AGREEMENT FOR STREET SIGN UPGRADES AGREEMENT ("CONTRACT") BETWEEN OWNER AND CONTRACTOR

THIS CONTRACT is dated as of the _____ day of _____ in the Year 2004 (which shall be the Effective Date of the Contract) by and between the Town of Miami Lakes (hereinafter called "OWNER" or "TOWN") and Pios and Sons, Inc. (hereinafter called "CONTRACTOR").

OWNER and CONTRACTOR, in consideration of the mutual covenants hereinafter set forth, agree as follows:

Article 1. WORK. CONTRACTOR shall complete all Work as specified or indicated in the Contract Documents. The Work is generally described as follows:

Provide Labor and equipment required to perform the construction of street signage within the Town of Miami Lakes. Work shall include the installation of signage and decorative posts. Utilization of these services will require close coordination with the Town and Town Engineer.

In addition to street signage projects already included in the bid documents, the TOWN may direct CONTRACTOR to perform other street signage upgrades as determined by the Town Manager and Town Engineer.

The Project for which the Work under the Contract Documents may be the whole or only a part is generally described as follows:

- A. TOWN OF MIAMI LAKES**
- B. STREET SIGN UPGRADES**
- C. (THE "PROJECT")**

Article 2. ENGINEER. The Project has been designed by the following:

ENGINEER

Kimley-Horn and Associates, Inc.
5100 N.W. 33rd Avenue, Suite 157
Fort Lauderdale, FL 33309

who is hereinafter called "ENGINEER" and who will assume all duties and responsibilities and will have the rights and authority assigned to ENGINEER in the

Rev. 04-240

Contract Documents in connection with completion of the Work in accordance with the Contract Documents.

Article 3. CONTRACT TIME.

- 3.1 This Contract shall be effective upon execution by both parties and shall continue for a term of three (3) years. At its sole discretion, the OWNER shall have an option to renew this Contract upon the same terms and conditions up to an additional two (2) years (the "Option"). This Option may be exercised at the sole discretion of the Town Manager. Such extension shall be effective upon receipt of a written notice from the Town Manager to the CONTRACTOR received no later than 30 days prior to the date of termination.
- 3.2 The CONTRACTOR shall initiate work on the Project upon execution of this Agreement. The Contractor shall complete all Work within 90 days.
- 3.3. Liquidated Damages. OWNER and CONTRACTOR recognize that time is of the essence of this Contract and that OWNER will suffer financial loss and other damages if the Work is not substantially or finally complete within the time specified in paragraph 3.2 above, plus any extensions thereof allowed in accordance with Article 12 of the General Conditions. They also recognize the expense and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by OWNER if the Work is not substantially or finally complete on time. CONTRACTOR acknowledges and agrees that the actual delay damages which OWNER will suffer in the event of delay in achieving Substantial Completion or Final Completion of the Work are difficult, if not impossible, to determine and that the liquidated damages described herein are a fair and reasonable estimate of the delay damages which the OWNER is expected to suffer in the event of such delay. Accordingly, instead of requiring any such proof, OWNER and CONTRACTOR agree, that as liquidated damages for delay (but not as a penalty), CONTRACTOR shall pay OWNER Two Hundred and 00/100 dollars (\$200.00) for each day that expires after the time specified in Paragraph 3.2 for completion. Liquidated damages shall be deducted from the CONTRACTOR's Final Application for Payment. However, if at the time of the CONTRACTOR's Final Application for Payment, CONTRACTOR is owed insufficient amounts to fully cover the deduction for liquidated damages, then CONTRACTOR shall pay any amount due within 10 days of written demand by OWNER.

Article 4. CONTRACT PRICE.

- 4.1 OWNER shall pay CONTRACTOR for completion of the Work in accordance with the Contract Documents and the Schedule of Values. For all

Unit Price Work, an amount equal to the sum of the established Unit Price for each separately identified item in the Bid Form, times the actual accepted quantity of that item will be paid for each separate work authorization. The maximum contract amount of the contract is as follows:

Contract Price \$117,495.00
Contract Price (in words) One Hundred Seventeen Thousand Four
 Hundred Ninety Five Dollars

Article 5. PAYMENT PROCEDURES.

CONTRACTOR shall submit Applications for Payment in accordance with Article 14 of the General Conditions. Applications for Payment will be processed by ENGINEER as provided in the General Conditions.

5.1. Progress Payments. The Application for Payment shall be in AIA format. All progress payments will be on the basis of the progress of the Work measured by the Schedule of Values provided in paragraph 14.01 of the General Conditions and the requirements of the Contract Documents.

5.1.1 Prior to Substantial Completion, progress payments will be in an amount equal to: 90% of the Work completed and 90% of materials and equipment not incorporated in the Work but delivered and suitably stored, less in each case the aggregate of payments previously made.

5.1.2 Upon Substantial Completion, OWNER shall pay an amount sufficient to increase total payments to CONTRACTOR to 95% of the Contract Price, less such amounts as ENGINEER shall determine in accordance with paragraph 14.02.B.5 of the General Conditions.

5.2. Final Payment. Upon Final Completion and acceptance of the Work in accordance with paragraph 14.07.B.1 of the General Conditions, OWNER shall pay the remainder of the Contract Price as recommended by ENGINEER as provided in said paragraph 14.07.B.1.
