WHEREAS, Town Staff has reviewed the application and recommends denial of the Variance as set forth in the Staff Analysis and Recommendation dated October 17, 2006 (the "Staff Analysis"), and incorporated into this Resolution by this reference.

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF MIAMI LAKES, FLORIDA, AS FOLLOWS:

**Section 1. Recitals.**

The above recitals are true and correct and incorporated into this Resolution by this reference.

**Section 2. Findings.**

- (a) **Variance.** In accordance with Division 3.5(f) of the Town Code, the Town Council, having considered the testimony and evidence in the record presented by all parties, finds that the Applicant does not meet all of the requirements of Division 3.5(f)(1)(a) thru (g) of the Town Code, which are as follows:
1. Variance Consistent with Authorized Powers. That the variance is in fact a variance as set forth in the Land Development Code and within the province of the Town Council; and
  2. Existence of Special Conditions or Circumstances. That special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same zoning district; and
  3. Conditions Not Created by Applicant. That the special conditions and circumstances do not result from the actions of the Applicant; and
  4. Special Privileges Not Conferred. That granting the variance requested will not confer on the Applicant any special privilege that is denied by this Land Development Code to other similarly situated lands, buildings, or structures in the same zoning district; and
  5. Hardship Conditions Exist. That literal interpretation of the provisions of this Land Development Code would deprive the Applicant of rights commonly enjoyed by other properties in the same zoning district under the terms of the Land Development Code and would work unnecessary

and undue hardship on the applicant. The purchase of property which is an illegal nonconformity with this Land Development Code shall not be considered a hardship for granting of a variance, nor shall conditions peculiar to the property owner be considered; and

6. Only the Minimum Variance Granted. That the variance granted is the minimum variance that will make possible the reasonable use of the land, building, or structure; and
7. Not Injurious to Public Welfare or Intent of the Land Development Code. That the grant of the variance will be in harmony with the general intent and purpose of the Comprehensive Plan and this Land Development Code and that such variance will not be injurious to the area involved or otherwise detrimental to the public welfare with regard to the Variance; and/or

(b) The Applicant does not meet all of the criteria in Division 3.5(f)(1)(a) thru (g) of the Town Code, but the Town Council determines that:

1. No objections have been filed by adjoining or directly affected property owners; and
2. Approval of the Variance is not justified by practical difficulty on the part of the Applicant.

**Section 3. Approval/Denial.**

The Variance requesting the Town to permit the accessory storage and late registration of a boat pursuant to Division 6.6.E is denied.

**Section 4. Conditions of Approval.**

[If the Town Council approves the Variance as provided in Section 3, conditions imposed by the Town Council, if any, shall be inserted here.]

**Section 5. Appeal.**

In accordance with Division 3.10 of the Town Code, the Applicant, or any aggrieved property owner in the area, may appeal the decision of the Town Council by filing of a notice of appeal in accordance with the Florida Rules of Appellate Procedure.

**Section 6. Violation of Conditions.**

Failure to adhere to the terms and conditions of this Resolution shall be considered a violation of the Town Code and persons found violating the conditions shall be subject to the penalties prescribed by the Town Code, including but not limited to, the revocation of the approval granted in this Resolution. The Applicant understands and acknowledges that it must comply with all other applicable requirements of the Town before they may commence construction or operation, and that the foregoing approvals in this Resolution may be revoked by the Town Council at any time upon a determination that the Applicant is in non-compliance with the Town Code.

**Section 7. Effective Date.**

This Resolution shall take effect thirty (30) days following the date it is filed with the Town Clerk. If during that time frame, the decision of the Town Council is appealed as provided in the Land Development Code and the Florida Rules of Appellate Procedure, the appeal shall stay the effectiveness of this Resolution until said appeal is resolved by a court of competent jurisdiction.
