quarter following the calendar quarter in which the gift was made. If the gift was made to an individual in the legislative branch, FORM 30 should be filed with the Lobbyist Registrar. If the gift was to any other reporting individual or state procurement employee, FORM 30 should be filed with the Commission on Ethics.

However, notwithstanding Section 112.3148, Fla. Stat., no executive branch lobbyist or principal shall make, directly or indirectly, and no executive branch agency official or employee who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. This may include gifts that formerly were permitted under Section 112.3148. [Sec. 112.3215, Fla. Stat.] Similar prohibitions apply to legislative officials and employees. However, these laws are not administered by the Commission on Ethics [Sec. 11.045, Fla. Stat.]

#### *9. FORM 1X AND FORM 6X - Amendments to Form 1 and Form 6*

These forms are provided for officers or employees who want to amend their previously filed Form 1 or Form 6.

Penalties for violation of these laws may include: impeachment, removal from office or employment, suspension, public censure, reprimand, demotion, reduction in salary level, forfeiture of no more than one-third salary per month for no more than twelve months, a civil penalty not to exceed \$10,000, and restitution of any pecuniary benefits received.

## B. Penalties for Candidates

CANDIDATES for public office who are found in violation of the Sunshine Amendment or the Code of Ethics may be subject to one or more of the following penalties: disqualification from being on the ballot, public censure, reprimand, or a civil penalty not to exceed \$10,000.

## C. Penalties for Former Officers and Employees

FORMER PUBLIC OFFICERS or EMPLOYEES who are found in violation of a provision applicable to former officers or employees or whose violation occurred prior to such officer's or employee's leaving public office or employment may be subject to one or more of the following penalties: public censure and reprimand, a civil penalty not to exceed \$10,000, and restitution of any pecuniary benefits received. [Sec. 112.317, Fla. Stat.]

## D. Penalties for Lobbyists and Others

An executive branch lobbyist who has failed to comply with the Executive Branch Lobbying Registration law (see Part VIII) may be fined up to \$5,000, reprimanded, censured, or prohibited from lobbying executive branch agencies for up to two years. Lobbyists, their employers, principals, partners, and firms, and political committees and committees of continuous existence who give a prohibited gift or honorarium or fail to comply with the gift reporting requirements for gifts worth between \$25 and \$100, may be penalized by a fine of not more than \$5,000 and a prohibition on lobbying, or employing a lobbyist to lobby, before the agency of the public officer or employee to whom the gift was given for up to two years.

Executive Branch lobbying firms that fail to timely file their quarterly compensation reports may be fined \$50 per day per principal for each day the report is late, up to a maximum fine of \$5,000 per report.

## E. Felony Convictions: Forfeiture of Retirement Benefits

Public officers and employees are subject to forfeiture of all rights and benefits under the retirement system to which they belong if convicted of certain offenses. The offenses include embezzlement or theft of public funds; bribery; felonies specified in Chapter 838, Florida Statutes; impeachable offenses; and felonies committed with intent to defraud the public or their public agency. [Sec. 112.3173, Fla. Stat.]

## F. Automatic Penalties for Failure to File Annual Disclosure

Public officers and employees required to file either Form 1 or Form 6 annual financial disclosure are subject to automatic fines of \$25 for each day late the form is filed after September 1, up to a maximum penalty of \$1,500. [Sec. 112.3144 and 112.3145, Fla. Stat.]

## VI. ADVISORY OPINIONS

Conflicts of interest may be avoided by greater awareness of the ethics laws on the part of public officials and employees through advisory assistance from the Commission on Ethics.

## A. Who Can Request an Opinion

Any public officer, candidate for public office, or public employee in Florida who is in doubt about the applicability of the standards of conduct or disclosure laws to himself or herself, or anyone who has the power to hire or terminate another public employee, may seek an advisory opinion from the Commission about himself or herself or that employee.

## B. How to Request an Opinion

Opinions may be requested by letter presenting a question based on a real situation and including a detailed description of the situation. Opinions are issued by the Commission and are binding on the conduct of the person who is the subject of the opinion, unless material facts were omitted or misstated in the request for the opinion. Published opinions will not bear the name of the persons involved unless they consent to the use of their names.

## C. How to Obtain Published Opinions

All of the Commission's opinions are available for viewing or download at its website:  
[www.ethics.state.fl.us](http://www.ethics.state.fl.us).

# VII. COMPLAINTS

## A. Citizen Involvement

The Commission on Ethics cannot conduct investigations of alleged violations of the Sunshine Amendment or the Code of Ethics unless a person files a sworn complaint with the Commission alleging such violation has occurred.

If you have knowledge that a person in government has violated the standards of conduct or disclosure laws described above, you may report these violations to the Commission by filing a sworn complaint on the form prescribed by the Commission and available for download at [www.ethics.state.fl.us](http://www.ethics.state.fl.us). Otherwise, the Commission is unable to take action, even after learning of such misdeeds through newspaper reports or telephone calls.

Should you desire assistance in obtaining or completing a complaint form (FORM 50), you may receive either by contacting the Commission office at the address or phone number shown on the inside front cover of this booklet.

## B. Confidentiality

The complaint, as well as all proceedings and records relating to the complaint, is confidential until the accused requests that such records be made public or until the complaint reaches a stage in the Commission's proceedings where it becomes public. This means that unless the Commission receives a written waiver of confidentiality from the accused, the Commission is not free to release any documents or to comment on a complaint to members of the public or press, so long as the complaint remains in a confidential stage.

IN NO EVENT MAY A COMPLAINT BE FILED OR DISCLOSED WITH RESPECT TO A CANDIDATE OR ELECTION WITHIN FIVE DAYS PRECEDING THE ELECTION DATE.

### C. How the Complaint Process Works

The Commission staff must forward a copy of the original sworn complaint to the accused within five days of its receipt. Any subsequent sworn amendments to the complaint also are transmitted within five days of their receipt.

Once a complaint is filed, it goes through three procedural stages under the Commission's rules. The first stage is a determination of whether the allegations of the complaint are legally sufficient, that is, whether they indicate a possible violation of any law over which the Commission has jurisdiction. If the complaint is found not to be legally sufficient, the Commission will order that the complaint be dismissed without investigation, and all records relating to the complaint will become public at that time.

If the complaint is found to be legally sufficient, a preliminary investigation will be undertaken by the investigative staff of the Commission. The second stage of the Commission's proceedings involves this preliminary investigation and a decision by the Commission as to whether there is probable cause to believe that there has been a violation of any of the ethics laws. If the Commission finds no probable cause to believe there has been a violation of the ethics laws, the complaint will be dismissed and will become a matter of public record. If the Commission finds probable cause to believe there has been a violation of the ethics laws, the complaint becomes public and usually enters the third stage of proceedings. This stage requires the Commission to decide whether the law was actually violated and, if so, whether a penalty should be recommended. At this stage, the accused has the right to request a public hearing (trial) at which evidence is presented or the Commission may order that such a hearing be held. Public hearings usually are held in or near the area where the alleged violation occurred.

When the Commission concludes that a violation has been committed, it issues a public report of its findings and may recommend one or more penalties to the appropriate disciplinary body or official.

When the Commission determines that a person has filed a complaint with knowledge that the complaint contains one or more false allegations or with reckless disregard for whether the complaint contains false allegations, the complainant will be liable for costs plus reasonable attorney's fees incurred by the person complained against. The Department of Legal Affairs may bring a civil action to recover such fees and costs, if they are not paid voluntarily within 30 days.

### D. Dismissal of Complaints At Any Stage of Disposition

The Commission may, at its discretion, dismiss any complaint at any stage of disposition should it determine that the public interest would not be served by proceeding further, in which case the Commission will issue a public report stating with particularity its reasons for the dismissal. [Sec. 112.324(11), Fla. Stat.]

### E. Statute of Limitations

All sworn complaints alleging a violation of the Sunshine Amendment or the Code of Ethics must be filed with the Commission within five years of the alleged violation or other breach of the public trust. Time starts to run on the day AFTER the violation or breach of public trust is committed. The statute of limitations is tolled on the day a sworn complaint is filed with the Commission. If a complaint is filed and the statute of limitations has run, the complaint will be dismissed. [Sec. 112.3231, Fla. Stat.]

## VIII. EXECUTIVE BRANCH LOBBYING

Any person who, for compensation and on behalf of another, lobbies an agency of the executive branch of state government with respect to a decision in the area of policy or procurement may be required to register as an executive branch lobbyist. Registration is required before lobbying an agency and is renewable annually. In addition, each lobbying firm must file a compensation report with the Commission for each calendar quarter during any portion of which one or more of the firm's lobbyists were registered to represent a principal. As noted above, no executive branch lobbyist or principal can make, directly or indirectly, and no executive branch agency official or employee who files FORM 1 or FORM 6 can knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.]

Paying an executive branch lobbyist a contingency fee based upon the outcome of any specific executive branch action, and receiving such a fee, is prohibited. A violation of this prohibition is a first degree misdemeanor, and the amount received is subject to forfeiture. This does not prohibit sales people from receiving a commission. [Sec. 112.3217, Fla. Stat.]

Executive branch departments, state universities, community colleges, and water management districts are prohibited from using public funds to retain an executive branch (or legislative branch) lobbyist, although these agencies may use full-time employees as lobbyists. [Sec. 11.062, Fla. Stat.]

Additional information about the executive branch lobbyist registration system may be obtained by contacting the Lobbyist Registrar at the following address:

Executive Branch Lobbyist Registration  
Room G-68, Claude Pepper Building  
111 W. Madison Street  
Tallahassee, FL 32399-1425  
Phone: 850/922-4987

## IX. WHISTLE-BLOWER'S ACT

In 1986, the Legislature enacted a "Whistle-blower's Act" to protect employees of agencies and government contractors from adverse personnel actions in retaliation for disclosing information in a sworn complaint alleging certain types of improper activities. Since then, the Legislature has revised this law to afford greater protection to these employees.

While this language is contained within the Code of Ethics, the Commission has no jurisdiction or authority to proceed against persons who violate this Act. Therefore, a person who has disclosed information alleging improper conduct governed by this law and who may suffer adverse consequences as a result should contact one or more of the following: the Office of the Chief Inspector General in the Executive Office of the Governor; the Department of Legal Affairs; the Florida Commission on Human Relations; or a private attorney. [Sec. 112.3187 - 112.31895, Fla. Stat.]

## X. ADDITIONAL INFORMATION

As mentioned above, we suggest that you review the language used in each law for a more detailed understanding of Florida's ethics laws. The "Sunshine Amendment" is Article II, Section 8, of the Florida Constitution. The Code of Ethics for Public Officers and Employees is contained in Part III of Chapter 112, Florida Statutes.

Additional information about the Commission's functions and interpretations of these laws may be found in Chapter 34 of the Florida Administrative Code, where the Commission's rules are published, and in **The Florida Administrative Law Reports**, which until 2005 published many of the Commission's final orders. The Commission's rules, orders, and opinions also are available at [www.ethics.state.fl.us](http://www.ethics.state.fl.us).

If you are a public officer or employee concerned about your obligations under these laws, the staff of the Commission will be happy to respond to oral and written inquiries by providing information about the law, the Commission's interpretations of the law, and the Commission's procedures.

## XI. ONLINE TRAINING

Through a project funded by the Florida Legislature, an online workshop addressing Florida's Code of Ethics, Sunshine Law, and Public Records Acts, is now available. See [www.iog.learnsomething.com](http://www.iog.learnsomething.com) for current fees. Bulk purchase arrangements, including state and local government purchase orders, are available. # Voter Registration Information

## Who Can Register and Vote

To register and vote, you must be 18 years of age, a citizen of the United States of America and a legal resident of Florida and of the county where you intend to vote. You can pre-register on or after your 16<sup>th</sup> birthday and may vote in any election held on or after that your 18th birthday.

*(See section 97.041, Florida Statutes)*

## Persons Not Entitled to Register or Vote

You cannot register or vote if you are:

- Adjudicated mentally incapacitated with respect to voting unless that right has been restored.
- A convicted felon unless you have your right to vote restored.
- Not a citizen of the United States of America. *(A lawful permanent resident cannot register or vote in Florida.)*

*(See section 97.041, Florida Statutes)*

## How to Register

To register to vote, you must fill out a voter registration application. Voter registration applications are available at your local Supervisor of Elections' office, the Division of Elections, any federal and state-designated voter registration agency (i.e., any office that issues driver licenses or serves persons with disabilities, any armed forces recruitment office, and any public library), and other public locations (e.g., shops that issue fishing and hunting licenses). You can download and print the application form from the Division of Elections' website at: <http://election.dos.state.fl.us/pdf/webappform.pdf>. Once completed, mail or deliver the form to a Supervisor of Elections' office, the Division of Elections, or any voter registration agency.

State and federal law also make it convenient to apply to register or update a registration record by allowing you to do so at the same time that you are obtaining a benefit or service from any of those state or federally designated voter registration agencies mentioned above. In fact, applying to register or updating a registration record is done electronically at any office that issues or renews a driver's license.

A voter registration application is complete for new registration if it contains:

- Your name.
- Your legal residence address.
- Your date of birth.
- Your valid Florida driver license number or Florida identification

card number. *If you have not been issued either of these numbers, then you must provide the last four digits of your Social Security number. If you have not been issued that number either, then you must indicate "none" in the field asking for this information.*

- An affirmation or a mark in the check box affirming that you are a citizen of the United States of America.
- An affirmation or a mark in the check box affirming that you have not been convicted of a felony or that, if convicted, you have had your civil rights restored.
- An affirmation or a mark in the check box affirming that you have not been adjudicated mentally incapacitated with respect to voting or that, if adjudicated, you have had your right to vote restored.
- Your signature. *By signing or marking the registration application, you swear or affirm under penalty of false oath that the information contained in the registration application is true. (A power of attorney is not accepted. No one other than the voter may sign or mark his or her own voter registration application.)*

Note: Although not required for registering, if you do not designate a political party affiliation, you will be registered without party affiliation.

*(See section 97.053, Florida Statutes)*

### **When Can You Register or Update a Registration Record**

You can apply to register to vote at any time either by mail or in person. However, if you want to vote in an upcoming election, the deadline to register is the 29th day before that election. If you or your accompanying family member has been discharged or separated from the uniformed services or Merchant marine, or from employment outside the United States, after the registration deadline, and you are otherwise qualified, you have until 5 p.m. on the Friday before the election to register in the office of the Supervisor of Elections. Contact the Supervisor of Elections for your county for information about what evidence must be provided with your registration application. Otherwise, new voter registrations will be accepted after the deadline to register for an election, but only for the purpose of subsequent elections.

Your registration date will be the date your new voter registration application is postmarked or hand delivered to your county Supervisor of Elections, the Division of Elections, a driver license office, or a voter registration agency (i.e., any office that provides public assistance, any office that serves persons with disabilities, any center for independent living, any armed forces recruitment office, or any public library). If your application is complete and you are qualified as a voter, a voter information card will be mailed to you.

You can make changes to your name, address, signature, and political party after the registration deadline for an election; except that a political party change made

after the registration deadline for a primary election will not become effective until after the primary election.

*(See sections 97.053, 97.055 and 97.0555, Florida Statutes)*

### **First-Time Voters who Register by Mail**

Special identification requirements apply if you register by mail and you are a first-time voter in the State and you have not been issued a Florida driver license number, Florida identification number, or a Social Security number. Instead, you must provide one of the following forms of identification in order to register if it contains your name and photograph:

- United States passport,
- Debit or credit card,
- Military identification,
- Student identification,
- Retirement center identification,
- Neighborhood association identification, or
- Public assistance Identification.

Or you can provide instead a copy of a current and valid utility bill, bank statement, government check, paycheck, or other government document containing your name and current residence address. **Do not send** original identification documents to the Supervisor of Elections. To avoid any potential problems when you go to vote, it is best that you submit a copy of the required identification with your voter registration form. If you wait until you go to the polls to vote, you have to provide a photo and signature ID before you can vote a regular ballot. If you wait until later and vote absentee, you must provide a copy of the identification with your absentee ballot or your ballot will not count.

If you vote absentee and fall into one of the following categories, you do not have to satisfy these special identification requirements, provided you swear or affirm under penalty of oath on your ballot certificate that you are exempt:

- Are 65 years of age or older.
- Have a temporary or permanent physical disability.
- Are a member of the uniformed services on active duty or a spouse or dependent, thereof, who, by reason of such active duty, is absent from the county on Election Day.
- Are a member of the Merchant Marine or a spouse or dependent thereof, who, by reason of service in the Merchant Marine, is absent from the county on Election Day.
- Are residing outside the United States but are eligible to vote in Florida.

*(See section 97.0535, Florida Statutes)*

### **Placement on Inactive Voter Rolls and Removal**

Whenever the Supervisor of Elections receives information from the post office or another governmental agency source indicating your residence may have changed to another address in Florida, your registration record will be automatically

changed to reflect that new address. You will then receive an *address change notice*. You only have to respond if the new address is not correct. However, if the information received from the post office or other agency source shows you have moved outside the state, you will be sent an *address confirmation final notice*. You have to respond to this notice within 30 days. If you do not, your registration status will be changed to inactive. As an inactive voter, you are still registered. This means you can still update your voter registration record, go to the polls to vote, or request an absentee ballot. When you do any of these activities, your status will be changed back to active status. However, if you do not do any of these things after two general (federal) elections from the date you were made inactive, you will be removed from the registration records. You will have to re-register again in order to vote.

(See section 98.065, Florida Statutes)

### **Registration Is a Public Record**

In Florida, voter registration records are open to the public. Any person can examine or copy the records. However, the following registration information is confidential and exempt from public disclosure: Social Security number, driver license number, Florida identification number, location of voter's place of registration, and location of place of registration update. A voter's signature may be viewed but may not be copied.

(See section 97.0585, Florida Statutes)

## **Military and Overseas Citizens (See 'Absentee Voting' for all other voters)**

### **Registering and Voting Absentee**

If you are a United States uniformed services member on active duty, a Merchant Marine member, spouse or dependent thereof, or a United States citizen residing outside of the United States, you can use the Federal Post Card Application (FPCA) either to register to vote or to request an absentee ballot (if you are already registered), or to do both at the same time. You get the FPCA from a Voting Assistance Officer or through the Internet at [www.fvap.gov](http://www.fvap.gov). The FPCA request for an absentee ballot will be effective as a request for all elections through the end of the calendar year of the second ensuing regularly scheduled general election after the date of the request. If the FPCA is not available, phone or send a written request by mail, fax, or e-mail to the Supervisor of Elections and a voter registration application or absentee ballot will be sent to you however you want it sent (i.e., by mail, fax or e-mail).

By law, absentee ballots for requests on file must be transmitted to military and overseas citizens at least 45 days before each election. If you have not received your ballot two weeks before an election, contact your county Supervisor of Elections. If you are already registered, you can also request at any time up through Election Day to have an absentee ballot sent by fax or e-mail to you instead of receiving it by regular mail. You can make the request by phone, by fax, by mail, or online. If you include an e-mail address with your absentee ballot

request, the Supervisor will use that e-mail address to notify you when your request was received; the estimated date the ballot will be sent to you; and when your returned, voted ballot was received.

Once your absentee ballot is received, carefully follow the instructions sent to you with your absentee ballot or else your ballot may not count. Sign and date the ballot certificate to ensure that your ballot is counted. Return the voted ballot so that the Supervisor of Elections receives it no later than 7 p.m. on Election Day. If you are overseas, you can return your voted ballot by fax or mail by following the instructions with your ballot. Otherwise, if you are a uniformed services member absent stateside, you must return your voted absentee ballot by mail.

You can track the status of your absentee ballot request and the ballot through the online voter registration lookup link at: <http://elections.myflorida.com> or through your Supervisor of Elections' website.

*(See sections 101.6952 and 101.697, Florida Statutes; R1S-2.030, R1S-2.049, Florida Administrative Code)*

### **Federal Write-in Ballot**

If it is getting close to Election Day and you still have not received your absentee ballot, you can use the Federal Write-In Absentee Ballot (FWAB) as an emergency back-up absentee ballot. In order to use it, you have to be a registered voter and have previously requested a regular absentee ballot. The ballot can only be used to voter for federal office races, and for state and local races with two or more candidates. You cannot use the ballot to vote for referendum issues or for judicial retention candidates.

To mark your choice for a federal office on the FWAB, write the candidate's name, or for general elections only, you have the option of writing either the candidate's name or the political party. In the latter case, the vote cast will be counted for the candidate of that political party, if there is such a party candidate on the ballot. To mark your choice for a state or local office, write the office title and the candidate's name, or for general elections only, you have the option of writing either the candidate's name or the candidate's political party. In the latter case, the vote cast will be counted for candidate's political party, if there is such a party candidate on the ballot. In the case of a joint candidacy, a vote cast for one or both qualified candidates on the same ticket will count as a vote cast for the joint candidacy.

## State Write-in Ballot

If you are an overseas voter and military or other contingencies will prevent you from getting the official absentee ballot during the normal absentee voting period, you can vote a state write-in absentee ballot. The period for requesting the state write-in absentee ballot from your Supervisor of Elections is between 180 days (6 months) and 90 days (3 months) before the general election. To mark your choices on a state write-in ballot, write in the candidate's name or the name of a political party. In the latter case, the ballot will be counted for the candidate of that political party, if there is such a party candidate on the ballot.

The earliest date to request a State Write-in Ballot for the 2012 General Election is May 10, 2012.

*(See section 101.6951, Florida Statutes; Rule 1S-2.028, Florida Administrative Code)*

## Late Registration

If you have been discharged or separated from the uniformed services or the, Merchant Marine, or from employment outside the territorial limits of the United States, you can still register to vote at the office of the Supervisor of Elections after the 29-day deadline to register for an election, provided you are otherwise qualified. You have until 5:00 p.m. on the Friday before that election to register. This also applies to an accompanying family member. You will have to produce sufficient documentation showing evidence of qualifying for the late registration pursuant to this section.

*(See section 97.0555, Florida Statutes; R1S-2.029, Florida Administrative Code)*

## Changes in Address, Name, Party, or Signature

### When Voters Move

Whenever you change your residence within the State of Florida, you should update your voter registration record. If you contact your Supervisor of Elections in the county of your new residence directly, you can make that change in person, by phone, by fax, by e-mail, or by other signed written notice (including a voter registration application), provided it includes your date of birth. If you submit your change to any other Supervisor of Elections in the state, to the Division of Elections, to the Department of Highway Safety and Motor Vehicles, or any voter registration agency, you have to use a voter registration application.

The reason why it is important to update your address is because, by law, you can only vote in the precinct to which you have moved. However, if you are temporarily living outside your home county and have no permanent address in the county, you can apply to be registered and vote in the precinct that contains the main office of the Supervisor of Elections. You will not, however, be allowed to vote in municipal elections.

In order to avoid delays at the polling place, you should update your address before you go to vote. If you do not update your address by the time you vote, it may affect how you vote as follows:

1. If you moved within the same county or you are an active uniformed services personnel or a family member thereof moving within the same county or from another Florida county, you will have to execute a change of address at the polls before you can vote a regular ballot.
2. If you moved from another Florida county (and are not an active uniformed services personnel or family member thereof), you will not be able to vote a regular ballot but you will be allowed to vote a provisional ballot. Your provisional ballot will count unless the canvassing board determines that you are not registered, that you voted in a precinct other than the one that corresponds to your new address as you wrote on your ballot certificate, that you already voted, or that you are or might be committing actual fraud.

If you move overseas indefinitely and the last place you lived in the U.S was in Florida with no permanent residence, and you are still a registered Florida voter, you can still vote but in federal elections only.

*(See sections 97.1031 and 101.045, Florida Statutes; Uniformed and Overseas Citizens Absentee Voting Act, 42 U.S.C. 1973ff)*

### **When Voters Change their Name**

If you change your name by marriage or other legal process, you must notify the Supervisor of Elections of such change by completing a voter registration application or other signed written notice. Your date of birth is required. If you have not provided this information prior to going to vote, you will have to fill out a name change form at the polls before voting.

*(See sections 97.1031 and 101.045, Florida Statutes)*

### **When Voters want to Change their Party Affiliation**

If you want to change your party affiliation, you must notify the Supervisor of Elections of such change by using a voter registration application or other signed written notice. Your date of birth is required. You can not change your party at the polling place. To be effective for a primary election, a party change must be made at least 29 days before the primary election.

*(See section 97.1031, Florida Statutes)*

### **Signature Updates**

It is very important for you to keep your signature current with the Supervisor of Elections. To update your signature, you must use a voter registration application and submit it to the Supervisor of Elections. Signatures on your registration record are used to verify signatures on petitions and on provisional and absentee ballots certificates and affirmations. If your signature does not match your signature on record, your petition or ballot will not count. Signature updates for provisional and absentee ballot verification purposes must be submitted no later than the start of the canvassing of absentee ballots. Canvassing may start as early as 15 days before Election Day. Contact your Supervisor to find out when canvassing for an election begins.

*(See section 98.077, Florida Statutes)*

# Election Day Information

## Poll Workers

Supervisors of Elections are always looking to hire friendly, dedicated people to work at the polls on Election Day. Election Days can sometimes be demanding, but it is a rewarding experience to assist Florida's citizens in the important process of casting their votes. Contact your local Supervisor of Elections if you are interested.

*(See sections 102.012 and 102.014, Florida Statutes)*

## Change in Polling Place

Any time there is a change to your polling place, you will receive notice and a new voter information card at least 14 days before the election. Notice will also be posted at least once in the newspaper, no sooner than 30 days before, but no later than 7 days before an election. A polling place change will also be posted on your county Supervisor of Elections' website. In the case of an emergency and when time does not permit, the notice of the new polling place will be posted at the old polling place.

*(See sections 97.071 and 101.71, Florida Statutes)*

## What to Expect at the Polls

Polls will be open on Election Day from 7 a.m. until 7 p.m. local time. Contact your Supervisor of Elections for early voting hours which may vary between early voting sites. To determine your polling place, check your voter information card or contact your Supervisor of Elections. You may also find your polling place on <http://elections.myflorida.com>, through the online voter lookup, or on your Supervisor of Elections' website.

In order to vote at the polls during early voting or on Election Day, you must show a photo and signature identification. Acceptable forms of photo identification include:

- Florida driver license,
- Florida identification card issued by the Department of Highway, Safety and Motor Vehicles,
- United States passport,
- Debit or credit card,
- Military identification,
- Student identification,
- Retirement center identification,
- Neighborhood association identification, or
- Public assistance identification.

If your photo identification does not contain your signature, you will be required to show an additional form of identification that provides your signature.

Once your identity has been established, you will be asked to sign the precinct register or electronic device (or during early voting, the early voting ballot certificate) and then you will be allowed to vote. If you need assistance in marking your ballot, please inform the poll worker. If you make a mistake when voting on a

paper ballot, ask for a replacement. You may receive up to two replacements, or a total of three ballots.

If you end up voting a provisional ballot, regardless of the reason, you must be given a written notice of rights that includes:

1. A statement that you have the right to bring further evidence (if you choose) of your eligibility to the Supervisor of Elections. You have until 5 p.m. of the second day after the election to do so.
2. A statement that if you voted a provisional ballot solely because you did not bring in identification, you do not have to bring in further evidence of eligibility. The local canvassing board will count your ballot if you voted in the right precinct and the signature on the provisional ballot certificate matches the signature on the voter registration record.
3. A statement that if you voted a provisional ballot because your personal identifying number could not be verified, you can provide in person or by copy through fax, e-mail, or mail a copy of the card with the identifying number to the Supervisor of Elections and that the deadline is 5 p.m. of the second day after the election to do so.
4. Instructions on how you can find out after the election if your provisional ballot was counted, and if not, the reason(s) why.
5. A statement that if this is a primary election, you should contact the Supervisor of Elections' office immediately to confirm that you are registered and will be able to vote in the general election.

Always be sure that you are voting in the precinct that corresponds to your address of legal residence.

*(See sections 101.048 and 101.043, Florida Statutes, and Rule 1S-2.037, Florida Administrative Code)*

## **Primary Election**

Florida is a closed primary state. That means that only voters who are registered members of political parties may vote for their respective party's candidates in a primary election. Voters without party affiliation are not eligible to vote for party candidates in a primary election. If all candidates have the same party affiliation and the winner will have no opposition in the general election, all qualified voters, regardless of party affiliation, may vote in the primary election for that office. This is known as a Universal Primary Contest.

Nonpartisan judicial and school board offices, nonpartisan special districts, and local referendum questions are included in some primary elections. All registered voters, including those without party affiliation are entitled to receive and vote these ballots.

*(See sections 100.061 and 101.021, Florida Statutes, and Article VI, Section 5(b), Florida Constitution)*

## Assistance in Voting

All polling places are equipped with accessible voting systems for persons with disabilities to enable such persons to vote without assistance if they choose. However, if you are a person with a disability or cannot read or write and wish someone to help you, you can designate someone of your own choice, other than an employer or an officer or agent of your union, to provide such assistance. Election officials may also provide assistance.

*(See sections 97.061 and 101.051, Florida Statutes)*

## Nonpartisan Judicial Elections

Candidates for the Florida Supreme Court and District Courts of Appeal will appear on the ballot in the general election for a vote on their retention. Candidates for circuit and county court judge will appear on the primary ballot and on the general election ballot, if necessary, for election or retention (for those counties who provide for that option).

*(See section 105.041, Florida Statutes)*

## Poll Watchers

Each political party, each political committee with issues on the ballot that they are registered to support or oppose, and each candidate may have one poll watcher in each polling room or early voting area at any one time during an election. Poll watchers must be registered voters in the county and cannot be candidates or law enforcement officers. Each political party, each political committee, and each candidate requesting to have poll watchers must designate, in writing to the Supervisor of Elections, poll watchers for each precinct prior to noon of the second Tuesday preceding the election. Poll watchers for early voting shall be requested in writing to the Supervisor at least 14 days before early voting begins.

<b>Election</b>	<b>Poll Watcher Designation Due</b>	
	<b>Early Voting</b>	<b>Election Day</b>
Presidential Preference Primary Election	January 7, 2012	January 17, 2012
Primary Election	July 21, 2012	July 31, 2012
General Election	October 13, 2012	October 23, 2012

*(See section 101.131, Florida Statutes)*

## Absentee Voting

### Who can Vote Absentee

All qualified (registered) voters are permitted to vote absentee under Florida law.

*(See sections 97.021(1) and 101.62, Florida Statutes)*

### How to Vote Absentee

A voter, or, if directly instructed by the voter, a member of the voter's immediate family or the voter's legal guardian, may request an absentee ballot from the Supervisor of Elections in person, by mail, by fax, by telephone, or online through the Supervisor of Elections' website. One request can cover all elections through the end of the calendar year following the second ensuing regularly scheduled general election. The person requesting an absentee ballot must disclose:

- The name of the voter for whom the ballot is requested;
- The voter's address;
- The voter's date of birth;
- The requester's name;
- If the requester is other than the voter, the following additional information must be provided:
  - The requester's address;
  - The requester's driver license number, if available;
  - The requester's relationship to the voter; and,
  - The requester's signature (written request only).

A request for an absentee ballot to be mailed to a voter must be received by the Supervisor of Elections no later than 5 p.m. on the sixth day before the election. Absentee ballots will be mailed by **non-forwardable** mail to the voter's current mailing address on file with the Supervisor or any other address specified by the voter in the request.

For absentee ballot requests already made by voters covered by the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA), the absentee ballots will be sent to these voters no later than 45 days before the election. The ballots will be sent by **forwardable** mail, fax, or e-mail as specified by the voter in the request. For all other non-UOCAVA absentee ballot voters who have requests on record, the absentee ballots will be mailed during a 7-day window (between 35 and 28 days) before the election.

Instead of having the absentee ballot mailed, a voter may pick up his or her ballot at any time after the ballots are printed but before 7 p.m. on Election Day. A designee may pick up an absentee ballot for a voter on Election Day or up to 5 days before Election Day. However, a designee may only pick up two blank absentee ballots per election, other than his or her own ballot or ballots for members of his or her immediate family. Designees must have written authorization from the voter, present a picture I.D., and sign an affidavit. If there is no absentee ballot request on record, a written request must accompany the affidavit.

Voted absentee ballots must be received by the Supervisor of Elections' office no later than 7 p.m. on the day of the election. Do not return your voted absentee ballot to a polling place or early voting site unless you want to vote at the polls. In that latter case, take the absentee ballot with you to the polls, whether or not it has been marked, so that it can be cancelled. However, if you are unable to return the ballot, you can still go to the polls, and will be allowed to vote a provisional ballot.

You can track the status of your absentee ballot through the online voter registration lookup link at: <http://elections.myflorida.com> or through your Supervisor of Elections' website.

*(See sections 101.62 and 101.69, Florida Statutes)*

## Early Voting

If there is an election that contains a state or federal race, early voting will begin 10 days before an election and end on the 3rd day before an election. Early voting is an option for elections not held in conjunction with a state or federal office. Call your Supervisor of Elections to find out the specific times and locations for early voting if and when offered in an election in your county.

*(See section 101.657, Florida Statutes)*

# Florida Voter Registration Application

Part 1 – Instructions (DS-DE #39, R1S-2.040, F.A.C. (eff. 01/2012))

Información en español: Sirvase llamar a la oficina del supervisor de elecciones de su condado si le interesa obtener este formulario en español.

### To Register in Florida, you must be:

- A U.S. citizen,
- A Florida resident, and
- At least 18 years old (you may also pre-register if you are 16 or 17 years old but you cannot vote until you are 18).

If you have ever been convicted of a felony or if a court has ever found you to be mentally incapacitated as to your right to vote, your right to vote must be restored before you can register.

**If you do not meet any one of these requirements, you are not eligible to register.**

**Where to Register:** You can register to vote in-person or by mailing or hand-delivering your application to any supervisor of elections' office, any office that issues driver's licenses any voter registration agency (for example, any public assistance office, assisted living facility, office serving persons with disabilities, public library, or armed forces recruitment office) or the Division of Elections. *If mailing application, be sure to add sufficient postage.*

**Deadline to Register:** The deadline to register to vote is 29 days before an upcoming election. You can update your registration record at any time, but to change your political party for a primary election, you must make the change by the registration deadline. For a new application, you will be contacted if your application is incomplete, denied or a duplicate of an existing registration. If you receive a voter information card, that means you are registered to vote.

**Identification (ID) Requirements:** If you are a new applicant, state and federal law require you to provide a current and valid Florida driver's license number (FL DL#) or Florida identification card number (FL ID#). If you have not been issued a FL DL# or FL ID#, you must then provide the last four digits of your Social Security Number (SSN). If you have not been issued any of these ID numbers, check "None" on the application. If you do not provide any number or do not check "None," your registration may be denied. See s.303, HAVA and section 97.053(6), Fla. Stat.

**Special ID requirements:** If you are registering by mail, have never voted in Florida, and have never been issued one of the ID numbers above, you must include with your application, or at a later time before you vote, one of the following:

- A copy of an ID that shows your name and photo (*acceptable IDs*)--U.S. Passport, debit or credit card, military ID, Student ID, retirement center ID, neighborhood association ID, or public assistance ID; **or**
- A copy of an ID that shows your name and current residence address (*acceptable documents*)--utility bill, bank statement, government check, paycheck, or other government document.

You do not have to provide the special ID to register if you are 65 or older, have a temporary or permanent physical disability, are a member of the active uniformed services or merchant marine who is absent from the county for active duty, or a family member thereof, or are currently living outside the U.S. but otherwise eligible to vote in Florida. If you vote at the polls, you will still need to show a photo/signature ID as is required of all voters.

**Political Party Affiliation:** Florida is a closed primary election state. That means registered voters affiliated with a political party can only vote for that party's candidates in a partisan race on a primary election ballot. However, regardless of the political party with which you registered, you can still vote in the primary election on any issue, any nonpartisan race or any race where the candidate will face no opposition in the general election.

Indicate the political party with which you wish to be registered. If you leave the political party affiliation field blank, you will be registered without any party affiliation. For a list of political parties registered in Florida, go to the Division of Elections' website under the heading *For the Voters* at: <http://election.dos.state.fl.us/>

**Race/Ethnicity:** You are not required to list your race or ethnicity. However, if you choose to do so, please choose only one from the list.

**Public Record Notice:** This application becomes a public record when filed. However, the following information is not available to the public and is used only for voter registration purposes: your FL DL#, FL ID# and SSN, where you registered to vote, and whether you declined to register or update your voter registration record when asked by a voter registration agency. Your signature can be viewed but not copied. (Section 97.0585, Fla. Stat.)

**Criminal Offense:** It is a 3rd degree felony to submit false information. Penalties include fines up to \$5,000 and/or up to 5 years of prison.

**Questions:** For more information, contact your local supervisor of elections [http://election.dos.state.fl.us/SOE/supervisor\\_elections.shtml](http://election.dos.state.fl.us/SOE/supervisor_elections.shtml) or refer to the Division of Elections' website at: <http://election.dos.state.fl.us>.

**All shaded lettered boxes are required for a new registration.**
