Hurricane Disaster Recovery
Professional Services

Pursuant to the provisions contained in the "Continuing Services Agreement" between the TOWN OF MIAMI LAKES, FLORIDA (the "TOWN") and KIMLEY-HORN AND ASSOCIATES, INC., ("CONSULTANT") dated May 15, 2002, this Project Agreement authorizes the CONSULTANT to provide the services as set forth below.

The TOWN and CONSULTANT agree as follows:

SECTION 1. SCOPE OF SERVICES

1.1 The CONSULTANT shall provide professional services to the TOWN for assistance with Hurricane Disaster Recovery. The services provided shall include observations of contractor clean-up in the Town due to the damages associated with a hurricane. Additionally, the CONSULTANT shall supply personnel to monitor the pick-up of debris within the Town and the delivery of the debris to a staging area within the Town. Additional support may include preparation of permits, coordination with the Town Building Department, and assistance to the Parks Department with the observations of the park debris removal. The CONSULTANT shall supply staff members as needed by the Town for the disaster recovery efforts for a time to be determined by the Town.

1.2 The project schedule shall be based upon the time it takes the Town to have the majority of the debris removed from the Town streets.

1.3 The services provided by the CONSULTANT shall be in general accordance with the Florida Highway Administration (FHWA) Emergency Relief (ER) Program federal-aid requirements for both emergency and permanent restoration projects.

1.4 The TOWN may request changes that would increase, decrease, or otherwise modify the Scope of Services. Such changes must be contained in a written change order

executed by the parties in accordance with the provisions of the Continuing Services Agreement, prior to any deviation from the terms of the Project Agreement, including the initiation of any extra work.

SECTION 2. DELIVERABLES

2.1 The deliverable associated with this authorization will include the monitoring reports as they are completed at the end of each day.

SECTION 3. TERM/TIME OF PERFORMANCE/DAMAGE

3.1 **Term.** This Project Agreement shall commence on the date this instrument is fully executed by all parties and shall continue in full force and effect, unless otherwise terminated pursuant to Section 4 or other applicable provisions of this Project Agreement until the project is completed. The TOWN Manager, in his sole discretion, may extend the term of this Agreement through written notification to the CONSULTANT. Such extension shall not exceed 30 days. No further extensions of this Agreement shall be effective unless authorized by the TOWN Council.

3.2 **Commencement.** The CONSULTANT'S services under this Project Agreement and the time frames applicable to this Project Agreement shall commence upon the date provided in a written Notification of Commencement ("Commencement Date") provided to the CONSULTANT from the TOWN. The CONSULTANT shall not incur any expenses or obligations for payment to third parties prior to the issuance of the Notification of Commencement. CONSULTANT must receive written notice from the TOWN Manager prior to the beginning the performance of services.

3.3 **Contract Time.** Upon receipt of the Notification of Commencement, the CONSULTANT shall commence services to the TOWN on the Commencement Date, and shall continuously perform services to the TOWN, without interruption, in accordance with the time frames set forth above. The number of calendar days from the Commencement Date, through the date set forth in the Project Schedule for completion of the Project or the date of actual completion of the Project, whichever shall last occur, shall constitute the Contract Time.

3.4 **Liquidated Damages.** Unless otherwise excused by the TOWN in writing, in the event that the CONSULTANT fails to meet to the contract time for completion of services as determined by the Project Schedule, the CONSULTANT shall pay to the TOWN the sum of dollars identified below per day for each and every calendar day unexcused delay beyond the completion date, plus approved time extensions, until completion of the project: \$0.00 per day. The CONSULTANT may claim extension if the factors involved are not under their direct control.

Any sums due and payable hereunder by the CONSULTANT shall be payable, not as a penalty, but as liquidated damages representing and estimate at or before the time of

executing this Agreement. When the TOWN reasonably believes that completion will be inexcusably delayed, the TOWN shall be entitled, but not required, to withhold from any amounts otherwise due the CONSULTANT an amount then believed by the TOWN to be adequate to recover liquidated damages applicable to such delays. If and when the CONSULTANT overcomes the delay in achieving completion, or any part thereof, for which the TOWN has withheld payment, the TOWN shall promptly release to the CONSULTANT those funds withheld, but no longer applicable, as liquidated damages.

3.5 All limitations of time set forth in this Agreement are of the essence.

SECTION 4. AMOUNT, BASIS AND METHOD OF COMPENSATION

4.1 **Hourly Compensation.** TOWN agrees to pay CONSULTANT compensation at the CONSULTANT'S hourly rates, up to an estimated budget of \$85,000.00. Prior to exceeding the budgeted amount, the CONSULTANT shall inform the TOWN and obtain authorization.

4.2 **Reimbursable Expenses.** The following expenses are reimbursable at their actual cost: long distance telephone calls, facsimile, courier services, mileage (at a rate approved by the TOWN), photo and reproduction services. All document reproductions are also reimbursable, at a rate approved by the TOWN.

SECTION 5. BILLING AND PAYMENTS TO THE CONSULTANT

5.1 Invoices

5.1.1 **Compensation and Reimbursable Expenses.** CONSULTANT shall submit invoices which are identified by the specific project number 06/07-15 on a monthly basis in a timely manner. Invoices shall not exceed amounts allocated to the Project plus reimbursable expenses accrued during each phase. The statement shall show a summary of fees with accrual of the total and credits for portions previously paid by the TOWN. The TOWN shall pay CONSULTANT within thirty (30) calendar days of approval by the TOWN Manager of any invoices submitted by CONSULTANT to the TOWN.

5.2 **Disputed Invoices.** In the event that all or a portion of an invoice submitted to the TOWN for payment to the CONSULTANT is disputed, or additional backup documentation is required, the TOWN shall notify the CONSULTANT within fifteen (15) working days of receipt of the invoice of such objection, modification or additional documentation request. The CONSULTANT shall provide the TOWN with additional backup documentation within five (5) working days of the date of the TOWN'S notice. The TOWN may request additional information, including but not limited to, all invoices, time records, expense records, accounting records, and payment records of the CONSULTANT. The TOWN, at its sole discretion, may pay to the CONSULTANT the undisputed portion of the invoice. The parties shall endeavor to resolve the dispute in a mutually agreeable fashion.

5.3 **Suspension of Payment.** In the event that the TOWN becomes credibly informed that any representations of the CONSULTANT, provided pursuant to Subparagraph 5.1, are wholly or partially inaccurate, or in the event that the CONSULTANT is not in compliance with any term or condition of this Project Agreement, the TOWN may withhold payment of sums then or in the future otherwise due to the CONSULTANT until the inaccuracy, or other breach of Project Agreement, and the cause thereof, is corrected to the TOWN's reasonable satisfaction.

5.4 **Retainage.** The TOWN reserves the right to withhold retainage in the amount of ten percent (10%) of any payment due to the CONSULTANT until the project is completed. Said retainage may be withheld at the sole discretion of the TOWN Manager and as security for the successful completion of the CONSULTANT'S duties and responsibilities under the Project Agreement.

5.5 **Final Payment.** Submission of the CONSULTANT'S invoice for final payment and reimbursement shall constitute the CONSULTANT'S representation to the TOWN that, upon receipt from the TOWN of the amount invoiced, all obligations of the CONSULTANT to others, including its CONSULTANT's, incurred in connection with the Project, shall be paid in full. The CONSULTANT shall deliver to the TOWN all documents requested by the TOWN evidencing payments to any and all subcontractors, and all final specifications, plans, or other documents as dictated in the Scope of Services and Deliverable. Acceptance of final payment shall constitute a waiver of any and all claims against the TOWN by the CONSULTANT.

SECTION 6. TERMINATION/SUSPENSION

6.1 **For Cause.** This Project Agreement may be terminated by either party upon five (5) calendar days written notice to the other party should the other party fail substantially to perform in accordance with its material terms through no fault of the party initiating the termination. In the event that CONSULTANT abandons this Project Agreement or causes it to be terminated by the TOWN, the CONSULTANT shall indemnify the TOWN against any loss pertaining to this termination. In the event that the CONSULTANT is terminated by the TOWN for cause and it is subsequently determined by a court of competent jurisdiction that such termination was without cause, such termination shall thereupon be deemed a termination for convenience under Section 6.2 of this Project Agreement and the provision of Section 6.2 shall apply.

6.2 **For Convenience.** This Project Agreement may be terminated by the TOWN for convenience upon fourteen (14) calendar days' written notice to the CONSULTANT. In the event of termination, the CONSULTANT shall incur no further obligations in connection with the Project and shall, to the extent possible, terminate any outstanding sub-CONSULTANT obligations. The CONSULTANT shall be compensated for all services performed to the satisfaction of the TOWN and for reimbursable expenses incurred prior to the date of termination. The CONSULTANT shall promptly submit its invoice for final payment and reimbursement and the invoice shall comply with the provisions of Paragraph 5.1 of this Project

Agreement. Under no circumstances shall the TOWN make any payment to the CONSULTANT for services which have not been performed.

6.3 **Assignment upon Termination.** Upon termination of this Project Agreement, a copy of all of the CONSULTANT's work product shall become the property of the TOWN and the CONSULTANT shall, within ten (10) working days of receipt of written direction from the TOWN, transfer to either the TOWN or its authorized designee, a copy of all work product in its possession, including but not limited to designs, specifications, drawings, studies, reports and all other documents and data in the possession of the CONSULTANT pertaining to this Project Agreement. Further, upon the TOWN'S request, the CONSULTANT shall assign its rights, title and interest under any subcontractor's agreements to the TOWN.

6.4 **Suspension for Convenience.** The TOWN shall have the right at any time to direct the CONSULTANT to suspend its performance, or any designated part thereof, for any reason whatsoever or without reason, for a cumulative period of up to thirty (30) calendar days. If any such suspension is directed by the TOWN, the CONSULTANT shall immediately comply with same. In the event the TOWN directs a suspension of performance as provided for herein through no fault of the CONSULTANT, the TOWN shall pay to the CONSULTANT its reasonable costs, actually incurred and paid, of demobilization and remobilization, as full compensation for any such suspension.

SECION 7. INCORPORATION OF TERMS AND CONDCTIONS OF CONTINUING SERVICE AGREEMENT

7.1 This Project Agreement incorporates the terms and conditions set forth in the Continuing Services Agreement dated May 15, 2002 between the parties as though fully set forth herein. In the event that any terms or conditions of this Project Agreement conflict with the Continuing Services Agreement, the provisions of this specific Project Agreement shall prevail and apply.
