WHEREAS, in accordance with Division 3.9 of the LDC, proper notice has been mailed to the appropriate property owners of record; the public hearing on the Variance has been noticed for Tuesday, January 16, 2007, at 7:00 p.m. at Miami Lakes Middle School, 6425 Miami Lakeway North, Miami Lakes, FL 33014; and all interested parties have had the opportunity to address their comments to the Town Council; and

WHEREAS, Town Staff has reviewed the application and recommends approval with conditions of the Variance as set forth in the Staff Analysis and Recommendation dated January 16, 2007 (the "Staff Analysis"), and incorporated into this Resolution by this reference.

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF MIAMI LAKES, FLORIDA, AS FOLLOWS:

Section 1. Recitals.

The above recitals are true and correct and incorporated into this Resolution by this reference.

Section 2. Findings.

- (a) **Variance.** In accordance with Division 3.5(f) of the Town Code, the Town Council, having considered the testimony and evidence in the record presented by all parties, finds that the Applicants do not meet all of the requirements of Division 3.5(f)(1)(a) thru (g) of the Town Code, which are as follows:
1. Variance Consistent with Authorized Powers. That the variance is in fact a variance as set forth in the Land Development Code and within the province of the Town Council; and
 2. Existence of Special Conditions or Circumstances. That special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same zoning district; and
 3. Conditions Not Created by Applicant. That the special conditions and circumstances do not result from the actions of the Applicant; and
 4. Special Privileges Not Conferred. That granting the variance requested will not confer on the Applicant any special privilege that is denied by this Land Development Code to other similarly situated lands, buildings, or structures in the same zoning district; and
 5. Hardship Conditions Exist. That literal interpretation of the provisions of this Land Development Code would deprive the Applicant of rights commonly enjoyed by other properties in the same zoning district under the terms of the Land Development Code and would work unnecessary and undue hardship on the applicant. The purchase of property which is an illegal nonconformity with this Land Development Code shall not be

considered a hardship for granting of a variance, nor shall conditions peculiar to the property owner be considered; and

6. Only the Minimum Variance Granted. That the variance granted is the minimum variance that will make possible the reasonable use of the land, building, or structure; and
7. Not Injurious to Public Welfare or Intent of the Land Development Code. That the grant of the variance will be in harmony with the general intent and purpose of the Comprehensive Plan and this Land Development Code and that such variance will not be injurious to the area involved or otherwise detrimental to the public welfare

with regard to the Variance; and/or

- (b) the Applicant does not meet all of the criteria in Division 3.5(f)(1)(a) thru (g) of the Town Code, but the Town Council determines that:
 1. No objections have been filed by adjoining or directly affected property owners; and
 2. Approval of the Variance is justified by practical difficulty on the part of the Applicant.

Section 3. Approval/Denial.

The Variance to permit a proposed new metal roof in connection with an existing single-family residence is approved.

Section 4. Conditions of Approval.

The Variance is granted subject to the following conditions:

- (a) That the roof system be submitted for the residence as per the "Survey" submitted for the hearing for 8553 N.W. 164th Street, Miami Lakes Fl., as prepared by Thomas J. Kelley, Inc., Registered Land Surveyor State of Florida, Order No. 99-2963, and consisting of 2 sheets, to meet with the approval of the Building Department Director, upon the submittal of an application for a permit.
- (b) That in the approval of the roofing system, the same be in accordance with that submitted for the hearing entitled "Dura-Loc Roofing Systems, Inc.," as per a continental tile profile similar to wave like barrel tile pattern, and a light brown autumn gold color for the subject property at 8553 N.W. 164th Street.

- (c) The applicant shall record the Resolution in the public records of the Clerk of the Circuit and County Court and shall return the original order to the Town Clerk before a permit is issued for the roof.
- (d) The applicant shall obtain a permit and all requisite inspections for the roof, as approved herein, within one year of the date of this approval. If a permit is not obtained or an extension granted within the prescribed time limit then this approval shall become null and void.

Section 5. Appeal.

In accordance with Division 3.10 of the Town Code, the Applicant, or any aggrieved property owner in the area, may appeal the decision of the Town Council by filing of a notice of appeal in accordance with the Florida Rules of Appellate Procedure.

Section 6. Violation of Conditions.

Failure to adhere to the terms and conditions of this Resolution shall be considered a violation of the Town Code and persons found violating the conditions shall be subject to the penalties prescribed by the Town Code, including but not limited to, the revocation of the approval granted in this Resolution. The Applicant understands and acknowledges that it must comply with all other applicable requirements of the Town before they may commence construction or operation, and that the foregoing approvals in this Resolution may be revoked by the Town Council at any time upon a determination that the Applicant is in non-compliance with the Town Code.

Section 7. Effective Date.

This Resolution shall take effect thirty (30) days following the date it is filed with the Town Clerk. If during that time frame, the decision of the Town Council is appealed as provided in the Land Development Code and the Florida Rules of Appellate Procedure, the appeal shall stay the effectiveness of this Resolution until said appeal is resolved by a court of competent jurisdiction.
