Section 1. Recitals.

The above recitals are true and correct and incorporated into this Resolution by this reference.

Section 2. Findings.

1. In accordance with Division 3.5(f) of the Town LDC, the Town Council, having considered the testimony and evidence in the record presented by all parties, finds that the Applicant does not meet all of the criteria of Division 3.5(f)(1)(a) thru (g) of the Town LDC, which are as follows:
 - a. Variance Consistent with Authorized Powers. That the variance is in fact a variance as set forth in the Land Development Code and within the province of the Town Council; and
 - b. Existence of Special Conditions or Circumstances. That special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same zoning district; and
-

- c. Conditions Not Created by Applicant. That the special conditions and circumstances do not result from the actions of the Applicant; and
 - d. Special Privileges Not Conferred. That granting the variance requested will not confer on the Applicant any special privilege that is denied by this Land Development Code to other similarly situated lands, buildings, or structures in the same zoning district; and
 - e. Hardship Conditions Exist. That literal interpretation of the provisions of this Land Development Code would deprive the Applicant of rights commonly enjoyed by other properties in the same zoning district under the terms of the Land Development Code and would work unnecessary and undue hardship on the applicant. The purchase of property, which is an illegal nonconformity with this Land Development Code shall not be considered a hardship for granting of a variance, nor shall conditions peculiar to the property owner be considered; and
 - f. Only the Minimum Variance Granted. That the variance granted is the minimum variance that will make possible the reasonable use of the land, building, or structure; and
 - g. Not Injurious to Public Welfare or Intent of the Town LDC. That the grant of the variance will be in harmony with the general intent and purpose of the Comprehensive Plan and this Land Development Code and that such variance will not be injurious to the area involved or otherwise detrimental to the public welfare.
2. The Applicant does not meet all of the criteria in Division 3.5(f)(1)(a) thru (g) of the Town LDC, but the Town Council has determined that:
- a. Objections have not been filed by adjoining or directly affected property owners; and
 - b. Approval of this Variance is justified by practical difficulty on the part of the Applicant by extraordinary (5) votes of the Town Council.
