**Project Narrative/Description**

The Town of Miami Lakes is building a Police Station which will be a part of the new Government Center. The primary funding source for this project is 2010 Town of Miami Lakes Special Obligation Bonds (\$6,102,000), this bond sale was in December 2010 and is exclusively for the construction of a new Government Center. Since the sale of bonds the Town has aggressively pursued site selection and design of the facility. The execution of the land purchase proceeded to Council in May, and a contract was awarded in June for construction and design. The Town anticipates completion by December of 2012.

**GOB Total Funding Allocation Narrative/Description**

The construction of the Police Station comprises 28% of the 25,000 square foot allocation for the new Town Hall. The \$500,000 of GOB funding is planned for a portion of the construction expense for the Police Station. Future BBC GOB allocations are fully subject to and contingent upon the availability of BBC GOB Program proceeds and the execution of subsequent agreement(s) between the County and the Town of Miami Lakes.
