**WHEREAS**, in accordance with Division 3.9 of the LDC, proper notice has been mailed to the appropriate property owners of record; the public hearing on the Variance has been noticed for Tuesday, June 20, 2006 at 7:00 p.m. at Miami Lakes Middle School, 6425 Miami Lakeway North, Miami Lakes, FL 33014; and all interested parties have had the opportunity to address their comments to the Town Council; and

WHEREAS, Town Staff has reviewed the application and recommends approval with conditions of the Variance as set forth in the Staff Analysis and Recommendation dated June 20, 2006 (the "Staff Analysis"), and incorporated into this Resolution by this reference.

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF MIAMI LAKES, FLORIDA, AS FOLLOWS:

**Section 1. Recitals.**

The above recitals are true and correct and incorporated into this Resolution by this reference.

**Section 2. Findings.**

- (a) **Variance.** In accordance with Division 3.5(f) of the Town Code, the Town Council, having considered the testimony and evidence in the record presented by all parties, finds that the Applicant does not meet all of the requirements of Division 3.5(f)(1)(a) thru (g) of the Town Code, which are as follows:
1. Variance Consistent with Authorized Powers. That the variance is in fact a variance as set forth in the Land Development Code and within the province of the Town Council; and
  2. Existence of Special Conditions or Circumstances. That special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same zoning district; and
  3. Conditions Not Created by Applicant. That the special conditions and circumstances do not result from the actions of the Applicant; and
  4. Special Privileges Not Conferred. That granting the variance requested will not confer on the Applicant any special privilege that is denied by this Land Development Code to other similarly situated lands, buildings, or structures in the same zoning district; and
  5. Hardship Conditions Exist. That literal interpretation of the provisions of this Land Development Code would deprive the Applicant of rights commonly enjoyed by other properties in the same zoning district under the terms of the Land Development Code and would work unnecessary

and undue hardship on the applicant. The purchase of property which is an illegal nonconformity with this Land Development Code shall not be considered a hardship for granting of a variance, nor shall conditions peculiar to the property owner be considered; and

6. Only the Minimum Variance Granted. That the variance granted is the minimum variance that will make possible the reasonable use of the land, building, or structure; and
  7. Not Injurious to Public Welfare or Intent of the Land Development Code. That the grant of the variance will be in harmony with the general intent and purpose of the Comprehensive Plan and this Land Development Code and that such variance will not be injurious to the area involved or otherwise detrimental to the public welfare with regard to the Variance; and/or
- (b) The Applicant does not meet all of the criteria in Division 3.5(f)(1)(a) thru (g) of the Town Code, but the Town Council determines that:
1. No objections have been filed by adjoining or directly affected property owners; and
  2. Approval of the Variance is justified by practical difficulty on the part of the Applicant.

### **Section 3. Approval/Denial.**

The Variance requesting the Town to permit the accessory storage and late registration of a boat pursuant to Division 6.6.E is approved.

### **Section 4. Conditions of Approval.**

The place of boat storage or parking shall be to the rear of the front property line setback a minimum of 5' from the rear property line.
- (d) That the Applicant shall cover the boat and must screen the boat completely from view of the street by a privacy fence, wall, or shrubs to a height of six feet, and the use of planted or potted trees.
- (e) That upon a code compliance warning in connection to the conditions set forth in this approval, if no corrective action is taken by the applicant, the penalty shall be that this approval shall become null and void.
- (f) The applicant shall record the Resolution in the public records of the Clerk of the Circuit and County Court and shall return the original order to the Town Clerk before a permit is issued for the boat.
- (g) The applicant shall maintain the boat storage area in a clean presentable manner, and obtain a permit and all requisite inspections for the maintenance and storage of a boat, at the setbacks approved herein, within one year of the date of this approval. If a permit is not obtained or an extension granted within the prescribed time limit then this approval shall become null and void.
