NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF MIAMI LAKES, FLORIDA, AS FOLLOWS:

Section 1. Recitals.

The above recitals are true and correct and incorporated into this Resolution by this reference.

Section 2. Findings.

1. In accordance with Division 3.5(f)(1) of the Town LDC, the Town Council, having considered the testimony and evidence in the record presented by all parties, finds that the Applicant does not meet all of the criteria of Division 3.5(f)(1)(a) thru (g) of the Town LDC, which are as follows:
 - a. Variance Consistent with Authorized Powers. That the variance is in fact a variance as set forth in the Land Development Code and within the province of the Town Council; and

- b. Existence of Special Conditions or Circumstances. That special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same zoning district; and
 - c. Conditions Not Created by Applicant. That the special conditions and circumstances do not result from the actions of the Applicant; and
 - d. Special Privileges Not Conferred. That granting the variance requested will not confer on the Applicant any special privilege that is denied by this Land Development Code to other similarly situated lands, buildings, or structures in the same zoning district; and
 - e. Hardship Conditions Exist. That literal interpretation of the provisions of this Land Development Code would deprive the Applicant of rights commonly enjoyed by other properties in the same zoning district under the terms of the Land Development Code and would work unnecessary and undue hardship on the applicant; and
 - f. Only the Minimum Variance Granted. That the variance granted is the minimum variance that will make possible the reasonable use of the land, building, or structure; and
 - g. Not Injurious to Public Welfare or Intent of the Town LDC. That the grant of the variance will be in harmony with the general intent and purpose of the Comprehensive Plan and this Land Development Code and that such variance will not be injurious to the area involved or otherwise detrimental to the public welfare.
2. In accordance with Division 3.5(f)(2) of the Town LDC, the Town Council, having considered the testimony and evidence in the record presented by all parties, finds that the balance of the weight of the factors for consideration under practical difficulty does support approval of the variance request as provided in 3.5(f)(2)(a) thru (g) of the Town LDC as follows;
- a. The Town has received written support of the specifically identified variance request from adjoining property owners;
 - b. The variance is compatible with development patterns in the Town;
 - c. The essential character of the neighborhood will be preserved;
 - d. The variance can be approved without causing substantial detriment to adjoining properties;

- e. The variance will do substantial justice to the property owner as well as to other property owners justifying a relaxation of this Land Development Code to provide substantial relief;
- f. The plight of the applicant is not due to unique circumstances of the property and/or applicant which would render conformity with the strict requirements of the Land Development Code unnecessarily burdensome; and
- g. The special conditions and circumstances which exist are not the result of actions beyond the control of the applicant.

Section 3. Grant//Denial.

The Variance request to permit:

- 1. an existing tile roof to be replaced with a proposed standing seam ribbed metal roof where all single family and two family roof materials may be replaced or repaired with similar types of roofing material as originally installed on the residence or may be constructed of cement, ceramic, or metal to simulate flat cement tile or barrel tile, is hereby granted.

Section 4. Conditions.

The Variance is granted subject to the following conditions:

- 1. The approvals granted herein shall be in accordance with the product materials and design submitted for the hearing.
- 2. All building permits required pursuant to code enforcement actions shall be obtained within 60 days of the effective date of this development approval. Failure to comply with outstanding code enforcement actions within 60 days of the effective date of this development approval will result in additional fines and penalties.
- 3. The Applicant shall obtain a building permit, for all other request(s) approved herein, within one (1) year of the date of this approval, If a building permit is not obtained or an extension granted within the prescribed time limit then, this approval shall become null and void.

Section 5. Appeal.

In accordance with Division 3.10 of the Town LDC, the Applicant, or any aggrieved property owner, may appeal the decision of the Town Council by filing a Writ of Certiorari to the Circuit Court of Miami-Dade County, Florida, in accordance with the Florida Rules of Appellate Procedure.

Section 6. Violation of Conditions.

Failure to adhere to the terms and conditions contained in this Resolution in Section 4, if any, shall be considered a violation of the Town LDC and persons found violating the conditions shall be subject to the penalties prescribed by the Town LDC, including but not limited to, the revocation of any of the approval(s) granted in this Resolution. The Applicant understands and acknowledges that it must comply with all other applicable requirements of the Town LDC before it may commence construction or operation, and that the foregoing approval(s), if any, in this Resolution may be revoked by the Town at any time upon a determination that the Applicant is in non-compliance with the Town LDC.

Section 7. Effective Date.

This Resolution shall take effect 30 days following the date it is filed with the Town Clerk. If during that time frame, the decision of the Town Council is appealed as provided in the Town LDC and the Florida Rules of Appellate Procedure, the appeal shall stay the effectiveness of this Resolution until said appeal is resolved by a court of competent jurisdiction.
